- Up to 30,000 pages

Print for less and easily manage your MFP
- Print professional-quality color with Original HP inks—for up to 50% lower cost per page than lasers.
- Easily integrate into your office. Centrally deploy updates and manage tasks with HP Web Jetadmin.
- Safeguard your print environment with the HP Imaging and Printing Security Center—no expertise necessary.
- Help protect your investment and extend capabilities as your needs grow with a portfolio of solutions.

Count on versatile features to ease office tasks
- Ease office workflows. Print, scan, copy, fax, send digital files, and access apps—right from the display.
- Depend on HP for reliable workgroup printing—designed for volumes up to 1,500 pages a month.
- Reload paper less and handle large print jobs, using the automatic document feeder and 250-sheet paper tray.
- Print up to 2,300 pages—or up to 1,500 color pages—from a single high-capacity Original HP cartridge.

Connect and print—at the office or on the go.
- Add this MFP to your Ethernet or wireless network to easily share with your teammates.
- Print wirelessly, and share access with PCs, tablets, and mobile devices—even with no network or router.
- Print from your smartphone or tablet from virtually anywhere with HP ePrint.
- Print PDF files and images directly from memory devices, using the easy-access USB port—no computer required.

Conserve resources without sacrificing performance
- Use up to 50% less energy than lasers—set your printer for savings with Schedule On and Schedule Off.
- Save up to 50% on paper, using automatic two-sided printing.
- Reduce your impact—easily recycle your Original HP ink cartridges for free through HP Planet Partners.

Print from virtually anywhere
- Print from your smartphone or tablet from virtually anywhere with HP ePrint.
