Hanover Education Foundation Mission: We develop and sustain community and business partnerships, and serve as effective stewards of resources, to create quality educational opportunities that promote high performance in all students in Hanover County Schools.

Superintendent Jamelle S. Wilson announces the availability of a $1,000 classroom teacher scholarship for professional development. This scholarship is being made possible by the Hanover Education Foundation and is to be awarded to a promising classroom teacher, one who may not necessarily have had a great deal of recognition, but whose potential of achieving greater things with and for the students in the classroom would be heightened if afforded a significant professional development opportunity. Funds from this scholarship can support tuition, books, travel and other activities relating to the professional development experience.
