SCHOOL AND COMMUNITY

Chattahoochee High School is a nationally recognized school of excellence serving over 1800 students. Since its establishment in 1991, Chattahoochee High School has continuously climbed in national, state and local rankings. Notable honors include the following: ranked #136 in Newsweek Magazine’s Top 500 High Schools in the USA in 2011; received Governor’s Gold Achievement Award in 2011; named “One of the Area’s Best High Schools” by Atlanta Magazine in 2010; named Georgia School of Excellence in 2009 & 1997 and named a National Blue Ribbon School in 2000.

A four-year academic high school, Chattahoochee offers a broad program of courses and experiences that address the interpersonal, social, physical and academic needs of its students. Students can participate in a variety of academic, enrichment and service organizations with over 80 clubs, literary publications and sports teams from which to choose.

Chattahoochee High School is located in Johns Creek, Georgia, a suburban community of over 76,000. The City of Johns Creek lies along the banks of the historic Chattahoochee River in northeast Fulton County.

CURRICULUM HIGHLIGHTS

Chattahoochee High School offers a rich variety of programs that encourage students to pursue special interests. Students selected for the Talented and Gifted Program (TAG) have the opportunity to enroll in seminar courses, directed study courses under the supervision of TAG faculty and internships. Over one third of the student body participates in the TAG program. Students interested in earning college credit have the opportunity to enroll in Advanced Placement courses in all five core subject areas. In 2011, Chattahoochee High School administered over 1243 AP exams to 623 students, with over 85% earning a three or higher on the AP exam.

In addition, Chattahoochee High School has a rich tradition of excellence in the Arts. The music programs include: Chorus, Concert Band, Marching Band, Jazz Ensemble and Orchestra. The Dramatic Arts Program offers introductory and advanced level courses in both acting and technical theater. The combined programs produce five major productions per year. The Visual Arts Program provides a wide spectrum of courses for students with interests in Drawing and Painting, Ceramics, Sculpture, Photography, Printmaking and Jewelry Design.

Opportunities exist for students who wish to pursue Career and Technical Educational interests. A sequence of courses is available in the following areas: Architecture, Automotive, Business and Computer Science, Engineering and Technology, Graphic Design, Healthcare Science and Marketing. Students can also choose the Cooperative Business Education work program.

Interrelated Resources and ESOL classes are also available for students who demonstrate need. Chattahoochee High School consistently supports students within the least restrictive environment.
