Chefs Wanted! Sunday, January 26th

4:00 p.m. – Walk the trail with friends and family
4:30 p.m. – Chili Tasting in Downtown Anchorage
6:00 p.m. – Town Meeting at Shall We Dance Studio

Hey Chili Chefs! Have you always wanted to participate but never felt up to competing with the “big teams?” (We all know who they are!) Well here’s a chance to band together to take on these goliaths! Two teams are forming – the “North Side of the Tracks” and the “South Side of the Tracks”. If you’re interested in joining either the North or South teams, contact Connie O’Connell at connie.v.oconnell@gmail.com or give her a call, 253-1726. She will also be happy to answer any questions you have about this annual event. Of course, if you’ve already gathered your friends and family to form a team, we’ll see you there!

If needed, Connie can provide team captains with a complete list of resources they will need and may want to bring, as well as what items are provided by the Anchorage Civic Club. Set-up will be from 3:30 to 4:30 p.m. in front of the businesses on either side of Evergreen Road. Winning teams will be determined by combining our judge’s votes with the popular vote – same as last year. So gather your teams, hone your recipes, and be ready to compete!

CIVIC CLUB SEEKS NOMINATIONS FOR ANCHORAGE CITIZEN OF THE YEAR

Every year the Civic Club board votes for the Citizen of the Year, an honor to be awarded at the Town Meeting. Nominations for this prestigious award are accepted from the community.

Nominations should be made for those Anchorage residents who have contributed significant time, effort and/or resources towards the betterment of Anchorage over the years. Please submit your nomination, with a summary supporting the qualifications of your choice, no later than Friday, January 10th to Barbara Coffield, Civic Club President, at barbara.benjamin@gmail.com.

2014 RECYCLING SERVICE

Anchorage residents are reminded to notify City Hall no later than December 20th if they want to continue recycling services after January 1, 2014. Residents can return the postcard mailed to them on November 14th or send an email to recycling.signup@cityofanchorage.org. (Be sure to include your name and property address). Thanks to the 500+ residents who have already replied – your recycle service will not be interrupted in the New Year. And give yourself a pat on the back! Recycle collection in the average Midwest city is less than 50% and Anchorage’s participation far exceeds this average. Your efforts keep recyclable materials out of landfills, conserve natural resources, save energy, and help sustain the environment for future generations.

Residential trash collection and yard waste service are not affected by this change. Please contact Alice McKinley or Sandi Kunzler at 245-4654 if you have any questions or concerns.
ALARM REGISTRATION

City Ordinance requires that all burglar alarms be registered with the Anchorage Police Department, regardless if the system is monitored by a security service or not. Registration enables the police to have the necessary information to insure the safety of the officers when they respond to an alarm. Use the enclosed form to update information each year to insure that the police have current contact information and phone numbers on file. The information is used when a homeowner is out of town and the alarm is activated. If the alarm is not registered, the police do not know whom to contact to reset it, leaving the home vulnerable until the owner returns.

There is no charge to register your alarm. Owners with unregistered alarms can incur civil penalties of up to $250.00 day.

There are two types of billings for false alarms. You can elect to pay either $60 for the twelve-month calendar year, or be billed $25 for each false run. Invoices will be mailed by December 13th for alarm systems that were previously registered and are on a yearly false alarm billing. Please contact City Treasurer, Renee Major, at 245-4654, if you pay by the year and do not receive your invoice. If you have a burglar alarm that is new, unregistered, or existing but only recently activated, please complete the Alarm Registration Form included with this newsletter. Registration forms are due by December 31st. Completed forms can be dropped off at City Hall, the police station, or mailed to City of Anchorage, P. O. Box 23266, Anchorage, KY 40223. Checks should be made payable to the City of Anchorage.

FROM THE FORESTRY BOARD

The Forestry Board would like to take this opportunity to thank all Anchorage neighbors for their active participation and contributions during 2013 towards the continued preservation of the City’s remarkable urban forest.

The Board hopes you enjoy your 2014 calendar that was delivered Thanksgiving week. A few extras are available for $6.00 at City Hall.

INDUSTRIAL DISPOSAL
WINTER WEATHER REMINDERS

Icy inclines, and low hanging tree limbs and wires can prevent drivers from completing back door trash collections. The driver will not risk running off driveways and damaging lawns if drives are not plowed or adequately salted in bad weather conditions. The driver also cannot risk hitting tree limbs or pulling down wires when they’re drooping due to heavy snow or ice build-up. Unrestrained dogs, and blocked carts and driveways can also prevent collection.

Christmas tree disposal – Any tree 6-foot tall or less can be handled by the driver. Anything larger should be cut into 4-foot lengths and placed curbside. The base of large trees are quite heavy; by cutting larger trees into 4-foot sections the tree can safely be handled by a single person.

FROM THE FIRE CHIEF

Chief Rockwood and the Anchorage Fire Department thank residents for their generous support of the annual “Toys for Tots” campaign. Your kindness is appreciated.
