DocuPrint 340A
Monochrome Printer
Big printing power for the small office
DocuPrint 340A Monochrome Printer

**Professional laser quality. Reliable, versatile and affordable.** The compact and sleek Fuji Xerox DocuPrint 340A is designed to give you fast, sharp and professional looking documents day in and day out. Not only will these office solutions keep up with your workload consistently and reliably but you can also do it for less. Giving you the performance you need with better value.

### Excellent Performance

You can count on crisp, clear and sharp prints in less time with the DocuPrint 340A. That is because it is engineered to perform at unsurpassed speed, without compromising on the high quality resolution you have come to expect from Fuji Xerox.

- **True 1200 x 1200 dpi resolution** at rated speed.
- **Continuous high-speeds of up to 34 ppm printing** is ensured with the 266MHz RISC PowerPC 603 processor that also excels at handling multiple print jobs.
- **Greatly reduced warm-up time** is made possible with the Fuji Xerox unique Quick Fuser Technology.
- **Extremely high capacity printing** is possible with a maximum duty cycle of up to 150,000 prints per month.

### Increased Convenience

Enjoy not only the benefits of a top-performance printer, but also the added features that will make overcoming work obstacles and performing beyond expectations a breeze.

- **Uninterrupted printing** is possible with its ability to continuously feed up to 1,800 sheets of paper.
- **Universal trays** can accommodate a host of paper sizes and thicknesses.

### All-round Affordability

In addition to guaranteed superior performance and higher productivity comes substantial savings with a lower cost all-round.

- **Toner consumption is reduced by 30%** with the Toner Save Mode.
- **Low Power Consumption** in sleep mode. The warm-up time from power-on or sleep mode is short so you save energy, reduce cost and save time.
- **Low running cost** is also made possible with the high capacity toner allowing up to 17,000 pages.

### Easy Network Management and Support

The DocuPrint 340A is also able to support various office protocols to fit seamlessly into today’s intelligent office. It is easy to install and even easier to use with a host of smart features.

- **Compatible with various office environments like TCP/IP, NetWare (IPX/SPX), NetBEUI, EtherTalk (PostScript environment) and other protocols.**
- **PCL Driver Utility** makes installation and set-up effortless.
- **CenterWare Internet Services** enhances operability on a network and remote management.

---

**DocuPrint 340A Quick Facts**

- Print up to 34 ppm
- 1200 dpi print resolution
- 266MHz processor

**WxDxH:** 422 x 404 x 465 mm
**DocuPrint 340A Printer Configurations**

**Options**
- Duplex Module
- PostScript*
- Memory upgrade
- Hard drive kit*
- 2 x 550-sheet paper feeders
- Face up tray
- Offset catch tray

* Requires extra memory (128Mb or more)

---

**Range of Enriched Features**

There is more than meets the eye with the DocuPrint 340A. Even though it is compact in size, it is packed with useful and convenient features to give you big performance while saving you money.

- **Duplex Print Module** allows booklet printing by automatically arranging pages in sequence.
- **Electronic Sort** allows data to be written into memory so that subsequent copies can be directly printed from memory and collated speedily.
- **Security Print** function protects documents from undesired scrutiny by storing data on the hard disk until unlocked with a password.
- **IP Address Restriction** ensures output control and may be set individually or for a group.
- **Mail Notification Service** alerts you to situations like toner or paper shortage and sends the message to a set recipient.

---

**Flexible and reliable paper handling**

1. The 150-sheet tray 1 (standard) handles up to 216 GSM.
2. The 550-sheet tray 2 (standard) allows you to add a full ream of paper.
3. Add one or two additional 550-sheet trays to boost capacity up to 1,800 sheets.
4. The optional 500-sheet stacker with Job offset both expands output capacity and separates print jobs for easy distribution.
