Background Checks Required for Nursing License

GENERAL INFORMATION
An applicant for a Kansas license by endorsement or exam is required to provide one completed fingerprint card in order to conduct background checks with the Kansas Bureau of Investigation and FBI. A fingerprint card must be obtained from the Kansas State Board of Nursing (KSBN) because it contains specific identifying information. It takes about one (1) month to receive background check results. Exam applicants should apply for a license at least one month prior to the graduation date in order to prevent delays. The Board of Nursing will not license a person until the background checks are received. Enclose a check or money order for $48.00 payable to the Kansas State Board of Nursing. Fees are nonrefundable.

Staff of the Board of Nursing is also trained to take electronic prints and can be done in the board office and the fee is $7.50. Prints must be rolled from nail to nail and the ridges should be sharp and distinct. The signature of the person taking the prints must appear on the fingerprint cards.
