Living Stewardship
BE QUICK ABOUT IT
Jesus tells the story of a rich man’s manager, about to be dismissed for careless inefficiency. This steward acts promptly to ingratiate himself with his master’s debtors so that they will owe him favors when he is unemployed. The master compliments him, knowing that the new promissory notes reflect the actual debts minus what the steward added for himself. The master, too, is dishonest because he permitted the graft. Jesus asks us – “the children of light” (Luke 16:8) – to be as sharp-witted and quick to act as these dishonest men with what God entrusts to us, whether property, abilities, money, health, or life itself. Jesus praises the steward’s method, not his purpose, and points out that the real enemy of discipleship is laziness – constant postponing of full commitment to the life of faith and what that calls us to be and do. Imagine if we all began right now to use the blessings of God to build the kingdom!
