From the Campus Principal  Mr Michael Honey

Lent and Easter

This year, Lent and Easter fall early in the calendar year. We begin Lent today, with Ash Wednesday, and students have all taken part in a liturgy and received ashes in the sign of the cross on their foreheads.

Before entering the more solemn season of Lent, the Findon campus was alive with excitement yesterday for Shrove Tuesday. In the tradition of the early Church, we celebrated with a party atmosphere by joining in the tradition of Carnevale. Our Team Italia swung into action and all children across the school popped on their masks and paraded before going out to the Ferrari races.

If that wasn’t enough the children also enjoyed gelato and the year 1 parents hosted the cooking of 800 pancakes in true Shrove Tuesday style.

Many thanks to our Italian teachers affectionately known as Team Italia and to our year 1 parents. A great day was had by one and all.

Shortly, the children will bring home some Project Compassion boxes. Please join with the school in giving generously this Lent. Project Compassion is a great way for us to ensure money goes straight to the heart of need.

Bomb Threats
You would have heard about the number of schools that have had to deal with bomb threats in the last week or so.

Fortunately we have not had such a threat made at Nazareth. If there are any such threats though, we are ready to respond. We practice the drills to ensure we are ready.

In case of such an emergency, we would firstly contact police and start taking instructions from them. At the same time, we would ensure the safety of students and staff- usually by evacuating. Once everyone is secure we would communicate with all families. Depending on the urgency of the situation, this may be by SMS, email or letter.
**Diary Dates**

**TERM 1**

**FEBRUARY**

**11** Secondary Campus MSP Photos

Fun Moves Program, Multipurpose Hall Findon, 9:00-10:30am
Knit & Natter, OLM Church Meeting Room, 1:00pm

Year 5 & 6 Students/Parents One to One Devices Information Evening with Sonya Ryan
Multi-Purpose Hall Findon, 6:00-7:30pm

Year 12 Mass, Flinders Park Campus Gym, 7:00-9:00pm

**12** Secondary Aquatics Carnival, Adelaide Aquatic Centre

Playgroup, CCC, Findon, 9:00-10:30am
Carpet Bowls, CCC, 11:00am-1:00pm

Playgroup, CCC, Findon, 9:00-10:30am
Carpet Bowls, CCC, 11:00am-1:00pm

**R-7 Assembly, Multi-Purpose Gum**
2:15-3:00pm

---

**Catholic Culture**

**Called to Care for God's Creation**

The natural environment is a collective good, the patrimony of all humanity and the responsibility of everyone. If we make something our own, it is only to administer it for the good of all. If we do not, we burden our consciences with the weight of having denied the existence of others. That is why the New Zealand bishops asked what the commandment “Thou shalt not kill” means when “twenty percent of the world’s population consumes resources at a rate that robs the poor nations and future generations of what they need to survive”. (95)

This week, we invite you to reflect on how you can make better choices to start making a difference in the way the world’s resources are distributed.

**Year 4 Community Mass**

The first Community Mass of 2016 will be held at the Findon Parish Church on Sunday 21 February at 10.30am. The Year 4 students and their teachers will be hosting this event. At this Mass, Nazareth will also celebrate Fr Mark's work at our parish and schools as he prepares to move to Tasmania as parish priest. After Mass, the congregation will join together for a shared brunch. We would like to extend our invitation to all members of the Nazareth community to attend this special event. We ask you to bring a plate of food to share. We look forward to seeing you there.

**Young Adults’ Mass**

On Sunday 7 February, the first Young Adults’ Mass for this year was held at the Flinders Park campus. The new school leaders were inducted and encouraged to be role models for their peers in the important role they play in the life of the college. Our outreach young adults were also present to continue their preparation and formation for their trip to Timor.
Ash Wednesday
This morning, Ash Wednesday liturgies were held on both campuses and Project Compassion for 2016 was launched. We thank all those families who found the time to join us.

The beginning of the scholastic year is always a very busy time at Nazareth. On Friday 5 February, the Findon campus held their Beginning of the Year Mass, celebrated by Fr Mark. Fr Mark spoke to students about new beginnings and encouraged them to be the best they can be.

Year 12 Welcoming Mass
On Thursday 11 February, our Year 12 Class of 2016 will be officially inducted into their final year of schooling. The Mass will take place in the Gymnasium on the Flinders Park campus, at 7pm. However, we would ask that all students and their families be seated by 6:40pm. This will be a formal occasion and all students will be required to wear their summer uniforms. The class of 2016 will be presented with their year 12 ties as part of the liturgy. There will be a light supper and refreshments afterwards.

Project Compassion
As is our tradition, we launched Project Compassion today and we will run this charity throughout Lent. This year, the Project Compassion theme is “Learning More, Creating Change.” As Pope Francis says “Education is an act of hope”, so this year Project Compassion celebrates the power of learning, and the many ways in which Caritas Australia is working with local partners around the world to provide vital learning and renewed hope to children, women and men most vulnerable to extreme poverty and injustice.
Throughout Project Compassion 2016, inspiring stories from Malawi, Laos, Papua New Guinea, Australia, Cambodia and India will show how education, training and sharing knowledge can empower individual communities to transform their futures and create lasting change.

Like many families in her remote village, Doney and her family have often gone months without enough to eat. But with the support of Caritas Australia and local partner CADECOM, the people of Doney’s community have learned to harness their strengths. Today they are building new livelihoods, improving health and growing literacy to create paths towards a better future.

Please donate to Project Compassion 2016 and help people in remote areas of Malawi harness their strengths and pave the way towards a thriving future. You can donate through School boxes, by visiting www.caritas.org.au/projectcompassion or phoning 1800 024 413.

Christine Farrugia - Religious Education Coordinator (Findon Campus)
Joe Hicks - Assistant to the Principal Religious Identity and Mission (Flinders Park Campus)
Primary News

Student Leaders
We congratulate the 2016 semester one student leaders, in years 1 – 6. These students have been elected by their peers and will be presented with their leadership badges during next week’s assembly. We are looking forward to these children taking an active role in making recommendations which will improve our school environment.

Year 1: Isabella Sicilliano, Alexia Marzilli, Rafael Lorenzin, Madison Southam
Year 2: Mia Halliday, Lauren Macri, Madison Greig
Year 3: Carla Perotta, Lucas Salmeron, Mila Brancatisano
Year 4: Asha Bennett, Joshua Zganec, Shania Kuruvila
Year 5: Alex Fenech, Fiore Marzilli, Stephanie Skandalis
Year 6: Aiden Green, Antonio Forgione, Amelia Gugliemucci

The Year 7 House Captains are also to be congratulated:
MacKillop: Tayla Filleti, Luca Bernardi
McAuley: Lucy Langdon, Dut Tong
Romero: Gabriela Coelho, Paris Panos
Catherine: Lauren Featherby, Justin Rasic
Dominic: Rylee Vormeker, Jacinta Bell

Earn and Learn Reward Points
Last year, Woolworths facilitated an Earn and Learn Rewards Program for schools, donating valuable learning resources for children. Parents were very generous in shopping at Woolworths’ stores and obtaining then donating their Earn and Learn stickers to the Findon campus. We received a significant amount of points over several months, and in turn were able to select from a variety of merchandise; sandpit toys were our priority and have definitely been appreciated and put to good use by the students.

Years 5 & 6 Parents/Students One to One Devices (laptops) Information Evening
Parents/carers of children in years 5 & 6 are required to attend an information evening in the Multi-Purpose Hall at 6pm tomorrow evening. Guest speakers will include Sonya Ryan, (mother of deceased daughter Carly Ryan), Bianca Tattoli and James Tran. We cannot stress enough the importance of this session and the implication of your child receiving a school laptop for the year. Parents/carers will be required to sign-off on this loan device, prior to the student receiving it.

Parent Information Night
All families are invited to attend a Parent Information session next Tuesday evening. This will commence at 6:30pm in your child’s class. You are also invited to the Catherine Community Centre following this session at 7:30pm to enjoy refreshments with other parents.

Assembly
All families are invited to the reception-year 7 assembly being held next Friday 19 February, at 2:15pm, in the Multi-Purpose Hall. The reception-year 7 assemblies are scheduled for three Fridays throughout the term: 19/2, 11/3, 1/4. We hope to see you there!

Apple AC Wall Chargers
Apple adapters have been recalled due to an issue with the plastic housing they use. Please visit https://www.apple.com/au/support/ac-wallplug-adapter/ for further information. Nazareth does not use these wall chargers, we use ‘PClocs’ which charge multiple USB devices at once. We would like to advise everyone of this issue as families and students might have their own devices that use these adapters.

Jenny DeGilio - Deputy Principal, Findon Campus
WOW! CHE SPETTACOLO!

The Carnevale Day held at the Findon campus today was a fun and festive celebration. The day began with an assembly and colourful parade which was a wonderful opportunity for students to display their creative masks and costumes. The parade was followed by Ferrari races on the oval. There were some fast and furious racers! Finally, all children and staff enjoyed some delicious and refreshing gelato. It was a great way to finish a lively community celebration promoting the Italian culture!
Secondary News

School and ID Photos
2016 school and student ID photos will be taken on Thursday 11 February. As with any other school day, we will have very high expectations with regard to our uniform policy. These are:

- Students must be dressed in their full, summer uniform to be photographed,
  - Students who have PE on this day, will need to bring their PE uniform, and change before their PE lesson.
- Students must adhere to the Uniform Policy with regard to jewellery, hair, make-up, etc.
- Year 12 student leaders are also expected to bring, on the day, elements of their winter uniform namely their white shirt, tie and blazer to have a second photo taken.
- Students who are absent on Thursday 11 February will have another opportunity to have their photograph taken on Tuesday 16 February.

Year 12 Events – Term 1
1. The Year 12 Opening Mass will be held in the Gymnasium, at 7pm on Thursday 11 February. A warm invitation is extended to the families of our year 12 students. Please note that it is expected that all year 12 students will attend, and wear their summer uniform which includes their blazer. A light supper will be served in the adjacent Hall, following the Mass.

2. The Year 12 Retreat will be held between Wednesday 2 and Friday 4 March. Details regarding the night each student will engage with this experience will come from Mr Hicks in the near future.

3. The Year 11/12 Formal will be held on Friday 11 March, at the Adelaide Entertainment Centre. Student dismissal will occur at 1:10pm on this day for year 11 and 12 students only. Please note that students will be issued with their tickets just prior to this dismissal – no student will have their tickets issued prior, nor on the night.

2016 Aquatics Carnival
Please note that the annual Aquatics Carnival will be held in Week 2, Friday 12 February, at the Adelaide Aquatic Centre North Adelaide. We will bus each student to the centre; buses will be departing Nazareth at 9am and as such we ask that students arrive by the expected 8:45am morning Mentor Group time. To ensure students have safe access to these buses, please note that the college car park will be closed to families dropping their children at school on this morning. As indicated in previous correspondence, families are reminded that canteen facilities will not be available at the Adelaide Aquatic Centre. Students will return to the college, by bus, at the completion of the carnival. Dismissal will be at the normal time of 3:25pm.

Student Hairstyles
With the commencement of the New Year, it is timely that we remind students and their families of our expectations with regard to hair. Further details are available in the Uniform Policy, included in the student planners. Please note that students are expected to cut their hair no shorter than a “level 2”, and should not have a significant difference between the shortest part of their hair, and the longest. In the event that a student does present with a haircut of this style, in the first instance, they will be required to wear a hat whilst in uniform.

Merit and Awards Assembly
On Friday 19 February, we will gather as a community to recognise the outstanding achievements of the Class of 2015. Families of those students who will be presented at this event will receive a written invitation. In light of this being a very formal event, all students will be required to wear their summer uniform on this day. If students have PE lessons later in the day, they will need to change prior to that lesson. Any student who fails to meet this expectation will not be permitted entry to the assembly, and other normal consequences will apply.

Lighthouse Books “Follow Up” Session – Thursday 17 March
Please be advised that representatives from Lighthouse Books will be at the college on Thursday 11 March, between 8:30 and 10:30am. Any students/families who have issues regarding booklists/stationery packs etc that require following up, please note this day and time. The representatives will be located in the café space.

Supporting Students
Over the course of the first week, we have spoken to students about building positive relationships with both teachers and other students that play an integral part in creating a good learning environment. We also spoke of the importance of being committed in terms of always giving ones best in all facets of college life. In keeping with this theme, we wanted to briefly outline how parents can support their child over the course of the academic year.
Many of the parents we speak to are obviously keen to support their daughters and sons in experiencing a successful year and are always interested to know how they could best do so. We have taken the liberty to include some practical ways that we have found useful from past experiences, in supporting students in achieving success with their studies in secondary school:

- Keep informed – ask for and read the college newsletter (available on the college website) and check if there are any other notices. The biggest problem staff in schools often find when communicating with parents is that they - the parents - simply didn’t know of certain events such as parent teacher interview night. Noting the relevant calendar dates of events that would be of interest to you well in advance can avoid clashes of events.

- Contact relevant staff if there are any concerns with your child’s progress or family situations that we need to be aware of or if there is good news to share. Attending the parent teacher interviews provides opportunities for additional feedback in relation to the student’s progress. Parents are a vital part of the partnership at school where both staff and parents are working towards achieving success for each individual and keeping in touch with each other is important.

- Encourage your child to be active in their school life. At the completion of year 12, they are provided with a Student Achievement Record, which can be an impressive document, with opportunities to present the best picture possible of themselves - academic results, participation in the college and references written by their Mentor Group teacher. Positive participation in college life generally will ensure that this document can be used to the benefit of the student once they have left Nazareth Catholic College. Encourage your son/daughter to utilise all resources offered to them. Students need to look for opportunities that will bring them success and take advantage of these.

- It is vital that parents support their child’s attendance at school. This may sound a little odd, but it has been observed that some parents support their children in staying at home to catch up on work or to complete an assignment that is due. While such action may appear to solve the immediate problem, in the long run it is not being supportive of the student, as we have found that students who make a habit of this do not catch up - they often fall further behind. Staying at home becomes an easy option and achieving success becomes a more difficult proposition. Attendance at such events as the Aquatics Carnival, Athletics Carnival and Naz Day are seen by the college as occasions where all students get involved and support others by showing a sense of community. Such events certainly contribute to the development of college spirit and tradition which is such an important component of any educational organisation.

- If your son or daughter experiences an illness, has an accident, or there are family issues that may prevent him/her from completing their required work, then we ask that you let the Mentor Group teacher, House Coordinator and subject teacher know as soon as possible. There are some adjustments that can be made – known as Special Provisions – where variations to assessment can take place. Ms Virginia Grantham, SACE Coordinator, is the key person to speak to should families have any queries of this type concerning the SACE.

- Encourage you sons and daughters to organised – the Mentor Group teachers, House Coordinators and College Counsellors have advice and study planners available for students if they require extra support in this area. Organisation can be a key to success and it is something that we stress at the college, via using a diary, an electronic calendar or using a study planner. These tools can be used for scheduling homework time, part-time work and sport commitments. Ensure the students have a balance in their lives – when we observe those students who have been very successful, it is evident that they did take time out of their study routine to exercise, play sport or take on another form of relaxing activity.

Students and their families have a great deal of support here at the college with staff who want the best for every individual, providing students with the opportunities needed for such success to be achieved. It is comforting that we, as a community, continue to work creatively and collaboratively with Jesus as our guide in an environment where we all feel valued and find fulfilment in all that we do.

Mr Jeff Sochacki, Deputy Principal, (People & Culture)
Ms Rebecca Donnon, Deputy Principal, (Curriculum)

Collection of Franked Stamps
Mary MacKillop International, which supports projects run by the Sisters of St Joseph in Peru and East Timor, wishes to thank all those who continue to collect and supply FRANKED (used) stamps. During 2015 alone, approximately $34,500 was raised. This has far surpassed the amount raised in 2014 and Sr Helen Saunders (the Sister who coordinates this project with her many volunteers) wants to thank everyone on behalf of the Sisters of St Joseph. Amazingly, the total raised since 2001 is $125,000.

So . . . please do continue to collect and bring in your used stamps for this wonderful Josephite work. Please be sure to leave a large amount of paper around each stamp. Even the whole envelope can be brought in! Thank you again for your generosity.

Sr Theresa Swiggs, Pastoral Co-ordinator
Get Healthy is a telephone coaching service to help South Australian adults make changes to improve diet, be more active, manage weight and enhance overall wellbeing. Enjoying a healthy lifestyle decreases the risk of developing serious long-term illness such as type 2 diabetes and heart disease and also increases the opportunities for people to be active participants in their community.

All participants can receive up to 10 telephone sessions with their personal qualified health coach. You may also consider adding a link to Get Healthy on your organisation website!

Nazareth Homework Club Volunteers
Are you passionate about supporting young people’s education? Can you spare an hour and a half on a Thursday afternoon to provide encouragement and guidance to a senior school student?

Would you like to join a team of dedicated volunteers who are committed to supporting students to achieve their potential? We are calling for volunteer tutors to support senior students on Thursday afternoons between 3:30 and 5:00pm. Homework Club is an opportunity for students to receive focussed support to work on homework and assignments. Tutors may provide generalised support for students with research, formation and editing of work or more specialised support with advanced mathematics, language, technology or science. We require a range of tutors with a mix of strengths and skills to assist the variety of students across all subjects from year 8 to year 12.

You will be provided with the necessary information and guidance to commence this rewarding and fulfilling opportunity. All volunteers are required to hold a current Catholic Police Check. We can assist you to complete an application (at no cost to you) and once your clearance is obtained, you can commence supporting students.

If you, or someone you know, has the time and passion to commit to regular weekly support please contact Sharon Ferdinands on 8406 5050 or sharon.ferdinands@nazareth.org.au for more information.

Student Wellbeing with Bianca Tattoli – Clinical Psychologist
Last week, I highlighted the incredibly useful internet-based parenting resource, Raising Children Network. I would like to draw your attention to the Digital media use: children and teenagers information pages, located at: http://raisingchildren.net.au/articles/media_teenagers.html.

Access to the internet, safe and responsible usage, digital reputations and social media are huge concerns for many parents, particularly as their child and pre-teen begins to access their own personal screens or devices. Having rules for screen time is absolutely necessary and each family must come up with their own guidelines for what is acceptable in their household. It is also important to consider that our children learn more about technology use from parents than from anywhere else and if we want to raise children who can use technology responsibly and respectfully, then we need to take a look at our own practices and make sure that we are modeling respectful and responsible technological behaviors. If you have questions/concerns or would like further information, please contact me at bianca.tattoli@nazareth.org.au.

Volunteer Coaches Induction Evening
If you are interested in coaching in 2016, you are required to attend the Volunteer Coaches Induction Session on Monday 15 February at 7pm at the Findon Campus. All coaches are also required to have a Catholic Police Clearance prior to coaching. Please contact Mrs Sue Porter for further information regarding the Volunteer Induction Evening and police clearances for sport coaches.

Sports Display Cabinet
Please check the sports display cabinet for notices from various sporting associations regarding school holiday clinics, trials and out of school activities.

Sue Porter, ESO Sport R-7
Secondary Sports
Both boys and girls commence summer sport training this week. Competitions will commence in week 3 – Saturday 20 February.

Sport Fixtures and Communications
An important and friendly reminder for the following:

• All students participating in co-curricular sport are expected to attend all training sessions and matches
• If unable to attend training and/or a match, students are to provide advance notice in the form of a written note from a parent or caregiver and present this to their coach or email the girls’ sports coordinator Mrs Harmer, kahl.harmer@nazareth.catholic.edu.au or the boys’ sports coordinator Mr Martin, chris.martin@nazareth.catholic.edu.au
• Students should be checking their emails every day to ensure they receive updated information.
• It is the student’s responsibility to ensure they know their playing venues (maps) and times each week by checking their programme and the sports noticeboard or the Naz Sports Facebook page. The noticeboard should be checked weekly by all students.
• Uniforms for cricket, girls basketball and volleyball must be purchased from the uniform shop prior to the first match.
• Sports programmes will be available on the college website as soon as they are finalised by the associations but the website will not have venue maps. To access maps you must go to the sports noticeboard.

Sports Nominations
By this time, all students should have re-confirmed or amended their sports nominations for 2016 for the last time. There was an email sent out to all secondary students on Monday afternoon advising them of their sporting choices and asking them to confirm and submit this. It is imperative this is completed immediately so Mrs Harmer and I can successfully nominate teams into competitions. Any specific concerns or issues please make contact with me, Chris Martin, asap at chris.martin@nazareth.catholic.edu.au.

Aquatics Carnival
Parents are welcome to attend Friday’s Aquatics Carnival from 10:00am - 2:00pm. Program of events will be available to students in Thursday morning MG.

The Naz Parents Sports Committee (NSPC)
Another exciting initiative within the Naz sports programme is the Nazareth Parents Sports Committee. The committee is now in its 2nd year and we meet semi-regularly (twice a term) to discuss our Naz Sports Policy, current outcome reviews, strategic future planning, resource management, communications and weekly logistical management. I thank those parents already involved and I look forward to the Naz Sports Programme benefitting from the passion, skills, experience and ideas the parent committee will bring. Should any new or existing parents wish to get involved please contact Chris Martin at chris.martin@nazareth.catholic.edu.au

West Adelaide Women’s Soccer Opportunity
West Adelaide Women’s Soccer Teams are looking for junior girls U11 to U17 to play club soccer in 2016, Trainings are Tuesday/Wednesday or Thursday night at either Park B27, Park Tce North Adelaide, opposite the old Clipsal site or for 15 to 17 year olds training at Kingston Gardens, Corner West Tce and Sir Donald Bradman Drive, depending on age group, 15 to U17 are Wednesday night 6:30pm start at Kingston Gardens, West Tce (NO COST INVOLVED TO PLAYERS). Games are played Sunday mornings. Come out and have a go and bring your friends. Beginners very welcome.
For more details and information contact Leon on 0409 700 354 email; lappelkamp@gmail.com or Nick on 0402 965 860 email; nmylo@yahoo.com.au

Individual Student Sporting Achievements
Would all parents and students actively communicate notable individual sporting achievements with Mrs Harmer or me so that we can appropriately recognise this in the weekly newsletter and for points allocation in the House Cup award that has begun this year. An email is the easiest way to make contact:
Mrs Harmer – Girls Sports’ Coordinator – kahl.harmer@nazareth.catholic.edu.au
Mr Martin – Boys’ Sports Coordinator – chris.martin@nazareth.catholic.edu.au

Lastly, I look forward to working with all parents, students, coaches and families this year. With your ongoing support we will continue to build on what is already a proud and competitive sporting culture at the college.

Sports Fixtures
Sport fixtures and training details for all secondary school teams (both girls and boys) can be easily accessed online on the college’s website (www.nazareth.org.au). Under the COLLEGE tab located at the bottom of the home page is a link for ‘SPORTS FIXTURES,’ where parents and students can easily access each team’s season programme.
