PART I - GENERAL

1. RESPONSIBLE AUTHORITY

The Bela-Bela Local Municipality or its successor in title shall be the authority responsible for the enforcing and execution of the provisions of this Land-use Scheme.

2. AUTHORITY OF LAND-USE SCHEME

This Land-use Scheme has been prepared in terms of the provisions of Section 18 of the Town Planning and Townships Ordinance, 1986 (Ordinance No. 15 of 1986) and will be the only Land-use Scheme for the municipal area NP 366 as defined in Demarcation Notice No. 38 of Provincial Gazette No. 484 dated 28 February 2000, and any subsequent amendments of the municipal area.

3. CONTENTS OF THE LAND-USE SCHEME

This Land-use Scheme is divided into two parts relating to the following matters, namely:

3.1. SCHEME CLAUSES

Part I: General.

Part II: Definitions.

Part III: General Conditions applicable to all properties.

Part IV: Interpretation of use zones and use of land and buildings.

Part V: Specific conditions and development criteria applicable to use zones.

Part VI: Special, written and temporary consent of the local municipality.

Part VII: Application of the Scheme and powers of the local municipality.

3.2. SCHEME MAPS

4. TITLE OF LAND-USE SCHEME

This Scheme shall be known as the Bela-Bela Land-use Scheme, 2008.

5. AREA OF THE LAND-USE SCHEME

5.1. AREA

The area to which the Land-use Scheme applies is the area of the municipality as defined in Clause 2 above.

5.2. ADMINISTRATION OF LAND-USE SCHEME IN AREA

5.2.1 The land-uses permitted are the use/s as depicted by the notations applicable to use zones on the map and in Part IV of the scheme clauses.
5.2.2 All land depicted by a notation indicating a use zone as referred to in Clause 5.2.1 above shall be deemed to be zoned and used accordingly; provided that should any owner of land furnish proof of alternative rights obtained in terms of any previous lawful authority, such rights/uses shall be deemed to be legally obtained in terms of this Scheme.

5.2.3 Clause 5.2.2 above shall be subject to the right of the local municipality to determine the use of land and land-uses, which is deemed to be agricultural in terms of the above, and shall be either an informal rural settlement or a semi formal rural settlement, (where relevant) for which the land-uses to be permitted have not been depicted by notations for the use zones on the map as referred to in Clause 5.2.1 above.

6. SUBSTITUTION OF EXISTING LAND-USE SCHEME/S

6.1. The Scheme substitutes any existing scheme in operation not specifically listed and includes the Bela-Bela Town-Planning Scheme, 1995, on the fixed date.

7. CONFLICT BETWEEN PROVISIONS OF THIS LAND-USE SCHEME, CONDITIONS OF TITLE AND LEGISLATION

A consent or approval granted by the local municipality by virtue of provisions of this Scheme does not entitle any person the right to use any land, or to erect or use buildings thereon in any manner or for any purpose which is prohibited by the provisions of any condition registered against the title deed under which such land is held, or imposed by legislation in respect of such land.

9. CONDITIONS APPLICABLE TO ALL PROPERTIES

9.1. USE OF ALL LAND

Land may only be used in accordance with its approved land-use zone as determined in this Land-use Scheme.

9.2. EXCAVATIONS (EXCLUDING USE ZONES 21 & 22) AND BOREHOLES

Except with the written consent of the local municipality and subject to such conditions as it may impose, neither the owner nor the occupant (excluding where the local municipality, government or wholly owned government companies is the owner) shall, or allow any other person to -

9.2.1 excavate any material from an erf or other land within the jurisdictional area of the local municipality save as may be necessary to prepare such erf or land for building purposes;

9.2.2 sink any wells or boreholes on such erf or other land within the jurisdictional area of the local municipality or extract any underground water therefrom, save as may be necessary on land where the local municipality does not provide the service; provided that other relevant legislation will still apply; and

9.2.3 manufacture or permit the manufacturing of tiles or earthenware, pipes or other articles of similar nature for any purpose whatsoever on the erf or other land within the jurisdictional area of the local municipality unless the erf or land falls within Use Zones 9 and 10.

9.3. PROTECTION OF LAND AND THE ENVIRONMENT

9.3.1 No person may spoil or damage land in any Use Zone so as to impair its use or the purpose for which it was zoned.

9.3.2 No person may develop land without complying with the requirements of the National Environmental Management Act, 1998 (Act No. 107 of 1998) as amended from time to time and without observing the requirements relating to listed activities.

9.4. HANDLING AND DRAINAGE OF STORM WATER

Where, in the opinion of the local municipality, it is impracticable for storm water to be drained from higher lying erven direct to a public street, the owner of the lower lying erf shall be obliged to accept and permit the passage of such storm water over the lower lying erf; Provided that the owners of the higher lying erven from where the storm water is discharged over a lower lying erf, shall be liable to contribute a proportionate share of the cost of any pipeline or drain which the owner of such lower lying erf may find reasonably necessary to lay or construct for the purpose of leading away the water so discharged over the erf, subject to the approval of the pipeline or drain by the local municipality.
9.5. **PLACING AND DEVELOPMENT OF BUILDINGS**

9.5.1 The siting of buildings, including outbuildings erected on the erf, as well as exits and entrances to a public street system shall be to the satisfaction of the local municipality.

9.5.2 No building of any nature shall be erected on that portion of the property which is likely to be inundated by the floodwater of a public stream on an average of 100 years, as determined by the relevant legislation from time to time and the local municipality.

9.6. **BUILDING LINES, BUILDING RESTRICTION AREAS AND LINES OF NO ACCESS**

9.6.1 No building or structure other than boundary walls, fences, garden decorations, pergolas or temporary buildings or structures required in connection with building operations on an erf or on any land, shall be erected within any building restriction area.

9.6.2 The building lines as defined in Table “E” are applicable to all properties according to the use zones as set out therein: Provided that, in addition to the building lines stipulated in Table “E”:

(a) The local municipality has the right to use a 2m strip next to any two boundaries of a property (street boundary excluded) and in case of a panhandle, an additional servitude, 2m wide across the access portion of the erf for the installation of engineering services, and such strips are to be considered as building restriction areas (no building or other structure shall be erected within the foresaid servitude area and no large rooted trees shall be planted within the area).

(b) The erection of buildings on distances from boundaries other than street boundaries must comply with the National Building Regulations and Building Standards, 1977 (Act no. 103 of 1977) and any amendments thereof.

(c) The local municipality may, after receipt of an application for written consent in terms of Clause 22 from the owner, and subject to such conditions as the local municipality may find expedient -

(i) permit the erection of a building in the building restriction area in the case of corner properties or where, due to the slope of the property or adjoining land, or the proximity of buildings already erected, compliance with the building line requirements will hamper development of the property to an unreasonable extent or where the building line is not needed for the installation of services;

(ii) during consideration of a site development plan, relax the building restriction area for all erven, if it is of the opinion that such relaxation would result in an improvement of the development potential of the erf and the esthetical quality of the building; and

(iii) permit the construction of a swimming pool or tennis court in the building restriction area.
(d) Where an erf or other land borders on a national or provincial road, or if provided otherwise in the conditions of title, the applicable building line shall be the building line prescribed by the Controlling Authority, or the building line indicated in Table “E”, Column 15, whichever is the wider, and such building line shall not be relaxed, modified or amended without the written consent of the Controlling Authority.

(e) For the purpose of this clause a sanitary and pedestrian alley is not considered to be a street or road.

9.6.3 Access to and exit from a property to any public street or road, shall, where prohibited across a boundary line, be indicated by the following symbol on the scheme map:

Provided that the local municipality may, upon receipt of a written application, permit its relaxation upon such conditions as it may deem fit, if, due to extraordinary circumstances, compliance with such restriction of access, will hamper development of the property to an unreasonable extent; Provided further that no relaxation of a restriction on access to or exit from a property, to a provincial or national road, shall be permitted without the consent of the Controlling Authority.

9.7. SCREEN WALLS AND FENCES

9.7.1 A screen wall or walls shall be erected and maintained to the satisfaction of the local municipality if and when required by it.

9.7.2 Where a property has been fenced, such fence shall be maintained to the satisfaction of the local municipality.

9.8. MAINTENANCE OF BUILDINGS, GARDENS AND SITES

9.8.1 The owner is responsible for the maintenance of the entire development on the property.

9.8.2 Where the amenity of any use zone is detrimentally affected by the condition of any garden, yard, building or any development on a property, the local municipality may, by notice served upon the owner or occupant of the premises on which such condition exists, require him to take, within a period of 28 days or such other period the local municipality in his discretion may deem reasonable from the date of service of the notice, such steps as may be necessary to abate such condition and the measures required to be taken at his expense to abate the condition complained of, shall be set out in such notice.

9.9. EXEMPTION OF EXISTING BUILDINGS

The stipulations of the Land-use Scheme are not applicable to existing buildings other than existing buildings in accordance with Section 43 of the Ordinance. Where such buildings are altered or added to and where such altered use, alteration, rebuilding or construction is in the opinion of the local municipality substantial, the stipulations of this Land-use Scheme are considered to be binding and valid in respect of those parts that are changed, altered or rebuilt: Provided that additions and constructions that do not exceed 30m² in total (or is of a limited
extent such as the removal of non-load bearing internal walls, the erection of moveable partitions, safes and toilets inside an existing building, or repair work inside or outside a building), are not considered to be substantial.

9.10. BUILDINGS USED FOR MORE THAN ONE PURPOSE

9.10.1 Where a building is used, or a proposed building is designed for more than one purpose, it shall, for the purposes of Clauses 13, 14, 15, 16 and 18, (density; height; coverage, floor area ratio and parking), be deemed to be partially used or to have been partially designed, for each such purpose or use: Provided that for the purposes of this clause if more than 75% of a building is otherwise designed or used for a single use or a single use is predominant in such building, it shall be dealt with as if used or designed for such predominant use. The local municipality shall, in its discretion when considering a building plan, or upon application for this purpose being made by the person in charge of the erection of a building, or proposing to erect a building, decide which use is predominant.

9.10.2 The local municipality shall notify the applicant, within twenty-eight (28) days or such other period the local municipality in his discretion may deem reasonable, after official receipt of the building plan or application in terms of any decision in terms of sub-clause 9.10.1.
PART IV - INTERPRETATION OF USE ZONES AND USE OF LAND AND BUILDINGS

10. STRUCTURES WHICH MAY BE ERECTED IN ANY USE ZONE

This Land-use Scheme does not prohibit the erection of entrance structures (other than entrance halls and entrance passages), pergolas, garden ornaments, boundary walls and fences.

10.1. ERECTION AND USE OF BUILDINGS OR USE OF LAND

10.1.1 For the purposes of this clause, the expression “erection and use of a building” includes the use of land and a building, as well as the conversion of a building for that use whether or not it entails the structural alteration thereof.

10.1.2 The purposes for which buildings and land in each of the use zones:

(a) may be erected and/or used;
(b) may be erected and/or used only with the special consent of the local municipality, permanently or for a specified period;
(c) may be erected and/or used only with the written consent of the local municipality; or
(d) may not be erected and/or used.

are shown in Table “1”

10.1.3 No person shall without consent being granted in terms of Clauses 21, 22 or 23 hereof use, or cause or permit to be used, any building or property or part thereof for a purpose other than the purpose for which it was zoned.

10.1.4 If the use of a building or land changes because of the rights that have been granted to a property or have already vested in the property, such building and the property shall comply with all the conditions laid down and which are applicable to the use.

10.1.5 If the use of an existing building changes and it is not in accordance with the rights attached to the property, it shall comply with all the stipulations of the Scheme.

10.1.6 Where the use of land or a building can only be conducted with the permission of the local municipality, the use may not be conducted prior to the consent being given.

10.1.7 Nothing herein contained shall be deemed to grant exemption from any of the local municipality's by-laws, nor any other Act.

PART V - SPECIFIC CONDITIONS AND DEVELOPMENT CRITERIA APPLICABLE TO USE ZONES

11. CONDITIONS APPLICABLE TO ERVEN ZONED RESIDENTIAL 2 AND RESIDENTIAL 3

11.1. Subject to the general conditions in Clause 9, the following additional conditions will apply to the erven in Use Zone 3 (Residential 2) and Use Zone 4 (Residential 3):

11.1.1 Open space for residents will be provided on the erf at a ratio of 39m² per dwelling unit.

11.2. Subject to the general conditions in Clause 9, the following additional conditions will apply to the erven in Use Zone 3 (Residential 2) and Use Zone 4 (Residential 3):

11.2.1 The requirements as set out in Table 1 - Table “A” to “E”.

11.2.2 A site development plan shall be submitted, as set out in Clause 17.

11.2.3 The erf or any group of erven shall not be subdivided into plots with single dwelling units thereon, before full implementation of the proposals embodied in the site development plan relating to the particular erf or group of erven have been fully implemented or the local municipality has granted written consent thereto. If it is not the intention to develop the whole of the erf or any group of erven simultaneously the grouping of the dwelling units and programming of the development must be shown clearly on the site development plan.

11.2.4 The internal roads on the property shall be constructed and maintained by the owner as required by the local municipality.

11.3. Conditions only applicable to erven in Use Zone 4 (Residential 3), insofar as these erven obtained residential rights at a density of 44 units per hectare or more:

11.3.1 All erven which are legally zoned and used as residential with development rights with a density of 44 units per hectare or more on the fixed date, subject to the provisions of this scheme, continue to be legally zoned and used for such purposes.

12. CONDITIONS APPLICABLE TO PUBLIC GARAGE AND FILLING STATION ERVEN

Subject to the general conditions in Clause 9, the following additional conditions will apply to erven used for public garages or filling stations:

12.1. The requirements as set out in Table 1 - Table “A” to “E”.

12.2. A site development plan shall be submitted, as set out in Clause 17.

12.3. No material or equipment of any nature whatsoever may be stored or stacked to a height greater than the height of the screen wall.
12.4. No repair work to vehicles or equipment of any nature, shall be performed outside
the garage building, except in an area screened off for the purpose to the
satisfaction of the local municipality.

12.5. No material or equipment of any nature whatsoever shall be stored or stacked
outside the garage building, except in an area screened off for the purpose.

12.6. The local municipality may relax conditions in Clauses 12.3, 12.4 and 12.5 by
written consent in terms of Clause 22.

13. DENSITIES, SUBDIVISION AND OCCUPATION

13.1. Table “C” Columns 8, 9 and 10 stipulates density in terms of the maximum number
of dwelling units per netto hectare or per erf, attached to the erf as a primary
right, as well as the extent to which it may be relaxed by special consent in terms
of Clause 21, or written consent in terms of Clause 22 by the local municipality, as
the case may be.

13.2. The local municipality will compile a policy on residential densities permissible in
different townships and rural settlements and/or residential neighbourhoods to
guide decisions with applications for the relaxation of densities by special consent
in terms of Clause 21, or written consent in terms of Clause 22 by the local
municipality, as the case may be.

13.3. The local municipality may, upon application being made for its special consent in
terms of Clause 21, or its written consent in terms of Clause 22 as the case may
be, amend the density of an erf in accordance with the local municipality's policy
on density and as amended from time to time.

13.4. Where a dwelling unit has been erected on a “Residential 1”, “Residential 1” (Rural
Settlement) and “Agricultural” zoned property, the owner may apply in terms of
Clause 22 to erect an additional dwelling unit on such property.

13.5. The local municipality will not consent to the subdivision of land or an erf if such
subdivision does not comply with the density stipulations as set out in Table “C” or
any other reasonable conditions the local municipality may require.

Notwithstanding any conditions that are applicable regarding the subdivision of
erven in terms of the Ordinance or this Scheme, the following further conditions
are applicable to panhandle subdivisions:-

13.5.1 the panhandle shall provide access from a street to the panhandle
portion;

13.5.2 the panhandle shall not be less than 3m wide along its whole length,
unless the local municipality otherwise grants written consent;

13.5.3 the area of the panhandle portion, excluding the panhandle, shall be in
accordance with the density requirements of this Scheme;

13.5.4 except with the written consent of the local municipality the slope of the
panhandle shall not exceed 1:8;
13.5.5 a panhandle shall provide access only to the erf of which it forms a part as well as the property in favour of which a servitude of right of way has been registered over the panhandle, except where the local municipality otherwise determines;

13.5.6 the registered owner of the panhandle portion shall, when required by the local municipality, at his own expense pave the panhandle to the satisfaction of the local municipality prior to or simultaneously with the erection of any building on the erf and such roadway shall thereafter be maintained dust free to the satisfaction of the local municipality;

13.5.7 the registered owner of the panhandle portion shall, when required by the local municipality, erect screen walls or dense barriers along the boundaries of the panhandle to the satisfaction of the local municipality. The extent, material, design, height, position and maintenance of such screen walls or barriers shall be to the satisfaction of the local municipality; and

13.5.8 no buildings or structures except such walls and barriers envisaged in sub-clause 13.5.7 shall be erected in the panhandle.

13.6. Not more than one household, together with two other persons, or a maximum of eight (8) persons may live on a permanent basis in one dwelling unit. If the number of persons exceeds above-mentioned, written consent in terms of Clause 22 must be obtained.

14. HEIGHT OF BUILDINGS

14.1. Dwelling unit/s or residential buildings in the “Residential 1”, “Residential 2” and “Rural Residential” use zones shall not exceed two (2) storeys in height, except in accordance with the written consent of the local municipality, obtained in terms of Clause 22, prior to the erection of any new building.

14.2. If a dwelling unit or residential building in the “Residential 1” and “Residential 2” use zones exceeds one (1) storey and due to the topography of the area may impair on the privacy, aesthetics or view of adjacent properties, a site development plan may be required for approval by the local municipality.

14.3. Buildings in other use zones excluding those mentioned in Clause 14.1 shall not exceed five (5) storeys in height.

14.4. No building, other than those mentioned in Clause 14.1, may exceed five (5) storeys in height, except in accordance with written consent of the local municipality obtained in terms of Clause 22, prior to the erection of new buildings or additions to existing buildings.

15. COVERAGE OF BUILDINGS

15.1. Table “C”, Columns 11 and 12 contains respectively, the coverage which may be implemented on a property and the extent to which the coverage may be relaxed.
15.2. **Coverage of buildings** shall not exceed the coverage stipulated in Table “C” except in cases where the written consent of the local municipality in terms of Clause 22 had been obtained, and then only on condition that the total number of parking spaces required in terms of Clause 18, read together with Table “B”, Column 7 can be made available.

### 16. FLOOR AREA RATIOS

16.1. Table “D”, Columns 13 and 14 contain the floor area ratio as a ratio of the area of an erf and the extent to which the floor area ratio may be relaxed.

16.2. The floor area ratio shall apply to all new buildings and/or additions or alterations to existing buildings as set out in Table “D”, Columns 13 and 14.

16.3. The floor area ratio may not be exceeded except with special consent of the local municipality obtained in terms of Clause 21 read together with Table “D”, prior to the erection of new buildings or additions to existing buildings.

### 17. SITE DEVELOPMENT PLANS

17.1. A site development plan shall be prepared for all erven on which buildings are erected or extended in Use Zones 3, 4, 6 to 12, 15, 17 and 20.

17.2. A site development plan shall be submitted to the local municipality prior to submission of any building plans. No building may be erected on the erf before approval of such site development plan by the local municipality and the entire development on the erf shall be in accordance with the approved site development plan; Provided that the plan may from time to time be amended with the written consent of the local municipality; Provided further that alterations or additions to buildings, which in the opinion of the local municipality, will have no influence on the overall development of the erf, may be exempted from written consent procedures as referred to supra.

17.3. The local municipality shall use its best endeavours to consider a site development plan, submitted in terms of Clause 17.2 hereof, within 60 (sixty) days after submission thereof.

### 18. PARKING AND LOADING ZONES

18.1. The parking requirements are indicated in Column 7, Table “B”:

18.1.1 Effective parking and manoeuvring space for the various use zones and uses shall be provided, laid out, constructed and maintained on all properties in accordance with the requirements stipulated in Table “B”, to the satisfaction of the local municipality by and at the cost of the person who intends to erect a building.

18.1.2 The number of parking spaces to be provided according to Table “B”, shall be determined by the local municipality and shall be applicable to all existing and/or new buildings (excluding a single dwelling unit) and to extensions to existing buildings (excluding a single dwelling unit).
18.1.3 The owner of a building in respect of which parking spaces are required in terms of sub-clause 18.1.1. shall keep such parking spaces in a proper condition for such purposes to the satisfaction of the local municipality.

18.2. Loading areas shall be provided as follows:

18.2.1 The local municipality may, upon application being made for approval of building plans submitted in terms of the National Building Regulations and Building Standards, 1977 (Act no. 103 of 1977) and any amendments thereof, require the owner to, in terms of Clause 17, submit proposals for the provision on the property of appropriate and sufficient facilities for loading and off-loading of goods, which proposals shall indicate positions for parking, stopping or fuelling of service vehicles.

18.2.2 No owner or occupant of a building in respect whereof proposals in terms of this clause are required, may undertake or permit the loading, off-loading, parking or fuelling of vehicles otherwise than in accordance with a written approval from the local municipality and in accordance with the conditions imposed in this regard.

18.2.3 In every “Business 1 and 2” and “Industrial 1 and 2” use zone there shall be provided, if required by the local municipality, over and above parking, one loading area per erf, regardless of the size of the building erected thereon.

19. USE OF ANNEXURES AND ANNOTATIONS

19.1. USE OF ANNEXURES

19.1.1 Special rights, conditions and restrictions applicable to any property within any use zone, may be stipulated in an Annexure to this land-use scheme.

19.1.2 The special conditions and restrictions referred to in Clause 19.1 shall:

- (a) apply in addition to the general conditions, restrictions and other provisions of this land-use management scheme; and
- (b) prevail, in case of conflict between such special condition and any other condition, restriction or provision of this Land-use Scheme.

19.1.3 An Annexure contemplated in Clause 19.1 shall consist of:

- (a) a sheet upon which is inscribed the number of such Annexure, a description of the property to which it applies, the special rights, conditions and restrictions applicable to the property, as well as the name and number of the Scheme in terms whereof the Annexure was prepared; and
- (b) a diagram of the property concerned which diagram shall correspond with the layout shown on the map.

19.1.4 The number of the Annexure concerned shall be inscribed inside a double circle within or adjacent to the figure of the relevant property on Map 3A and, if adjacent to such figure, shall be joined thereto by means of a line.

19.1.5 The local municipality shall not, except as provided for in any of the conditions contained in an Annexure, grant any consent in terms of this land-use scheme.
19.2. USE OF ANNOTATIONS

19.2.1 Rights obtained with the special consent (Clause 21) and/or written consent (Clause 22) of the local municipality on land in the “Agriculture” use zone shall be indicated by an annotation on Map 3A.

19.2.2 The number of the annotation concerned shall be inscribed inside a square within or adjacent to the figure of the relevant property on Map 3A and, if adjacent to such figure, shall be joined thereto by means of a line.

19.2.3 The number of the annotation referred to in Clause 19.2.1 shall correspond with the reference number of the relevant approved application as contained in the registers of special and written consents as contemplated in Clause 27.
20. CRITERIA FOR THE CONSIDERATION OF APPLICATIONS

20.1. Subject to the provisions of Clauses 21, 22 and 23 hereof, the local municipality may, when application is made for its special, written or temporary consent in terms of this Scheme refuse or grant such consent subject to such conditions as it may think fit, with due consideration of:

20.1.1 the amenities of the area;
20.1.2 health and safety of the area;
20.1.3 the character of other uses in the area;
20.1.4 the need and desirability of the use concerned;
20.1.5 any relevant land-use management related policy of the municipality, and
20.1.6 the Integrated Development Plan (IDP) and Municipal Spatial Development Framework and any review thereof.

20.2. The local municipality may upon the granting of any consent contemplated in Clauses 21 and 22 of this Scheme, impose conditions regarding the payment of contributions for the provision of services, open spaces and parks, as envisaged in Section 20(2)(c) of the Ordinance, for which purposes the provisions of Section 63 of the Ordinance shall mutatis mutandis apply.

21. SPECIAL CONSENT OF THE LOCAL MUNICIPALITY

21.1. Any owner (hereinafter referred to as “the applicant”) intending to apply to the local municipality for special consent for:

21.1.1 the erection and use of a building or for the use of land in any use zone, whether wholly or partially for any purposes which requires the special consent of the local municipality in terms of Column 4, Table “A”;
21.1.2 an increase in the density of an erf (see Column 10, Table “C”); and
21.1.3 an increase in the floor area ratio (see Column 14, Table “D”),

shall submit such application to the local municipality in writing, in the prescribed manner.

21.2. An application shall include a report to the local municipality, containing full particulars on the criteria referred to in Clause 20.1, as well as particulars appearing in notices as set out in Clause 21.4 or any other relevant particulars which may be required by the local municipality.

21.3. The applicant shall:

21.3.1 at his own expense publish a notice twice (for two consecutive weeks) in a local newspaper/s, circulating in the area of the application;
21.3.2 such notice shall be in any two of the official languages of which one should be in English;

21.3.3 display a notice referred to in sub-clauses 21.3.1 and 21.3.2 and maintain same, for a period of not less than 14 consecutive days from date of first publication, in a conspicuous position, visible from the street on each separate portion of the land to which such consent will apply;

21.3.4 in the case of an application lodged in a rural settlement, if so required by the local municipality, display a notice referred to in sub-clauses 21.3.1 and 21.3.2 and maintain same, for a period of not less than 14 consecutive days from date of first publication, in a conspicuous position, at a local traditional authority office and / or any other public place as determined by the local municipality;

21.3.5 in the case of an application lodged in the “Agriculture” use zone, if so required by the local municipality also obtain the written comments of the adjacent land owners, or such other owners of land in the surrounding area, as prescribed in Clause 22.4.

21.3.6 Refer the application to any other person or body that may be required by the local municipality.

21.4. The notice referred to:

21.4.1 in sub-clause 21.3.1 and 21.3.3 - 21.3.5 shall contain the name and address of the applicant; the description, address and locality of the property as well as particulars of the existing zoning and the purpose for which the land and buildings will be used and shall state that it lies for inspection at the local municipality offices and that any objection to or representation in connection with such application shall be lodged simultaneously with the local municipality and the applicant within a period of 28 days calculated from the day when the notice was first published and displayed on the site and/or other prescribed location; and

21.4.2 the notice in sub-clause 21.3.3 - 21.3.5 shall not be less than 594mm by 420mm in size and no letter thereon shall be less than 6mm in height.

21.5. The applicant shall on the date of the first publishing and posting up of the notice on site, and/or other prescribed location, as mentioned in sub-clauses 21.3.1 and 21.3.3 - 21.3.5, lodge the application with the local municipality.

21.6. The applicant shall lodge, simultaneously with the application, an affidavit confirming that the notice referred to in sub-clause 21.3.3 - 21.3.5, was properly displayed and maintained.

21.7. The applicant shall submit proof that the application referred to in sub-clause 21.3.1, was published twice.

21.8. The local municipality shall consider and hear any objection or representation received within the aforementioned period of twenty-eight (28) days, at a hearing arranged by the local municipality within a reasonable time period.
21.9. A reasonable time period referred to above shall be deemed to be 90 days calculated as from lapsing of 28 days referred to in Clause 21.8 above.

21.10. Should any objection to, or representation against, the application be received by the local municipality, it shall set a time and place for the hearing of such objection or representation in a manner complying with the requirements of the administrative justice, and shall give written notice thereof, by registered post or by electronic communication or facsimile, at least 14 days prior to the hearing, to the applicant and/or his duly authorised agent and all objectors.

21.11. Where the objections or representations contemplated in Clause 21.8 of more than one person are contained in one document, it shall be deemed sufficient compliance with the provisions of Clause 21.10 if the person who has lodged the document or is a signatory thereto is notified as contemplated in the latter clause.

21.12. The local municipality shall after due consideration of any objections and the criteria stipulated in Clause 20.1 hereof, in writing notify the applicant and every person who has lodged an objection or had made representations, of such decision.

21.13. The decision of the local municipality shall (where any objection to this application was received) not come into operation before expiry of fifty-six (56) days calculated from the date of notification of the parties in writing envisaged in Clause 21.12 hereof.

21.14. The applicant may note an appeal in terms of the provisions of the Ordinance if the application is refused by the local municipality.

21.15. Any consent granted in terms of Clause 21.12 shall be for a maximum period of three years, from date of approval and be subject to specific conditions of approval, with the proviso that the local municipality may extend this period, subject to the provisions of Clause 21.16.

21.16. Every applicant shall, after approval by the local municipality, of an application envisaged in this clause, be obliged to, on an annual basis, in the month, during which the applicant was notified of such an approval as envisaged in Clause 21.12, to the satisfaction of the local municipality, submit an affidavit in confirmation of inter alia the fact that the conditions pertaining to such approval and use, are fully complied with.

21.17. Any consent that the local municipality grants in terms of Clause 21.12 lapses under the following conditions:

21.17.1 if any right to which the consent applies are not exercised for a period of 12 months from the date of such consent;

21.17.2 if such rights are exercised and such exercise is interrupted for a period of 15 months;

   with the proviso that the local municipality may extend these periods in Clause 21.17.1 and 21.17.2 at its discretion.
21.17.3 if a building for which such consent has been granted, is demolished, falls into disuse or becomes unsuitable for the purpose for which such consent was given; and

21.17.4 if a condition that applies to any consent is not met, or if any act is contrary to such consent, provided that the local municipality has given 28 days written notice to the owner and the owner after elapse of such period, still does not comply with the notice.

21.18. Granting of special consent for a noxious industry shall be considered: Provided that there is proof of compliance with the National Environmental Management Act, 1998 (Act No. 107 of 1998) and a certificate be issued by the Medical Officer of Health of a local municipality certifying that the process proposed to be used in connection with any of the industries or factories listed in Schedule 1 of this Scheme, will effectively eliminate any nuisance or health hazard in the vicinity of the property due to:

21.18.1 vapours, smoke or odours;

21.18.2 fluids or effluent originating on the property; and in the event of it being proposed to dispose of such materials by land treatment, the nature, slope and surface of the land concerned, as well as its location in relation to streams or water courses shall be disclosed; and

21.18.3 solid waste matter.

22. WRITTEN CONSENT OF THE LOCAL MUNICIPALITY

22.1. Any owner (hereinafter referred to as “the applicant”) intending to apply to the local municipality for consent to:

22.1.1 erect and use of a building or for the use of land in any use zone, whether wholly or partially for any purposes which requires the written consent of the local municipality (see Column 5, Table “A”);

22.1.2 the carrying on of a household enterprise from a dwelling unit in a “Residential 1”, “Residential 1” (Rural Settlement) or “Agricultural” use zone in terms of Clause 24;

22.1.3 the use of a dwelling unit for a spaza or kiosk (see Column 5, Table “A”);

22.1.4 relaxation of height (see Clause 14);

22.1.5 relaxation of coverage (see Clause 15);

22.1.6 relaxation of building lines [see Clause 9.6.2(c)];

22.1.7 amendment of a site development plan (see Clause 17);

22.1.8 relaxation of lines of no access (see Clause 9.6.3); and

22.1.9 consents as envisaged in Clauses 9.2, 11.2.3, 12.6, 13.3, 13.4, 13.5, 13.6 and 18.2.2.

shall do so in writing in the prescribed manner (where applicable) to the local municipality.
22.2. An application shall include a report to the Local Municipality, containing full particulars on the criteria referred to in Clause 20.1 of the proposed uses, as well as:

22.2.1 the name and address of the applicant;
22.2.2 the description, address and the locality of the subject property;
22.2.3 existing zoning of the property; and
22.2.4 a complete description of the proposed use of the land and/or building.

22.3. No written consent shall be granted in terms of this clause until the applicant has, to the satisfaction of the local municipality, obtained the written comments of the surrounding owners, as envisaged in Clause 22.4.

22.4. The applicant shall:

22.4.1 Procure a form, as prescribed by the local municipality for the consent referred to in Clause 22.3, to be completed by every owner of land or his duly authorized agent, who owns property situated:

(a) in a township or rural settlement, within a radius of 50m or such other distance as determined by the local municipality from the closest point of the property in respect of which an application is made; and

(b) in the “Agriculture” use zone, that shares a common boundary or boundary point with the application property or such other owners of land in the surrounding area as determined by the local municipality.

22.4.2 Supply full particulars and a description of the nature and extent of the intended use; relaxation required; the property description; the owner; and record therein that none of the persons referred to in sub-clause 22.4.1(a) and 22.4.1(b), notwithstanding them being aware of their right to object or to make representations against the application, has any objection thereto and such form shall be signed by, and disclose the name, street address and telephone number of, every person mentioned in sub-clause 22.4.1(a) and 22.4.1(b); and

22.4.3 In the case of an application lodged in the “Residential 1” (Rural Settlement) use zone, the surrounding owners as referred to in sub-clause 22.4.1(a) and 22.4.1(b) may submit the relevant form directly to the local municipality and not to the applicant, within 14 days from the date of being provided with such form.

22.5. The local municipality shall consider any objection received and hear any representation made at a hearing arranged by the local municipality within a reasonable time period for which purpose the provisions of Clauses 21.10, 21.11, 21.12, 21.13 and 21.14 shall apply mutatis mutandis.

22.6. Any consent granted in terms of this Clause 22 shall be for a maximum period of three years, from date of approval and be subject to specific conditions of approval, with the proviso that the local municipality may extend this period, subject to the provisions of Clause 22.7.
22.7. Every applicant shall, after approval by the local municipality, of an application envisaged in this clause, be obliged to, on an annual basis, in the month, during which the applicant was notified of such an approval as envisaged in Clause 22.6, to the satisfaction of the local municipality, submit an affidavit in confirmation of inter alia the fact that the conditions pertaining to such approval and use, are fully complied with.

22.8. Any consent that the local municipality grants in terms of Clause 22 lapses under the following conditions:

22.8.1 if any right to which the consent applies are not exercised for a period of 12 months from the date of such consent;

22.8.2 if such rights are exercised and such exercise is interrupted for a period of 15 months;

with the proviso that the local municipality may extend the periods in Clause 22.8.1 and 22.8.2 at its discretion.

22.8.3 if a building for which such consent has been granted, is demolished, falls into disuse or becomes unsuitable for the purpose for which such consent was given;

22.8.4 if a condition that applies to any consent is not met, or if any act is contrary to such consent, provided that the local municipality has given 28 days written notice to the owner and the owner after elapse of such period, still does not comply with the notice.

23. TEMPORARY CONSENT OF THE LOCAL MUNICIPALITY

Notwithstanding any other provision of this Scheme, the local municipality may, upon receipt of a written request, give its consent to the temporary use of any land or building within any use zone, for any of the following purposes:

23.1. The erection and use of temporary buildings, or the use of existing buildings for site offices, storage rooms, workshops or such other uses as may be necessary during the erection of any permanent building or structure on the land; Provided that such consent shall ipso facto lapse upon completion of the permanent structure or on the expiry date thereof as determined by the local municipality.

23.2. The occasional use of land or buildings for public religious exercises, place of instruction, institution, place of amusement or social hall.

23.3. The use of land or buildings thereon for state or municipal purposes.

23.4. The use of land or the erection of buildings necessary for the purpose of informal retail trade.

23.5. Any temporary consent granted in terms of this clause shall not be granted for any period in excess of 12 months, which period may however be extended by the local municipality for further periods of 12 months each, subject to a maximum period of 3 years in aggregate in cases falling within the ambit of Clauses 23.1, 23.2 and 23.3.
24. CONSENT FOR THE PRACTICE OF A HOUSEHOLD ENTERPRISE

In addition to any conditions imposed by the local municipality in the granting of a special or written consent, the exercise of a household enterprise, from a dwelling unit, shall be subject to the following:

24.1. No title condition applicable to the property may be transgressed.

24.2. The applicant may practice his occupation in any trade form subject thereto that he/she is personally on a day-to-day basis in charge of the enterprise and holds the majority interest in the business.

24.3. The residential character and function of the dwelling unit must be maintained, and not more than 20% of the floor area of the dwelling unit, outbuildings excluded, or a maximum floor area of 75m² may be used for such practice.

24.4. Should more than the prescribed number of persons be accommodated on the premises where the household enterprise is conducted or, if more than 20% of the dwelling unit, outbuildings excluded or more than the maximum floor area of 75m², is to be used for the household enterprise, the special consent of the local municipality must be obtained in terms of Clause 21, and will only be considered on merit.

24.5. For the purposes of this clause, an agent or representative of the applicant will be considered an employee of such applicant.

24.6. The necessary building plans to indicate the change in use must be submitted if required by the local municipality. Parking is to be provided to the satisfaction of the local municipality in accordance with Table “B”.

24.7. No goods may be displayed in public, in a window or in any other manner.

24.8. No notice or sign except such notice or sign as is normally displayed at the dwelling unit, to reflect the name of the applicant and the nature of the household enterprise, may be displayed provided that the size of such notice shall not exceed 600mm by 450mm.

24.9. The amenity of the area may not be prejudiced.

25. CONSENT FOR SPECIFIC PURPOSES

Without prejudice to any powers of the local municipality derived from any law, or the remainder of this Scheme, nothing in the foregoing provisions of this Scheme shall be construed as prohibiting or restricting the following:

25.1. the exploitation of minerals on any land not included in a proclaimed township;

25.2. the letting of a dwelling unit for occupancy of only one family; and

25.3. the letting of not more than two rooms of a dwelling unit.
26. CONVERSION RIGHTS

26.1. “Mining 1 and Quarrying” or “Mining 2”

26.1.1 Where land is already zoned as “Mining 1 and Quarrying” or “Mining 2”, the mining rights holder shall consequent upon complying with any relevant requirements prescribed in terms of Mining and Environmental legislation such as The Environmental Conservation Act, 1989 (Act No. 73 of 1989) with its amendments and The Mineral and Petroleum Resources Development Act, 2002 (Act No. 28 of 2002); such rights holder shall have the right to convert the zoning to “Mining 1 and Quarrying”.

26.1.2 The mining company must provide the local municipality with:

(a) Written notification; and
(b) Maps indicating the area of which the status has changed as indicated above.

26.1.3 Upon delivery of the documentation referred to in Clause 26.1.2, “Mining and Quarrying Purposes” rights shall commence forthwith.

26.2. “Protected Areas”

26.2.1 Where an owner of land declared the land or a portion of the land as a “Protected Area” in terms of any relevant national or provincial environmental legislation, such owner shall have the right to convert the zoning to “Protected Areas”.

26.2.2 The owner must provide the local municipality with:

(a) A copy of notice of declaration of land as a protected area; and
(b) Maps indicating the area of which the status has changed as indicated above.

26.2.3 Upon delivery of the documentation in Clause 26.2.2, “Protected Areas” rights shall commence forthwith.

27. REGISTER OF SPECIAL AND WRITTEN CONSENT APPROVALS AND RELEVANT CONDITIONS

The local municipality shall keep a complete register of amendments, special and written consents approved by it in terms of this Land-use Scheme, or granted through the verdict of appeals, as well as conditions imposed in such approvals. Such register together with the Land-use Scheme will be available for inspection at any reasonable time to any interested person or body.
28. BINDING FORCE OF CONDITIONS

Where consent to erect a building, or to execute any works, or to use any building or land for a particular purpose, in terms of this Land-use Scheme is granted, subject to conditions, such conditions shall have the same legal force as if incorporated in this Land-use Scheme and shall be regarded as though they were part of this Scheme.

29. ENTRY UPON AND INSPECTION OF PROPERTIES

29.1. The local municipality may, through its authorized officials, enter upon any property at all reasonable times to conduct any inspection which the local municipality or its representative may consider necessary or desirable for the application of this Scheme.

29.2. No person shall in any manner hinder, obstruct or interfere with the execution of any duties by any authorized officer of the local municipality, or in so far as it may fall within his power, permit such official to be hindered, obstructed or interfered with.

30. SERVING OF NOTICES

30.1. Any directive, notice or other document which in terms of this Scheme, requires or is authorized to be served, shall be signed by the Municipal Manager or another official authorized thereto by the local municipality, and shall be served in any of the following ways:

30.1.1 On the person concerned, in person, or on his authorized representative.

30.1.2 If service cannot be effected in the manner contemplated in sub-clause 30.1.1, at his residence or place of business or place of employment, on a person apparently not less than 16 years of age and apparently residing or employed there.

30.1.3 If no such person can be found on the property mentioned in sub-clause 30.1.2, by affixing such directive, notice or other document at a conspicuous place on the premises and by dispatching a copy of such directive, notice or other document by pre-paid registered post to the last known place of residence, business, employment or post box of the person concerned.

30.1.4 If such person upon whom a notice is to be served has chosen a domicilium et executandi, on such domicilium.

30.2. Where any service is effected in accordance with the provision of sub-clause 30.1.3, such service shall be deemed to have been effected at the time when a letter containing such directive, notice or other document would have been delivered in the ordinary course of postal deliveries and proof that such directive, notice or other document was properly addressed and registered, shall be deemed sufficient proof of service thereof.
30.3. Any directive, notice or other document which in terms of the provisions of this Land-use Scheme is required to be given to the owner or occupant of any particular premises, may be addressed to the “owner” or “occupant” of such premises in respect whereof the directive, notice or other document is given, without any further name or description, and shall be deemed to be in compliance with the provisions of this clause.

31. POWERS OF LOCAL MUNICIPALITY IN CASE OF CONTRAVENTION OF LAND-USE SCHEME

31.1. Where any person, in conflict with any provision of the Land-use Scheme in operation –

31.1.1 Undertakes or proceeds with erection or alteration of or addition to a building or causes it to be undertaken or proceeded with;

31.1.2 Performs, undertakes or proceeds with any other work or causes it to be performed, undertaken or proceeded with;

31.1.3 Uses any land or building or causes it to be used;

The local municipality shall direct such person in writing:

(a) to discontinue such erection, alteration, addition or other work or to discontinue such use or cause it to be discontinued; and

(b) at his own expense to:

(i) remove such building or other work or cause it to be removed; or

(ii) to cause such building or other work or such use to comply with the provisions of the Scheme.

31.2. Any person who contravenes the provisions of this Scheme or fails to comply with an instruction issued in terms of Clause 31.1 commits an offence.

31.3. If a person fails to comply with a directive issued in terms of Clause 31.1, the local municipality may irrespective of the fact that such a person has criminally been charged or prosecuted, remove the building or other works at the expense of such a person, obtain a court order to remove the building or other work or cause the building or other work to comply with the provisions of its Land-use Scheme and to recover all expenditure incurred in connection therewith, from such person.

31.4. Whenever any person is required to perform any act to the satisfaction of the local municipality:

31.4.1 the local municipality shall have the right to inspect the property or works under question to satisfy itself of compliance;

31.4.2 if the local municipality is not satisfied that compliance is taking place it shall:

(a) send a notice to such a person informing the person of non-compliance, giving such a person 14 days or such an extended period as may be required to ensure compliance; and

(b) failing which the stipulations of Clause 31.2 and 31.3 shall apply mutatis mutandis to this clause.
31.5. any act or omission, being an offence in terms of Clause 31.2 above, can be trialed in a Magistrates’ Court created in terms of the Magistrates Courts Act, 1944 (Act no. 32 of 1944) and upon conviction, is punishable with a fine as determined from time to time.
