Dear Colleague:

This publication is designed to provide criminal justice agencies with a schedule of training programs offered by the Academy through June 2015. The course schedule, at this time, is an accurate description of the training offered during this training year. However, because of exigent circumstances, changes do occur that require we postpone, cancel or add courses to the schedule. Agencies will be promptly notified of any changes, cancellations or specially scheduled programs. You may also find the training courses in the catalog listed on the Academy’s homepage www.maine.gov/dps/mcja.

Generally, tuition for most classes is $2.00/hour. Lodging remains at $15 per night and students are required to bring their own bed linen or sleeping bags. Meals have increased to $7.50 per meal. The BLETP tuition is $2,500.00 per student for agencies. Agencies will be invoiced for actual costs incurred up to the $2,500.00 if the student leaves for any reason. The dress code at the Academy requires students to wear a uniform or dress slacks or skirt and shirts with collars. This policy is included in this catalog.

The MCJA cancellation policy, which requires your agency to pay the tuition costs for any class canceled by your employee or if the employee fails to attend a program for which they applied without notifying the Academy in writing by mail, FAX or e-mail at least 1 week prior to the class starting date, remains in effect. If the seat can be filled with another student on the waiting list, your agency will not be billed. This cancellation policy will allow students on the waiting list to attend the class, not leaving a last minute vacancy that is difficult to fill. Applications should be forwarded to the Academy or students should register on-line at www.maine.gov/dps/mcja at least 3 weeks prior to the start of a course. Generally classes will be filled on a first-applied, first-accepted basis, but priority will be given to students who currently hold positions in specialty areas. Please direct all inquiries to the appropriate training supervisor at 877-8000.

Sincerely,

John B. Rogers, Director
Maine Criminal Justice Academy

PREAMBLE

The Maine Criminal Justice Academy Student Disciplinary Code (the “Code”) is designed to promote the orderly and efficient training of students who receive training under the auspices of the Academy. The Code is promulgated to assure the safety of persons undergoing training, to protect the peaceful exchange of ideas, and to promote professionalism and orderliness consistent with good law enforcement and an efficient criminal justice system.

ARTICLE I

Purposes

SECTION 1 Title 25, M.R.S.A. § 2803-A authorizes the Board of Trustees of the Maine Criminal Justice Academy (the “Board”) to set training and certification standards for all law enforcement officers, set requirements for board-approved courses and prescribe curriculum and certify graduates of board-approved courses.

SECTION 2 The Board concludes that the foregoing statutory provision authorizes the Board to establish standards of student conduct and the procedure for enforcing such standards.

SECTION 3 It is the purpose of this Code to promulgate standards of student conduct and the procedure for enforcing such standards, to be known as the “Student Disciplinary Code” for the Maine Criminal Justice Academy.

SECTION 4 This Code shall apply to all students attending any on-site or off-site Maine Criminal Justice Academy Program, which include: all In-service Programs, the Basic Corrections Program, or the Pre-Service Law Enforcement Programs in accordance with 25 M.R.S.A., chapter 341, with the exception of the Basic Law Enforcement Training Program approved by the Board in accordance with 25 M.R.S.A. § 2804-C (“BLETP”), which has a separate disciplinary code, entitled Cadet Disciplinary Code.

SECTION 5 The fact that the Academy may take disciplinary action is not intended to affect or influence the ability of the student’s employer or any appropriate civil or law enforcement authority to take disciplinary or enforcement action. The student remains subject to prosecution for violation of any applicable laws.
ARTICLE II

Sanctions

SECTION 1 General. No student may be dismissed or suspended for disciplinary reasons except in accordance with the provisions of this Code. The following sanctions may be imposed for violation of the Academy Standards of Conduct, which are set forth in Article III of this Code.

SECTION 2 Denial of Privileges. Minor infractions of the Rules and Regulations of the Academy, Standards of Conduct of this Code, directives, and staff orders may result in denial of privileges. Such a sanction may be imposed in conjunction with written or oral reprimands.

SECTION 3 Oral Reprimand. A student may receive a verbal reprimand by the Training Coordinator pursuant to the procedures outlined in Article IV for violation of the Standards of Conduct of this Code and the rules and regulations of special training.

SECTION 4 Written Reprimand. A student may receive a written reprimand by the Training Coordinator pursuant to the procedures outlined in Article IV for violation of the Standards of Conduct of this Code and the rules and regulations of special training.

SECTION 5 Suspension. A student suspended from the Academy shall leave the premises of the Academy and shall not participate in any activity conducted under the auspices of the Academy, except such activities as are open to the general public, and shall not have any privileges of a student. For purposes of the application of this Code, however, he/she shall be regarded as a student, though suspended. At the expiration of the period of suspension, either at the point in time of the course from which he/she was suspended or the beginning of the next training course as determined by the Director of the Academy on the application of such student, he/she shall be automatically reinstated as a student in good disciplinary standing provided he/she has not been found, in the meantime, to have further violated one of the Standards of Conduct of this Code.

SECTION 6 Dismissal. A student dismissed from the Academy shall leave the premises of the Academy and shall no longer be a student of the Academy. In order to become a student again, a person must submit a new application for admission.
ARTICLE III

Standards of Conduct

SECTION 1 General. Conduct promoting public respect and self-esteem is an essential quality for an effective criminal justice professional. Students are expected to practice and demonstrate such conduct to a high degree while enrolled in an Academy training program. Compliance by all students with the Standards of Conduct will enhance this quality. Such compliance is required and any violation will be the subject of appropriate disciplinary action, up to and including dismissal from the Academy.

SECTION 2 Criminal Misconduct. Violation of any criminal law at any time or place is deemed a very serious breach of the Standards of Conduct of this Code. Any student in any MCJA training program against whom criminal charges have been filed in court may be suspended pursuant to Article IV by the Director from further attendance in or at an Academy program pending resolution of the criminal charge. Conviction of a criminal offense will result in appropriate disciplinary action, and may result in dismissal of the student.

SECTION 3 Ethical Violations. Ethical standards are essential standards of integrity to which every criminal justice professional should aspire. Ethical Violations represent an EXTREMELY SERIOUS INCIDENT of misconduct that may result in termination from the Academy, or in appropriate cases, a period of probation and/or other punishment. The acts of lying, plagiarism, stealing and cheating are considered ethical violations of the Code. The following definitions are pertinent to the Academy’s Ethical Violations:

A. Lying is stating an oral or written untruth with the intent to deceive.
B. Plagiarism is to knowingly use unauthorized assistance in submitted work designated to represent one’s own efforts.
C. Stealing is to take, obtain or withhold property or anything of value wrongfully from the owner with the intent of permanently or temporarily depriving the owner of its use or possession.
D. Cheating is to deceive by trickery, to mislead, to elude, or to act dishonestly. Examples include:
   - Looking at another student’s answer sheet or test papers.
   - Copying another student’s answer.
   - Having another student do an assignment.
   - Talking without permission to another student, anytime, during an examination.
   - Writing any information before, during, or after the exam on desktops, booklets, hands, etc. Use of scratch paper for mathematical computations is acceptable if authorized by the exam proctor.
   - Having any unauthorized information at the student’s disposal such as notes, books, etc., that is relevant to the examination without permission.
   - Having access to examination questions and answers prior, during, or after a test, and before the grading of the exam.

SECTION 4 Failure to Comply with Directives. Students must obey all applicable directives as outlined in the rules and regulations in the Special Training programs. Additional directives may be presented and explained by the staff. Failure to comply with directives will result in appropriate disciplinary sanctions, and may result in dismissal of the student.

SECTION 5 Unprofessional Conduct. Students attending any Academy program are expected to conduct themselves professionally. Harassment of any person, hazing, profanity, discourtesy, rudeness, impoliteness and the like are unprofessional conduct for criminal justice professionals. Unprofessional conduct will result in appropriate disciplinary sanctions and may result in dismissal of the student.
SECTION 6 Sexual Harassment and Discrimination. Sexual harassment and discrimination based on race, color, sex, religion, age, national origin, sexual orientation or disability are prohibited. Any form of sexual harassment or discrimination will not be tolerated at any Academy programs.

Examples of prohibited harassment and discrimination include, but are not limited to:

A. Unwelcome sexual advances or contact, gestures, suggestive or lewd remarks;
B. Verbal abuse such as offensive racial, ethnic, or sexual threats or comments, physical overtures, or any type of pressure to engage in sexual activity;
C. Offensive jokes; and
D. Ridicule, slurs, derogatory action or remarks.

Students may report incidents of discrimination or harassment to any member of the Academy staff or the Department of Public Safety’s Personnel Officer located at 45 Commerce Drive, Suite 1, Augusta, Maine 04333-0104 or by telephone at 626-3814. Discrimination against or harassment of any person will result in appropriate disciplinary sanctions, and may result in dismissal.

SECTION 7 Application of Sanctions to Standards of Conduct. The specification of a possible sanction under each of the Standards of Conduct in this Code is not intended to be exclusive; the range of sanctions remains available. Each case will be considered individually, with due regard given the nature of the violation and the history of the student.

ARTICLE IV

Procedures

SECTION 1 General. Any person may report a student for a violation of the Standards of Conduct to any member of the Academy staff. Minor violations will normally be addressed by oral or written reprimands. More serious and repeated violations will result in suspension or dismissal. The Disciplinary Officer referred to in this Code shall be the Assistant Director or other designee appointed by the Academy Director.

SECTION 2 Oral Reprimand. Disciplinary action in the form of an oral reprimand by the Training Coordinator to a student is subject to review by the Disciplinary Officer. Written notification of an oral reprimand will be provided to the student and the student’s sponsor.

SECTION 3 Written Reprimand. Disciplinary action in the form of a written reprimand by the Training Coordinator to a student is subject to review by the Disciplinary Officer. The written reprimand shall include a notation of the nature, time, place of the violation and the sanction. The original will be given to the student and the student’s sponsor, and the Disciplinary Officer for entry in the students record. Notification of the written reprimand shall be given to the Academy Director.

A. The student may appeal this action by submitting a written request to the Disciplinary Officer within twenty-four (24) hours after receiving such reprimand.
B. Within three (3) working days after receiving the requested appeal, the Disciplinary Officer shall hold an informal hearing on this appeal, attended by the reprimanded student, the Training Coordinator issuing the reprimand and any witnesses desired by the Training Coordinator or student.
C. Upon conclusion of this informal hearing, the Disciplinary Officer shall
notify the student and the student’s sponsor of his/her decision. The decision shall be final and noted in the student’s record.

SECTION 4 Suspension or Dismissal.

A. Preliminary Investigation and Recommendation for Hearing. Upon receipt of information that a student may have committed a violation of the Standards of Conduct of this Code that could result in suspension or dismissal, the Disciplinary Officer shall immediately conduct an informal preliminary investigation of the matter. If satisfied that there is reasonable cause for either suspension or dismissal of the student, the Disciplinary Officer will submit a written report of the investigation specifying the nature, time and place of each violation alleged and the names of witnesses accompanied by all or any written statements and exhibits of such offense to the Academy Director with a recommendation that a hearing be convened on the alleged violation(s).

B. Action by the Academy Director. If the Academy Director concurs in the recommendation of the Disciplinary Officer, the Director will notify the Chair of the Board of Trustees to schedule the matter for hearing. In the meantime, the Academy Director may, for good reason, suspend the student pending hearing. The Academy Director may have good reason to suspend the student pending hearing based on such considerations as the health and safety of the accused cadet, other cadets, and/or staff, and the need to conduct training without disruption. If the Academy Director concludes that no violation has occurred, the Director may dismiss the matter. If the Academy Director concludes that the alleged violation is not sufficiently serious to warrant suspension or dismissal, the Director may refer the matter to the Training Coordinator for an oral or written reprimand.

C. Hearing. If the Academy Director concurs with the recommendation to refer the matter to the Board of Trustees, the Director shall notify the Chair of the Board who, in turn, will appoint three members of the Board to serve as a hearing panel. The Director shall provide the accused student with a written statement of the charges and the time and place of the hearing at least 48 hours prior to the time of such hearing. The panel shall conduct the hearing in accordance with the Maine Administrative Procedure Act and applicable Department of Public Safety Rules regarding administrative hearings.

D. Decision after Hearing. The panel shall issue a written decision no later than two working days after conclusion of the hearing. The decision shall include findings of fact sufficient to advise the student of the basis for the decision, shall be mailed or provided in hand to the student, and shall apprise the student of the right of appeal pursuant to 5 M.R.S.A. § 11001.

SECTION 5 Attendance at the Academy Subsequent to Suspension or Dismissal. A dismissed student, or a student unable to complete a course due to a suspension, may apply for admission to a subsequent Academy course. Any statement of the applicant on the “Background Standard for Admission to and/or Certification,” on an application, or in a request for admission or enrollment must be accompanied by a statement disclosing the date and nature of the prior violation and the sanction imposed. Prior disciplinary action may provide grounds for denial of admission, and will be considered to the extent permitted by law. The Academy Director or his/her designee shall advise the applicant in writing of the decision to deny admission to the Academy. The decision shall reflect the Academy Director’s or his/her designee reasoning in a manner sufficient to inform the applicant of the basis for the decision.
**SECTION 6 Appeal of Denial of Admission.** An applicant who has been denied admission based all or in part on disciplinary action imposed while the applicant was previously enrolled at or attending the Academy may appeal such decision to the Board of Trustees by delivering a written notice of appeal to the Academy Director no later than ten (10) working days after receipt of written notice of the decision denying admission. The notice of appeal should include a copy of the written decision of the Academy Director and a complete statement of the reasons the applicant disagrees with the decision of the Director.

A. Within two (2) working days of receipt of a copy of the written notice of appeal, the Academy Director shall transmit to a three-member panel of the Board appointed by the Chair of the Board a copy of the written decision, copies of any evidence relied on, the notice of appeal, and any materials submitted by the applicant in support of the appeal.

B. Within thirty (30) working days of receipt of the materials transmitted by the Academy Director, the panel shall review the materials and issue a written decision. The panel may affirm the decision of the Academy Director; remand to the Director for additional findings of fact; or vacate the findings of the Director and admit the applicant. The decision shall reflect the panel’s reasoning and advise the applicant of any right of appeal.

Notice of Change in In-Service Class Registration Procedure

Because of the ever increasing cost of providing food services, we have changed the procedure for purchasing meals and lodging while attending In-Service classes. Our goal is to streamline the process allowing the kitchen to prepare only those meals that are needed.

In the past, we collected meal and lodging requests on the first day of the class. This allowed no time for the kitchen to order the correct amount of food, or to know precisely how many meals would be needed for a certain class. We also allowed students to turn in unused meal tickets and did not bill them or their agency for those meals, even though the meals had been prepared. This is a practice that is both expensive and inefficient.

Our new procedure will allow for three options when registering for an In-Service class:

1. **Tuition Only.** Only the tuition cost of the program will be billed to the agency. There will be no lodging and no meals.

2. **Day Student.** The agency will be billed for the tuition and all noon time meals served during that class. If a student chooses to skip a meal, for whatever reason, that meal will still be billed to the agency because it was ordered and prepared.

3. **Residential Student.** The agency will be billed for the tuition, all meals served and all nights lodging during that class. If a student chooses to skip a meal or decides not to stay overnight on a particular night, the agency will still be billed because those services were requested.

Our hope is that this new procedure will help keep the increases to the meals and lodging at a minimum.

We are always looking for better ways to provide our services to the Criminal Justice Community. If you have any suggestions about ways to improve what we do, please do not hesitate to share your thoughts with us.

Thank you,

John B. Rogers, Director
Maine Criminal Justice Academy

INVESTIGATING COMPLAINTS OF OFFICER MISCONDUCT

Day Student Cost: $96.00
Residential Student Cost: $127.00

Program Description:

From time to time, every law enforcement executive, no matter the size of the agency, will be confronted with the need to conduct an internal affairs investigation. The area of internal affairs investigations is growing increasingly complex. This training attempts to review many of the most common issues confronting chiefs and internal affairs investigators. The community policing philosophy depends on the integrity of the police department. If the public lacks confidence in the agency’s ability and commitment to investigate and prosecute officer misconduct, there is little hope for successful partnerships and problem-solving. Investigations are an important part of any employer's frontline defense against liability and serve as a means of maintaining a disciplined workforce. In addition to knowing what to do during an investigation, every employer should know the policies and practices that can be implemented before the need for an investigation arises. INVESTIGATING COMPLAINTS OF OFFICER MISCONDUCT focuses on the practical techniques and information you need to know in order to conduct investigations that meet the ever-changing legal requirements. Class content will include: what you should do now to prepare for your next investigation, how to avoid costly mistakes that can create liability, interview techniques to get the most out of every witness, proper documentation, how to organize investigation files, and how to effectively present the results of an investigation.

The two-day class is being offered at the academy.

There are two instructors, both with many years of experience in the subject area. They are Laurel Shippee, the state EEO coordinator, and Brian MacMaster, chief investigator for the Attorney General's Office

Personnel who may attend: This class is open to full-time law enforcement personnel. Preference will be given to those assigned by their agency as responsible for conducting internal investigations.

Upon completion of this phase of training, the student must pass a comprehensive written examination before proceeding Phase III of the training, the field certification. The field certification portion of training begins immediately following completion of the classroom training and is conducted at periodic intervals for the next 60 to 90 days.
