Indian pharmaceutical industry is one of the fastest growing industrial sectors and is playing a key role in the supply of affordable and quality medicines. Recognizing the need for further strengthening of this sector, Department of Pharmaceuticals, Ministry of Chemicals & Fertilizers, Govt. of India, established National Institutes of Pharmaceutical Education and Research (NIPERs) as Centres of Excellence for imparting higher education and carrying out cutting edge research in pharmaceutical sciences. NIPER S.A.S. Nagar (Mohali) is the first institute established in the country in 1991. The Institute was declared as an Institute of National Importance by Government of India through an Act of Parliament, notified on 26th June, 1998. The Institute is a member of the Association of Indian Universities. During the years 2007 and 2008, Government of India established six more NIPERs, at the following locations with the help of mentor institutes :-

- Ahmedabad (Mentor Institute : B. V. Patel Pharmaceutical Education and Research Development Centre, Ahmedabad)
- Guwahati (Mentor Institute : Government Medical College, Guwahati)
- Hajipur (Mentor Institute : ICMR - Rajendra Memorial Research Institute of Medical Sciences, Patna)
- Hyderabad (Mentor Institute : CSIR – Indian Institute of Chemical Technology, Hyderabad)
- Kolkata (Mentor Institute : CSIR- Indian Institute of Chemical Biology, Kolkata)
- Raebareli (Mentor Institute : CSIR – Central Drug Research Institute, Lucknow)

NIPER Act empowers the Institute vide following sections :

Section 7(ii) “to concentrate on courses leading to masters degree, doctoral and post doctoral courses and research in pharmaceutical education”.

Section 7(iii) “to hold examinations and grant degrees”.

Section 32 “notwithstanding anything contained in the University Grants Commission Act, 1956 or in any other law for the time being in force, the Institute shall have power to grant degrees and other academic distinctions and titles under this Act”.

2. Candidates will be provided with a Question Booklet and an Objective Response Sheet (ORS). Candidates should not open the seal of the question booklet till they are instructed to do so by the Centre Superintendent/Invigilator. The entire question booklet and the ORS has to be returned after the examination is over. Question booklet will contain 170 Objective type questions with multiple answers. ORS will also contain question (response) numbers 1-170 with four bubbles given against each response number.

3. All the answers must be marked in the ORS only. Answers are to be marked on the SIDE 2 of the ORS. Rough work MUST NOT be done on the ORS. Candidates should use the page marked as rough work provided in the question booklet.

4. Question Booklet: There will be three types of question booklet with two sections: Section-I and Section-II. Section-I is compulsory for all the candidates. Section-II will contain three parts Part-A (to be answered by those who have applied for Chemical Sciences). Part-B (to be answered by those who have applied for Biological Sciences) and Part-C (to be answered by those who have applied for Pharmaceutical Sciences).

5. Use of Pen: Answers must be marked by darkening appropriate bubbles using pen only. Pen will be provided by the Invigilator in the examination hall. Candidates should write question booklet serial number in the place meant for the purpose, signature etc.) on SIDE 1 or SIDE 2 of the ORS with a pen by blackening appropriate bubble. The mark should be so darkened with a pen that the letter inside the bubble is not visible. For example, if the answer to the Question number 2 is B, the correct response is:

7. Correct way to fill ORS: Each question is followed by four options and only one option is correct. Candidate should mark only one response per question. If a candidate darkens more than one bubble, computer will read the answer as wrong. A specimen of correct way to fill Objective Response Sheet is given below :-

MENACE OF RAGGING AND MEASURES TO CURB IT

“Ragging” means causing, inducing, compelling or forcing a student, whether by way of a practical joke or otherwise, to do any act which detracts from human dignity or violates his/her person or exposes him/her to ridicule, or compels him/her to forbear from doing any lawful act, by intimidating, wrongfully restraining, wrongfully confining or injuring him/her by using criminal force to him/her, or by holding out to him/her any threat of such intimidation, wrongful restraint, wrongful confinement, injury or the use of criminal force. Ragging being an evil practice, is inhuman, illegal and punishable. It violates the discipline of an Educational Institution and adversely affects the Standards of Higher education. Ragging in any education institute is banned by the Hon’ble Supreme Court of India. The Court has issued mandatory orders to curb the menace of ragging in educational institution. The punishment may also be in other forms, such as suspension from the classes for a limited period, or fine with a public apology, debarring from representation in events, withholding results, suspension or expulsion from hostel or mess, and the like. If the Head of the Institution is not satisfied with these arrangements for action, a First Information Report (FIR) can be filed without exception by institutional authorities with the local police. The discretionary power vests solely with the Institute Authorities.

Acts amounting to Ragging could be:

- Teasing, Embarrassing and Humiliating;
- Assaulting or Using Criminal Force or Criminal Intimidation;
- Wrongfully Restraining of Confining or Causing Hurt;
- Causing Grievous Hurt, Kidnapping or Rape or Committing Unnatural Offence;
- Causing Death or Abetting Suicide

Supreme Court of India has made the following recommendation for immediate implementation:

- The punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents;
- Courts should make an effort to ensure that cases involving ragging are taken up on priority basis to send the correct message that the ragging is not only to be discouraged but also to be dealt with sternness;
- In the prospectus to be issued for admission by educational institution, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he shall be expelled from the education institution;
- Role of the concerned institution shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken against them too;

NIPERs are committed at removing ragging in all forms in compliance with the guidelines laid down by the Hon’ble Apex Court of the country.
