2014 Biennial Directory

Mark Hammond
Secretary of State
State of South Carolina
August 31, 2015

Dear Reader:

Pursuant to Section 6-11-1630 of the South Carolina Code of Laws, I am pleased to present the 2014 Biennial Directory of Special Purpose Districts in South Carolina.

A Special Purpose District is a district created by an Act of the South Carolina General Assembly or pursuant to general law which provides any governmental power or function including, but not limited to, fire protection, sewage treatment, water or natural gas distribution or recreation. A Special Purpose District also means any rural community water district authorized or created under the provisions of Chapter 13 of Title 6 of the South Carolina Code. Special Purpose Districts do not include any state agency, department, commission or school district.

The information presented in this directory is based upon information provided to us by the individual districts as required by the South Carolina Code of Laws § 6-11-1610, et seq. Inactive districts have been deleted after having been listed as inactive for two consecutive report cycles.

I hope that you find the 2014 Biennial Directory of Special Purpose Districts in South Carolina useful and informative. If you have any questions or comments, please contact the Office of the Secretary of State at 803-734-0367. Thank you.

With kind regards, I am,

Mark Hammond
Secretary of State
