Vendor booths at Wimberley Market Days are leased on an annual basis. Each month some vendors do not participate and their booths are rented out for the day for $60. If you have something to sell that you think would do well at Wimberley Market Days, try being a day renter for a few months to see how it goes.

For information about being a day or annual renter go to the Vendor section of our Website: www.shopmarketdays.com or email info@shopmarketdays.com.

**U-Call, We Haul:** Need help carrying your purchases to your car? The Lions offer a pick up service for large items at the booth where purchased and delivers them to your vehicle for a minimum $5 donation. Sign up under the white awning at booth 138-A, located across from main the Information Booth or call 512-618-7121.

The First Aid office is located between the Information Booth and the Pavilion, near gate 2. You can also call 512-618-7096 for onsite help. This number is good only on Market Days. For emergencies at any other time, call 911.

The finest Mexican handcrafted work by artisans of Mexico ~ from Oaxaca, Chiapas & Puebla
Clothes • Zapotec rugs • Accessories • Gifts

at Booth #87

Slowly and carefully crafted by hand, unique textiles are woven with Pre-Columbian methods passed from mother-to-daughter, father-to-son throughout Oaxaca, Chiapas and Puebla. Every piece is unique. While many villages produced products that are similar, every one bears the human touch that makes it one-of-a-kind.

Seton Medical Center Hays was created to serve as a centralized resource for complex medical care. That’s why we offer patients a full range of diagnostic, surgical, cardiac, emergency and maternity health services – all in one location. Our facility was also designed to provide an environment of warmth and healing care. Whether it’s a hospital stay, trip to the emergency room or just getting lab work, we’ve considered every detail in our innovative hospital design to make the patient’s experience a positive and memorable one.

Residents of Hays County can now receive expert care for the whole family without leaving the area. And because we are part of the Seton Healthcare Family, we offer access to a network of care of the highest quality throughout the region. The choice is simple.
