General Purpose:
FMT I: Performs routine maintenance of Sheriff's Office facilities and equipment.
FMT II: Performs all aspects of building renovation, repair and maintenance of the Sheriff's Office facilities and equipment.

Essential Functions:
(These duties are a representative sample; position assignments and detailed work instructions may vary.)

Facility Maintenance Technician I:
1. Performs routine maintenance such as oiling equipment, repairing windows, replacing light bulbs, etc.
2. Performs routine electrical and plumbing repairs and maintenance.
3. Keeps tools, equipment and machines clean and in safe operating order, and follows all procedures for safe and efficient operation of tools, equipment and machines.
4. Accepts assignments to perform more complex tasks for on-the-job training, relief or special assignment.
5. Reviews all work products to ensure highest level of quality.
6. Performs other duties of a similar or related level as necessary or assigned.

Facility Maintenance Technician II:
1. Performs all essential duties of Facility Maintenance Technician I as needed.
2. Plans, schedules and performs routine maintenance such as oiling equipment, clearing clogged drains, painting, repairing windows, doors and floors.
3. Repairs and maintains motors, plumbing, electrical fixtures, heating and air conditioning systems and other machines and equipment; replaces worn or broken parts.
4. Inspects and tests structures, machines and equipment to determine causes of problems.
5. Uses cutting torches or welding equipment to cut or join metal parts.
6. Assembles and installs building components, such as plumbing, machinery and equipment.
7. Takes apart, fixes and puts together defective machines and equipment.
8. Cleans and lubricates shafts, bearings, gears and other parts of machinery.
9. Sets up and operates machine tools.
10. Estimates costs of repairs.
11. Orders supplies and parts.
12. Keeps records of maintenance, repairs, purchases and costs.
13. Monitors, operates and maintains computer-controlled systems.
14. Reviews all work products to ensure highest level of quality.
15. Performs other duties of a similar or related level as necessary or assigned.
Garfield County
