ATHLETICS &
SCHOLARSHIP FUND

VASF
It’s a part of You

2008 Donor Guidebook
“Supporters of The University of Tennessee all around the country take great pride in the winning tradition our sports have year in and year out. Much of the credit goes to the dedicated and loyal members of The Volunteer Athletics & Scholarship Fund. Members give student-athletes a chance to fulfill a dream through their personal commitment and financial support. We succeed because of you! Expect to win!”

Mike Hamilton
Director of Athletics

“I cannot put into words how much I love The University of Tennessee and all the support Big Orange fans have provided the last 4 years. None of my experiences would have been possible without each member of the VASF. Your passion and dedication to shape the lives of student-athletes on and off the court will forever be remembered. Go Vols!”

Chris Lofton
2008 Important Deadlines

Saturday, March 1, 2008
VASF priority deadline for football benefits including season tickets, away game tickets, rank, and parking.

Thursday, May 1, 2008
Season Ticket renewal and away game ticket application deadline for 2008 Vols football.

Friday, May 16, 2008
Football Parking application deadline.

Monday, June 30, 2008
VASF priority deadline for basketball benefits including season tickets, rank, and parking.

Friday, August 29, 2008

Wednesday, October 1, 2008
VASF rank deadline for Vols Basketball post season.

Thursday, January 15, 2009
SEC Tournament ticket deadline for Vols Basketball.

About The VASF
Volunteer Athletics & Scholarship Fund

The Volunteer Athletics & Scholarship Fund was established in 1986 to provide student-athletes at the University of Tennessee with the finest scholastic and athletic resources in the nation. Since that time, thousands of student-athletes have proudly worn the Orange and White while earning their degree from this wonderful university. The Volunteer Athletics & Scholarship Fund provides the financial structure for Tennessee student-athletes to strive for excellence in the classroom and the competitive arenas.

By investing in the lives of University of Tennessee student-athletes, you sustain the winning tradition that is Tennessee Athletics. That tradition is upheld by the financial support that enhances athletic programs. Scholarships, recruiting, facility improvements, and operational expenses are all key components of a successful athletic department. The VASF maximizes the potential of the Tennessee Athletic Department by providing for each of these critical needs.

The return on your investment in Tennessee Athletics is realized through winning championships, graduating student-athletes, community outreach, and most importantly a commitment to excellence. To this end, Athletics Director Mike Hamilton leads our department by emphasizing five core values. These core values ensure that Tennessee Tradition is revered and respected in the Southeastern Conference and across the country. The University of Tennessee Athletics Department pledges to:

- Abide by all SEC and NCAA rules.
- Compete for SEC and national championships.
- Operate a financially sound athletic department.
- Graduate student-athletes and prepare them for real-world experiences.
- Represent the University, the community and the state in a positive manner.
The provisions made by VASF contributors are vital to the success of the University of Tennessee. We are proud to be one of the only programs in the entire nation that does not require financial assistance from the University, state government or tax revenues. In fact, the Athletic Department at the University of Tennessee takes pride in giving back to the University and the Knoxville community. During the last year, the athletic department gave over $1.5 million to support academic scholarships at the University of Tennessee, while the Knoxville community benefited from an overall economic impact in excess of $100 million directly related to Big Orange athletics.

The University of Tennessee Athletics Department offers assurance that all contributions will be utilized in the most effective and efficient manner to enhance student-athlete opportunities at the University of Tennessee. We promise to serve as excellent stewards of your gifts and gracious beneficiaries of your loyal encouragement. Thank you and GO VOLS!
The success of The University of Tennessee Men's Athletic Department and the generosity of VASF donors over the past 20 years have placed unprecedented demand on benefits such as tickets and parking passes. The Volunteer Athletics & Scholarship Fund strives to treat each of its nearly 10,000 donors fairly, since it is their generosity that helps make champions of Tennessee teams and successful graduates of Tennessee student-athletes. Each donor’s priority and ability to obtain various benefits is determined by a combination of annual giving level and donor rank as determined by the VASF point system (see page 22 for information on the priority point system).

Benefits including, but not limited to, season tickets, away/bowl/tournament game tickets and parking pass priority, cannot be held in reserve for donors who miss deadlines for any reason, including lost or stolen mail, expired addresses, returned checks or declined credit cards, etc. Donors who expect to miss a deadline are welcome to contact the VASF Office, but this does not guarantee that the benefit will be available. First priority on benefits will go to donors who properly meet all associated deadlines.
**Annual Giving Categories**

*Volunteer Athletics & Scholarship Fund*

*All VASF members will receive a VASF decal and VASF Day pre-game meal tickets.*

**Big Orange Club**
- **$50 - $99**
- Maintains VASF membership and consecutive years of giving
- Football Ticket option on Mini-Season package
  (based on availability)

**Foothills Club**
- **$100 - $249**
- Football Ticket option on Mini-Season package
  (based on availability)
- Basketball Season Ticket Priority (based on availability)
- Option to Buy Basketball Parking

**Ridgerunner**
- **$250 - $499**
- Football Ticket option on Non-Renewable season package
  (based on availability)
- Option to Buy One Football Parking Pass
- Basketball Season Ticket Priority (based on availability)
- Option to Buy Basketball Parking

**Plateau Club**
- **$500 - $999**
- Football season ticket Priority
- Away Game and Post-Season Football Ticket Priority
- Option to Buy One Football Parking Pass
- Basketball Season Ticket Priority
- Option to Buy Basketball Parking

**Trailblazer Club**
- **$1,000 - $2,499**
- Football Season Ticket Priority
- Away Game and Post-Season Football Ticket Priority
- Option to Buy One Football Parking Pass
- Basketball Season Ticket Priority
- Option to Buy Basketball Parking
- Football and Basketball Media Guides

**Mountaineer Club**
- **$2,500 - $4,999**
- Football Season Ticket Priority
- Away Game and Post-Season Football Ticket Priority
- Option to Buy One Football Parking Pass
- Basketball Season Ticket Priority
- Option to Buy Basketball Parking
- Football and Basketball Media Guides

---

**Did you Know?**

Your VASF donation of $500+ gives you priority to purchase renewable football & basketball season tickets.
**Did you Know?**

*Members at the Bronze Victor Level or higher are eligible for a football parking pass in specific lots based on their giving level if their rank does not allow them the lot of their choice.*

**BRONZE VICTOR** $5,000-$9,999
- Football Season Ticket Priority
- Away Game and Post-Season Football Ticket Priority
- Option to Buy One Football Parking Pass
- Basketball Season Ticket Priority
- Option to Buy Basketball Parking
- Football and Basketball Media Guides

**SILVER VICTOR** $10,000
- Football Season Ticket Priority
- Away Game and Post-Season Football Ticket Priority
- Option to Buy Two Football Parking Passes
- Basketball Season Ticket Priority
- Option to Buy Basketball Parking
- Football and Basketball Media Guides

**GOLD VICTOR** $15,000
- Football Season Ticket Priority
- Away Game and Post-Season Football Ticket Priority
- Option to Buy Two Football Parking Passes
- Basketball Season Ticket Priority
- Option to Buy Basketball Parking
- Football and Basketball Media Guides

**NATHAN DOUGHERTY SOCIETY** $250,000 (over a ten year period)
- *With their gifts members of the Nathan Dougherty Society fully endow a named athletic scholarship.*
- Football Season Ticket Priority
- Away Game and Post-Season Football Ticket Priority
- Option to Buy Two Football Parking Passes
- Basketball Season Ticket Priority
- Option to Buy Basketball Parking
- Football and Basketball Media Guides

**Rocky Top Club (Sky Box Holders) and West Club Seating**
- See Premium Seating page 24
The Volunteer Athletics & Scholarship Fund proudly offers a Young Alumni Program to recent graduates of the University of Tennessee. Alumni from undergraduate and graduate programs receiving their degree from Spring 2005 to the present time qualify for this beneficial opportunity. Young Alumni members can establish membership in the VASF by contributing at a discounted level, which immediately qualifies them for season ticket priority to Big Orange Football and Basketball Games. Through their contributions, Young Alumni Members receive full benefits corresponding to the standard VASF levels of membership.

**Standard Membership Level**
- Plateau $500
- Trailblazer $1000
- Mountaineer $2500

**Young Alumni Donation Level**
- Year 1 = $100
- Year 2 = $250
- Year 3 = $500
- Year 1 = $250
- Year 2 = $500
- Year 3 = $1000
- Year 1 = $750
- Year 2 = $1500
- Year 3 = $2500

For information about the Young Alumni Program, please call (865) 974-1218.

*The quantity of tickets and parking passes available for purchase is based on donor giving level – see annual giving category descriptions for details. Ticket and Parking benefits are subject to availability and are not guaranteed.*
Mailing Information

Season tickets are shipped separately from individual and away game tickets. They will NOT arrive in the same package. Season tickets are shipped by carrier service and require a street address. Please confirm your address at the time you order your tickets, as it is not possible to change addresses once the tickets are printed. Change of address must be submitted in writing to the VASF office. A change of address form can be found on the VASF website.

Lost, Stolen or Destroyed Tickets

The UT Athletic Department is NOT responsible for lost, stolen or destroyed tickets. If your tickets are lost, you may purchase other tickets if they are available.

Handicapped Seating

The University of Tennessee is in full ADA compliance and is proud to offer seating for individuals in wheelchairs, available on a season and individual game basis. Please contact the UT Athletic Ticket Office at (865) 656-1200 or (800) 332-8657 for further information. Seating is limited, so please make arrangements early.

Ticket Payment

Payment must be made by check, VISA, MasterCard or Discover. Checks should be made payable to The University of Tennessee. Payment must be made by applicant or spouse. No second-party payments will be accepted. Cash will be accepted only from the person whose name appears on the application. ID will be required.
Charge by Phone or Online

Orders for any available individual game tickets may be made by phone beginning August 1 using VISA, MasterCard or Discover. All orders received the week of the game will not be mailed, but held for pickup. Each order includes a service charge, plus a mailing fee for those mailed. ALL CREDIT CARD SALES ARE FINAL. If tickets are not picked up, no refunds will be made.

Ticket Office

The UT ticket office is located at the NW Corner of Thompson-Boling Arena on the corner of Phillip Fulmer Way and Lake Loudoun Blvd. Office hours are Monday-Friday 8:30 a.m. – 6:00 p.m. For more information contact the ticket office at 1-800-332-VOLS (8657) or 865-656-1200.

Q: Do I have to make a separate donation if I want basketball tickets, baseball tickets, etc.?

A: No. Gifts made to VASF help support all sports programs. Thus, a gift to the VASF enables a donor to receive donor priority on ticket benefits for all men’s sports.
Donor Ticket Assignment/Improvement

Neyland Stadium provides the Volunteers with the greatest home field advantage in all of college football. Each year, due to normal attrition, approximately 2,000 tickets become available to meet the ticket requests of existing and new VASF donors. These locations vary from year to year. Because of this, the VASF cannot guarantee the location, quantity of seats, or the minimum contribution amount that will assure priority to purchase season tickets in Neyland Stadium. The VASF will however, provide guidelines each year for the approximate contribution levels required to obtain new priority (renewable) season tickets.

Season tickets that do become available each year are assigned on a priority basis, which is determined by a combination of a donor's annual giving category and VASF rank (see page 22 for information on the priority point system). Using this system, the VASF starts with our top annual giving category (the Nathan Dougherty Society) and reviews all ticket purchase requests in this category in rank order. After all of the requests in this category have been processed, the VASF then reviews all ticket purchase requests in the next annual giving category in rank order. This process continues down through the VASF annual giving categories until all of the available tickets have been assigned.

Once a donor has established season ticket priority, this individual must then maintain the same giving level or higher on an annual basis to retain the seating location of the tickets. If a ticket holder wishes to improve their seating location, the request must be sent to the VASF office or ticket office in writing. A form to complete this request is available online at utsports.com. Credit card orders are charged when the order is placed. Any orders that cannot be filled will be refunded in mid-August. For more information, please call the VASF office at (865) 974-1218.

Non-Renewable Season Tickets

In 2008, Volunteer Fans who make a minimum $250 contribution to the VASF will have the option to purchase a Non-Renewable season ticket package. Non-Renewable season tickets are for the 2008 year only. This ticket package includes a pair of tickets to every home game. To gain priority (renewable) season tickets, donors need to make a minimum annual contribution to the VASF in the amount of $500. Locations are subject to availability once priority (renewable) season tickets are assigned. Contact the VASF office at (865) 974-1218 for season ticket pricing.

Mini-Packages

Volunteer Fans who make a donation of $250 or less will have the opportunity to purchase a Mini-Season ticket package. Per Southeastern Conference guidelines, visiting schools are eligible to receive no more than 9,500 tickets when they visit Neyland Stadium. Not all visiting schools utilize their full allotment of tickets, so the Athletic Department packages these games together for VASF donors who do not qualify to purchase priority (renewable) season tickets.
The 2008 packages are as follows:

**Big Orange Pack** ($50-$99) – The 2008 package includes 2 tickets to UAB, Mississippi State, and Wyoming.

**Rocky Top Pack** ($100-$249) – The 2008 package includes 2 tickets to UAB, Florida, Northern Illinois, and Wyoming.

The number of mini-season ticket packages available, as well as the number of games available in each package, varies from year to year depending on our home schedule. Additionally, ticket locations within these packages cannot be guaranteed or reserved for future years and the actual cost of the tickets per game can vary. For additional information, please contact the VASF office at (865) 974-1218 or look for information regarding the packages at utsports.com. Seating is assigned based on availability after season tickets are assigned and requests for specific locations are not accepted.

**Away Game Projections**

As a benefit of membership, VASF donors receive first priority for away game tickets.

The following projections have been made based upon donor demand for previous games, which has shown that 65%-80% of eligible donors purchase the tickets for which they are qualified. Demand for some games will exceed demand for others, thus varying the number of donors able to receive tickets for each game.

* The VASF does not have any priority seats in Student Sections D–F, or DD–FF.

---

*These gift amounts do not guarantee seats in any location in Neyland Stadium. They merely are to provide new donors with an idea of the approximate amount it takes to sit in a specific seat, based upon the 2007 season. All amounts are listed as a donation per pair of seats. Seating locations are subject to change as needed due to renovations of Neyland Stadium. Contact the VASF office at (865) 974-1218 for season ticket pricing.*

- 2*

UCLA, Auburn, Georgia, South Carolina, Vanderbilt
In an effort to distribute away game tickets in an equitable manner, the VASF places high priority on Donor Rank during the assignment process. Therefore, the number of *if available* tickets a person can purchase is purely determined by their VASF Rank. Please remember your rank is determined by points accrued from contributions made and consecutive years of giving (see page 22 for information on the priority point system). If you have questions about your ranking, the point system, or the away game assignment process please contact the VASF office at 865-974-1218.

*The total UT ticket allotment includes seating for students, players’ families, coaches, band, and administrative staff. After those tickets are allocated, the VASF receives 65% of the remaining tickets, and the Alumni Office receives 35%.*

**Frequently Asked Questions**

**Q:** What is the minimum gift required to get season football tickets?

**A:** UT is sold out of season football tickets on an annual basis. However, each year due to normal attrition approximately 2,000 tickets become available to meet the ticket requests of existing and new VASF donors. In May, once all ticket applications have been returned, the ticket office is able to assess how many tickets are available for new VASF members. We then fill all orders starting at the highest annual giving category and moving downward. Last year anyone who made a gift of at least $500 by March 1st was given the priority to purchase a pair of renewable season tickets. Anyone who made a gift of $250 by March 1st was able to purchase a pair of non-renewable season tickets. We anticipate that this will be true for the 2008 football season as well.

**Q:** Why is it necessary to become a donor in order to get football tickets?

**A:** Demand for benefits such as tickets and parking passes created the need for a fair system to be established in which these benefits could be distributed fairly. The
Volunteer Athletics & Scholarship Fund was created in part, in response to this need. The donor priority system allows us to track the support given to the athletics department and award benefits as a way to say thank you for this support. The athletic department is 100% self funded without financial support from tax-dollars or student fees.

**Q:** How are season football tickets assigned?  
**A:** The VASF begins with the highest annual giving category and ranks each donor in that category who has made a request to move their seats or is purchasing tickets for the first time. The person within that category who has the highest ranking will have their tickets assigned first. Each other donor then will have their tickets assigned in rank order. After that, we move to the next category and repeat the process until all tickets are assigned.

**Q:** I am a $2,500 donor with a VASF rank of 1200 and season tickets in section W. My friend is a $5,000 donor with a VASF rank of 6135. She is purchasing season tickets for the first time. Who would have their ticket request reviewed first? If I wanted to move my tickets to sections U or T, would this be possible?  
**A:** Based on her higher annual giving level, your friend would have her ticket request reviewed first. However, if you chose to increase your annual giving level by March 1, your request would be reviewed first because of your higher point ranking. More than likely, we could not change your tickets unless you increased your giving level. Based on last year’s requirements, the last person who received tickets in sections U or T was a $5,000 annual donor.

**Q:** My friend tells me that his season football tickets are grandfathered. What does this mean?  
**A:** The VASF was founded in 1986. Anyone who already was purchasing season tickets at that time was not required to make an annual VASF gift to retain these tickets. Beginning with the 2006 season grandfathered season ticket holders on the sidelines were given the opportunity to begin making a donation at a reduced rate or move their seating location to the end zones and have those remain grandfathered.
Q: Why does my friend not have to give as much as me, yet he has better seats than I do?
A: This is a way in which the VASF rewards loyalty from its long-time donors. The demand for the best seats in Neyland Stadium has increased over time, thus the minimum donation for these seat locations has also increased. If an individual entered the VASF and received the opportunity to purchase a pair of tickets for their gift of $500, they feasibly could now have priority for tickets that would require a donation of $2,500 for a new person entering the VASF in 2008.

Q: I have football season tickets, but would like to have my seats moved to a better location. Are my tickets automatically upgraded to better seats?
A: No. Once you obtain priority season tickets, you have the ability to keep those seats each year you maintain your VASF donation and continue to purchase the tickets. However, if you would like to change your seat location, please send in a ticket request in writing to the VASF office or to the ticket office. Your request will be considered according to your annual fund level and then in rank order by your priority points. A form to request changing the location of your season tickets can be found on the VASF portion of utsports.com.

Q: Once I have priority football season tickets how do I keep them?
A: The annual VASF gift level you made when you obtained your specific seat location is the ongoing “baseline” to retain the same location. As long as you continue to maintain the same annual gift, you will maintain the priority to purchase your tickets.
The number of parking spaces available is greatly exceeded by the number of VASF donors who are eligible to purchase parking. Because of this, the VASF will not be able to provide parking for donors who miss published deadlines for any reason. In addition, the VASF cannot guarantee retention of any parking location, although every consideration will be given to help fill each donor’s request.

**Donor Parking Assignment**

All VASF donor parking is reassigned on an annual basis. The minimum contribution necessary to purchase priority parking is the Ridgerunner level ($250-$499). Parking passes are assigned using a priority system that involves both a donor’s VASF rank and annual giving category (see page 22 for information on the priority point system). Using this system, the parking guidelines for the 2008 football season are as follows:

- **Nathan Dougherty Society** donors who joined prior to July 1, 2002, will be eligible to purchase three football parking passes. Nathan Dougherty Society donors who joined July 1, 2002, or after will be eligible to purchase two parking passes. The location of these passes will be assigned according to their VASF rank, or in lot G10 if their rank does not allow for their choice of parking.

- **Gold Victor** donors ($15,000) who are ranked in the top 5000 will be eligible to purchase 2 football parking passes. The location of these passes will be assigned according to their VASF rank or in lot G10 if their rank does not allow for their choice of parking.

- **Gold Victor** donors ($15,000) who are ranked 5001 and above will be eligible to purchase 2 football parking passes. The locations are as follows:
  1. Purchase 1 parking pass in lot G10 + 1 parking pass in another high priority lot.

- **Silver Victor** donors ($10,000) who are ranked in the top 3500 will be eligible to purchase 2 football parking passes. The location of these passes will be assigned according to their VASF rank or in lot G10 if their rank does not allow for their choice of parking.

- **Silver Victor** donors ($10,000) who are ranked 3501 and above will be eligible to purchase 2 football parking passes. The locations are as follows:
  1. Purchase 1 parking pass in lot G10 + 1 parking pass in another high priority lot.
• **Bronze Victor** donors ($5,000-$9,999) who are ranked in the top 3500 donors will be eligible to purchase 1 football parking pass. The location of this pass will be assigned according to their VASF rank, or in lot G10 if their rank does not allow for their choice of parking.

• **Bronze Victor** donors ($5,000-$9,999) who are ranked below 3500 will be eligible to purchase 1 football parking pass. This pass will be assigned in lot G12, Lake Avenue Garage, 11th Street, or in another high priority lot.

• **Mountaineer, Trailblazer, Plateau, and Ridgerunner** level donors will be eligible to purchase 1 football parking pass. The location of this parking pass will be assigned strictly according to VASF rank as of gifts received by March 1, 2008.

**East Club Parking**

East Club Parking is allocated based on the number of club seats a donor holds. Donors with 2-4 East Club Seats qualify for one parking pass that is assigned by VASF rank, or in lot G10 if their rank does not allow for their choice of parking. Donors purchasing 6 or more East Club Seats qualify for two parking passes that are assigned by VASF rank, or in lot G10 if their rank does not allow for their choice of parking.

**Other Parking Guidelines**

1. VASF gifts must be received by March 1 each year to enable a donor to receive a parking pass application.
2. The parking application must be returned by the stated deadline, along with payment in full, to receive a parking pass.
3. Handicapped parking is assigned by University Parking Services and is extremely limited. Requests for handicapped parking must be accompanied by a state handicapped placard each year. The handicapped individual must be in the vehicle to park in the assigned lot. The handicapped individual’s name will be on the parking pass and identification will be requested by the officer in the lot. There is no charge for handicapped parking.
4. Please advise the VASF office at the time you order your pass if you plan to use a high-top van as some of the University’s garages will not accommodate this type of vehicle.
5. Parking areas cannot be guaranteed, and the parking assignment guidelines will be strictly followed.

**Q:** How can I get a parking pass?

**A:** Parking is assigned to VASF donors at the Ridgerunner level and above and is based on their rank, except for the Bronze Victor category or higher. Last year, the VASF was able to purchase 6,000 parking passes to assign to its donors.
Q: What is the minimum contribution level necessary to purchase priority football parking?
A: The Ridgerunner level ($250 - $499).

Q: Can I request more than one space?
A: Nathan Dougherty donors prior to July 1, 2002, donors are eligible to purchase three parking passes. All Nathan Dougherty donors after July 1, 2002, and Gold & Silver Victor donors are eligible to purchase two parking passes.

Q: Why didn’t I get a parking application this year?
A: If an individual makes their annual gift, but misses the March 1 deadline, they become ineligible for both parking and away game benefits.

Football Parking Overview

All parking pass locations are reassigned each year based on a donors rank within The Volunteer Athletics & Scholarship Fund. The overview below provides a summary of the last donor assigned in each parking lot for the 2007 football season.

Handicapped parking is annually assigned by the University of Tennessee Parking Services office and is independent of this overview.

</table>
Due to the high renewal rate, lower level seating in Thompson-Boling Arena is usually unavailable. Any lower level seats that become available are shared by VASF donors, Alumni donors and students.

Seating assignments for new donors and improvements for renewing donors are reviewed on a priority basis. Using this system, the VASF starts with our top annual giving category (the Nathan Dougherty Society) and reviews all requests from those that purchase season tickets in this category in rank order. After all the requests in this category have been processed, the VASF then reviews all requests from those that purchase season tickets in the next annual giving category in rank order. This process continues through all the giving categories until all of the available tickets have been assigned.

Any requests for basketball seating changes must be made in writing and should be mailed with your ticket order. A form to request changing the location of your season tickets can be found on the VASF portion of utsports.com.

### 2008 Donation Guidelines for Renewable Season Basketball Tickets* (per pair of seats)

*These gift amounts do not guarantee seats in any location in Thompson-Boling Arena. They merely are to provide new donors with an idea of the approximate amount it takes to sit in a specific seat, based upon the 2007-2008 season. All amounts are listed as a donation per pair of seats.

</tbody>
</table>

- Seats that become available on the side court lower level 104,105,106, 120,121,122 require a $25,000 one time capital gift per seat payable over 5 years and a Silver Victor ($10,000) annual membership to the VASF. Contact Mark Ingram or Greg Hulen in the VASF office at (865) 794-1218 for more information.

*Subject to availability

**Seating assigned according to donor giving level and rank
Q: Once I have priority basketball season tickets how do I keep them?
A: The annual VASF gift level you made when you obtained your specific seat location is the ongoing “baseline” to retain the same location. As long as you continue to maintain the same annual gift, you will maintain the priority to purchase your tickets.

Away Game Tickets
Road game basketball tickets are not available through the UT Athletic Ticket office. Please contact the Athletic Ticket office at the host school for more information.
Southeastern Conference Tournament

The limited number of SEC Tournament tickets the Athletic Department receives, coupled with fluctuating demand by VASF donors, makes it very difficult to predict how many donors will receive the opportunity to buy tickets. Applications for the SEC Men’s Basketball Tournament will be sent to donors who have made their VASF gift by June 30 of each year and qualify for seating based upon their annual giving category and rank. Seating will be assigned based upon a combination of a donor’s annual giving category and VASF rank as of October 1, 2008.

Basketball Parking

All basketball donor parking is reassigned on an annual basis. The minimum contribution necessary to purchase parking is the Foothills level ($100-$249). All parking locations are assigned according to your rank within the Volunteer Athletics & Scholarship Fund (see page 22 for information on the priority point system).

Donors to the Original Arena Building Fund have priority to purchase basketball parking based upon their donations to the Arena Fund.

Support the Lady Vols

Tennessee is proud of the winning tradition associated with our women’s athletic program. VASF members help provide support for women’s athletics each year. Under Pat Summitt, the Lady Vol Basketball team has become the standard of excellence in women’s college basketball. For more information about Lady Vol basketball tickets or the Boost-Her Club, please contact Assistant Athletic Director for Lady Vol Development, Dara Worrell at (865) 974-0001.
Q: What is the “point system”?
A: The VASF uses a priority point system to help more fairly allocate donor benefits. Donors receive points based upon the consecutive number of years that they have given to the VASF, as well as for the total cumulative contributions that they have made. This system seeks to reward both a donor’s longevity and gift amount when establishing donor priorities. With the point total, the VASF can “rank” all donors regardless of giving category.

Q: How are points allocated?
A: Points are allocated as follows:
- 5pts. Awarded for each consecutive year of giving since 1986
- 1 pt. Awarded for each $100 donated to the VASF since 1986*
- 1 pt. Awarded for each $100 donated to Capital/Endowment funds since 1986
- 1 pt. Awarded for each $1,000 in new money raised by a Fund Drive Worker
- 50pts. Awarded for UT letterman (one time award)
- 50pts. Awarded for gifts given prior to 1986 (one time award)
- 50pts. Awarded for 20 consecutive years of giving (one time award)

* Donor point totals are ranked each year as of gifts received by 5:00 pm on March 1st. The donor with the most accumulated points is ranked number 1, the next highest point total is ranked number 2 and so on.

Q: How is the point system used?
A: The point system is used by the VASF in the following ways:

Season Football and Basketball Ticket Assignments
Season ticket requests are reviewed first in annual giving category order, and then by donor rank within an annual giving category. The point system is used to prioritize between donors who are in the same giving category when season ticket requests are reviewed. Thus, a $5,000 donor with an overall rank of 6000 would be reviewed before a $2,500 donor with a rank of 800. However, the ticket request for the $2,500 donor with a rank of 800 would be reviewed prior to all other donors in the same annual giving category who had a VASF rank of 801 or higher.

Football and Basketball Parking Pass Assignments
The VASF uses donor rank, as determined by the point system, to assign football parking passes for donors in the Mountaineer annual giving category ($2,500-$4,999) and below. VASF donors at the Bronze Victor level ($5,000-$9,999) and higher are
assigned football parking according to their donor rank, as determined by the point system, or in a predetermined area if their rank does not qualify them for their choice of parking. All football parking locations are reassigned each year and are limited. (See page 16 for specific information on parking).

**Away Football Games, SEC Postseason Games / Tournaments, and Bowl Game Ticket Assignments**

The VASF uses donor rank, as determined by the point system, in two ways when managing the assignment of away football games, SEC postseason games / tournaments, and bowl tickets. The primary factor in determining the quantity of tickets that a donor is eligible for is the donor’s annual giving category. However, the VASF uses donor rank to differentiate eligible quantities between donors in the same annual giving category, and to reward long-time donors who may be in a lesser annual giving category. Once it has been determined who will receive tickets to these games, the actual ticket locations are assigned strictly in donor rank order, as established by the point system.

**Q:** What happens to my point total if I drop out of the VASF for one year, but join again the following year?

**A:** Points for consecutive years of giving are meant to reward the individual who maintains their VASF membership year after year. When a membership is not renewed the points associated with longevity are withdrawn from the contributor’s account. However historical points for dollars contributed can be reinstated when the donor reactivates his/her account.

**VASF Rank Estimates**

A donor’s rank is determined by his or her point total. The information below should give donors an idea how many points it took to have certain ranks as of March 1, 2007. Point totals will change depending on actual gifts received by March 1, 2008.

Premium seating at the University of Tennessee is a great way to take a leadership role in support of the Vols while receiving one of the best seats in Neyland Stadium.
Rocky Top Club (Sky Box Seating)
For information regarding the availability of sky boxes, please contact Greg Hulen in the VASF office at (865) 974-1218.

Rocky Top Club Benefits
- Football Season Ticket Priority
- Away Game and Post-Season Ticket Priority
- Four Football Parking Passes (3 passes in G10 or a higher priority lot if rank allows and 1 pass in 11th Street Garage)
- Basketball Season Ticket Priority
- Option to Purchase Basketball Parking
- Football and Basketball Media Guides

West Club Seating in Neyland Stadium
The West Club is projected to be available for the 2009 season and will have the same general layout and amenities as the East Club. It will be located in the west sideline upper deck (Sections RR-WW) with a club room overlooking campus.

West Club seat locations are determined by capital campaign donation and donor ranking. For information regarding club seating, please contact Mark Ingram, Jennifer Wiggins, Greg Hulen or Scott Carter at (865) 974-1218 or visit www.neylandclubseats.com.
There are several ways to become a donor to the Volunteer Athletics & Scholarship Fund. To obtain donor benefits, it is important to complete your gift prior to MARCH 1 of each year. Fill out and tear off the contribution card in the back of this guidebook and return along with your gift to VASF – P.O. Box 15016 – Knoxville, TN 37901 or call (865) 974-1218. You will then receive applications for benefits such as tickets, parking, special events, etc. throughout the year.

Here are just a few of the ways to support the Vols:

**Pledge**

You may pledge to join the VASF at a specific level and then pay the pledge in installments, completing your pledge by March 1. Statements will be sent periodically throughout the year reminding you of the March 1 deadline and the contribution balance remaining.

**Cash Donations**

Cash or checks are always acceptable. Gifts are acknowledged by receipt from The University of Tennessee and the Athletic Department. It is important to complete your gift by MARCH 1 of each year to obtain donor benefits. Make all checks payable to The University of Tennessee.
Credit Cards

The VASF and Athletic Ticket Office accept Visa, MasterCard and Discover. It is important to list the name of the cardholder, the account number and the expiration date on the contribution card. In order to obtain benefits, your gift must be completed by MARCH 1 of each year.

Bank Draft

By joining the Vol Check-off program, you may have your bank account drafted monthly. For more information on signing up for bank draft option contact the VASF office at (865) 974-1218.

* Each year, donors must re-submit the account information needed by the VASF office to continue the bank draft.
* To stop the bank draft option, please submit a letter in writing to the VASF office notifying us of your decision. You will be expected to fulfill any outstanding balance at that time.
* If your account shows insufficient funds 3 times during any point of your VASF membership, your ability to use bank draft as a payment option will be stopped.

Matching Gifts

Many companies will match your gifts to The University of Tennessee. Please consult the benefits office at your place of employment. You may be able to double or triple the value of your gift and benefits. Your initial gift and matching form must be in by MARCH 1, but the matching gift may be completed throughout the year.

Many companies are not matching gifts if the donor receives any benefit as a result of the gift. Please check with the VASF and the matching company to be sure that the matching sum can be applied to your donor benefits status. If the company chooses to cease matching a donor’s gift, the donor is responsible for the entire annual contribution to maintain the same benefits.
How to Contribute

Methods of Support

Become a Fund Drive Worker

The Volunteer Athletic Scholarship Fund is proud to have over 10,000 Volunteer Fans as members. Those members can help us broaden support for the Big Orange by participating in the VASF Fund Drive Program. Fund Drive workers help the VASF to expand membership by informing the public about the Volunteer Athletic Scholarship Fund and the numerous avenues of supporting Tennessee Athletics. If you would like information about the Fund Drive Team near your area or about how to become a Fund Drive worker please contact the VASF office at (865) 974-1218.

Gifts of Real Property and Securities

Gifts of real property and securities are welcomed and may provide significant tax advantages for donors. Appreciated stocks can be transferred electronically which, in some circumstances, can enable donors to realize significant capital gains tax savings while helping the VASF provide essential scholarship support. Consult your tax advisor for details and/or contact Jennifer Wiggins, Greg Hulen, Mark Ingram or John Currie in the VASF office at (865) 974-1218. Benefits of these gifts must be evaluated on an individual case basis.
Estate Gifts

Gifts through wills and bequests can provide you with benefits and the opportunity to sustain your family name through endowed scholarships with The University of Tennessee Athletic Department. Estate gifts can be made with a designated amount, a real asset or a residual bequest. Consult your attorney. The VASF can provide the appropriate wording for inclusion in your planning. Benefits of these gifts must be evaluated on an individual case basis. Contact Jennifer Wiggins or Mark Ingram in the VASF office at (865) 974-1218 for more information.

Endowments

To provide funding for future Vol student-athletes, endowments are essential. The opportunity to fully endow a scholarship with the Volunteers exists at the $250,000 level and entitles you to membership in the Nathan Dougherty Society. These gifts can be made over a ten-year period in equal installments. The VASF office will provide the appropriate agreements to complete the gift. Benefits of these gifts must be evaluated on an individual case basis. Contact Jennifer Wiggins, Mark Ingram or John Currie at (865) 974-1218 for more information.

Life Income Gifts

Charitable remainder trusts can provide several current tax advantages while providing the donor with income for a designated period of time or life. They provide the Athletic Department with an endowed scholarship or operating fund gift upon the completion of the trust or donor’s death. Call Jennifer Wiggins, Mark Ingram or John Currie at (865) 974-1218 for more information. You also are encouraged to consult your tax advisor. Benefits of these gifts must be evaluated on an individual case basis.
Tax Information

Disclaimer: The following information is not intended to constitute legal advice or other tax counsel and may not be relied on as such. Please consult a personal tax advisor concerning the deductibility of any contribution to the VASF.

Under applicable provisions of the Internal Revenue Code (IRC), the amount of a contribution that is deductible for federal income tax purposes is limited to the excess of the amount contributed over the value of any goods or services provided to the donor by the University. The Athletic Department will notify you as to the value of any such items. Under current IRC provisions, no more than 80 percent of an amount paid to or for the benefit of an institution of higher education may be treated as a charitable contribution if, as a result of the payment, the donor receives the right to purchase tickets for seating at an athletic event in an athletic stadium at the institution. You should consult your tax advisor to determine whether these provisions apply to you. If you choose to waive all applicable benefits, you must sign a written waiver at the time you make your VASF donation.

“Playing By The Rules”

NCAA Compliance

The athletic programs of this University are governed by the rules and regulations of the National Collegiate Athletic Association (“NCAA”) and the Southeastern Conference (“SEC”). Current NCAA regulations require that, if you, as a donor to the University of Tennessee athletic program or any person directly or indirectly related or affiliated with you, violate any of the rules and regulations of the NCAA or SEC, the University must disassociate itself from you and any future University related benefits or privileges available to you will be terminated. Your participation in this program and your acceptance of benefits and privileges available from the University as a part of this program is your acknowledgment and agreement that, in the event of any such finding by the NCAA, the SEC or the University, all future benefits and privileges will be canceled and/or forfeited by the University.
Volunteer Athletics & Scholarship Fund Staff

“The contributors to the Volunteer Athletics & Scholarship Fund are the driving force behind the rich tradition and continued success of Tennessee athletics. We are honored to be able to serve each one of you in any way possible. Thank you for the generous support you provide this great University.”

– VASF Staff

Under applicable provisions of the Internal Revenue Code (IRC), the amount of a contribution that is tax deductible for federal income tax purposes is limited to the excess of the amount contributed over the value of any goods or services provided to the donor by the University. The Athletic Department will notify you as to the value of any such items. In addition, the IRC provides that 90% of an amount paid to or for the benefit of an institution of higher education shall be treated as a charitable contribution if, as a result of the payment, the donor receives the right to purchase tickets for seating at an athletic event in an athletic stadium at the institution. Consult your tax advisor as to determine whether these provisions apply to you. In order to deduct 100% of your gift, you must waive, in writing, all benefits applicable to your VASF donation.
