**VERIFICATION OF NURSE LICENSURE IN ANOTHER STATE**
If you are licensed as a nurse in another state, you must provide the New York State Education Department with verification of that licensure. The National Council of State Boards of Nursing (NCSBN) handles verification of licensure for a majority of states through their Nurse System (Nursys). You can check to see if the state(s) where you are licensed as a nurse participates in Nursys by visiting their Web site at www.nursys.com or by calling them at 1-866-819-1700.

If the state(s) where you are licensed as a nurse participates in Nursys, you must request verification of your licensure from Nursys, not the state(s). If your state(s) of licensure does (do) not appear on the Nursys list, you must use the Verification of Other Professional Licensure/Certification form (Form 3) in this packet to verify your licensure to New York State.

Please note, if you hold any other professional licenses in states other than New York, you must also use Form 3 to verify that licensure to New York State.
GENERAL LICENSING INFORMATION

Please read this general licensing information before proceeding to the detailed instructions for your profession.

INTRODUCTION

A professional license is the authorization to practice and use a professional title in New York State. Your license is valid for life unless it is revoked, annulled, or suspended by the Board of Regents. This application packet contains the forms and instructions you need to apply for a license.

LICENSURE AND REGISTRATION

Once received, your application and all required supporting material will be reviewed. If you meet all the licensure requirements, we will issue you a license and your first registration certificate. You will be entitled to practice in New York State as of the effective date of the license.

You may find out if your license has been issued (including your license number and effective date of licensure) by checking for your name in the listing of all licensed professionals on the Web at www.op.nysed.gov or by calling our telephone verification service at 518-474-3817. Written confirmation of licensure -- your license parchment and registration certificate -- is mailed within two working days following the licensure date.

To practice in New York under the authority of your license, you must re-register every three years. You are automatically registered for your first registration period when your license is issued. Thereafter, we will send you a renewal application to the name and address we have on file (see the “Address or Name Changes” section on next page), at least four months before your registration expires.

VERIFYING YOUR CREDENTIALS

To ensure authenticity of credentials, the New York State Education Department’s Office of the Professions requires evidence of your compliance with each licensure requirement be sent directly to us from the organization where you met the requirement (e.g., school, testing agency, licensing authority, certifying board, hospital, employer, etc.). These records and documents must bear an original (not photocopied) signature of the official who maintains the records and stamp or seal of the institution where the credentials are maintained. The Office of the Professions regularly re-verifies credentials directly with the issuing institution to assure authenticity. While this may delay licensure in some cases, it is a necessary step to ensure the protection of the public.

You are responsible for asking organizations to complete and directly submit to us the documentation you need. Keep a record of your verification requests.

NOTE: Forms and transcripts from the originating institution must be mailed directly to the Department from the issuing institution in a sealed official envelope bearing the institution’s name and address. Verifying organizations may take eight weeks or more from the date of your request to send the required independent verifications. The Office of the Professions cannot evaluate your credentials until we receive the required documentation. You must consider this time factor in deciding when to submit your application for licensure.
ADDRESS OR NAME CHANGES

If your mailing address or name changes, you must contact the Department to update your records and provide the following identifying information: your full name, social security number, profession and date of birth. Failure to provide the Department with your change of address or name will delay processing your application.

For address changes you may phone, fax or e-mail:

Phone: 518-474-3817 ext. 280
       TDD/TTY 518-473-1426
Fax:    518-474-3398
E-mail: opunit4@mail.nysed.gov

For name changes a fax or e-mail is not acceptable. You must provide written notification of any name change with an original notarized signature in your new name to:

NYS Education Department, Office of the Professions
Division of Professional Licensing Services
Nurse Unit
89 Washington Avenue
Albany, NY 12234-1000

NOTE: Once you are licensed, Education Law requires that you notify the Department of any change in your mailing address or name within 30 days of that change. Failure to do so may be considered professional misconduct. It may also delay renewal and result in late fees to renew the registration of a professional license. You may use the Address/Name Change Form located in the back of this packet or print a copy from our Web site at www.op.nysed.gov/documents/anchange.pdf to notify the Department of a change in your address or name.

PROFESSIONAL CONDUCT

All licensed practitioners must adhere to rules of professional conduct. The Education Law includes definitions of professional misconduct, and the Board of Regents has adopted Rules defining unprofessional conduct for all professions. Every licensee is also governed by a set of Laws, Rules, and Regulations for the practice of the profession.

Title 8 of the NYS Education Law is available on our Web site at www.op.nysed.gov/title8.htm

Part 29 of the Rules of the Board of Regents is available on our Web site at www.op.nysed.gov/part29.htm

Copies of the relevant sections of the NYS Education Law, Rules of the Board of Regents, and the Commissioner's Regulations are available upon request from opforms@mail.nysed.gov or 518-474-3817 ext. 320.

You will receive more information on professional practice when you receive your license and first registration.
RECORDS RETENTION AND DISPOSITION STATEMENT

Applications are considered active while an applicant is providing documentation to meet the requirements for a professional license or post-licensure certificate (i.e., examination grades, educational credentials and professional work experience).

If you withdraw your application or your application is inactive for five (5) consecutive years, any documents submitted as part of your application will be destroyed in accordance with the Records Retention and Disposition schedule on file with the State Archives and Records Administration.

DISCLOSURE OF SOCIAL SECURITY NUMBERS

In accordance with Federal and State laws, the New York State Education Department requires that all applicants for professional licensure provide their Federal Social Security Number (SSN). Individuals without a SSN will be assigned a random, computer-generated nine-digit identifier. The agency will use the SSN or assigned numeric identifier to maintain accurate license and registration records. This information may be shared with other State or Federal agencies, consistent with applicable laws and departmental policy, but will otherwise be kept confidential.

The specific statutory authority for requiring Federal Social Security Numbers is in the following: Federal Law-Privacy Act of 1974 (Section 7 of P.L., 93-579); Welfare Reform Act of 1996 (42 USCA 666 (a)); New York State Law-Title 8, Section 6507, paragraph 4(e) Education Law; Section 5 of the Tax Law.

- The State Education Department is not responsible for any fees paid to an outside testing or credentials verification agency.

If you withdraw your application, obtain a refund, and then decide to seek New York State licensure at a later date, you will be considered a new applicant, and you will be required to pay the licensure and registration fees and meet the licensure requirements in place at the time you reapply.

EDUCATION REQUIREMENTS

Don't let friends, colleagues or yourself lose money, time or energy by applying to a fraudulent nursing school. Before a tuition payment is processed, make certain that the program is recognized by the State Education Department. Lists of approved LPN and RN programs can be found on our Web site at www.op.nysed.gov/prof/nurse/nurseprogs.htm. Avoid a costly mistake and make sure your educational institution is an approved program of nursing study before you enroll.

If you seek to meet the education requirement for an RN or LPN license with a program you completed outside the United States, your educational credentials must be verified by an independent credentials verification organization. See “Verifying Education Credentials From Non-U.S. Programs” on page 7 for further instructions.

REGISTERED PROFESSIONAL NURSING

To meet the professional education requirement for licensure as a registered professional nurse, you must present satisfactory evidence of having received at least a two-year degree or diploma from a program in general professional nursing that is acceptable to the Department. To be acceptable to the Department, the program must be either:

- registered as licensure qualifying by the New York State Education Department; or
- approved by the licensing authority or appropriate governmental agency in the jurisdiction where the school is located as preparation for practice as a registered professional nurse.

In addition to the professional education requirement, every applicant for licensure or limited permit as a registered professional nurse must complete coursework or training in the identification and reporting of child abuse in accordance with Section 6507(3)(a) of the Education Law. Graduates of New York State registered nursing programs after September 1, 1990 complete this coursework in their nursing program and are not required to submit additional proof. All other applicants must submit a certificate of completion from an approved provider or file a certification of exemption before a New York State license or permit can be issued. Additional information and a list of approved providers are available on our Web site at www.op.nysed.gov/training/camemo.htm. You may be eligible for exemption from the training if you can document, to the satisfaction of the Department, that your practice does not involve professional contact with persons under the age of 18 and that you do not have contact with persons 18 or older with a handicapping condition who reside in a residential care school or facility. An exemption form (Form 1CE) is included in this application packet.

Every registered professional nurse must also complete approved coursework or training appropriate to the professional’s practice in infection control and barrier precautions, including engineering and work practice controls, to prevent the transmission of the human immunodeficiency virus (HIV) and the hepatitis B virus (HBV) in the course of professional practice. Graduates from New York State nursing programs after September 1, 1993 are credited with having completed this coursework as part of their nursing program. All other applicants must submit an attestation of compliance with or exemption from the infection control coursework requirement (Form 1IC) within 90 days of your date of licensure. Form 1IC will be sent to you along with your license. Additional information and a list of approved providers are available on our Web site at www.op.nysed.gov/training/icmemo.htm.
LICENSED PRACTICAL NURSING

To meet the professional education requirement for licensure as a licensed practical nurse, you must have completed high school or the equivalent, and present satisfactory evidence of either a, b, or c below.

a. graduation from at least a nine-month program in practical nursing registered by the New York State Education Department as licensure qualifying or recognized as preparatory for practice as a licensed practical nurse by the licensing authority or appropriate governmental agency in the jurisdiction where the school is located; or

b. completion of at least a nine-month program of study that is satisfactory to the New York State Education Department in a program conducted by the armed forces of the United States; or

c. graduation from an approved program in general professional nursing.

In addition to the professional education requirement, every licensed practical nurse must complete approved coursework or training appropriate to the professional's practice in infection control and barrier precautions, including engineering and work practice controls, to prevent the transmission of the human immunodeficiency virus (HIV) and the hepatitis b virus (HBV) in the course of professional practice. Graduates from New York State nursing programs after September 1, 1993 are credited with having completed this coursework as part of their nursing program. All other applicants must submit an attestation of compliance with or exemption from the infection control coursework requirement (Form 1IC) within 90 days of your date of licensure. Form 1IC and additional information, including a list of approved providers are available on our Web site at www.op.nysed.gov/training/icmemo.htm.

Verifying Education Credentials From Non-U.S. Programs

Applicants who have completed LPN or RN education outside of the US must have their education credentials verified by the Commission on Graduates of Foreign Nursing Schools (CGFNS). Such applicants should contact CGFNS at www.cgfns.org for the application and instructions to complete the CGFNS Credential Verification Service for New York State. Please note that this verification process is not the same as CGFNS’ Certification Program (which is required for registered nurse applicants applying for limited permits). The CGFNS Credentials Verification Service for New York State licensure applicants is a process for verifying the authenticity of education credentials. The CGFNS Credentials Verification Service for New York State does not indicate approval by the New York State Education Department of the content of education. After education credentials are verified by CGFNS, they are then forwarded to and evaluated by the New York State Education Department.

You will be advised in writing of the results of the New York State Education Department’s evaluation of your education. In addition, the licensing examination administrator will be notified if you are eligible for the examination.

EXAMINATION REQUIREMENTS

To meet the examination requirements for licensure as a registered professional nurse and/or licensed practical nurse, you must successfully complete the NCLEX examination developed by the National Council of State Boards of Nursing (NCSBN) and administered by Pearson VUE. For those applicants applying for licensure based upon licensure in another jurisdiction, scores from the State Board Test Pool (SBTP) examination and NCLEX may be accepted for licensure. The licensing
authority in the jurisdiction in which you took the examination (see instructions for Form 3 on page 12) or Nursys (see Verification of Nurse Licensure in Another State on page ii) must verify acceptable scores on the examination(s) directly to the Office of the Professions.

To qualify to take either the NCLEX-RN examination or the NCLEX-PN examination, you must:

1. Submit an Application for Licensure (Form 1) and the $143 licensure and first registration fee to the New York State Education Department.
2. Ask your school to verify your education directly to the New York State Education Department on Form 2 (New York State programs completed prior to 4/1/98 or other U.S. programs), or Form 2AF (for graduates who are applying for an LPN license based on completion of equivalent education in a program conducted by the U.S. armed forces) or have your educational credentials verified by CGFNS (non-U.S. programs).
3. Register directly with Pearson VUE to take the NCLEX examination. To register for the examination, you will need the program code for your nursing education program that is listed in the NCLEX Candidate Bulletin. The NCLEX Candidate Bulletin and additional information regarding the examination are available on the Web at www.vue.com/nclex or ncsbn.org/nclex.htm. You may register for the examination online at www.vue.com/nclex or by calling Pearson VUE at 1-866-496-2539*

*If you are a graduate of a New York State nursing program, or an approved nursing program in the U.S., you may apply for the examination at any time after submitting all the items in 1 and 2 above. If you are a non-U.S. nursing program graduate, you may only apply for the examination after receiving a letter from the New York State Education Department notifying you that your education has been approved and you are now eligible to sit for the examination.

REASONABLE TESTING ACCOMMODATIONS

If you have a disability and may require reasonable testing accommodations for the examination, you must complete and submit a Request for Reasonable Testing Accommodations form. This form is available on our Web site at www.op.nysed.gov/documents/pls1ra.pdf. You must mail the Request for Reasonable Testing Accommodations form to the address printed on that form, along with the required documentation. You will be notified in writing as to whether or not your request for accommodations has been approved. A copy of your accommodation approval must be attached to your NCLEX examination registration form. You may not test until your request for accommodations has been processed by the Department. If you schedule a test before your request for accommodations has been processed, you may lose any fee paid to the examination administrator. Please be sure to check the box in item 8 of your Application for Licensure (Form 1) if you are requesting accommodations.

LIMITED PERMITS

Note: If you have ever taken the NCLEX-PN examination, you are not eligible for an LPN limited permit. If you have ever taken the NCLEX-RN examination, you are not eligible for an RN limited permit.

A limited permit authorizes an individual who has met all requirements for licensure as a registered professional nurse (RN) or a licensed practical nurse (LPN) except the licensing examination to practice as an RN or LPN provided that the individual is under the immediate and personal supervision of a licensed, currently registered, professional nurse, with the endorsement of the employer. To be eligible for a limited permit, you must:

- submit an Application for Licensure (Form 1) and the $143 licensure and first registration fee;
- ask your school to verify your education directly to the New York State Education Department on Form 2 (New York State programs completed prior to 4/1/98 or other approved U.S. programs), or Form 2AF (for graduates who are applying for an LPN license based on completion of equivalent education in a program conducted by the U.S. armed forces) or have your educational credentials verified by CGFNS (non-U.S. programs);
- for an RN permit, submit proof of completion of coursework or training in the identification and reporting of child abuse offered by a New York State approved provider; and
- be at least 18 (RN) or 17 (LPN) years of age and be of good moral character.
You may submit an Application for Limited Permit (Form 5) at the same time or any time after you submit your Application for Licensure (Form 1). The fee for a limited permit is $35. A limited permit is valid for one year from date of issue or until ten days after the applicant is notified of failure on the licensing examination, whichever occurs first. The “starting date” cannot be changed once a limited permit is issued. If you change employment or have additional employers after your permit is issued, you must obtain a new permit. You need to have your prospective employer complete and return a new Application for Limited Permit (Form 5) to the Office of the Professions at the address on the form. A new fee is not required.

You must be employed by the facility in which you are working. You may not be employed by a third party.

Non-U.S. educated applicants seeking a limited permit as a registered professional nurse must also have their credentials verified by an independent credentials verification organization (see “Verifying Education Credentials From Non-U.S. Programs” on page 7) and document successful completion of the Commission on Graduates of Foreign Nursing Schools (CGFNS) Certification program (the CGFNS examination and the Test of English as a Foreign Language); or a score of not less than 400 on the Canadian Nurses Association Test (CNATS) given in English. Non-U.S. educated LPN limited permit applicants also need to have their credentials verified by an independent credentials verification organization (see page 7) but are not required to complete the CGFNS Certification program.

CNATS scores should be sent to the Office of the Professions directly by the nurse licensing authority of the province in which the examination was taken. Information about the CGFNS examination and its certification program, including the cost, is available from:

CGFNS
3600 Market Street, Suite 400
Philadelphia, PA 19104-2651
Telephone: 215-349-8767
E-mail: support@cgfns.org or info@cgfns.org

Please note that CGFNS certification is different from the verification of foreign education credentials required of all graduates of non-U.S. programs. CGFNS certification requires passing of examination(s) in addition to the verification of educational credentials. Use the address above only for CGFNS certification program information.

Practice Exemption:

New graduates of New York State nursing education programs registered by the New York State Education Department as licensure qualifying may be employed for 90 days immediately following graduation without holding a limited permit. To be eligible to practice within those 90 days, you must have graduated from your nursing program, submitted the Application for Licensure (Form 1), the Application for Limited Permit (Form 5), and paid the required fees. While practicing during those 90 days, you must be supervised by a registered professional nurse who is currently licensed and registered to practice in New York State. It is possible you may not receive the limited permit before your license is issued but submitting the Form 5 and permit fee allows you to practice during the 90 days. If you do receive the permit, give your employer the employer's copy for their records.

NURSES LICENSED IN ANOTHER STATE

If you are licensed as a nurse in another state, you must provide the New York State Education Department with verification of that licensure. The National Council of State Boards of Nursing (NCSBN) handles verification of licensure for a majority of states through their Nurse System (Nursys). You can check to see if the state(s) where you are licensed as a nurse participates in Nursys by visiting their Web site at www.nursys.com or by calling them at 1-866-819-1700.

If the state(s) where you are licensed as a nurse participates in Nursys, you must request verification of your licensure from Nursys, not the state(s).
If your state(s) of licensure does (do) not appear on the Nursys list, you must use the Verification of Other Professional Licensure/Certification form (Form 3) to verify your licensure to New York State.

Please note, if you hold any other professional licenses in states other than New York, you must also use Form 3 to verify that licensure to New York State.

7 ATTESTATION

59.12 (b) The department may exempt an applicant or licensee from the coursework or training requirement of subdivision (a) of this section upon receipt of a written application for such exemption establishing that there would be no need to complete the coursework or training because the nature of the applicant/licensee’s practice excludes contact with children. It is the professional responsibility of the licensee who holds an exemption to notify the department in writing, within 30 days, when the nature of the practice changes to the extent that the basis for exemption ceases to exist.

I, the undersigned, have read regulation 59.12(b) above and the explanation on this form. I understand the terms and conditions contained therein, and hereby declare that the nature of my practice is such that I do not treat or otherwise have professional contact either with children under the age of 18 years or persons 18 years of age and older with a handicapping condition who reside in a residential care school or facility. Therefore, I claim an exemption from the required training in child abuse and maltreatment identification and reporting pursuant to Section 59.12, Regulations of the Commissioner.

I also understand that should the nature of my practice change to the extent that the basis for the exemption ceases to exist, I am obligated to notify the department in writing and complete the required training within 30 days.

I further understand that a false statement on this document may be cause for denial or loss of licensure and may result in criminal prosecution.
