Long description

For guidance on buying a tablet please check our tablet buying guide.
MEDION LIFETAB TABLET S10345

The S10345 – a great tablet for a great price. The Medion S10345 is a well-designed, well-engineered tablet that doesn’t negotiate on looks or functionality.

Display

The screen of the S10345 is a HD display on an 10.1" screen (1920 x 1200 pixels) – perfect for taking photographs, reading documents or playing games.
Photos & Video
The S10345 sports a 5MP camera on the back and a 2MP camera on the front – great for photos, video conferencing, selfies and more.

Easy To Use

The S10345 is easy to use from the moment you switch on the tablet for the first time! With Google’s Android 4.4 KitKat – the operating system that runs your device - you will find it intuitive, highly responsive and practically effortless. With a fantastic selection of Apps, games, music and video via the Google Play Store you will never be bored.

Power & Speed

The S10345 tablet comes with a powerful 1.83GHz Intel® Atom™ Z3735F processor with a 2GB RAM and 32GB internal memory (expandable to 128GB with MicroSD or MicroSDHC memory card) – offering plenty of storage for music, Apps, games and more.

Battery Life

Enjoy hours of talk-time or productivity with a great Li-polymer batter with up to 10 hours of battery life.*

Extras

Tablet stand, microUSB, miniHDMI, Bluetooth 4.0 connectivity and WiFi.
