IMPORTANT EFT NOTICE

SUBJECT: NEW EFT BANKING INFORMATION

Effective July 1, 2016, Union Bank will replace Citibank as California Department of Insurance’s (CDI) processor for EFT payments, and First Data will replace Metavante as the State’s data collection service. Our current bank account will only be available for payments up to June 30, 2016 for a debit date no later than July 1, 2016. For example for a tax payment due on July 1, 2016, you need to successfully schedule the payment by June 30, 2016 by 3:00 pm Pacific Time. Any attempts to initiate an EFT payment to our account with Citibank after this time will be returned. Consequently, your tax payment may arrive late and be subject to penalties and interest.
