C. Period of Occupancy

Period of occupancy is as indicated on the application/contract. Accommodations for residents wishing to reside on campus during breaks and prior to the start of a contract period may be made at Cougar Village Apartments for a minimal charge, if space is available. D. Gender Inclusive Assignments

Gender inclusive housing is housing where members of the opposite gender live together in a living unit/apartment. This option is only offered to upperclass students and is available in any upperclass housing area when requested and space is available.
   1. All students requesting space must mutually request each other and gender inclusive housing.
   2. All students requesting gender inclusive housing must be considered upperclass students at the time of move in.
   3. A group of mutual roommate requests must fill the living unit/apartment and leave no open spaces. The time frame will be determined by the Associate Director of Housing Operations. If a replacement roommate is not found within the designated time frame, all remaining roommates will be moved to “traditional” single gender housing as determined by space availability.
   5. University Housing reserves the right to reassign residents residing in the gender inclusive space due to failure to adjust to living in gender inclusive housing and/or due to conduct issues.
   6. It will be the responsibility of the requesting students to respond to any concerns raised by their parent(s) or guardian(s) regarding their choice to live in gender inclusive housing.

III. RESIDENCY REQUIREMENT
First and second year students attending Southern Illinois University Edwardsville are required to live in University Housing. This requirement applies to all new and transferring students in their first two years following graduation from high school. These regulations are applicable to all students only in so far as space is available in University Housing. The Vice Chancellor for Student Affairs shall determine and declare no later than one hundred and twenty (120) days prior to the start of a semester that space is available and that the policy shall be enforced.

Exceptions to this two-year residency policy may be granted only under certain limited conditions, including the following:

B. Students residing at a parent’s or legal guardian’s permanent address, which must be located within 60 miles of campus as measured by Google.com (“Legal Guardian” means a person appointed guardian by a court of competent jurisdiction to act on behalf of the student in place of parents. Legal documentation may be requested for verification.);

To request an exception to the two-year residency requirement, the student must provide documented verification of any of the above criteria by June 1 preceding Fall enrollment and December 1 preceding Spring enrollment.

Note: Occasionally, financial need is cited as a reason for requiring a residency exemption. The SIUE university residence policy makes no provision for financial need as a valid reason for an exception to the two-year requirement. Thus, requests for exceptions on the basis of financial need shall not be approved.
