Dear ACES Families,

Welcome back to our returning students and welcome to those students attending Aventura City of Excellence School (ACES) for the first time. It is with great excitement and commitment that ACES embarks upon its twelfth year of operation. Our innovative programs include rigorous academics, motivational electives, character education, intramural sports, traveling teams and student selected clubs. ACES curriculum continues to focus on the Florida Standards.

This handbook has been compiled in order for you to become more easily acquainted with the policies and procedures that are necessary to provide your children with a positive, safe and supportive learning environment while attending ACES.

It is through the collaborative efforts of school staff, parents, School Advisory Committee, and community that ACES continues to thrive. Our schools vision “To join with our community to become the premier charter school in the nation where academic excellence coexists with the promotion of social responsibility grounded in an atmosphere of human dignity” continues to be our driving force. This combination of academic excellence and moral development continues to yield maximum student achievement. For the tenth year ACES has earned an “A” rating and is the second highest performing kindergarten – eighth grade school in the state. ACES continues to be one of the top performing schools in the state.

We are proud of ACES dedicated and caring staff. The staff is continuously involved in professional development activities that enable them to consistently implement best practices. ACES has also been the recipient of 12 State and National awards in recognition of our character program. This program provides both embedded and explicit character education components that encourage students to care for their school, community and the world.

We are truly committed to providing the best education possible for each learner. Together we will make this the best year ever at ACES.

Sincerely,

Eric M. Soroka, City Manager

THE AVENTURA CITY OF EXCELLENCE SCHOOL
WELCOMES OUR STUDENTS
The staff of the Aventura City of Excellence School welcomes you to our school family where integrity and excellence are the standards of the school in which the entire community takes pride. Along with increasing your knowledge and developing your skills, your major responsibility at ACES will be to respect your fellow students, teachers and staff members. They, in return, will respect you. No individual has the right or privilege to infringe or deny the rights of another individual. Remember that your success in school will be directly proportional to your efforts. School will be whatever you make it. Let us always have the spirit to do the things which will make school rewarding.

AVENTURA CITY OF EXCELLENCE SCHOOL
VISION STATEMENT
To join with our community to become the premier charter school in the nation where academic excellence coexists with the promotion of social responsibility grounded in an atmosphere of human dignity.

AVENTURA CITY OF EXCELLENCE SCHOOL
PHILOSOPHY AND ESSENTIAL ELEMENTS
The Aventura City of Excellence School staff believes that we have a responsibility to create school climate that enables every individual to feel cared for, respected and to act as contributing members of the school culture. All students can learn and will be encouraged to strive for academic excellence and personal growth that will enable them to be productive and active members of society. In the practical application of this philosophy, opportunities shall be provided to:

1. Develop in each student and professional staff member a sense of self-worth and a positive self-concept
2. Imbue such character traits as honesty, integrity, compassion, respect, cooperation, humility, happiness and responsibility toward each other, our community and our world
3. Develop in each student an understanding of and responsibility for making positive personal and social choices
4. Improve upon the quality of instruction and curriculum by increasing the effectiveness of teachers and their teaching through ongoing professional development
5. Provide each student with experiences to develop an awareness of good health habits and attitudes for living by encouraging each student to perceive learning as a life-long continuing process from pre-school through adulthood
6. Encourage, through educational reporting, city and district officials, the citizens of Aventura, and the professional staff to support quality education in the school
7. Use assessment data to identify and track student achievement and learning goals
8. Develop school programs based on “best practices” to promote learning gains
9. Develop strong parent-teacher-student relationships
10. Provide a strong accountability system that will hold everyone at the schoolhouse responsible for maximizing learning opportunities
11. Provide a low student-teacher ratio in order to enhance the development of the individual strengths of each student
12. Provide additional staff members for enrichment and remediation services
13. Develop in each student the ability to think critically, make inferences, apply knowledge to new settings and use these skills to make wise choices

ATTENDANCE

It is important that pupils acquire the habit of regular attendance. All students are expected to be present and punctual for school. Parents are encouraged to promote good attendance and to refrain from making plans which will interrupt the educational process. Students having perfect attendance throughout the school year will receive a certificate at the end of the school year. Perfect attendance means attending school all day, every day.

ABSENCES

When a child returns to school after any absence they must bring a note. The note must include the student’s name, dates of absence, reason for absence, parent/guardian name and phone number.

The following are considered excused absences:
- Student illness
- Medical appointment
- Death in the family
- Observance of a religious holiday or service when it is mandated for all members of a faith that such holiday or service be observed
- School sponsored event or activity previously approved by the school principal

As the holidays approach many of our students’ families take holiday vacations. We encourage our parents to vacation only when school is not in session. Families must fill out and submit a “Notification of Absence” form and submit that form to the school administration. The school’s registrar will inform the family as to the decision.
All other absences are considered unexcused.

All students with an excused absence (note from home or doctor) have one day for each day of absence to make up missed work and assessments. All students with an excused absence (note from home or doctor) must complete the make-up assignments for classes missed within the approved make up window.

All students with an unexcused absence may make-up work only if a “Notification of Absence Form” is on file and has been approved by administration. Administration will email teachers directly if a form has been submitted. If prior notification of absence is not completed, the parent must request permission from administration to makeup work and assessments.

EARLY DISMISSAL

The parent or guardian must make all requests for early dismissal to the main office. Parents and guardians requesting early dismissal for their child must do so by sending a note to the teacher who will forward the note to the office. Only in the case of an extreme emergency will a phone call for early dismissal be acceptable. A child being dismissed early must be signed out in the office. The child will be asked to report to the office to meet the parent or guardian for dismissal. Please note: According to district rule, an early dismissal will not be granted after 2:30 PM for elementary students, 3:00 PM for middle school students. Additionally, during early release days, early dismissal will not be granted after 11:30 AM for elementary students, 12:00 PM for middle school students. Beginning in January, Fridays are club days at ACES, and students will not be granted an Early Release after 1:45PM unless there is an emergency.

TARDY POLICY

Tardiness is the absence of a student in the classroom at the time the regularly scheduled session begins, provided that the student is in attendance before the close of the session. Excessive tardies may result in loss of privileges, detention, parent conference, and/or suspension.

A student will be marked tardy if arrival is after 8:30 AM. A child who is tardy to school MUST report to the office before going to class to receive a tardy slip.

Excused tardies are given for doctor’s appointments only with a doctor’s note and in the case of an extreme emergency.

After 5 unexcused tardies in a semester a letter will be sent to the parents and be referred to Administration.
After 6 unexcused tardies in one semester, students will be assigned a 30 minute before-school detention each time they are tardy within that semester.

After 10 unexcused tardies in one semester, a parent conference is required before a student returns to school.

**BYOD (Bring Your Own Device) Program**

**What is BYOD?**
ACES Bring Your Own Device (BYOD) program allows students and staff to use their own technology during the day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, iPads, and smart phones. These devices will be used to participate in teacher approved activities in support of ACES curriculum. It should be noted that students that violate any of the BYOD policies

Participation by students in the BYOD program is not required.

**Device Specifications**
ACES BYOD environment supports many but not all types of mobile computing equipment. Please visit aventuracharter.org/byod to find out more information.

**Will there be a permission form that needs to be signed before my child brings his or her own device to school?**
Yes, the Student Acceptance of Responsibility and Device Use Agreement Form needs to be signed and returned to ACES. Your student’s BYOD access will then be setup and instructions on how to join ACES BYOD network will be provided.

**How will students be using devices as part of their academic work at school and home?**
Your child’s teachers will be letting you know how they plan to integrate the utilization of devices into their teaching and learning environment in the classroom.

**If a teacher is delivering a lesson that uses devices, will my child be at a disadvantage if he or she does not have one?**
No, accommodations will be made for students that don't have a device.

**How will administrators have the ability to revoke a student’s BYOD privilege?**
If a student is not following the developed guidelines for the use of his or her personally owned device, an administrator can revoke the privilege through the regular discipline process of three strikes and you are out or immediately if the
infraction warrants. If the student’s BYOD privilege is removed, the student will continue to have network access by using a district computer device.

Am I still held accountable for the Acceptable Use Policy I accepted at the beginning of the school year even though this is my own personal computer?
Yes. The Acceptable Use Policy (AUP) for ACES and M-DCPS remains in effect even when you are using your own computing device such as a laptop, smartphone, iPad, etc. Violating the terms of the AUP is a student code of conduct violation.

How will theft, loss, or damage of a personally owned device be handled in a school?
The Student Acceptance of Responsibility and Device Use Agreement Form for the BYOD program specifically address the risk of students bringing their own devices to school. The school is not responsible for lost, stolen, or damaged devices.

If my device does not work, will someone from ACES district fix the device?
It is not the responsibility of ACES staff to fix, repair or troubleshoot individual devices. Check the owner’s manual for issues that may arise or take the device to a computer repair shop.

Will students be able to recharge devices during the school day?
Student should not have the expectation that they will be able to charge devices at school.

Will students be able to use ear buds or other types of headsets?
Students may use these during class with the permission of the teacher or administrator.

Will students be able to record teachers or classmates (audio or video)?
With the permission of the teacher or administrator, students may make recordings.

Can teachers require students to bring their own devices?
No. Students are not required to participate in the BYOD program.

Will students be able to use their devices before or after school?
The BYOD program is for teacher approved activities in support of ACES curriculum. Use of these devices for unrelated activities beyond or outside of ACES educational programs are prohibited. This includes the use of devices during lunch or at sibling connection.

How will teachers prevent students from just texting their friends or just surfing the Web?
Students will be instructed to put devices away when they are not completing a specific instructional task. Teachers will always be mindful of what students are doing during class.

**Why is the Internet access filtered on my own device?**
Student and adult filtering is a requirement of all public schools. The Children’s Internet Protection Act (CIPA) requires all network access to be filtered, regardless of the device you use to access it while in a public school. The network you are using while at school belongs to ACES and will be filtered.

**I brought a device to school and my teacher will not allow me to use it. What should I do?**
The teacher has the final say on classroom procedures. If your teacher asks you not to use your device, you should follow his or her instructions. Although access is available, it is not guaranteed for every classroom situation.

**I have a data plan from a provider (AT&T, Sprint, Verizon, etc.) on my digital device that allows Internet access without using ACES student network. Is this allowable?**
Students are expected to follow the Acceptable Use Policy when accessing the Internet through any device. Students should not access the Internet through any cellular data provider while on campus.

**How do I access the Internet from ACES BYOD network?**
Most devices will detect a wireless connection. Your device should prompt you to join an available network if there is a wireless connection near you. When prompted, choose the BYOD student network. Once you choose this network and open an Internet browser, you have agreed to the terms of service and that you will abide by all ACES and District policies and procedures. You will be required to install a security certificate the first time you access the BYOD network.

**My personal device does not give me a prompt to choose a wireless network. What should I do?**
Check the settings menu of your device to see if there is a network access icon. Select this icon and choose the student network from the list. Be sure to consult the owner’s manual of your device to get exact directions for accessing wireless networks.

**Will there be technical assistance provided to access the wireless network?**
Since there are literally hundreds of devices that may be brought to school as part of the BYOD program, there is no technical assistance provided other than providing the name of the wireless connection. Students will be expected to know how to connect their devices.

**Can I save information to ACES network?**
Not at this time.

**Will students be able to print?**
Students will not have the capability to print from their devices while in school.

**Who can access ACES BYOD network?**
ACES BYOD WiFi access is intended only for registered ACES students to access classroom materials specified by each teacher including teachers' classroom pages, web links, and homework and project research. It is not intended for online gaming, Netflix, or any other non-educational website. High bandwidth video streaming and large downloads will be monitored and subject to regulation.

**Do I have to accept the Acceptable Use Policy (AUP) every time I come to campus or the device goes to sleep?**
The AUP for students and the BYOD permission form will be initiated at the beginning of each school year. The AUP will be accepted electronically when students sign into their portal. The BYOD permission form will be included in the Welcome Back to School packet for take home. New students will also have to acknowledge both documents after registering.

DRESS CODE

All ACES students are required to be in proper uniform. Any student not in uniform will be referred to the office and a parent will be notified. Kindergarten through 5th grade students have P.E. once per rotation and are required to wear their ACES P.E. uniform. Sixth grade students have P.E. every day for one semester during the year. Middle school students scheduled in Team Sports must wear their ACES P.E. uniform each day except on dress down days.

Students may only wear ACES uniform sweaters/sweatshirts or plan navy blue sweaters/sweatshirts (without any logos/wording) to school.

Students must wear proper and safe footwear. Backless footwear such as flip-flops and sandals are inappropriate for school and may not be worn.

**All students must be in uniform every day, regardless of weather conditions.** Leggings or tights may be worn under skirts/shorts.

**DRINKS**

Students are encouraged to make healthy choices and bring bottled water to school. Sugary soft drinks are strongly discouraged. Energy drinks of any kind are prohibited on campus and will be confiscated.

**EMERGENCY PREPAREDNESS**

In the event of an emergency where parents and visitors are not permitted on the school campus, City Hall located at 19200 West Country Club Drive will be the designated meeting location where parents should go to meet a school representative to receive information. Additionally, every effort will be made to post pertinent information related to any incident at www.aventuracharter.org.

**FIELD TRIPS**

Field trips are planned to encourage development of interests and to expand the instructional program. Before a child is permitted to go on a trip, the parent or guardian must sign a permission slip. Any parent or guardian who does not want the child to take a trip may have the child excused from this activity, but not from school. Any child not going on the trip will be assigned to another class for that period of time.

Students that have been suspended from school due to behavior misconduct will not be allowed to attend field trips at Principal’s discretion.

Chaperones may not bring children other than those in the class(es) attending on the trip (e.g., siblings, cousins etc.)

Chaperones must stay with their designated group for the duration of the trip. Only school staff may chaperone overnight field trips.
FIELD TRIP BEHAVIOR

Students participating in trip activities must abide by the following rules and regulations:

All rules, regulations and policies governing student behavior in the Miami-Dade County Student Code of Conduct are to be followed. Students will receive a copy of the Code of Conduct from their classroom teacher.

Parents and Students may be required to sign a behavior contract prior to participating on a field trip. Students are to cooperate fully with and follow the instruction of all chaperones and other supervisory personnel. Repeated refusal to follow requests/directions of trip supervisors/chaperones or violation of school rules, regulations or policies will result in parents being notified and student discipline upon return to school. Severe behavioral problems may result in the student being sent home at the expense of the parents.

Whenever chaperones or supervisors are speaking, students must be quiet and attentive. Remember that actions of this group on this trip determine whether or not trips such as these occur in future years. Throughout the trip, students are required to maintain a "buddy system". STUDENTS MAY NOT LEAVE THE GROUP WITHOUT ADVANCE PERMISSION FROM A CHAPERONE.

Neither, the School or the City of Aventura, its employees, agents or representatives are responsible for damage or loss to any property, money or other valuables of participants on a trip.

Students and parents should carefully consider these rules and if, for any reason, either party feels that the student cannot adhere to ALL of the rules, then that student should not attend.

FIRE DRILLS

On a monthly basis, students practice exiting the building in a speedy, safe and quiet manner when the fire alarm sounds. Each class is given directions by the teacher and special announcements may be made by the administration concerning the drill.

GRADING

Kindergarten students will receive grades of E, S, N and U. Students in grades one through eight will receive traditional grades (e.g., A, B, C, D, F) calculated using the state’s grading scale. In addition, students in grades Kindergarten through eighth grade students will receive a report card each quarter that reflects academic progress through grades.

HEAD LICE

Head lice occurs everywhere that there are large numbers of children. ACES follows a strict no-nit policy. Regardless of the head lice treatment that has been used, students must be completely free of nits in order to be in school. This policy will help all children, families and our school remain lice-free.

HEALTH SERVICES

The school clinic is not equipped with nursing staff. Only ice or water may be applied in the case of an injury. Selected school staff members have been trained in CPR.

HOME/SCHOOL COMMUNICATION

Parents are an integral part of our school and as such we strive to keep them involved and informed. An Open House will be held at the beginning of the school year. Parents are encouraged to communicate with teachers via Aventura City of Excellence School email. ACES school advisory Committee will assist parents and family members with choosing how they can serve their required hours in support of ACES. Parents are not allowed to volunteer in their child’s classroom unless the parent is a designated room parent. Parent volunteers are not allowed to grade student work nor have access to ANY information regarding other children in the classroom (e.g., academic placement, behavior, family circumstances etc.).

“HOME LEARNING” POLICY

The purpose of homework is to develop study habits in children early on in their academic lives. It is also used to reinforce concepts that have been taught or to work on projects that have been assigned.

Teachers will use the following time schedules as a guide when assigning homework:
**Grade Level** | **Total daily Average (All Subjects)**
--- | ---
K-1: | 30 minutes
2-3: | 45 minutes
4-5: | 60 minutes
6-7-8: | 75 minutes (120 minutes)*

*(Students taking High School courses)*

These times are a guide and are based on the average child’s ability to complete an assignment. Please note that in addition to regular homework, a child who does not complete a class assignment may be required to complete the assignment for homework. Teachers keep daily records of completed homework assignments.

Students enrolled in gifted courses will often be required to participate in creating projects and other high level activities and assignments that require critical thinking and problem solving techniques, thus requiring more time spent at home on completing these tasks.

Below are a few examples of how parents may assist with homework:

- Show an interest in your child’s work
- Provide a place and time for quiet study
- Assist in practicing with spelling words and number combinations
- Encourage home reading and listen to your child read
- Review the homework for neatness and completeness
- Refrain from doing the work for your child
- Discuss problems related to home study with your child’s teacher
- Utilize the student agenda (Gr. 2-8) as a form of communication between home and school

**INSTRUCTIONAL BOOKS, EQUIPMENT, MATERIALS AND SUPPLIES**

All textbooks and library books needed by students for school and homework assignments are furnished by the school. Students are required to cover all books that are issued to them. A brown grocery bag makes an excellent book...
cover. Students should print their name and room number on the front of each book cover. Books must not be written in or on. Charges will be assessed for damaged or lost books and/or materials. Students must learn to be responsible for the care of personal and school materials.

Students will be expected to provide all basic supplies such as paper, pencils, crayons, rulers, scissors, markers, glue, etc. Please help your child come prepared for school by packing his/her homework and supplies. Middle school students will be provided with a set of books for home use.

**ILLNESS, ACCIDENT AND MEDICAL EMERGENCY**

If your child shows signs of illness or he/she is not feeling well, please keep your child at home. A child must be fever-free for 24 hours before returning to school. (Fever-free means a temperature less than 100, without medication, for a 24-hour period.) On the Medical Emergency Record please list the name of someone (be sure to receive permission to do so) who would take care of your child in case of need. If information (telephone number, place of employment, physician, etc.) on your Medical Emergency Records changes, please notify us immediately. Immunizations must be updated annually for all students grades Kindergarten through second grade and seventh grade. The completed shot record (blue form) and the physical examination record (yellow form) must be on file with the registrar before students are allowed to attend school. Students grades three through fifth must have an updated physical annually.

**LABELS**

Please have your child’s name on all personal property such as lunch boxes, backpacks, sweaters, raincoats, etc.

**LUNCH PROGRAM**

Breakfast and lunch will be served daily. Prices will be determined annually. Students are also welcome to pack a bagged lunch.

Your child may qualify for a free or reduced price lunch. These guidelines will be disseminated by your child’s classroom teacher. All information is confidential.

**MEDICATION**

The administering or dispensing of any non-prescription or prescription medicines to students by employees of ACES without specific written
authorization by the child’s physician is forbidden. Only the school designee may administer prescription medication. A doctor’s authorization must be on file for all prescription medication. All medication will be kept in the front office.

MEDIA CENTER

Visiting the Media Center
Students are welcome to visit the media center from 8:00 AM – 8:20 AM. Additionally, students in grades K-5 have a schedule time when they visit the media center with their homeroom class. Middle School students may visit the media center during their lunch period (students must see media specialist in the morning to acquire a pass). Students with no pass will not be admitted to the media center.

Checking Out and Returning Books
Students may check out the following number of books:
K & 1 – May borrow one book at a time. (Kindergarten students will begin borrowing books once they have become familiar with the media center. This typically occurs in January)
2 & 3 – May borrow two books at a time.
4 & 5 – May borrow three books at a time.
Middle School – May borrow four books at a time.

If a student would like to renew a book they must physically bring the book into the media center to be re-stamped. Each book has a due date slip on the inside of the front or back cover. The last date on the slip is when the book is due. All books that are to be returned must be placed in the book drop in front of the media specialist’s desk. PLEASE DO NOT GIVE YOUR BOOK TO YOUR CLASSROOM TEACHER TO BE RETURNED. If a child is absent on the due date, please have your child bring their book back the day they return to school. If this is not done, an overdue fee will be charged.

Every student is given the opportunity to check out books from the media center. If you do not want your child to check out books, it is your responsibility to make your child aware of your wishes.

Overdue Books and Fees
Books that are not returned on time will be charged a 10 cent fine for each day they are late. Students who do not pay their fines or return their books will not be allowed to check out any library materials until their account is settled in full. Damaged books will also accrue a fee based on the extent of damage. Checks and cash are accepted when paying fines and fees. Please make checks payable to “City of Aventura”. Please write your child’s first and last name on the memo section of your check.
Students who do not pay for lost or damaged books may lose the privilege of re-enrolling at ACES for the following school year.

Books and fines are NOT to be left at the front office. The front office staff will not accept responsibility for books and fines that are left there. Please have your child return their books and pay their fines in the media center as this teaches them responsibility. If you have a question about a notice, fine or fee, you may email Ms. Pino at jpino@aventuracharter.org. Please put your child’s first and last name in the subject heading. If you do not have e-mail, feel free to send a note with your child. Please include a phone number in your letter in case the reply requires a phone call.

Volunteering
Volunteer hours may be earned in the media center. Parents are invited and welcome to volunteer. Please contact Ms. Pino in the media center for more information.

PARENT VOLUNTEER HOURS

Parents must abide by their contracted volunteer hours of 20 volunteer hours for one child attending school and 30 contracted hours for two or more siblings within the school. Volunteers must check in with the receptionist prior to doing any volunteer work. It is the responsibility of the volunteer to complete the Volunteer Hours Form and leave a copy at school in order for their hours to be recorded.

If families do not fulfill their volunteer hours as agreed upon when admitted to ACES, the students will be placed back on the wait list for school year 2016-2017.

Parents may not volunteer in their child’s classroom unless they are the designated room parent.

Please note: In the event of a dispute over served hours, it is the parents’ responsibility to provide signed documentation.

PARENTS AND VISITORS ENTERING THE SCHOOL

Except in the case of emergency, appointments should always be made to conference with teachers and administrators. Appointments may be made by e-mail, sending a note to the teacher or by calling the office to request a meeting.

Visitors and parents are to report, sign in and obtain a visitor's badge at the office each time they come to the school, regardless of the purpose of the visit. If it is necessary to have a message, money or articles delivered to a child, while
school is in session, drop the items at the front office and staff will deliver the item(s) to the student. This procedure is intended to alleviate unnecessary disruptions to instruction.

Visitors and parents of middle school students are to report to the elementary school building to sign in and obtain a visitor’s badge. There will be no external entry to the middle school building during school hours unless authorized by administration. This is a safety practice designed to facilitate quality instruction with no disruptions. ACES use of Raptor Technologies ensures that no unwanted persons are allowed on campus at any time.

PARTIES

Invitations to parties should not be sent to the school unless the following rules are followed:

- The entire homeroom class is invited, or if the birthday person is a boy, then ALL the boys in the homeroom class are invited etc.
- If the birthday person is a girl, then ALL the girls in the homeroom class are invited, no boys. This will prevent embarrassment to the child not receiving an invitation.

If the parent wishes to bring food for a special celebration they must coordinate and approve this with the homeroom teacher. Please note that only store bought food may be served.

Birthdays may be celebrated once a month and must include all of the students having a birthday during the month. The party may be held only during lunch or recess.

- Siblings are not permitted to attend a party held in a sibling or family member’s classroom. Additionally, food may not be brought to individuals in other classrooms.

PROMOTION/RETENTION

Students will be promoted annually from one grade to another upon satisfactory completion of academic and other requirements. Students experiencing difficulties will be identified as soon as possible using the following procedure:

1) On-going communication between the administration, teachers, and parents
2) Informal observations conducted by appropriate staff members, followed by conferences between participants for suggestions as to how to help the child.
3) Appropriate, preliminary assessment of the child’s progress will be reported to the parents, at which time the possibility of non-promotion will be discussed.

ACES follows the Miami-Dade County Public Schools Student Progression Plan.

ACES Parent/Student Handbook 2015-2016  Revised 08/28/15  Page 24
A positive atmosphere is necessary to provide an effective educational program for each child. A good school climate is the result of the administrators, teachers, students, and parents working together.

In the Classroom - Students are expected to:
- speak in an acceptable manner
- move in a careful way
- follow directions
- respect the property and ideas of the school, teachers, and others

In general, students are expected to behave in a way that promotes learning and does not interfere with teaching and learning of self or others. Teachers seek to promote an optimum learning situation for all. Students reported for misconduct will speak with the appropriate school staff. Parents will be notified when it is deemed necessary.

In The Halls - Students are expected to:
- remember that classes are in session
- walk quietly
- go directly to their destinations

In general, students should be quiet, careful, and courteous in the halls. They should be considerate of classes that are in session and try not to disturb teachers and students who are working.

On The Playground - Students are expected to:
- play carefully, and in a manner that will not cause harm to themselves or others.
- use the rules of the games
- follow directions
- walk to their class line when the signal is given

In general, students are expected to abide by the rules of the playground, to cooperate with the staff on duty, and to be considerate. Students who do not follow the rules may be required to miss recess for a period of time. Recess will rarely be taken away in its entirety.

In The Cafeteria - Students are expected to:
- pass through the serving area in a quiet, orderly manner
- remain seated at their assigned tables (elementary school)
- eat lunch first without talking, then talk in an acceptable manner (quietly to your neighbor)
- respect school property and the belongings of others
- follow directions
- clear tables and place trash in the proper receptacles before leaving
• listen carefully and line up quietly when the signal is given for dismissal from the cafeteria

In general, students are expected to abide by the rules of the cafeteria. Students reported for misconduct may be required or referred to the office to have lunch in another area designated by the school administration.

A cafeteria supervisor ensures that students follow cafeteria rules and display proper eating etiquette. Classes are rewarded for appropriate behavior.

Middle School students are expected to adhere to all of the above rules. Students will be allowed to choose their seats for lunch unless the cafeteria behavior deteriorates. At that time, students will be assigned seats.
