This market started as a Fine Art Fair over 40 years ago and evolved into an Arts and Crafts Fair in the 80’s until now, over the past few years we have begun experimenting with antique and vintage vendors, observing trends and watching and listening to the interests of our customers. Decorating trends and consumer interests are continually changing and we need to keep up with the changing market. Therefore, Bates is going to be encouraging and inviting those with up-cycled, recycled, vintage and antique vendors to join in our annual markets along with our crafters and artists. Customers are looking for recycled, restored, vintage, antique, and made in the USA vendors. Come and join us and share your love of crafting, collecting and gifting others. Please join us in creating an event we can be proud of to share with our customers. Like always this will be a juried market and we will be looking how your merchandise is displayed.

The market coincides with the Heartbeat Classic Chevy Car Show on Sunday, April 24th. A great combination of fun for women, men and families of all ages to come and see the products you are selling. In addition we will feature our Spring Food Truck Festival on Saturday, April 23rd. No parking or admission. 10X15 spaces. $100.00 for a booth.
