From the Pastor

Prayer should be an important part of our lives as Catholics; prayer needs to be a part of our lives (and our schedule) during this Advent season as we prepare for the coming of Christ. In our Second Reading today, St. Paul, in his letter to the Philippians proclaims a prayer for them (and for us as well), “And this is my prayer: that your love may increase ever more and more in knowledge and every kind of perception, to discern what is of value, so that you may be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ.”

That prayer is a succinct way of reminding us what we should be doing as part of our Advent preparations. We should be making a concerted effort to love; that we need to increase both our knowledge and our perception of what it means to be a good Catholic, a good steward, a disciple; that we must sort out what is really of value — that can be a challenge in a world where Christmas is so commercialized and the emphasis seems to be placed more on glitz than on faith; and that we should be striving for “righteousness” as we prepare for not just the birth of Christ, but the final coming of the Lord as well.

There is a tension throughout Advent; the tension between promise and fulfillment, expectation and deliverance, and between looking forward and looking backward. We live in the presence of Christ in the Eucharist, but we hope for and expect to experience Him completely in Glory. We look back to celebrate His coming on the first Christmas, but we look forward to His second coming.

We always need to be conscious of the presence of Jesus in our lives; especially in His Eucharistic presence in the Blessed Sacrament. Last week a news story was released about a Spanish artist who stole over 200 consecrated hosts so that he could use them in one of his art displays. There was a large protest of this in Pamplona where the hosts were thrown at the exhibition space being held, but it underlines the importance of being vigilant and reverent in the manner in which we approach the altar.

First and foremost we need to prepare spiritually to approach Him. As we begin the Jubilee Year of Mercy, let’s make sure we are spiritually prepared by going to confession and turning toward the Lord. With the number of opportunities that we have available for the Sacrament of Penance, there is absolutely no excuse for not availing ourselves of the sacrament. To receive the Lord unworthily is a sacrilege and a great offense to His Divine Majesty.

Secondly, let us be mindful of how we receive the Eucharist. The universal norm for receiving the Eucharist in on the tongue. In the United States it is permitted to receive on the hand. If this option is used, however, two hands are to be used. If you do not have the use of both hands (carrying a child, using a cane, etc.) please receive on the tongue. When receiving on the hand, make a throne for the Lord. One hand supported by the other so as to cradle the sacred Host. Consume the host reverently and immediately. Please do not walk away from the minister without consuming the Host. With the Precious Blood, please be very careful. Spills have occurred because of carelessness.

Finally, please make sure to offer a Thanksgiving to the Lord for coming into your heart and body. Simply walking out after receiving Communion is disrespectful and shows a lack of gratitude for the Lord’s gracious gift. If you see someone walking away with a Host, be respectful but do not hesitate to ask him or her to consume the Blessed Sacrament or return it to the priest.

We have to prepare ourselves for the Lord’s coming. Let’s start by making sure that we welcome Him well each time we approach the altar.

Blessings,
Father John

6 de Diciembre: Segundo Domingo de Adviento

El adviento comprende las cuatro semanas antes de la Navidad. Es tiempo de preparación, esperanza y arrepentimiento de nuestros pecados para la llegada del Señor.

En el adviento nos preparamos para la navidad y la segunda venida de Cristo al mundo. Es un tiempo en el que podemos revisar cómo ha sido nuestra vida espiritual, nuestra vida en relación con Dios y convertirnos de nuevo. Es un tiempo en el que podemos hacer un plan de vida para mejorar como personas.

Es una época del año en la que somos “bombardeados” constantemente para comprar todo tipo de cosas y asistir a muchas fiestas. Todo esto puede llegar a hacer que nos olvidemos del verdadero sentido del Adviento. Esforcémonos por vivir este tiempo litúrgico con profundidad, con el sentido cristiano y así darle la bienvenida, como debe ser, al verdadero Rey del mundo.
