### STATE CHAMPION

The team with the highest region finish will host. If two teams have the same region finish, the brackets will determine the host.

Williams Brice, Columbia
Class AAA Football Point System

A. Schools must maximize points on the point system.

B. Tie Breaking Procedure: In case the point system does not gain a solution, the following will be used to seed teams.

1. If two teams are tied in the point system and the two teams played, the head-to-head winner will get the top seed. If there is a three-way tie and one team beats the other two teams, the winner will get the top seed. Also, if there are more teams tied for a particular seed, the point system will be used to seed the team. Seeds will be filled one at a time and the process will start back at the top of the point system.

2. The team whose opponents have the most victories (all games except mark off).

3. The team whose opponents have the fewest defeats (all games except mark off) will receive the top seeding.

4. Start back at the first step of the point system but include the mark off game. In a situation where the two teams have played a different number of games (11 or 10), the team playing eleven games will include the one mark off that maximizes points. If both teams played the same number of games, then all mark offs will be added back before totaling points. Only allowed one mark off game.

C. If not resolved by above method, it will be resolved by a coin toss supervised by the Football Committee. (ref. page 3)
Class AAA Play-off

- 52 Teams - 28 in upper state and 24 in lower state
- 17 teams from upper state (60.7%) 14 auto and 3 at-large, 15 from lower state (62.5%) 12 auto and 3 at-large
- 50% of each region is an automatic for the play-offs - 14 in upper (4, 4, 3, 3) and 12 in lower (3, 3, 3, 3) - 26 automatic qualifiers
- Regions 1 and 2 would qualify 4 because of the 8 team regions
- 3 at-large qualifiers from both the upper and lower state using points system
- 3 upper state qualifiers will come from the 5th place teams in regions 1 and 2 and 4th place teams from regions 3 and 4
- 3 lower state qualifiers will come from 4th place teams form regions 5, 6, 7, and 8
- This allows the final at-large spots to be determined by play
- Teams 15 and 16 would be in the upper bracket and the 17th upper state team (by points order) would be put in the lower state bracket - the 17th team could go in as #16 or could be added to the other 3 lower state at-large teams and ordered from there on points
- Nothing else changes from a play-off perspective - one champion from the upper and lower state winners
- Marry regions in the first round just like we do now
- If 4th place team in Region 4 goes to play-offs, they will automatically go and fill empty 4th place slot in the lower state
- Whoever is the 17th point recipient will go to the lower state if Region 4 is not in the play-offs
- If above happens, teams 15 and 16 Region 1 team will go to the 4th place in Region 3 and Region 2 team will go as Region 4

GOLF REGULATIONS

I. General Rules
   A. The Rules of Golf, as approved by The United States Golf Association (USGA), will govern all play except where modified by local course rules.
      NOTE: "A penalty imposed by a Rule of Golf shall not be waived by a local rule."
   B. A match shall consist of no less than nine (9) holes.
   C. A team shall consist of five (5) players (score the lowest four).
   D. Golf Teams are limited to sixteen (16) varsity matches and twelve (12) junior varsity matches including invitational tournaments.
   E. Caddies, electric or motorized carts are not permitted, but "hand carts" may be used.
      NOTE: A request to waive this regulation must be approved by the AAA principals prior to the event.
   F. Practice between holes is prohibited. (Two stroke penalty).
   G. Throwing of clubs on a course is prohibited. (Two stroke penalty).
   H. A coach may converse with or advise his player as the player walks from the green to the next tee. The player must be ready to continue play at the appropriate time. Violation of the rule will result in a one-stroke penalty for slow play.
   I. Scoring
      1. Regular Season. - A total of the four low players' scores will comprise the team score.
      2. Tournament - For each eighteen holes or part played, the total of the four low players' scores will comprise the team's score for that round. The team's score for a tournament will be the sum of all rounds or parts played.
      3. Score Cards - Must be totaled, signed and attested. Each player is responsible for his hole-by-hole score. If he gives a score over what he made on the hole, the score will stand as recorded. If he gives a score lower than he made, he will be disqualified. Under no circumstances should a player keep his own card. The player (competitor) is solely responsible for the correctness of the score recorded for each hole.
   J. Breaking Ties
      1. Teams tied for a position (Champion or runner-up) will be resolved by a sudden death stroke play-off by the four low players of the last eighteen holes of play. This will begin on the first tee or on a tee as designated by the Committee (person or persons responsible for the tournament), with all four players teeing-off in the same group, beginning with the number four player and progressing in order to the number one player.
      2. Individuals tied for a position (1st, 2nd, 3rd) will be resolved in the same manner.
   K. Postponement / Cancellation
      1. Match Play - In the event a match cannot be completed (nine holes) it must be replayed in its entirety or cancelled.
2. Tournament - In the event play has to be stopped, all players will mark their ball in an appropriate manner where play is suspended. If play cannot continue the same day, the round will begin from the beginning the next day. If play cannot begin again, the score will revert to the one-half round that has been completed by all players. All tournaments will be at least eighteen holes.

L. Post - Season Play
   1. After qualifying deadline, only schools that have qualified for the AAA State Golf Tournament and have not satisfied the sixteen match limit (see part D) can continue to compete against other schools in match play.
   2. It is strongly suggested that players carry a USGA Rules Book in their golf bag and use it whenever a question arises. Knowing the Rules may enable a player to not only avoid penalties, but also save strokes.
   3. The host school for the Girls & Boys State Championships will participate in State even if they do not qualify through the upper or lower qualifiers.

II. Boys Golf

The top 8 teams from the upper state and lower state tournaments will qualify for the state tournament. The top 3 individuals from non-qualifying teams will qualify for the state tournament. New Individual Automatic Qualifying time (AQT) = \([ \text{AQT} \times 5 + (20^{th} \text{ place time} - 0.1 \text{sec}) ] / 6\)

New Relay Automatic Qualifying time (AQT) = \([ \text{AQT} \times 5 + (10^{th} \text{ place time} - 0.1 \text{ sec}) ] / 6\)

Consideration time (CT) = AQT \times 1.08

If there are not 20 swimmers or 10 relays in an event, then the AQT remains the same for the next year.
XI. In the State Championship Meet, each team shall be permitted a maximum of four entries in an individual event and one team in a relay event. Each swimmer may enter a maximum of four events, no more than two of which may be individual events. All teams are required to submit the names of relay swimmers with their entries for the State Championship meet (as many as 8 swimmers per relay may be submitted). Entries should be submitted using a team management software, using a USA Swimming Standard Data Interchange (SD3) or compatible format. For teams that do not have a team management program, Team Manager Lite can be downloaded for free from www.hy-tekltd.com.

State meet entries should be submitted by Sunday, October 4 by 9:00 pm by going to www.sportstiming.com/schss. Select the Enter State Meet Link and follow the directions. You will receive an automated response once your entries have been submitted.

XII. ORDER AND NUMBERING OF EVENTS

The following order and numbering of events shall be used in all SCHSL-sanctioned meets. All Championship meets will be swum in yards; the 400-meter freestyle event should be swum instead of 500-meter freestyle in meter pools.

XIII. CERTIFICATION OF OFFICIAL TIMES FOR STATE CHAMPIONSHIP MEET ENTRY

a. Manual timing. Official manual times for entry into the SCHSL State Championship Meet are determined by using three stopwatches per lane. Backup stopwatches may be used in case of watch or timer malfunction. When three watches record different times, the official time is the middle time. When two watches record the same time, that time is the official time. The digits representing thousandths of a second shall be dropped with no rounding.

In the case of watch or timer malfunction, the following procedure should be followed:

i. All manually-timed meets must be set up with three stopwatches per lane and with the intention to record three watch times per swim. This is the primary timing system for a manually-timed meet. If three good watch times are recorded then the official time is the middle time, not the average of the three. A “good” watch time is defined as a time recorded by a timer properly positioned at the finish end of the lane.

ii. In case of a malfunction of one of the stopwatches (either through timer error or watch malfunction) then a backup watch from the head timer should be used to time the swim to get three good times.

iii. In case of a malfunction, and when the head timer with a backup watch is not able to provide a third time for a swim, the following procedure should be followed:

a. If only two good watch times are available, then the average (NFHS Swimming Rule 6.2.2) of the two watch times should be recorded as the official time.
b. The only time that two watch times should be used is in case of a malfunction. Two watch times should be the exception, not the rule.

b. **Automatic (Electronic) timing.** Official time is the pad time computed to the hundredth of a second. If there is a malfunction of the automatic system, backup times shall be integrated according to NFHS Rules 6-2-3 and 6-2-4.

c. **Meter times.** Meter times will be converted (for posting and State Meet entries) as specified in the current NFHS Swimming and Diving and Water Polo Rules Book conversion chart

d. **Certified times for State Championship Meet.** Official qualification times for entry into the State Championship Meet are certified yard or converted meter times from regular season meets that appear on the Easyware website (SCHSL SWIMMING LINK). Meet results must be verified and signed by the meet referee and a coach from each participating school. Each team must keep copies of certified meet results in case validation of entry times is required. Raw times must be submitted to the Easyware website according to the instructions in Section 13.e by the earlier of the two following deadlines:
   1. within 3 days following a regular season meet, or
   2. 24 hours before the entry deadline for the State Championship meet

e. **Submission of Certified Times.** Host team of each meet must send a COMPLETE MEET BACKUP and a Standard Data Interchange export file of the results (SD3 or CL2) within 3 days of the completion of the meet using Swim Meet Management Software. Email the following to HighSchool.Results@sportstiming.com.

   Teams must be designated using the standard 3-letter high school abbreviations listed in AD Notebook on the League website.

   **DO NOT CONVERT TIMES** before submitting - those using the spreadsheet will have times converted by Sports Timing & Software, Inc.

   Times will be posted in rank order www.sportstiming.com. It is each coach's responsibility to check this site to be sure that the listing is accurate and to promptly report any errors to HighSchool.Results@sportstiming.com

f. **State Meet entry times.** The times posted on the Easyware website are the official entry times for the State Meet

**XIV. STATE MEET ENTRY PROCEDURES**

a. State Meet entries must use the standard 3-letter high school abbreviation listed on League Website under AD Notebook.

b. State Meet entry procedures will be emailed to the Athletic Director each school.

c. State Meet entries must be received by 9:00 pm on the Sunday preceding the State Meet.
