ELIGIBILITY FOR THE NATIONAL CHAMPIONSHIP

- All dogs that qualify at their own regional championship or in the National Pre-Qualifier with 350 points or more are eligible to compete in the 2016 National Agility Championship.
- All 15 division champions from the AAC’s 2015 National Championship will be invited to compete free of charge in the 2016 National Agility Championship without the need to qualify at their regional championship. They will each receive one free ticket to the banquet.
- Dogs that have earned their AAC Lifetime Achievement Award before the closing date for 2016 National Championship entries (July 11, 2016) are eligible to compete in the National Championship without the need to qualify at their regional championship. However, they must pay the National Championship entry fee.
- By entering the event, competitors acknowledge that they are aware of the AAC’s rules and regulations.
- Dogs less than 18 months of age, bitches in season, dogs suffering from any injury or illness that affects their physical or mental performance, and any dog that demonstrates signs of aggression towards people or other dogs, will not be eligible to compete in the National Championship.
- The dog’s AAC number must appear on the entry form. All dogs must be entered in the class in which they normally compete at AAC trials, at the height they normally jump.
- The National Championship is subject to all AAC rules and regulations, except where the Regional and National Championship Rules and Guidelines apply.

If you have questions, please contact your Regional Director.

ONE-DAY NATIONAL CHAMPIONSHIP PRE-QUALIFIER

Before every National Championship, there is a one-day pre-qualifying event for competitors who were unable to attend their regional championship. The Pre-Qualifier consists of the six rounds offered at regional championships (two standards, two gambles and two jumpers). This year, it will take place on Thursday, August 4, 2016.

For further information on eligibility and other aspects of the Pre-Qualifier, please see the Regionals/Nationals Rules and Guidelines at www.aac.ca under the Nationals tab.

To enter the Pre-Qualifier, competitors must apply by e-mail to the AAC President, stating the dog’s name and AAC number and explaining the reasons for the application. A link to the President’s e-mail address can be found on the AAC website in the “Contacts” section (Executive - President). In 2016, the President is Tahnis Manhard.

** Competitors who enter the Pre-Qualifier must also enter the AAC National Championship. The National Championship entry fee will be refunded to any competitor who does not qualify for the National Championship.

If you have questions, contact Tania Gauthier: info.aacnat2016@gmail.com
NATIONAL CHAMPIONSHIP OFFICIAL ROUNDS / SCORING

Please see Regionals/Nationals Rules and Guidelines.

Double Drop Veteran Dogs:
- Dogs that have dropped two jump heights from their original measured height on their AAC ID cards will have their own group and compete against dogs that measure in the same original height category.

GROUPS FOR 2016

To be as fair as possible to the teams competing against one another in each height class and category, the Organizing Committee has chosen, this year, to divide competitors into groups as follows.

1) THE SIX OFFICIAL NATIONAL CHAMPIONSHIP ROUNDS

Dogs in the same category and jump height will be part of the same group, and will share, for each of the 6 courses:
- the same judge
- the same scoring team
- the same surface
- the same equipment
- the same weather

*** Any dog will run all six official rounds in the same two rings.

As a result:
✓ Competitors will be divided into 12 groups, by class and jump height.
✓ Groups will be identified by jump height and class (VV = Double drop veteran, V= Veteran, S= Special, R = Regular).
✓ Some groups will be combined (e.g. VV6-V6-S6 will be in the same group).
✓ The 22" regular dogs will probably be divided into two groups.

2) Groups for the PRE-CHAMPIONSHIP GAMES (Steeplechase and Snooker)

Competitors entering the games will be divided into four mixed groups (A-B-C-D). The Secretary will be responsible for deciding the composition of the groups. To be as fair as possible, each event will take place in the same ring with the same judge, so that the equipment and conditions are identical for all.

JUNIOR HANDLERS ENTERING

THE 2016 NATIONAL CHAMPIONSHIPS

This year, junior handlers (18 years of age or under on December 31, 2016) who qualify at their regional championship and enter the National Championship will be competing for dual aggregate rankings: once in their dog’s height class (like all other competitors) and once as junior handlers. In addition to the “Top Junior Handler” trophy for the winner, rosettes will be awarded for the top ten aggregate scores by juniors. This new class will be a true “Junior National Championship”, and will give the country’s elite young competitors their chance to stand on the podium, in the spotlight, and receive the applause they deserve.

There is no additional entry fee. We ask all junior handlers to check the “Junior Handler” box on their National Championship entry form. They will then automatically be entered in this new class.

2016 NATIONAL JUNIOR AGILITY STAKES

As has been the case in previous years, there will also be a separate competition for junior handlers: the National Junior Agility Stakes. It will be held on Thursday, August 4. No qualification is needed, and handlers and dogs need not be entered in the National Championship. The event consists of two rounds: a standard and a jumper. Scores will be calculated on a “time plus faults” basis, and the scores from both rounds will be combined to identify an aggregate winner in each division.

Handlers can enter only one of the two divisions.

The NOVICE Division is for:

a) handlers aged 11 and under, and
b) handlers aged 12 to 18 who have not earned an Advanced leg under AAC JH rules, or who are running a dog that has not earned a Master's leg under AAC rules.

The OPEN Division is for:

(a) all junior handlers and dogs regardless of age or ability level.

With one or two exceptions, the country’s most accomplished young handlers are aged 11 or over and will have to enter the “Open” division. However, older children with less experience may enter the novice class instead. Similarly, experienced younger children may, if they wish, choose to enter the “Open” division and run more challenging courses better suited to their ability level.

We hope to see lots of junior handlers in Montreal! Come out and show your support for the junior handlers. They are the future of the sport!

If you have questions, please contact: junior.aacnat2016@gmail.com
SPECIAL RULES: NATIONAL JUNIOR AGILITY STAKES

The event is open to handlers who are 18 years of age or under on December 31, 2016. To qualify for the novice division based on age, handlers must be 11 years of age or under on December 31, 2016.

- A handler must EITHER have an AAC Junior Handler number OR be a member of the AAC.
- A dog MUST have an AAC number.
- A handler may compete in only one of the two divisions.
- A dog may be entered only once.
- It is not necessary for the dog to be owned by the handler or the handler’s family.
- Handlers and dogs do not need to qualify at a regional championship.
- Dogs may jump their regulation height or one height lower.

There will be two rounds (one jumper and one standard), and the scores (time plus faults) for the two rounds will be combined to establish the aggregate winner in each division.

The course may include single wingless jumps, single wing jumps, tunnels, a chute, a dog walk, a see-saw, a frame (5’), weave poles (6 or 12) and a tire. There will be no double, spread or long jumps, and no table.

Ribbons for 1st to 4th placements and a trophy for the winner, based on the aggregate scores from the two rounds, will be awarded for each of the two divisions (Novice and Open).

**Entry fee: $30 (+ GST), includes both rounds.**

PRE-CHAMPIONSHIP GAMES AND WARM-UP

At least $5,000 in prize money will be awarded to the winners of the Steeplechase final AND the aggregate Ultimate Snooker winners (across categories and height classes). The total amount of prize money may vary, depending on the number of entries received, and will be confirmed shortly after July 11 (the closing date for entries). The prize for each category and height will be determined by the number of dogs entered.

2016 National Steeplechase Championship

The 2016 National Steeplechase Championship will consist of three rounds:

The first two rounds are AAC sanctioned events, judged according to current AAC rules, and are open to all dogs eligible to compete in AAC sanctioned events. Dogs need not be entered in the National Championship.

The sanctioned Steeplechase rounds will take place on Thursday, August 4. Placement ribbons (1st to 4th) and qualifying (Q) ribbons will be awarded for each category and height class, and title rosettes will be awarded to competitors who obtain a Steeplechase title. No prize money will be awarded for these rounds.

The third (final) round is not an AAC sanctioned event, and participation is by invitation only. Invitations will be based on scores from the first two rounds. The height/category winners from the first two rounds, plus a percentage of top competitors in each height class and category (or combination of categories)**, will receive invitations to compete in the final.

NOTE: Some classes may be combined to ensure competitiveness. There will be no “Double Drop Veteran” class for the Steeplechase events.

Competitors in the final round will start with a clean slate, and will run in reverse order of ranking. The STEEPLECHASE FINAL will take place on Sunday, August 7, before the closing ceremony.

Selection for the Final: The height/category winners from the first two rounds, plus a percentage of top competitors (minimum of 3 dogs, maximum of 15 dogs) from each height class and category in Round 1 OR Round 2 (determined by a time plus faults format in each round) will be invited to compete in the 2016 National Steeplechase Final. (Note that some classes may be combined to ensure competitiveness).

Competitors do NOT need to enter both rounds to be eligible, as the fastest times in each round will be used to determine qualification for the Final. Entering both rounds will increase a competitor’s chances of entry into the Final round.

** Classes with small numbers of competitors may be combined using the following rules:
  a) Special and Veteran height classes (e.g. S + V 6”, S + V 10”, S + V 16”, S + V 22”) may be combined if the total number of dogs is 10 or less after Round 2.
  b) Regular height classes (10”, 16”, 22”, 26”) will not be combined.

Entry: One round $20 (+ GST), Two rounds with the same dog $36 (+ GST). (FEO entries not accepted).
The 2016 National Championship Ultimate Snooker

The Ultimate Snooker event will be offered for the second consecutive year. It will take place on Thursday, August 4.

- There will be two rounds of Ultimate Snooker. Scores will be combined to determine the winners.
- This is a non-sanctioned event open to all dogs that are at least 18 months of age. Dogs do not need to be entered in the National Championship.
- The highest-scoring dogs in each height class/category will receive a cash prize. (There will be no “Double Drop Veteran” category for the Ultimate Snooker event, and some height classes may be combined, depending on the number of entries received**.)

Scoring:

- 55 seconds. No refusals in the opening or closing.
- A competitor who incurs a fault in the opening sequence may move on to the closing sequence and continue to accumulate points.
- A fault in the closing sequence terminates the run.
- A competitor who successfully completes both the opening sequence (three or four red jumps) and the closing sequence (up to obstacle 7) earns 20 additional points.
- All points accumulated until the dog faults in the closing sequence are counted. The maximum score (four red jumps followed by obstacle 7, plus a successful closing sequence) is 59 points plus 20 bonus points, for a total of 79 points.

Entry: $36 (+ GST) for both rounds. (FEO entries not accepted).

National Championship warm-up rings

Warm-up rings will be available on Wednesday, August 3, from 1:00 p.m. to 4:00 p.m. Championship competitors may enter the warm-up round to familiarize their dogs with the equipment and prepare them for the Nationals events.

Dog/handler teams will be given three minutes in the warm-up ring. All the warm-up rings will be equipped with contacts, weaves and tunnels. One ring will have a Regular A-frame and broad jump, and one ring will have a lower A-frame for Special and Veteran dogs. A numbered course with a gamble option will be set up but competitors may use their time in the ring as they wish.

Competitors will not be permitted to move the equipment.

NO REFUNDS WILL BE GIVEN FOR NON-COMPLETION OF A WARM-UP ROUND.

Entry: One warm-up round of 3 minutes $6 (+ GST).
National Championship Prizes and Awards

Rosettes will be awarded for 1st to 10th place in each category and jump height for each of the six National Championship rounds, as well as to the aggregate winners in each category and jump height.

A National Championship first place trophy (based on the aggregate results for the six rounds) will be awarded for each category and jump height. Rosettes for 1st to 10th place will be added to the “Top Junior Handler” trophy (junior handlers competing in the National Championship), based on the aggregate results achieved by juniors across all the categories and jump height divisions combined.

With a “bring your own wine and/or beer” format, the menu will feature mouth-watering “méchoui” (for the uninitiated, think succulent meat spit-roasted over a wood burning fire!) or a vegetarian lasagna, both served with side dishes. OFFICIAL PHOTOGRAPHER

Photography services for the event will be provided by The Bearded Sheltie (Jacques Beauvais). If you would like to browse photographs taken by Jacques at agility events in Quebec and Ontario, visit his website at: [www.thebeardedsheltie.ca](http://www.thebeardedsheltie.ca).

All photographs taken during the event will be made available on The Bearded Sheltie website in a 1920 x 1080 format and can be downloaded without cost for personal use by the competitors (for example, posting on Facebook). The schedule will permit the photographer to capture all the groups in a run.

If you have questions, please contact: Photos.aacnat2016@gmail.com

Competitors can obtain high-resolution files of their photos for a fee of $20 for the creation of a personal access login to download the images via the internet. This can be done by preordering or contacting the photographer directly during the weeks following the event.

Competitors may also request high resolution files on a CD. An additional handling and shipping fee will be charged for this service.

Anyone who wishes to use their photos for commercial purposes must send an e-mail detailing their request to info@thebeardedsheltie.ca.

** A special photo booth will be set up adjacent to the podiums for those winners who would like an official souvenir photograph after receiving their rosettes.

Several parking areas have been organized on the Nationals site and on property adjacent to the site (an unused warehouse). When you arrive at the Nationals site, you will be guided by our team of volunteers to the correct parking area. For everyone’s safety, it is important that you follow their directions. If you have a lot of material to transport, we recommend that you bring a trolley or wagon as there is no designated unloading area and you will have a 5 to 10-minute walk to the venue. Don’t worry: there will be enough parking spaces for everyone.

If you have questions, please contact: infra.site.aacnat2016@gmail.com
Onsite Security

We will have visible teams patrolling the site day and night to provide a presence, act as first responders and ensure the safety of people and equipment. We ask that you follow their instructions at all times. They should be your first contact in the event of a problem, an incident, an accident or an emergency.

Security IDs (bracelets or other) will be issued to all volunteers, competitors, vendors and anyone accompanying a competitor. The IDs will be different for each group so they are readily identifiable. Note that individuals accompanying a competitor must be with a competitor or volunteer in order to access restricted areas. Spectators will not be permitted in the competition area (rings), VIP crating or Banquet/Volunteer areas. Please make sure you collect your security IDs from the Information Kiosk.

If you have questions, please contact: securite.aacnat2016@gmail.com

Hospitality - Reception

Everyone will arrive at the site via the main access road that leads to a roundabout. Exhibitors/vendors will be set up in proximity during the week. An Information Kiosk will be on your right; the volunteers at the kiosk will be able to answer your questions and/or direct you to where you should go.

The Information Kiosk will serve as a central point during the whole week. It will provide:
- basic information for volunteers;
- basic information for competitors and the people with them;
- course maps at the beginning of the day;
- posted results;
- central communications (microphone; walkie talkies);
- the veterinarian on call;
- first aid kits.

**ATTENTION: official registrations for the Nationals will take place in the main tent (where the banquet will be held) between 1:00 pm on Wednesday August 3 and 5:00 pm on Thursday August 4. For competitors who have not registered by that time, Trial Secretaries will be available at the Information Kiosk from 6:30 am on Friday August 5.**

Veterinary Services

An on-call veterinarian will be onsite during the competition to provide triage services and treat minor problems. For more serious medical issues, DMV Veterinary Centre is open 24/7 (Telephone: 514 633-8888 or 1 800 463-8555; Address: 2300 54e avenue, Montreal (Lachine), QC H8T 3R2).
Personal Shade Tents

Shade tents will be accepted on the Nationals site, in several designated areas offering beautiful natural shade under trees. Upon arrival, please report to the Information Kiosk located in the central area for instructions on where you should install your tent. Make sure your tent is properly anchored and able to withstand wind and other elements. As the venue is a public park, please do not leave valuables in your shade tents where they could be accessible to the general public.

Competitors can begin to install shade tents on Tuesday August 2, 2016 at 3:00 pm.

You may prefer to rent a space in the VIP Crating tent, to cut down on the amount of equipment you will have to transport from the parking lot. In addition, VIP crating will be fenced and the public will not be permitted. Whatever your choice, we have space for everyone.

If you have questions, please contact: infra.site.aacnat2016@gmail.com

VIP Crating

VIP crating will be available in tents with sidewalls for protection from sun and/or rain, strategically located approximately 100 feet from the rings and 250 feet from the fenced off-leash area. The VIP crating area is fenced and will be closed to the public. Each crating reservation will give access to a 20 square foot area (5 feet by 4 feet), at a cost of $25 for the week. Appropriate corridors will be defined for easy movement through the area.

A Crating Coordinator will be onsite to help with installation and security, and every effort will be made to accommodate groups in the same location. There will be a board displaying the event schedule, along with items to make your life easier (wipes, Kleenex, poop bags). You will have peace of mind, knowing you have a reserved space and a safe, comfortable environment for your dog. Note that there will be multiple personal shade tent areas located at varying distances from the ring - some comparable in distance to VIP Crating, some further away. See the section on Personal Shade Tents for more information.

Reservation for the week without services: $25 (+ GST)

If you have questions, please contact: Hospitality.aacnat2016@gmail.com

- A mandatory curfew will be in force every night at 11:00 pm.
- There will be minimal security patrols on the site (24 hours a day).

In The Surrounding Area

East: There is a Tim Hortons restaurant, a convenience store and a gas station about 600 meters (a 10-minute walk) east of the Nationals site at 15560 Sherbrooke Street East, Montreal, QC H1A 1C9.

West: A Metro grocery store is located 2.4 km from the Nationals site at 3000 Rousselière Blvd, Pointe-aux-Trembles, QC H1A 4G3. If you continue westward, there are several chain restaurants including Aux Vieux Duluth, McDonald’s, St-Hubert, Benny & Co., several pizzerias and others located 4 to 10 km from the site.

Bar & Refreshment Stand

A bar will be available on site, selling bottled water, soft drinks and beer. The beer must be consumed in the designated area. This is a condition of the event’s liquor licence; non-compliance will result in expulsion from the site. Note: only cash will be accepted for purchases.

We’ll see you there, especially on the Saturday afternoon before the banquet!

Portable Toilets

There will be several groups of portable toilets set up around the site. Each group will include several toilets and a hand-washing station. Toilets will be emptied and cleaned daily by our supplier.

Garbage/Recycling

Several dozen garbage cans and recycling bins will be available on the Nationals site. We ask for everyone’s cooperation in keeping the environment clean.

Please remember that you MUST pick up after your dogs and deposit the waste bags in the trash. Failure to do so will result in expulsion from the Nationals competition. No exceptions! Let's be good ambassadors for the dog sport community.

IMPORTANT REMINDERS FOR COMPETITORS

SPECIAL RULES

• Dogs must remain on leash and under control at all times when they are not competing or warming up, except in designated off-leash areas.

• Dogs can be exercised in designated areas. Handlers must clean up their dog’s excrement at the Nationals site and at their hotel. **Anyone who does not clean up after their dog will be expelled from the Nationals site, with no compensation or refund.**

• Competitors may videotape portions of the event for their personal use only. No portion of the event may be taped for commercial purposes without the permission of the AAC.

• By entering the event, each competitor grants the AAC and its representatives and/or agents all rights and permission to use/or appropriate his/her and his/her dog's name, biography, likeness, photograph, voice, performing persona or other indicia of identity for broadcast, telecast, cablecast transmission, or distribution in any format or media now known, or hereafter to become known. All competitors hereby release the AAC and its representatives and/or agents from any claim or cause of action for invasion of the right of privacy, right of publicity, right of personality or any similar right.

• **No bitches in season will be permitted on the site.** In the event of a complaint concerning a bitch suspected to be in season, the bitch in question may be checked by a veterinarian. A filing fee for complaints may be assessed. Competitors who enter the Nationals site knowing their bitch is in season will have their bitch excused from Nationals and their entry fee will not be refunded. Upon presentation of a confirming veterinary certificate, a competitor who voluntarily withdraws their bitch in heat prior to entering the event site will receive a refund of entry fees, minus an administration fee.

• There will be no refunds for entries withdrawn after the closing date or in the event the dog is absent on the day of the event or any portion of the event, for cancellation of the event due to inclement weather, or if the dog and/or handler are dismissed from competition regardless of the reason for such dismissal. Refunds will only be provided for bitches in season, or injured dogs or handlers, provided notification is received prior to the first day of the National Championship. A full refund of entry fees will be issued by the Organizing Committee for dogs pulled prior to the closing date. A veterinarian (DVM) certificate is required for all requests for a refund. In the case of handler injury, an official doctor's letter is required. Any handler who abuses a dog will be disqualified and asked to leave the Nationals site immediately, with no refund.

• An individual confirmation will be sent to each competitor upon receipt of their entry. Entry information will also be posted on the National Championship website. Each competitor is responsible for verifying that their entry is the correct category and height division, and that all supplementary information is accurate, and for confirming as necessary with the Trial Secretary. Please do not telephone or contact the Trial Secretary by e-mail unless a change or correction to your entry information is required.

• A $30 administrative fee will be charged for any returned cheque. Overpayments of $10 or less will not be reimbursed.

YELLOW DOG PROJECT

Do you know what it means for a dog to wear a yellow scarf?

The ‘Yellow Dog Project’ started several years ago in Alberta and quickly spread worldwide. Two years ago, it launched in Quebec under the name “I have a bubble!” As the name implies, the dog wearing the scarf needs space, either because it is reactive or fearful when approached by other dogs, or because the owner wants to maintain a safe space around the dog for a variety of reasons: because it is a puppy, sick, convalescing, losing vision or autonomy, injured, fearful, in training or simply to provide the dog with the safety of being “left in peace”.

When you meet an unknown dog, it is always prudent to ask the owner’s permission before approaching, whether you are an adult or a child. For the owners of other dogs, the scarf is a clear signal that this particular dog needs its space, so it is best to keep your dog a safe distance away.

A dog wearing a yellow scarf is not necessarily aggressive, but might be reactive, particularly in a situation he or she finds uncomfortable. To translate this into a human context: you are taking a quiet walk and a complete stranger rushes up to you and gives you a hug, then smells and touches you. There is a strong chance that you will feel uncomfortable and react negatively to the unexpected contact. And it would be completely normal! No one likes to be greeted this way. Most people are not able to read a dog’s body language accurately. Dogs communicate anxiety, fear, aggression, play, happiness and calming signals through a variety of body signals. Never assume that all dogs love contact with their peers, particularly when taken by surprise or when their attention is focused elsewhere. It is wise not to force contact between dogs that do not know each other.
