INTRODUCTION

ABOUT THIS CERTIFICATION HANDBOOK
This handbook explains the eligibility requirements that you must meet to take the examination and provides information about making an examination reservation, receiving examination results, what to expect on exam day, and recertification. In addition, this handbook provides a suggested bibliography, study references, sample questions, and a general content outline of the examination.

Exceptions are not made for candidates who do not read this handbook.

You may obtain additional copies of this handbook by downloading it from the APA website (www.americanpayroll.org/certification/certification-CPPinfo).

Please read this handbook completely and carefully before contacting the American Payroll Association (APA) or Pearson VUE with questions. It is critical that you adhere strictly to all procedures and deadlines in this handbook.

ABOUT THE AMERICAN PAYROLL ASSOCIATION
The American Payroll Association (APA), founded in 1982, is an organization of payroll professionals in the U.S. and is committed to:

• enhancing the quality of the payroll profession by offering educational opportunities
• fostering the exchange of payroll expertise at the local level
• raising public awareness of payroll professionalism
• representing the payroll profession in Washington, D.C.
• offering certification programs to support the payroll profession

The steady growth of APA membership since its founding in 1982 indicates the acceptance of the Association's goals, by the U.S. business community in general and by the payroll profession in particular. The CPP certification program is sponsored by APA and developed by the CPP Committee of the APA Certification Board.

HISTORY AND PURPOSE OF CERTIFICATION
The pressures of economic and legislative developments on the payroll function have broadened the scope of payroll beyond its basic function of paying employees. Today's payroll profession utilizes the latest technology for executing the payroll and, in many cases, interfaces with other systems within and outside the organization. Moreover, payroll has come under a wide array of governmental regulations and requirements.

Once considered a technical skill, payroll has become a professional discipline. Payroll professionals are knowledgeable in all aspects of payroll, stay abreast of changes in related technologies, and, through independent research, keep current with the legislative and regulatory environment. A payroll professional must be proficient in all aspects of taxation and tax reporting, MIS, human resources, and accounting as each of these relate to the payroll environment. Today's payroll professionals function as members of a management team. The APA offers the Certified Payroll Professional (CPP) Mastery Examination to recognize those who have achieved this level of professional proficiency.

Certification is the recognition of professional skills by one's peers. CPP recognition is given by the APA to those who:

1. meet the eligibility requirements for admission to the examination as set forth in this handbook;
2. successfully complete the examination; and
3. subscribe to the APA Code of Ethics.

Certification is granted for five (5) full calendar years, at which time recertification is required.

The goals of the APA's Certified Payroll Professional certification program are:

• to promote the standard for payroll professionals, which is accepted by the business community and the public at large;
• to encourage professional growth and individual study by the payroll professional;
• to provide the standard of requisite knowledge for the payroll professional;
• to measure by means of the certification examination the attainment and application of that standard; and
• to recognize formally those colleagues who continue to meet the requirements of the APA Certification Board's CPP Committee

USE OF CERTIFICATION
The CPP Examination is voluntary, and certification is conferred by the APA Certification Board's CPP Committee solely for the purposes stated in this certification handbook. Those persons or organizations who choose to incorporate the CPP Examination as a condition of employment or advancement do so of their own volition. Such persons or organizations must determine individually whether the use of such a certification process, including its eligibility and recertification requirements, meets their respective needs and complies with any laws applicable to them.
ABOUT THE EXAM

ELIGIBILITY
The APA Certification Board’s CPP Committee requires that payroll professionals fulfill only one (1) of the following criteria before they take the CPP Examination.

CRITERION 1
The payroll professional has been practicing payroll a total of three (3) of the five (5) years preceding the date of the examination. The practice of payroll is defined as direct or related involvement in at least ONE (1) of the following:
- Payroll Production, Payroll Reporting, Payroll Accounting, Payroll Systems, and Payroll Taxation
- Payroll Administration
- Payroll Education/Consulting

CRITERION 2
Before taking the examination, the payroll professional has been employed in the practice of payroll as defined in Criterion 1 for at least the last 24 months and has completed, within the last 24 months, ALL of the APA courses listed within ONE (1) of the following three options:

Option 1
- Payroll Practice Essentials (3-day course or 9-segment virtual course)
- Intermediate Payroll Concepts (2-day course or 6-segment virtual course)
- Advanced Payroll Concepts (2-day course or 6-segment virtual course)
- Strategic Payroll Practices (2-day course or 6-segment virtual course)

Option 2
- Payroll 101: Foundations of Payroll Certificate Program
- Payroll 201: Payroll Administration Certificate Program

Option 3
- Certified Payroll Professional Boot Camp

Individuals meeting any ONE of the three (3) criteria are eligible to take the CPP Examination. The APA Certification Board’s CPP Committee reserves the right to review an applicant’s qualifications and eligibility.

Note: If you have been practicing payroll for less than three (3) years and have not met the education requirements for CPP exam eligibility, you may want to consider taking the FPC Examination. There are no eligibility requirements for taking the FPC Examination.

ELIGIBILITY FOR RECERTIFICATION BY EXAM
Payroll professionals who are currently certified and are applying for recertification by examination are exempt from the above eligibility requirements.

THE CONTENT OF THE CPP EXAM
The CPP Examination is weighted in approximately the following manner:

I. Core Payroll Concepts ............................................ 27%
II. Compliance/Research and Resources ................ 21%
III. Calculation of the Paycheck ................................. 20%
IV. Payroll Process and Supporting Systems and Administration ......................................................... 9%
V. Payroll Administration and Management .......... 10%
VI. Audits ................................................................. 7%
VII. Accounting ......................................................... 6%

A complete content outline of the examination can be found on page 16.

Successful completion of the CPP examination requires demonstration of the knowledge of payroll practice and applicable regulations. Tables required to answer questions will be provided as an electronic examination supplement within the testing software. The exam’s tutorial, completed before the exam begins, will explain how to use the examination supplement.
THE FORMAT OF THE EXAM

The CPP Examination is administered electronically, and candidates have four (4) hours to complete it. The examination consists of 190 multiple-choice questions, including twenty-five (25) that are pre-test questions.

The pre-test questions are not counted in the scoring of the examination. They are distributed among the scorable questions and will be used for statistical purposes only. The 165 test/scorable questions are similar to the pre-test questions on the examination; therefore, candidates will not know which questions are test/scorable questions and which are pre-test questions. Examinees are advised to answer all examination questions.

The questions are designed to test the examinees’ payroll knowledge and ability to apply that knowledge to the payroll environment. An electronic Examination Supplement containing every table required to correctly answer some questions will be included in the computer software. Each question has four (4) answer choices listed, only one (1) of which is correct. The answer to each question can be derived independently of the answer to any other question. (See Sample CPP Questions and Answers on page 18.)

HOW THE EXAM IS DEVELOPED

Members of the APA Certification Board’s CPP Committee and the Certification Item Development Task Force (CIDTF) write questions for possible inclusion in APA’s bank of payroll examination questions. The questions are reviewed by editors at Pearson VUE to ensure compliance with accepted question-writing techniques. The edited questions are then reviewed by the APA Certification Board’s CPP Committee for accuracy and relevancy to the activities of experienced payroll professionals as defined in the eligibility criteria (see page 2). Approved questions are then included in the examination bank from which questions are selected to create new examination forms.

HOW THE PASSING SCORE WAS SET

The passing score (also known as the cut score) for the CPP Examination was recommended by a panel of payroll professionals using a method called item-mapping. The item-mapping process incorporates actual performance of the examination questions by graphically presenting the difficulty of questions in the test bank. This graphic presentation, or item map, displays questions along a scale based on their difficulty. The panel then judges the performance of a minimally qualified candidate with regard to the examination questions displayed on the item map.

The cut score study concludes when the panel reaches agreement on which questions have a high likelihood of being answered correctly, and which have a low probability of being answered correctly by a minimally qualified candidate. Using this process, the panel recommends the passing score to the APA Certification Board’s CPP Committee, which sets the passing score. The passing score represents the minimum level of knowledge that must be demonstrated to pass the examination.

RAW SCORES AND SCALED SCORES

The raw score on the CPP Examination is the number of questions answered correctly. When all examinees take exactly the same examination, their raw scores can be used to compare their performances. However, when there are different forms of an examination (different forms of an examination measure the same knowledge, but use different questions), some forms will be either slightly easier or more difficult than other forms. Because of this variation in difficulty, raw scores will not reliably relate the performances of examinees who take different forms of an examination.

To make it possible to compare the performances of examinees who are taking different forms of an examination, a statistical procedure called equating is used to compensate for any variations in difficulty between examination forms. After equating, the passing raw score for each form is converted to 300 on a common scale for all forms. Since all forms are equated and all results are converted to the same scale, all examinees who receive the same scaled score demonstrate equivalent ability, regardless of which examination form was completed.

EXAM PREPARATION

No single source of information should be considered the sole basis of study for the CPP Examination. A bibliography of suggested materials can be found on page 17.

EXAM ADMINISTRATION

The CPP Examination is administered worldwide during various times of the year. It is imperative that candidates identify the Region and corresponding Exam Series desired before making an examination reservation. To determine the correct Exam Series for your region, please see the Pearson VUE Testing Center Exam Reservations section on page 5.

ATTAINMENT OF CERTIFICATION

If an examinee passes the CPP Examination and accepts the APA Code of Ethics (see page 19), they will be entitled to receive a certificate and lapel pin and use the designation “CPP” (Certified Payroll Professional) after their name. If a CPP previously attained the Fundamental Payroll Certification (FPC), the FPC and CPP designations may be used simultaneously until the FPC designation expires. At that time, only the CPP designation may be used and recertified. New CPPs will receive email notification of how to obtain their complimentary CPP certificate and lapel pin and a downloadable electronic recertification file detailing recertification requirements from the Certification Department.

DENIAL OR REVOCATION OF CERTIFICATION*

Certification will be denied or revoked for any of the following reasons:

• Falsification of an application
• Misrepresentation
• Violation of testing procedures
• Failure to pass the examination
• Nonconformity to the APA Code of Ethics
• Failure to provide required documentation and/or fees for recertification

*Note: Denials or revocations of certification may be appealed to the APA Certification Board’s CPP Committee and the Certification Review Panel.

APA MEMBERSHIP

APA membership is not required. However, Recertification Credit Hours for APA Professional Membership are granted to certified members. See Recertification Credit Hours for APA Professional Membership on page 14.

EXAM DAY

WHAT TO BRING

REQUIRED MATERIALS

All candidates are required to bring identification that is deemed acceptable, as listed under Acceptable Forms of Candidate Identification, to the testing center on the day of examination along with the following items listed below.

Candidates must bring to the testing center on examination day the following:

• Two forms of identification (as listed below)
• Proof of name change (if your name has changed since the time of reservation) in the form of a marriage certificate, etc.
• Military candidates must present their military ID to enter military testing locations

Note: If candidates do not bring the required items to the testing center, they will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

ACCEPTABLE FORMS OF CANDIDATE IDENTIFICATION

Candidates must present two (2) forms of current signature identification. The primary identification must be government issued and photo bearing with a signature, and the secondary identification must contain a valid signature. Both the primary and the secondary ID’s must be original documents; copies are not accepted. Any identification not in English is acceptable as long as the candidate is testing in the country where the identification was originally issued. The name on the reservation must match the name on the ID’s provided (see chart below). If the reservation and ID’s do not match, the candidate will be turned away and will forfeit the examination fee.

**EXAM PROCEDURES**

Candidates should report to the testing center at least thirty (30) minutes before the scheduled examination time. Please allow sufficient time to find the testing center. Upon arrival, check in with the testing center manager and present identification and any other required items. For security purposes, Pearson VUE will capture each candidate's digital signature, photograph, and palm vein recognition upon check-in.

At the testing center, candidates are required to review and sign a Candidate Rules Agreement form. If a candidate does not comply with the Candidate Rules Agreement and/or are suspected of cheating or tampering with the examination, they will be reported as such, and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the APA may take further action such as denial or revocation of certification.

Examinations are administered electronically, and include a brief tutorial on the examination computer. The time spent during check-in and on this tutorial will not reduce the four (4) hours allotted for the examination. The examination administrators will answer questions during check-in and tutorial, but be aware that they are not familiar with the content of the examination nor with APA's certification requirements, and therefore will not give advice regarding either one. Pearson VUE administers numerous other exams so please be aware that other candidates testing may not be taking an APA examination and their exam time will vary.

Candidates may begin the examination once familiar with the examination computer. The examination begins the moment the first question is displayed on the screen. Four (4) hours are allotted to take the examination, after which the computer will automatically turn off. Be sure to read all the text on the computer screen thoroughly so as not to end the exam prematurely. Candidates who prematurely end their exam are not entitled to a refund or to retake the exam without paying the exam fee again. Once the exam is finished, alert the administrator by raising your hand. The examination will be scored immediately, and candidates will leave the testing center with an official score report in hand.

**WEATHER DELAYS AND CANCELLATIONS**

If severe weather or other disaster causes the testing center to be inaccessible or unsafe, the examination may be delayed or cancelled. Candidates will be notified in the event of delays and cancellations during severe weather.

Candidates may reschedule an examination cancelled due to bad weather or other disaster as soon as the testing center becomes available and without additional charge by calling Pearson VUE at the appropriate Customer Service number.

**TESTING CENTER POLICIES**

The following policies are observed at each testing center. Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the testing center, forfeiting their examination fee.

**STUDY AIDS**

- Candidates may **not** take valuables or personal belongings such as wallets, purses, firearms or other weapons, hats, bags, coats, books, electronic devices, or notes or other reference materials, other than calculators (see Electronic Devices below), into the examination room. Most, but not all, testing centers have a secured storage area. **However, Pearson VUE and the APA are not responsible for lost, stolen, or misplaced personal items.**
- Candidates may **not** bring a pen or writing tool to the examination. An erasable booklet and marker will be provided at the testing center and will be collected at the end of the examination.
- Candidates must store all personal items in a secure area as indicated by the administrator, or another secure area outside the testing area preferred by the candidate. All electronic devices must be turned off before storing them in a locker. The testing center is not responsible for lost, stolen, or misplaced personal items.

---

**SUGGESTED MATERIALS**

- It is recommended but not required to bring a battery-operated, silent calculator, as detailed under Electronic Devices (see page 10).
- If needed, Direct Translation Only Dictionaries that do not include definitions are permitted in the testing centers.

**SECONDARY ID (WITH SIGNATURE, NOT EXPIRED)**

- U.S. Social Security Card
- Debit (ATM) or Credit Card
- Any form of ID on the Primary ID list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the primary or secondary list that contains a visible signature.

**PEARSON VUE does not recognize grace periods.** For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

**PRIMARY ID (WITH PHOTOGRAPH AND SIGNATURE, NOT EXPIRED)**

- Government-issued Driver's License
- U.S. Department of State Driver's License
- U.S. Learner's Permit (plastic card only with photo and signature)
- National/State/Country Identification Card
- Passport (from country of residence)
- Passport card (from country of residence)
- Military ID
- Military ID for spouses and dependents
- Permanent Resident Visa or Alien Registration Card (Green Card)

All electronic devices must be turned off before storing them in a locker. The testing center is not responsible for lost, stolen, or misplaced personal items.
• An electronic Examination Supplement needed for completing some exam questions will be in the examination computer, including:
  1) Table for Annual Lease Value
  2) Table for Figuring Amount Exempt from Levy on Wages, Salary and Other Income
  3) Uniform Premium Table 1
  4) Tables for Wage Bracket Method of Withholding — Semimonthly & Monthly
  5) Tables for Wage Bracket Method of Withholding — Weekly & Biweekly
  6) Percentage Method Amount for One Withholding Allowance
  7) Tables for Percentage Method Withholding
  8) Amount to Add to Nonresident Alien Employee’s Wages
• Earplugs are available at each testing center. Please ask for them before the examination begins.

ELECTRONIC DEVICES
• Candidates are encouraged, but not required, to use a calculator during the examination. The calculator must be a silent, non-printing, battery- or solar-powered calculator. Programmable calculators or calculators with alphabetic key pads from A-Z are not acceptable and will be confiscated. Calculators may not be shared with other candidates. Calculator malfunctions are not grounds for requesting extra time or challenging examination results. Battery-operated calculators are recommended, since lighting at the testing centers may not be bright enough to activate solar calculators. (If needed, extra batteries may be stored in the lockers.)
• Candidates may not bring cellular phones, iPods, hand-held computers/personal digital assistants (PDAs) or other electronic devices, watches, or similar communication devices into the examination room. If you observe an examinee using any of these during the examination, immediately inform the administrator.

INDIVIDUAL BREAKS
• No group breaks are scheduled during the examination. Candidates will be permitted to take individual breaks at the administrator’s discretion, but no additional time will be allotted to complete the examination.
• If candidates are permitted by the administrator to leave the examination room for a break, they will be escorted while outside of the examination room. Candidates may not take any examination materials with them, and must not speak with anyone while on break. If a candidate fails to follow this policy, they will be denied re-admittance and will forfeit all fees paid, and the candidate’s examination will not be scored.

CHEATING AND SECURITY
• If candidates give help to or receive help from anyone during the examination, they will be asked to return all examination materials and leave the room immediately. Their examination will not be scored, fees will not be refunded, and candidates will be required to re-apply and re-submit all applicable fees before they may retake the examination.
• Candidates may not write on examination materials until after the computer tutorial has been completed and the first question on the exam is displayed. If you write on your examination materials before the examination begins, raise your hand and the administrator will bring you a new one.
• Please note that all examination questions and materials are copyrighted by and are the property of the APA. Consequently, any distribution of the examination content or materials through any form of reproduction, or through oral or written communication, is strictly prohibited. Pearson VUE and/or APA reserves the right not to score an examination if there is an incident that involves a breach in security or cheating. Candidates violating these policies may not retake the exam within the same testing window.

PROPER ATTIRE
• While every attempt is made to provide a comfortable testing location, the heating and cooling systems may sometimes not function properly. Consider taking a sweater (Note: Hooded sweaters, coats, and other garments may not be allowed) on the day of the scheduled examination. Only in extreme cases will examinations be cancelled as a result of heating or cooling problems.
• Be prepared to remove any and/or all jewelry upon request by the Test Administrator prior to admittance into the examination area.
• Wear comfortable clothing to the examination. Business attire is not required. Tight clothing is not comfortable and restricts the ability to be relaxed.

EATING/DRINKING/SMOKING
• Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.

GUESTS/VISITORS
• No guests, visitors, pets, or children are allowed in the testing center.
HELPFUL HINTS FOR REDUCING TESTING ANXIETY

The most difficult aspect of taking the Certified Payroll Professional Examination is dealing with the anxiety associated with test-taking. The key to success when taking an examination is relaxation. Below are some helpful hints for reducing anxiety and creating a relaxed testing atmosphere.

- **Know the location of the testing center**, and, if possible, locate the testing center before the day of the scheduled examination.
- **Candidates should be well rested** on the day of the examination. Do not stay up late studying the night before the examination. Last-minute cramming will only increase anxiety and result in confusion. If possible, limit the amount of time spent studying the night before the examination.
- **Practice with your calculator** before the examination. Use it at work and while studying. Calculators should be battery-powered, so make sure it has fresh batteries.

TEST TAKING TIPS

- **Before beginning the examination**, be sure you are comfortable with using the computer for an electronic examination. Feel free to ask the administrator any questions before the examination begins.
- **Read each examination question carefully**. Be careful of questions that use words such as BEST, NOT, ALWAYS, NEVER, MUST, and EXCEPT.
- **Answer all questions**. Passing or failing the examination is based on the number of questions answered correctly, so it is to your benefit to answer all questions. It is better to provide an answer that you think is correct than to leave a question blank. If a question(s) stumps you, answer the question to the best of your ability and then mark it for review and go to the next question. After completing the remaining questions, go back and review the marked question(s). The online tutorial will explain how to use the mark for review feature.
- **Manage your time**. Be aware of the time remaining while taking the examination and do not spend an excessive amount of time on any single question. The testing software will display the time remaining.
- **If there is time, re-check your calculations**. Each question requiring calculation will have incorrect answers that can be derived by using an incorrect method. Write the steps you have taken in deriving the calculations on the white board and marker provided by the testing center for your review.
- **Verify all answers to gross-up questions**.

CANCELLATION AND RESCHEDULING

RETAILING THE EXAM
NORTHERN AMERICAS REGION
Candidates may retake the CPP Examination as often as necessary, but only once in each testing window at a Pearson VUE testing center. For example, those who fail an examination in Fall 2015 must wait until Spring 2016 to retest. To retake the examination during the next testing window you must contact Pearson VUE as detailed in Exam Fee and Reservations (see page 5), and submit a new application and fee. To expedite the reservation process, please have the most recent score report available when contacting Pearson VUE for a reservation.
Candidates have the option to obtain additional training at one of APA's Learning Centers by completing APA's Payroll 201: Payroll Administration Certificate Program and then retake the exam before the next testing window. Candidates who have failed the CPP examination at an APA Learning Center are eligible to retake the examination at a Pearson Vue Testing Center during the current or a future testing window. A candidate may only take the CPP exam twice during an exam year (see dates on page 4).

EMEA, APAC, SOUTHERN AMERICAS, AND MILITARY
Candidates may retake the CPP Examination six (6) months following the date of the most recent exam date. This restriction is in place to allow candidates ample time to pursue additional study/training in preparation to retake the examination. To retake the examination you must contact Pearson VUE as detailed in Exam Fee and Reservations (see page 5), and submit a new application and fee, in addition to meeting all eligibility requirements. To expedite the reservation process, please have the most recent score report available when contacting Pearson VUE for a reservation.

AFTER THE EXAM

EXAM RESULTS
Examination results are strictly confidential. All candidates will receive their score report upon completion of the exam. Unless examinees request an official transcript (see Transcript Service on page 13), examination results will be reported only to the examinee and the APA. Examinees should direct all questions about examination results in writing to APA's Certification Department. To maintain examination security, examination questions and answers cannot be made available for review. Neither Pearson VUE nor the APA will provide a list of the questions answered incorrectly or correctly. The only information available regarding performance is provided on the examinee's score report.

UNDERSTANDING THE RESULTS REPORT
Our exam vendor, Pearson VUE, follows careful procedures to ensure score reports are correct. The score report informs you of whether you passed or failed, and a failing score report will show how you performed on each of the content areas (domains) covered on the exam. A scaled score of 300 is required to pass. If you receive a scaled score of 300 or higher the score report will indicate that you have passed; otherwise it will indicate that you failed. If you pass, you will be told how to login to APA website to share your accomplishment with others in your organization. If you fail, your performance by content area will show which area(s) your performance indicates that you are less than proficient, which area(s) you are moderately proficient, and which area(s) you are proficient. This information combined with the number of items in each domain can be used to help you prepare to retake the exam in the event that you did not pass.

NOTIFICATION OF CERTIFICATION
Within six (6) weeks after the exam date, the APA will notify via email examinees who successfully completed the examination and will inform them how to order their complimentary CPP certificate and lapel pin.

CONSENT TO PUBLISH
By applying to take the Certified Payroll Professional (CPP) Examination, you acknowledge that APA reserves the right to publish the name and state of residence of candidates passing the CPP examination in APA publications, on the APA website, and elsewhere, and APA reserves the right to use the examination results for its use and purposes as may be determined.
If you have questions or concerns with regard to this notice, contact the APA's Certification Department.
COLLEGE CREDIT FOR PASSING YOUR EXAMINATION
Upon successful completion of the CPP Examination, CPPs may be eligible to receive up to ten (10) undergraduate college credits as recommended by the American Council on Education’s Credit-by-Examination Program. CPPs wishing to determine their eligibility for college credit should contact the American Council on Education at (866) 205-6267 or www.acenet.edu/transcripts.

RECERTIFICATION

THE RECERTIFICATION PERIOD
The CPP Certification is valid for five (5) full calendar years following the year in which certification was most recently obtained. For example, certifications awarded in 2015 will expire on December 31, 2020. In order to maintain certification, current CPPs may recertify by meeting the Continuing Education requirements or by retaking and passing the CPP examination during the fifth year of their certification period. CPPs that retake and pass the examination will retain their original certification date in APA’s records. Allow 10-12 weeks for processing before contacting APA’s Certification Department.

RECERTIFICATION BY CONTINUING EDUCATION
CPP continuing education credits are tracked as Recertification Credit Hours (RCHs). To recertify via continuing education, a CPP must accrue, over the five-year recertification period, a minimum of 120 qualifying and approved RCHs.

RCHs can be earned by participating as an attendee or facilitator in most of the seminars or programs designed and administered by the APA or its affiliates. The APA awards RCHs, continuing education units (CEU) and continuing professional education (CPE) credits for most of its live and web-based seminars and programs. CEUs and CPE credits are awarded to those holding other certifications and/or licenses.

A CPP may attend pre-approved in-person educational activities or live webinars offered by local APA chapters or organizations other than the APA or its affiliates, such as educational events, seminars, and courses.

Continuing Education may qualify as payroll-related in one (1) of two (2) ways:
- The educational subject is covered in the content outline for the CPP Examination; or
- The educational subject is encompassed in any one (1) of five (5) categories: Payroll Management, Payroll Accounting, Payroll Systems/Human Resource Systems, Payroll Taxation (training or update programs), and Human Resource Training.

Attendance as a participant and/or facilitator in an approved payroll-related course qualifies only once per applicable tax-law and/or regulation year corresponding to the tax year tested.

All programs presented by organizations other than APA national must be pre-approved by APA prior to submission toward recertification. To request approval of an educational event, email the content outline and agenda to certification@americanpayroll.org and in the subject line include the text “RCHs Approval Request.”
RECERTIFICATION CREDIT HOUR CALCULATION

One (1) CEU is defined as ten (10) RCHs. One (1) RCH is defined as 60 minutes of educational time.

One (1) CPE credit is defined as 50 minutes of educational time. Both CEUs and CPE credits must be converted to RCHs.

<table>
<thead>
<tr>
<th>Recertification Credit Hour Conversion Chart</th>
</tr>
</thead>
<tbody>
<tr>
<td>One (1) Continuing Education Unit (CEU)</td>
</tr>
<tr>
<td>One (1) Semester Credit</td>
</tr>
<tr>
<td>One (1) Quarter Credit</td>
</tr>
</tbody>
</table>

The conversion of CPE credits to RCHs is the number of CPE credits, multiplied by 50, divided by 60, rounded down to the nearest 30 minute increment. Example: 7 CPE credits x 50 = 350; 350/60 = 5.83; rounded down to 5.5 RCHs. Using the same calculation method, 8 CPE credits equate to 6.5 RCHs.

RECERTIFICATION CREDIT HOURS FOR APA PROFESSIONAL MEMBERSHIP

Effective January 1, 2014, all national-level APA members will be granted three (3) Recertification Credit Hours (RCHs) per year for being a member in good standing. RCHs will be awarded at the end of the APA member’s membership year based on anniversary date and will be applied in-full to the year awarded. Partial credit(s) will not be awarded for a membership term of less than one full year. The first RCHs awarded for national APA membership will be awarded in 2015 for membership years beginning in 2014.

DETERMINING IF CONTINUING EDUCATION MEETS APA REQUIREMENTS FOR RECERTIFICATION

The following checklist will assist in determining if continuing education programs meet APA’s standards in qualifying for CPP recertification. For a program to qualify toward recertification, you must be able to answer YES to all of the following questions:

- Does the content of the program fall within the Content Outline for the Certified Payroll Professional (CPP) Examination?

OR

- Does the content of the program fall within the definition of payroll industry: production, reporting, accounting, systems, taxation, administration, education/consulting?

- Is the program geared toward professionals in the field of payroll? For example, a program entitled “Stress Management” would need further evaluation to determine if the subject matter specifically targets the types of stress payroll professionals encounter on the job (e.g., tackling year-end, dealing with tax protestors or angry employees). Was the program attended during the applicable recertification period?

- Is the program provider an APA Approved Provider?

AND

- Does the proof of attendance or program agenda display the APA Approved Provider Logo?

RECERTIFICATION PROCESS

Download an electronic Recertification log with detailed instructions from the APA website at www.americanpayroll.org/certification. This is the document used to report Recertification Credit Hours (RCHs). An Excel spreadsheet is acceptable if it includes all of the certificant and log information included in the recertification log. The printable version of the Excel recertification log must fit an 8½ x 11 sheet of paper (Portrait or Landscape) and the font size should be at least ten (10). One recertification log is to be maintained for each recertification period. The CPP is responsible for maintaining an accurate record of each program attended along with the required documentation as outlined above that qualifies for CPP recertification. Each program attended must be entered on the recertification log listing:

1. Date(s) Training Attended

2. Title of Training Event (2015 Congress, Preparing for Year End and 2016, etc.)

3. APA Course Code or Approved Provider Course Code or Content Code (15805, 15BNA008, 1B)

4. Training Company’s Name (APA Local Chapter, Approved Provider, etc.)

5. Type of Proof of Attendance (Certificate/Transcript)

6. Number of RCHs earned (If credits earned are in CEU or CPE units, they must be converted to RCHs before submitting to the APA.)

The recertification log must be forwarded to APA’s Certification Department at the end of the recertification period to recert@americanpayroll.org. Do not include proof of attendance with your original submission. Only those selected for Audit (see page 15) are required to submit proof of attendance. In the event of an audit, the CPP will be required to produce all supporting documentation.

As a courtesy, the APA will send all CPPs an advance notice, via email, of their renewal due date during the month of March of the year in which they are scheduled to recertify. A second email notice, including payment information and instructions, will be sent no later than mid-November of the year in which CPPs are scheduled to recertify. It is the CPP’s responsibility to know when their certification expires. Therefore, CPPs do not have to wait for the email notification to submit their recertification log timely. To ensure accurate and timely delivery of recertification information, via email, it is the responsibility of each CPP to update their profile (except for name changes) on the APA website before notification deadlines. To obtain login information or to change your name, contact APA’s Membership Services Department at apa@americanpayroll.org or by phone at (210) 224-6406.
RECERTIFICATION FEE
A recertification fee of $75 is required. The recertification fee can be paid online through the APA website or by contacting APA’s Membership Services department (see information below). If both the recertification log and fee are not received, the APA cannot process the recertification request. All recertification fees are non-refundable.

VERIFICATION STATEMENT FOR RECERTIFICATION THROUGH CONTINUING EDUCATION
CPPs recertifying through continuing education, whether submitting RCHs on a non-traditional recertification log or the APA provided recertification log, must read and include with their recertification log submission the following statement signed and dated:

I, the undersigned CPP, do attest that I have attended the courses listed in this Recertification Log. I understand that the American Payroll Association has the authority to audit any documents upon request. I am aware that any falsification of information will lead to the revocation of my CPP designation. I understand that non-qualifying courses will be deleted causing my RCHs to decrease. Upon verification of my program log and having met the minimum required number of qualifying RCHs, I will receive an email to order my new CPP certificate. I understand that it is my responsibility to download the new recertification log to begin recording training that has been approved for RCHs for the next recertification period. I understand that the recertification and applicable late and reinstatement fees are non-refundable.

MANDATORY AUDIT
Ten percent of recertifying CPPs are randomly selected for an audit. All selected CPPs will receive official notice from APA with detailed instructions for the audit process. If selected for audit, in addition to the program log and recertification fee, all copies of supporting documentation proving program attendance must be submitted to APA’s Certification Department for review. Failure to submit adequate proof of attendance will result in denial of CPP recertification.

The following do not prove attendance and therefore should not be submitted with your audit materials. In addition, educational activities for which only these materials are submitted will not be counted towards total Recertification Credit Hours:
1. Proof of paid or unpaid registration for training
2. Email confirmation of registration
3. PowerPoint presentations or course materials of any kind
4. Course agendas
5. Course outlines
6. Brochure covers

LATE RECERTIFICATION SUBMISSIONS
Recertification logs and/or fees received on or after February 15 and any time prior to June 1 of the same year recertification submissions are due will be assessed a late fee of $25. This fee is in addition to the regular recertification fee of $75 and is non-refundable.

DESIGNATION REINSTATEMENTS
CPPs whose recertification logs and/or fees are received between June 1 and December 31 of the same year recertification submissions are due must have their designation reinstated. Recertification logs sent by those seeking reinstatement must be accompanied by proof of attendance at educational offerings listed on the recertification log and a $60 reinstatement fee. The reinstatement fee is in addition to both the late fee and the regular recertification fee and is non-refundable. After the reinstatement period has passed, candidates must submit an official appeal for reinstatement or retake the exam.

Recertification related fees are subject to change without notice.

RECERTIFICATION BY EXAMINATION
CPPs choosing to recertify by examination must pass the CPP Examination during the fifth year of their most recent certification (e.g., those with an expiration date of December 31, 2015 must pass the CPP exam in 2015). The employment and training eligibility requirements (see page 2 for information concerning establishing eligibility) do not apply to candidates for recertification by exam. If a CPP’s certification has expired, the recertification policies are not applicable, and the former CPP must meet all eligibility requirements before retaking the examination. Recertifying by examination ensures the retention of the CPP’s original certification date. The certification status of applicants taking the examination for recertification will be verified by the APA. After successfully completing the exam, recertifying CPPs will receive, via email, instructions for downloading an electronic recertification log and ordering their replacement certificate.
