LAWYER REFERRAL SERVICE
1-800-661-1095 www.lawsociety.ab.ca
The Lawyer Referral service is a program operated by the Law Society to assist members of the public in finding a lawyer. It is an information service and is not connected with Legal Aid - nor does it provide any form of financially subsidized legal service. After being advised of the nature of the problem, or the area of law concerned, a Lawyer Referral Operator will give the names and telephone numbers of three lawyers practising in the applicable field of law. The member of the public can then make an appointment with one, two, or all three of those lawyers, advising that they were referred by Lawyer Referral.

W.M. Craig came from a family of Quebec merchants and arrived in Olds in 1898. He opened “W.M. Craig and Co.” dry goods store and over the next years expanded his business with the help of his three brothers who followed him to Alberta.

The W.M. Craig Residence was built in 1905 and features a Queen Anne style of architecture indicated by the octagonal two-storey tower and steeply pitched roof. Its size and elegance indicates the prosperity of the community and the influence of business and entrepreneurs on the local economy.

Mr. Craig was active in the business, social and religious life of the community. He was the first chairman of the Methodist Church Board of Trustees (which became the United Church of Canada in 1925). In 1900, he donated $100.00 towards the church building fund. He remained on the church board and saw the original small church moved across the street in 1911 in order for a new building to be erected.
