City collects hazardous waste

From Continued Page A1

...the day before... he is aware of.

Acceptable items include: batteries, electronic waste, air conditioners, monitors, televisions, and refrigerator doors.

Used oil may be brought to the city’s hazardous waste facility, 2100 W. Tidwell Road, from 8 a.m. to 5 p.m., Monday through Friday. Vehicle owners are responsible for containing those contents that are not normally contained in vehicles. Used oil not accepted includes: hydraulic fluid, antifreeze, solvents, automotive oil, oil-based paints, and other household hazardous materials.

To get to the Elsberry site, turn left at Tidwell, exit on the left, and continue to the site. The following are the hours for the site.

• Monday, February 29, from 8 a.m. to 5 p.m.
• Tuesday, March 2, from 8 a.m. to 5 p.m.
• Thursday, March 4, from 8 a.m. to 5 p.m.
• Friday, March 5, from 8 a.m. to 5 p.m.

The next gathering will be held in the Mother Cabrini Center at the church on Friday, March 11, at 10 a.m. For more information on Vietnamese programs, speak with Loc Bui.

Weller elected to honors council executive board

The Great Plains Honors Council (GPHC) has elected San Jacinto College President Paula Weller to its executive committee. The GPHC is the regional affiliate of the National Collegiate Honors Council that serves the states of Texas, Oklahoma, Arkansas, Missouri, Kansas and Colorado. Each year, the GPHC forms a spring conference that allows students to present their research. As an officer on the GPHC's executive committee, Weller will serve a three-year term, beginning in spring to succeed president/professor-elect, professor, and immediate past-president.

“The GPHC is a wonderful platform for students to present their research. I am excited to continue this legacy as an executive committee member and look forward to working with my colleagues as we continue to support these students’ academic pursuits.”

Central or South America or the Caribbean, it’s important to maintaining insect repellent for a minimum of two weeks.

Zika virus is transmitted by mosquitoes, and it can also be spread through sexual transmission. It primarily affects pregnant women, and the CDC urges pregnant women to not travel to areas with active Zika virus transmission. The virus can cause serious birth defects and neurological problems in infants born to mothers who contract the virus during pregnancy. People can reduce their risk of Zika infection by using insect repellent, wearing long-sleeved shirts and pants, and seeking shade to avoid mosquito bites.

If you currently participate in your employers’ 401(k) retirement savings plan, you may want to revisit your investment strategy to ensure that your investments are aligned with your risk tolerance and financial goals. Memorial High School’s Lloyd Love, an educator for 32 years, was recently recognized by the Dallas Morning News as the “new voice of the 90s.” He has been teaching at Memorial High School for 36 years. Through his relentless efforts, he has inspired and educated students of all ages and skill levels in creative and innovative ways.

I appreciate this award but I don’t think I work that hard. The people who allow me the opportunity to create the best program I could deserves it. Love said “My principal, Dr. Angela Guillen, and my colleagues in the district and at Memorial High School are the true heroes in making sure we have a quality program.”

They are learning skills that they won’t use when they go out into the real world. In addition to the award, Love was named Teacher of the Year in Memorial in 1996.

A Night in Paris at Frazier’s first Father-Daughter Dance

It was the theme for Frazier Elementary School’s first Father-Daughter Dance held Friday, Feb. 26. More than 145 fathers, grandfathers, uncles or family friends accompanied their special girls for a night of dancing, games and refreshments. It was a magical night and one that all those girls and their fathers will never forget.

Hancock Elementary welcomes widow of namesake to campus

By Melissa Trevino
Hancock Elementary, widower of longtime Pasadena Independent School District administrator Thomas Hancock, said he was given a tour of the elementary school by an employee the day before Hancock died in 2013.

In the 1970s, Hancock served as assistant principal at Thompson Intermediate.

“Tom took a walk to the roof with me,” Trevo said. “And I said, ‘Wow, it’s so beautiful.’”

Hancock Principal Veronica Sandoval was honored to meet the wife of the school’s namesake and show her the state-of-the-art campus.

“Mrs. Hancock’s visit was something we are here,” Sandoval said. “We are so excited that she was able to come and see our beautiful campus.”

Hancock, along with Hancock Elementary, will host a dedication ceremony for the 2016-17 school year.

Sandoval, associate superintendent of schools, said she was excited that she was able to show her the state-of-the-art campus.

“The campus in our community is the choice of our students, the buses all come around exploration,” Sandoval said. “Bison are natural wanderers and explorers. As we go, we will encourage exploration in the areas, land, sea, air space and cyberspace.”

At the end of the visit, Hancock shared one of her favorite traits with the group.

“Tom was a very calm easy-going person,” she said. “When I had to speak in front of large groups, I was always so nervous. Tom was never nervous, and he always had exactly what to say. Even when he wasn’t feeling well. He always had presence and direction. He was a very sweet man and he loved his work.”

Sandoval hopes to carry on the tradition and establish strong community relationships.

Hancock Elementary, located at 6925 Minnesota, will open its doors to students at the beginning of the 2016-17 school year.

Perhaps in just a few weeks the Dobie varsity boys’ soccer team will have a chance to excel in school with the formal announcement of the Varsity Baske

With two more wins - 20-6A title over South Houston – the Longhorns could be headed to the post season. A Longhorn victory was the first step towards 20-6A title for the second consecutive season for the Dobie team. This much is for sure, but a win over South Houston doesn’t seem likely.

The Dobie boys’ soccer team will face the Dobie varsity team at the Dobie varsity boys’ game on Wednesday, April 24, at 4 p.m., at Veterans Stadium. On that date, Dobie will be facing a squad that has been living up to the expectations of many.

The Dobie boys’ soccer team will also be playing against a squad that has been living up to the expectations of many. The Dobie team has been living up to the expectations of many.

Dobie postseason run, reaches R3 Final Four

Continued from Page 8

The Lady Wolverines bounced back from eight down to eight up, with both teams scoring a pair of runs, and then Hunter and Cooper scored back-to-back points.

Eventually, every time Hightower would try to drive to the hoop, the Lady Wolverines would answer. By quarter’s end, Dobie led 2-0.

Cooper hit another 3-pointer with 1 minute, 33 seconds left in the top of the key. After Hightower missed a couple of free throws, Joy Preston had a lay-in that gave Dobie its first double-digit lead since the opening basket of the game.

Dobie led 10-5, then started off the opening night with 12 of its high-29 points in the fourth quarter.

At the same time, Dobie committed five turnovers over the final four minutes, giving chance after chance to the Hurricanes.

Finally, things went down to the wire. With the game tied at 56-56, High tower went into the final minute with a 3-pointer and 49 seconds left.

Speaking to a group of Houston area media, Cross said, “You go up against teams that think they can go out there and just go for it, and the only thing the Longhorns are about is from being at home and being here and what we’re doing. So we’ll see here. I know we could make the free throw after the make, and we came away with the win. We’ll come back on Friday and go for another win.”

Now in his eighth season as varsity boys’ basketball coach at Dobie, Kevin Cross has guided the Lady Wolverines to the Region III Final Four for the first time since the 1996-97 season.

Two consecutive week- ends of tournament play have come to a stop for the Clear Brook and Dobie softball teams.

Now, with the exception of the occasional nondistrict battle, the two teams will calender out until the regular season play.

Dobie, 1-1 in District 22-6A play, will get a chance for a couple of outings, with Panda-ting games March 4 and South Hous ton March 8, both at the Pasadena ISD complex at 6:30 p.m.

Clear Brook, 8-0 in District 18-6A play, will get a crack at a couple of county teams, with Vidor and Barbers Hill occupying slots at 8:45 p.m. on those consecutive nights.

Gaines homered as the Lady Wolverines helped pitcher Alyssa Cooper win the game in the circle. Heading into 2016, Feb. 26, Dobie trailed Cy-Fair 3-1 in the inning game before falling for four runs in the bottom of the fifth inning for a 4-3 victory.

Cooper tossed six innings for the victory, and Preston drove in a pair of runs in the big inning. Marissa Longoria and Whaley also drove in runs in the big inning.

In the opener Feb. 26, against Pearland, the Lady Wolverines began day-two play matching South Houston 16-6.

Shelby Erns and Azia Lynch had three hits each, and both players also drove in runs in the game.

Brook closed out play with a 4-1 victory over Channelview.

Lynch had a pair of hits and, and Asha Wright had the game’s three-run homer.

Field hockey will try to get on a roll as the 2-0-0 Lady Hurricanes go on the road for the third time.

Cross called a pair of timeouts over the final moments, and Dobie put the ball back in play with 26 seconds left.

Girone took off for the far side of the court, and the Longhorns redoubled.
