Easy-care Outdoor Living
Bufftech vinyl fence is an easy-care alternative to other fence materials. Bufftech vinyl is so easy to maintain, it's like a vinyl fence or not, chip, peel or corrode like aluminum. Vinyl never needs sanding, staining or painting. An occasional rinse with a garden hose will keep it looking like new.

Innovative Styles, Colors and Textures
Bufftech leads the vinyl fence industry with the widest array of styles, colors and textures. Our CertaGrain® and Select Cedar authentic wood grain textures recreate the look of natural wood fencing, while our CertaStucco™ fence offers an innovative alternative to traditional stucco walls. Bufftech is the only vinyl fence manufacturer to offer ColorLast™ dark color fade protection, an acrylic formulation that provides superior protection from the harsh rays of the sun.

Color-coordinated Design Options
Bufftech vinyl fence comes in a variety of colors designed to match Certainteed vinyl siding and trim products, so you can coordinate the color of your fence with your home exterior.

Outstanding Warranty Protection
All Bufftech fence products are backed by a lifetime limited transferable warranty with exclusive SureStart™ protection, which covers warrantied repair and replacement costs for five years after installation.

100 Years of Quality Products
Bufftech fence is proudly made in the U.S.A. by CertainTeed Corporation, a trusted name in building products for more than a century. Since 1904, CertainTeed has earned a reputation among homeowners and building professionals alike as a respected manufacturer of high-quality building materials.

Creating the outdoor space of your dreams begins with Bufftech® premium vinyl fence. Beautiful, durable and virtually maintenance free, Bufftech fence systems and accessories come in a wide array of styles, colors and textures, making it easy to create a look that complements your personality and lifestyle.

How Does the Competition Stack Up?
Bufftech premium vinyl fence provides performance features that far surpass other fence materials. Below is a list that compares the features most important to you with what other fence product offers.

### Performance Features
- Limited transferable warranty
- Parts and labor warranty
- Dark color fade protection
- High-quality raw materials
- Self-extinguishing
- Easy to assemble
- Meets ASTM standards
- Building code compliant
- Won’t rot or support mold growth
- Won’t chip, peel, crack or splinter
- Parts and labor warranty
- Never needs painting or staining
- Lightweight pickets
- Concealed fasteners
- No harmful chemicals
- Impervious to termites/wood-boring insects
- Natural wood fencing, while our CertaGrain™ fence offers an innovative alternative to traditional stucco walls. Bufftech is the only vinyl fence manufacturer to offer ColorLast™ dark color fade protection, an acrylic formulation that provides superior protection from the harsh rays of the sun.

Colors throughout this brochure are simulated. Consult product samples before making final selection.

- Heights: 7' & 6' plus 1' 4" Accent
- Colors: White & Tan
- Picket Style: 7/8" x 7" Tongue & Groove

**Beauty that lasts**

Bufftech vinyl fencing is a beautiful, long-lasting alternative to wood fencing. Wood fences require painting or staining every few years to maintain the fence’s appearance and to protect the wood from weathering. Bufftech fence won’t warp, rot, splinter, peel or blister like wood, and it never needs sanding, staining or painting. Years from now, a Bufftech fence will look as beautiful as it did on the day it was installed.

Bufftech fencing offers a realistic woodgrain texture and rich, authentic shades that replicate the look of natural wood without the maintenance.

Traditional stucco styling in an economical, easy-care design

available in CertaStucco™ texture:

Mission Ivory  Almond

Chesterfield with CertaStucco™ Texture
Heights: 4', 5' & 6'
Colors: Mission Ivory & Almond
Picket Style: 7/8" x 7"
Tongue & Groove

CertaStucco™ fence is Bufftech’s innovative alternative to traditional stucco walls. Designed to coordinate with a variety of wall surfaces and stucco styles, CertaStucco won’t crumble, peel, chip or crack due to settlement, or stain like traditional stucco. Plus, it eliminates the time-consuming, costly task of digging a foundation and finishing the wall.

ACCESSORIES
Distinctive details for the perfect finishing touch

High Performance Nylon Gate Hardware Kits
Versatile and virtually maintenance free, our premium nylon gate hardware offers key lockable latches, self-closing hinges and contoured gate handles. Available in Black.

Stainless Steel Hardware Coordinating Hinges and Caps
Bufftech offers an aluminum post cap with a textured decorative finish that can be combined with our New England cap and coordinates with gate hardware.* Offered in 4" x 4" and 5" x 5" sizes.

*Decorative cap and New England cap sold separately.

Give your gate the old-world look of wrought iron with our rugged, rust-free stainless steel gate hardware. The hardware includes hinge, strike and latch and is available in two decorative finishes: Black Pebble and Bronze Pebble.

Matching Gates
Beautiful, durable Bufftech vinyl gates offer easy installation and great performance. The perfect complement to Bufftech vinyl fence, our premium vinyl gates feature sturdy construction and the highest quality hardware in the industry.

Bufftech gates feature a heavy-duty internal aluminum frame for sturdy construction that's built to last and stainless steel fasteners to prevent corrosion. Our pre-assembled privacy gate offering has been expanded to handle a wider range of gate openings. Choose from unassembled gate kits or pre-assembled gates that ship ready to install. The aluminum post insert adds strength and simplifies installation.

Post & Rail with Smooth Finish

Safe for Horses
Bufftech’s post & rail fencing provides a safe, reliable enclosure for horses and other livestock. Available with CertaGrain® texture, our post & rail fence offers the authentic look of painted wood fencing with the durability, low maintenance and proven performance of Bufftech’s premium vinyl design.

2-rail and Crossbuck styles are recommended for decorative purposes only.
The Bufftech advantage

Thanks to state-of-the-art vinyl technology, Bufftech’s premium vinyl fence is engineered to last. The weather-resistant vinyl construction won’t corrode, peel, flake or discolor. Our innovative co-extrusion process offers increased durability and UV protection, while precision pre-routed posts reinforce, and reinforce, all Bufftech products are backed by an outstanding lifetime limited warranty.

Routed Rails

- Fence section can be raked to follow the slope of the terrain
- Precision routed for a clean, professional finish
- Ensures a safe, secure picket attachment with no unsightly glue or screws

Routed Fence Post

- Superior aesthetics to unsightly brackets and screws
- A more secure connection that allows for thermal expansion season after season

Heavyweight Pickets

- Provide superior impact strength and resist the warping and oil canning found in flat panel fence
- Offering includes both profile and tongue & groove designs

Reinforced Bottom Rail

- Eliminates sagging and bowing, producing a stronger fence
- Hour-glass design grips the end of pickets to add stiffness

*Offered with privacy, semi-private, classic and contemporary fence and Danbury/Rothbury traditional picket styles.
