INTRODUCTION

Allied Crane Hire operates a fleet of well-maintained mobile cranes throughout sub-Saharan Africa from conveniently located branches and depots. Through experience we have developed the ability to tailor our services to ensure the best lifting solutions for our clients and provide the following:

- Crane hire
- Lifting consultancy
- Rigging
- Abnormal transportation
- Load testing
- Non-destructive testing
- Wire rope mill testing

We work anywhere in sub-Saharan Africa and have the infrastructure to establish depots on any terrain by using mobile workshops, accommodation and offices. We have worked in Botswana, Namibia, Angola, Zimbabwe, Mozambique, DRC and Sierra Leone.
LIFTING MACHINERY ENTITY (LME)

Allied Crane Hire is a Lifting Machinery Entity and is a registered organisation employing accredited and certified personnel who are skilled and competent in the art of testing lifting machinery and equipment.

BLACK EMPOWERMENT

Allied Crane Hire (Pty) Ltd is a Black Empowerment Company and strives to promote its business operations with a view to empowering previously disadvantaged individuals in South Africa. 70% of the equity is held by historically disadvantaged individuals. This philosophy is carried from management throughout the company to our suppliers.

PERSONNEL

The directors have over eighty years experience in the crane hire industry and have empowered our staff by transferring skills and experience. Constant on-the-job training ensures that we can provide our clients with the service they expect. Our operators have to pass external operator competency tests before being accredited.

24-HOUR SERVICE 365-DAYS A YEAR

We are available 24-hours a day, 365-days a year. Our workshops also operate after hours if neccessary so that we can service and maintain our equipment without inconveniencing our clients and ensure that they have well-maintained cranes in good working order at all times.

HEALTH AND SAFETY POLICY

Safety is no accident! Allied Crane Hire's policy is to provide a safe and healthy environment in which all employees, visitors and customers can carry out their business securely. We aim to render a service which is unlikely to cause an accident or exposure that may result in personal injury or damage and loss to property or equipment.
