CHILD CARE
NURTURING & SAFE

CHILD WATCH
Ages 3 months - 11 years

Our Child Watch program is a babysitting service designed to provide a safe, fun environment for children while parents/guardians use the facility, or step out in town. It is conveniently located in close proximity to the gym, pools, Fitness Center and ExerZone. Your child’s comfort and safety are our top priority. Our qualified staff can help with any questions/concerns regarding your child’s care. To ensure the best supervision and safety for your child, the YMCA maintains a staff ratio of 1:5. At least two staff members will be present at all times. The number of non-walking children is limited to 2 per staff.
