LOYOLA ATHLETICS 2015
VISITOR TAILGATES

Loyola Event Services is happy to accommodate your request for a post-game tailgate. Home tailgates will be hosted under the tent on the Plaza level of the stadium property. This location provides ample space inside the gate on the stadium grounds, with electricity, lights, picnic tables and tables for your food and beverages.

We have developed a list of answers to frequently asked questions and guidelines to assure your experience is enjoyable.

- There will be an on-site liaison to assure a quality experience for you and your guests.
- You will have access to the tent and its amenities by the end of halftime.
- The tailgate location will be available to you for 90 minutes at the conclusion of the game.
- Concourse level restrooms will remain open during the tailgate.
- Loyola University does not allow alcohol consumption at tailgates or in the parking lots.
- Loyola does not allow the use of charcoal grills on the property. Grills or soup pots powered by sterno or propane however are permitted. Any grills setup will need to be at least 30 feet away from the tent, in the grassy area east of the tent, away from the general population.
- Nothing is permitted to be driven into the ground (such as tent stakes) due to a protective methane membrane built into the grounds of the facility. Sandbags or other weighted items are suggested for securing any “pop-up” tents.
- Loyola has an exclusive beverage provider agreement with the Pepsi Bottling Group, and requires consumption of only Pepsi products at all our facilities. Pepsi, Mountain Dew, Dr. Pepper, Aquafina, Sierra Mist, Mug Root Beer, Crush, Gatorade, Sobe Beverages, Lipton, Starbucks, Muscle Milk, Rockstar, Izze Sparkling Juice, Naked Juices, Ocean Spray & Tropicana Beverages are all acceptable Pepsi brands*. Please note that the only bottled water allowed under this agreement is Aquafina. (*see attached for complete list)

Additionally, the following food options apply:

- If own food is provided (pot luck style):
  - You are responsible for cleaning up the tailgate area and removing all of your own trash and disposable trash containers to the dumpster. There is a dumpster conveniently located on the same level as your tailgate at the south end of the building.
  - Loyola can provide 1 cargo golf cart trip to assist in bringing your tailgate items from the parking lot area to the actual tailgate area at the end of halftime. If you need to make other arrangements please contact us ahead of time at 410-410-617-5077, or on game day at 410-410-617-1402.
• If prepared food is to be delivered -
  o Food can be dropped off near the front gate of the grandstand (north side nearest box office) and brought a short distance to the tailgate area.
  o We ask that if you are having a food service provider drop off your prepared food that you contact our office at least 72 hours in advance of your tailgate.
  o You are responsible for cleaning up the tailgate area and removing all of your own trash to the dumpster. There is a trash dumpster conveniently located on the same level as your tailgate at the south end of the building.

• If a Caterer is hired (food preparation and service during your tailgate)
  o You may contact Loyola University Evergreen Catering for all your catering needs. Don Luther and his staff can provide you with excellent options for tailgate food and drink. You can reach Don at 410-410-617-5858.
