OUR MISSION

When your business depends on the tools you use, you need to be able to count on the people who make them. Our relentless commitment to helping every professional painter be their best leads to better work, improved ROI and growing business.

All information contained in this brochure is based on the latest information available at the time of printing. Titan reserves the right to make changes at any time, without notice. Due to continuous innovation, specifications may progressively change. Contact one of our dependable sales reps or call our dedicated customer service team for more information.
IMPACT®
Durable electric airless sprayers built with smart features that make an Impact.

POWRTWIN™
For large scale residential, commercial and industrial applications.

POWRTWIN™ DI
The most powerful portable sprayer on the market today.

HYDRA™
The ultimate sprayers for any job where maximum power is required.

ADVANTAGE® GPX
Sprayers that offer more power and value than any gas-powered sprayer in their class.

AIRLESS FINE FINISHING
Renowned in the industry for delivering beautiful finishes quickly and easy.

CAPSPRAY™
Maximize productivity and profit with these lightweight, portable sprayers.

FLEXSPRAY®
The power of airless and the control of HVLP built into one versatile sprayer.

AIRCOAT®
These sprayers deliver a superior, consistent spray finish for any application.

POWRCOAT™
Pneumatic sprayers for virtually any heavy-duty application.

POWRLINER™
A broad line of pavement and turf marking equipment for all size projects.

LAZYLINER
Take a load off and increase your pavement and turf marking production.

TEXTURE
Designed to stand up to the rigors of a wide variety of texture finishes.

AIRLESS GUNS
Guns that deliver a perfect finish the first time—every time.

AIRLESS TIPS
Titan offers a full range of spray tips for a full range of applications.

CONNECTION APP
In a matter of seconds you can get information about airless paint, coating and HVLP sprayers, what coatings you can spray with your sprayer or get a recommendation for a new sprayer.

AVAILABLE FOR DOWNLOAD TODAY.

IMPACT® SERIES

Business is demanding and you need the kind of performance you expect from Titan sprayers. It’s time to invest in the expanded features and performance that will make a major IMPACT on your profit margin.

Features:

Field Serviceable Fluid Section
1-piece UHMWPE polyethylene packings and no cylinder to wear out.

DuraLife™ Brushless HE Motor Impact 540–1140
Optimized for every tip size and every painter’s technique.

Digi-Trac™ Digital Display Impact 640, 840 and 1140
No pressure fluctuation, X-Lock anti-theft and resettable gallon counter and timer.

Sureflo™ Pusher Valve
Unstick the lower ball valve fast and easy.
Standard on 440, 540 and 640. Optional accessory on 400.

Impact 440
30TH ANNIVERSARY EDITION

Step up to the #1 selling sprayer in the industry, the Impact 440! Sprays 50-100 gallons per week of stains, lacquers, enamels and latex.
Impact 400 50–100 gallons/week
Powerful performance at an affordable price. This small pump is perfectly suited for residential, property maintenance, and small commercial applications. Works with all standard primers, paints and architectural coatings with ease.

Impact 540 75–150 gallons/week
Superior performance and reliability thanks to DuraLife Brushless HE Motor. Works with stains, lacquers, enamels and latex.

Impact 640 100–150 gallons/week
Higher output with the Digi-Trac™ digital display for feedback and reporting. Works with stains, lacquers, enamels and latex.

Impact 740 150–200 gallons/week
Larger displacement pump delivers performance unparalleled in its class. Works with stains, lacquers, epoxies, latex and block fillers.

Impact 840 200–300 gallons/week
Higher output with the Digi-Trac™ digital display, plus large pneumatic tires on high rider version. Works with stains, lacquers, epoxies, latex and block fillers.

Impact 1040 300–400 gallons/week
Largest displacement pump delivers performance unparalleled in its class. Works with latex, enamels, epoxies, dry fall, elastomeric and block fillers.

Impact 1140 300–400 gallons/week
Maximum performance and functionality with digital display, EZ Tilt™ cart, and fast-removal fluid section. Works with latex, enamels, epoxies, dry fall, elastomeric and block fillers.

ADDITIONAL FEATURES:

Sureflo™ Pusher Valve
Unstick the lower ball valve with a push of a button. No need for a hammer.
Available on 440–640 models.

EZ Tilt™ Cart
Makes changing buckets a snap and easy to clean up.
Available on 1140 only.

AutoOiler™
Deliver oil to the packings with the push of a button. Standard on all 440 and larger models.

TITAN FULL LINE  titantool.com
POWRTWIN™ SERIES

Since their introduction over 25 years ago, PowrTwin hydraulic piston sprayers have been the choice for serious contractors for large scale residential, commercial and industrial applications.

PowrTwin 8900 Plus 0290018
A workhorse hydraulic sprayer for contractors working on large scale residential, commercial, industrial and protective coatings applications.

PowrTwin 8900 Plus with Electric Motor 0290027

Features:

Slow-Stroking Hydraulic Piston
Maximizes the life of the fluid section.

Accurate Pressure Control
Ranges from 400 to 3600 PSI.

Durable
Longest stroking portable sprayer in the market.

Convertible
Easy, tool-free convertibility for projects where gas engines are not permitted.
2.0 HP Electric Converto Kit (506-719) sold separately.
PowrTwin 4900 Plus  0290012  
The perfect hydraulic sprayer for contractors working on small to medium scale residential and commercial projects.  
Comes complete with LX-80 II Gun, 517 TRI Reversible Tip and 1/4" x 50' Airless Hose.

PowrTwin 6900 Plus  0290013  
The perfect hydraulic sprayer for contractors working on medium to large scale residential and commercial projects.  
Comes complete with S-3 Gun, 517 TRI Reversible Tip and 1/4" x 50' Airless Hose.

PowrTwin 6900 Plus with Electric Motor  0290028

ADDITIONAL FEATURES:

**Belt Guard**
Easy access for converting from gas to electric.

**Speeflo® HydraDrive™**
Smooth, slow-stroking hydraulic drive provides extreme power and reliability.

PowrTwin 12000 Plus  0290016  
A powerhouse hydraulic sprayer recommended for very large scale residential, commercial and industrial projects where up to 6 guns are needed.  
Comes complete with S-5 Gun, 517 TRI Reversible Tip and 1/4" x 50' Airless Hose.
POWRTWIN™ DI SERIES

These are the most powerful portable sprayer on the market today. They decrease power loss during intake which increases efficiency. And each is built to hook up multiple guns or apply thick coatings like drywall compound or elastomeric.

Features:

**Direct Immersion**
The 6900 Plus DI has a submerged foot valve which you allows you to siphon heavy viscosity coatings.

**Power Multiple Spray Guns**
The 12000 Plus DI has an industry leading 3.15 GPM giving it the ability to power up to 6 spray guns.

**Easy to Convert**
Easily convert to gas or electric power without any tools.

PowrTwin 6900 Plus DI 0290021
Configured with a submersible foot valve designed for very heavy materials, including drywall mud.

PowrTwin 6900 Plus DI Electric 0290029
Get the added strength of the PowrTwin DI Series submersible foot valve and slow stroking hydraulic piston in an electric sprayer that is built to spray heavy coatings indoors.

PowrTwin 12000 Plus DI 0290023
The flagship of the line and is recommended for very large scale projects where up to 6 guns may be needed, or application of very heavy coatings. The most portable roofing sprayer ever.

HYDRA™ SERIES

Features:

**Maximum Fluid Section Life**
Titan’s ultra slow-stroking hydraulic piston maximizes fluid section life.

**Designed for Ultra-Heavy Coatings**
Including mastics, waterproofing and roof coatings.

**High Production Unit**
Handles all architectural coatings including epoxies and roof coatings.

**High Performance**
Great for hard to spray coatings, multiple guns and long hose lengths.

ADVANTAGE® GPX SERIES

GPX sprayers have a reputation for simple, rugged reliability other brands can only envy. Pound for pound, GPX sprayers offer more power and value than any gas-powered sprayer in their class.

Features:

**Compact Cart Design**
For easy maneuverability.

**Most Powerful HP to GPM Ratio**

**Fuel Efficient Engine**
Easy-starting Subaru® overhead cam engines.

**Static Packings**
For increased packing life.

Advantage GPX 130

The GPX 130 is a production sprayer capable of supporting large tips and multiple guns on big jobs. A powerful Subaru® gas engine easily handles most heavy architectural coatings, block fillers and epoxies.

Advantage GPX 130 comes complete with G-10XL Gun, 517 TR Reversible Tip and 1/4” x 50’ Airless Hose.
Advantage GPX 85
The GPX 85 is ideally suited for new construction and repaints where electricity is not readily available. Spray most architectural and industrial coatings with this high performance, gas-powered airless sprayer.

Advantage GPX 85 comes complete with LX-80" Gun, 517 TR® Reversible Tip and 1/4" x 50’ Airless Hose.

Advantage GPX 165
The GPX 165 includes a lifetime cylinder warranty to reduce downtime, fully pneumatic tires for easy construction site transporting, and large porting so you can spray high-viscosity coatings. You get all of this at an affordable price!

Advantage GPX 165 comes complete with S-3 Gun, 517 TR® Reversible Tip and 1/4" x 50’ Airless Hose.

Advantage GPX 220
A heavy-duty workhorse with more power than any other sprayer in its class, the GPX 220 is recommended for large and medium interior and exterior coating projects where large tips or multiple guns may be required. Optimized for both heavy and lighter weight viscosity coatings.

Advantage GPX 220 comes complete with S-5 Gun, 517 TR® Reversible Tip and 1/4" x 50’ Airless Hose.

**ADDITIONAL FEATURES:**

**OHC Engine**
Overhead cam design allows for greater efficiency, durability and quieter operation than OHV engines.

**Packings**
Static packings minimize repair cost due to no wearable cylinder.
The ED 655 is a compact, lightweight, dedicated finishing system that’s easy to use, easy to transport and, most importantly, dependable. For those projects and the contractors who tackle them, we designed the Titan ED 655 Plus.

**Features:**

**High Production Fine Finishing**

**All Architectural Coatings**
From clears to finish-quality latex.

**Zero Pressure Fluctuation**

**AirCoat®**
Two systems in one! Uses low airless fluid pressure in the air-assisted mode to deliver ultra fine atomization with higher transfer efficiency. The airless mode uses high pressure to spray interior and exterior paints. Atomize all fine finish coatings at lower pressure for great control.

Also includes suction set for pumping directly from 5 gallon bucket.

**ED 655 Plus**
The ED 655 is a compact, lightweight, dedicated finishing system that’s easy to use, easy to transport and, most importantly, dependable. For those projects and the contractors who tackle them, we designed the Titan ED 655 Plus.
MultiFinish® 440
The MultiFinish 440 is the highest performing air assisted unit available. It combines quiet operation and air cap pressure for the finest atomization possible. The MultiFinish sprays nearly all coatings with little to no reduction.

ACCESSORIES:

GM 3600 AA Gun with Reversible Tip Guard 0524357
Design offers ergonomic comfort and a reversible tip system without sacrificing finish quality. Comes with a G-10 style filter and works with all standard reversible airless and fine finish tips. Reversible flat tips are available. AirCap and tips sold separately.

GM 3600 AA Gun with Flat Tip Guard 0524358
Includes a 9/20 flat tip.

Red/Clear 50-foot Bonded Hose 0524333
CAPSPRAY™ SERIES

High-end woodworking, cabinetry and furniture finishing projects require the high transfer efficiency that only Titan Capspray can deliver. These lightweight, portable HVLP sprayers will apply all fine finishes with speed and precision — maximizing both productivity and profit.

Features:

**Powerful Atomization**
Atomizes coatings with little or no thinning.

**High Transfer Efficiency**
Ranges up to 90%.

**Dual Air Filtration**
An automotive type air filter on the atomizing air side
(Available on 95, 105 and 115 models)

**Pre-Filter**
On both atomizing air and cooling air sides.

**Built-In Toolbox**
For needles, nozzles, air caps and nozzle wrench.

**Built-In Cup Holder**
Also serves as docking station for Transfer Pump accessory.

**Dirty Filter Warning Light**
Extend the life of your turbine and maintain maximum performance with clean filters.

Note: Capspray units include one (1) Titan HVLP gun.
Capspray 75
The Capspray 75 is ideal for stains, sealers, lacquers, enamel and most multi-color coatings. Use for medium residential or commercial jobs.

Capspray 95
The Capspray 95 is a powerful and versatile turbine unit, spraying a wide range of coatings. Sprays stain to finish quality latex. Rugged, portable and dependable as you would expect.

Capspray 105
With the Capspray 105 you can spray hard to atomize coatings with little to no thinning and increased production rates. The Capspray 105 will spray a wide range of coatings, including latex and other water based coatings.

Capspray 115
The leader in fine finish spray equipment introduces the Capspray 115 6-stage portable turbine spraying system. Includes 2-speed switch for flexibility of full 6-stage power on high or reduced 4-stage power on low speed.

*Includes Gravity Cup Accessory.

ACCESSORIES:

HVLP Power Cart 0524000
A compact, lightweight solution to major application projects.

Maxum Elite Gravity Gun 0524052
Easily changes from a standard to a gravity-fed pressure cup. Works with all competitive HVLP turbines.

Transfer Pump 0524038
Pump plugs into the cup holder and is powered from the turbine unit to pump directly out of a 1-gallon can for continuous spraying. Eliminates the need for a cup at the gun.
FLEXSPRAY®

Titan’s FlexSpray puts the power of airless and the control of HVLP into one versatile sprayer creating the first multi-tool for painting professionals. FlexSpray’s advanced technology was developed for professionals who spray a variety of coatings with multiple applications. Just pull the trigger and your interior, exterior or fine finishing project will finish with ease.

Features:

High Productivity
The FlexSpray has the productivity of an airless using a 413 tip.

Professional Finish
Provides a professional HVLP-style finish.

10X the Life
Than a hand held airless sprayer.

Wide Pattern
Adjust your spray pattern from 1 to 14 inches and quickly change from a horizontal to vertical pattern with the turn of the nozzle.

Quick-Change System
Change your coating or application on the fly.

Ergonomic Handle
Comfortable to carry plus easy to wrap hose and store gun.

FlexFinish™ Front End
0529008
Optimized for low viscosity coatings.
Recommended Coatings:
Stains, Lacquers and Urethanes.

FineFinish® Front End
0529009
The FlexFinish™ front end allows for greater control of material and air flow.
Recommended Coatings:
Latex, Enamel, Acrylic, Multi-Color Stains, Lacquers and Urethanes.

Features:

**Premium is Standard**

**Pulsation Dampener Included**
This standard feature eliminates pressure fluctuations.

**Stainless Steel Fluid Section**
Allows usage with all finishing coatings.

**Fluid Filter Included**
Provides low operating noise.

**Low Air Consumption**
For increased efficiency.

**Other Standard Equipment**
Air Filter
Dual Regulators
Air Lubricator

Order as bare pump or with Titan 3600 AA gun, flat tip and 50’ of air and fluid hose.
POWRCOAT™ SERIES

Models for virtually any application, including architectural, finishing, industrial maintenance, corrosion control, roofing, waterproofing and marine; protective coatings.

Features:

Premium is Standard

Minimal Maintenance
Titan’s proven severe-duty fluid section with self-adjusting packings keep you working in this demanding industry.

Anti-Icing Motor
Ensures continuous operation.

Power to Handle Any Job
The PowrCoat series pressure ranges from 3000 to 7500 PSI.

Free Flow
Outputs from 1 to 4 gallons per minute.

Standard
Severe Service™ paint pumps and high efficiency air motors are standard on all models.

AirCare™ System

- Complete FRL (Filter, Regulator, Lubricator) standard for optimal durability with every PowrCoat
- Automatic draining moisture trap
- Easy access air filter and lubrication reservoir
Severe Service Pump is Standard

**A PowerCoat Piston**
Engineered to provide unmatched chemical and solvent resistance while creating an ultra-smooth surface that operates with a smooth stroke that provides less friction and wear.

**B Tungsten Carbide Valve Seats**
Provides maximum life and smooth, efficient operation with hardened stainless steel check balls.

*Alternate packing materials are available for specialized applications.

---

Wall mount bracket designed into cart for flexibility. Available as wall mount only.

POWRLINER™ SERIES

Whether it’s a municipal athletic field or an international airport, Titan offers a line striping machine for every application. PowrLiners are built for precise, consistent line striping without fuzzy, uneven lines that result from conventional air spray systems.

Features:

**Versatility**
Let's you stripe both pavement and athletic fields.

**User Friendly Design**
Easy to operate and maneuver.

**Precise Pressure Control**
From 400 to 3800 PSI, for spraying light-bodied coatings all the way up to low-VOC striping paints.

PowrLiner™ 8955 0290054
This hydraulic driven striping machine is recommended for very large-scale projects on airports, roads, parking lots and athletic fields.
**TITAN FULL LINE**

**Engine - Gas**

- **PowrLiner 550** 0290004
  - This clutch drivenstriper is perfect for individuals, companies or property management where striping projects are performed only 2–4 times per year. Basic stencilling capabilities.

- **PowrLiner 850** 0290005
  - This clutch driven striper is perfect for entry level contractors or property management who need a basic line striper capable of higher spraying pressures for smaller jobs on pavement, grass or turf.

- **PowrLiner 2850** 0290008/0290009
  - This clutch driven striper has a slower cycle rate and a cart configuration that is compact and highly maneuverable. It is ideal for smaller and medium projects. Available in 1 or 2 gun configuration.

- **PowrLiner 4955** 0290052
  - This hydraulic driven striper is recommended for medium to large-scale projects on airports, roads, parking lots and athletic fields.

- **PowrLiner 6955** 0290053
  - This hydraulic driven striper is recommended for large-scale projects on airports, roads, parking lots and athletic fields.

**ADDITIONAL FEATURES:**

**PowrCenter™**

Designed with convenient and easy-to-use controls and features like tip holder, phone charging port and cup holder.

**SmartArm™**

Built to pivot and lift, making line adjustments and transportation quick and compact.

**DeadLock Handlebars**

Easily adjust handlebars pivot in three ways; in and out, up and down and forward or back.

**2.0 HP Electric Convertto Kit** 506-719

Easy, tool-free convertibility from gas-power to electric power for projects where gas engines are not permitted.

For use with PowrLiner 4950, 4955 and all XLT units.
LAZYLINER SERIES

Take a load off and increase productivity up to four times. An economical way to grow your business.

LazyLiner Pro 0290041
- Standard pneumatic tires (16” x 4.5”)
- Multi-position seat (forward/back, side to side)
- Height adjustable foot pedals
- Compatible with PowrLiner™ 2855–8955

LazyLiner Elite 0290042
- 200-W lamp coil charging system
- Engine protection bumper bar
- Heavy-duty pneumatic tires (16” x 6.5”)
- Multi-position seat (forward/back, side to side)
- Height adjustable foot pedals
- Compatible with PowrLiner™ 2850–8955

The drivers are not shipped with a hitch; use chart to identify which hitch to order.
PowerTex™ Hopper Gun 0524039
This wall and ceiling sprayer has a 1-gallon adjustable hopper and can be configured for spraying without the use of adapters. It includes 3 nozzles for spraying popcorn, knockdown and orange peel texture finishes.

- Can be powered by any HVLP turbine
- Comfort arm rest gets the job done with less fatigue
- 3-point stand allows for an easy, spill-free fill and refill
- Includes Lock-n-Go™ technology for quick hopper removal and easy clean-up

PowrTex™ 1200SF
The PowrTex 1200SF is the lightest, most affordable airless texture sprayer on the market today. It’s designed to run both ready-mix and powdered texture products. And Titan’s exclusive fluid section design eliminates the need for a wearable cylinder.

Comes with 5.3 Gun, Splatter Nozzle, (2) SC-6+ Reversible Tips, 3/8” x 50’ Airless Hose and 1/4” x 5’ Airless Whip Hose.
COUNTLESS HOURS OF RESEARCH AND DEVELOPMENT HAVE BEEN DEVOTED TO MANUFACTURING A FULL LINE OF THE BEST QUALITY TITAN AIRLESS GUNS FOR EVERY APPLICATION IMAGINABLE - FROM THE THINNIEST LACQUERS TO THE HEAVIEST ARCHITECTURAL AND COMMERCIAL GRADE COATINGS.

AIRLESS SPRAY GUNS

Countless hours of research and development have been devoted to manufacturing a full line of the best quality Titan airless guns for every application imaginable - from the thinnest lacquers to the heaviest architectural and commercial grade coatings.

Introducing the

RX-PRO™
AIRLESS SPRAY GUN

The new RX-Pro airless spray gun redefines spraying with unmatched comfort and durability including on-board tools like the built-in filter wrench that really make an impact.

LX-80II Airless Gun

The LX-80II airless gun features all-metal construction and is available in either 4 or 2-finger trigger. The Tungsten Carbide ball valve and seat will ensure long life and durability.

LX-80II Airless Gun

Pressure rated at 3600 PSI (24.8 MPa)

DESCRIPTION PART NO.
LX-80 II 4-Finger Gun with SC-6+ Tip 580-100A
LX-80 II 4-Finger Gun with TR1 Tip 0550030
LX-80 II 4-Finger Gun with TR2 Tip 580-500
LX-80 II 2-Finger Gun with TR1 Tip 0550040
LX-80 II 4-Finger Gun, Hose and TR1 Tip Kit 0550035
LX-80 II 2-Finger Gun, Hose and TR1 Tip Kit 0550045
LX-80 II Repair Kit 580-034A

*Includes additional 3’ whip hose.

LX-80II Airless Gun

The LX-80II airless gun features all-metal construction and is available in either 4 or 2-finger trigger. The Tungsten Carbide ball valve and seat will ensure long life and durability.

- In-handle filter reduces clogging and increases tip life
- Swivel reduces hose kinks and assures effortless control
- Pressure rated at 3600 PSI (24.8 MPa)

Smart contractors don’t take a chance on cheap tips that wear out quickly, waste coatings and deliver an uneven finish. Titan airless tips are renowned in the industry for their strength, durability and long life.

**TR1 REVERSIBLE TIP**
- The best overall performing tip in the industry
- Fan pattern stays wider longer
- An orifice that outlasts competitive tips, delivering consistent film thickness and less wasted paint
- Fits all Titan and most other industry spray gun guards

**TR1 High Pressure Tips**

### TR² REVERSIBLE TIP

- One tip with two fan patterns
- Switch to wide or narrow fan pattern with a twist
- Speed and control at your fingertips
- Consistent film thickness when using wide or narrow fan pattern

Maximum Working Pressure: 5000 PSI (34.5 MPa)
Not only do we deliver high quality sprayers, we are proud to back them up with the best and longest warranty in the industry.

4-Year Manufacturer’s Defect
We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, tips, etc.

Lifetime DuraLife Brushless HE and PMDC Brushless Motor Warranty
If the motor fails for any reason (including wear) for as long as you own the sprayer, we will replace the motor at no cost to you.

Limited Lifetime DCX Motor Warranty
If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

Gas Engine Warranty
5 year Subaru®, 3 year Honda® and 2 years all others.

2-Year Turbine Warranty
If the drive train fails from normal usage for as long as you own the sprayer, we will replace the drive train at no cost to you.

35-Day Satisfaction Guarantee
If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit towards the purchase of a Titan sprayer of larger size and value.

Express Parts Program
- Over 900 Authorized Service Centers nationwide
- The most common repair parts are guaranteed to be in stock 100% of the time
- If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST)
