TRICARE for Life Electronic Funds Transfer (EFT) Authorization Form

**ATTACH this cover page/sheet with the appropriate option marked, then mail together with the EFT form attached.**

TRICARE for Life (TFL) serves as TRICARE’s Medicare-wraparound coverage available to all Medicare-eligible TRICARE beneficiaries, regardless of age, provided they have Medicare Parts A and B. WPS encourages your office to take advantage of the benefits that EFT offers.

By enrolling in TFL Electronic Funds Transfer (EFT):

- You will receive quicker payment for services provided to TFL beneficiaries.
- Funds will be deposited directly to your checking or savings account.
- The paper check is replaced eliminating potential delay and inconsistencies with mail procedures.
- Your paper Explanation of Benefits (EOB) will no longer be mailed 45 days after your EFT becomes effective.
- WPS will complete the pre-note process with your bank to ensure a problem-free conversion to EFT for your office once this completed agreement form is received.

Select the option which best fits your office:

Tricare for Life providers are currently not required to submit claims electronically in order to receive ERA and/or EFT. Most of the Tricare for Life claims are electronically crossed from Medicare; however, some are not, such as the beneficiary having a Medicare Advantage Plan. Also, some practice management systems/software requires claim submission in certain situations (i.e. if claim payments are not received within a certain number of days etc.) When these situations occur, WPS encourages you to take advantage of the benefits of electronic claim submission.

I hereby authorize the financial institution named in Part III, above (hereinafter the “Depository”), to credit and/or debit the Account.

PROVIDER AGREEMENT FOR TRANSMISSION OF
ELECTRONIC MEDIA TRICARE TRANSACTIONS TO
WISCONSIN PHYSICIANS SERVICE INSURANCE CORPORATION

This Provider Agreement for Transmission of Electronic Media TRICARE Transactions to Wisconsin Physicians Service Insurance Corporation (this “Agreement”) is entered into between the undersigned health care provider (“Provider”) and Wisconsin Physicians Service Insurance Corporation (“WPS”) and is effective as of the last date it is signed below.

Provider acknowledges that WPS has entered into a subcontract with a TRICARE Managed Care Support Contractor (the “Contractor”) and that the terms and conditions set forth below are necessary for the electronic transmission and submission by Provider and WPS of health care transactions with respect to the U.S. Department of Defense TRICARE program.

1. In submitting electronic transactions, Provider will follow the specifications required by the most current version named under the HIPAA Transactions and Code Sets rules.

2. For claim transactions, Provider agrees that each and every claim submitted via electronic media, for all legal and other purposes, will be considered to be signed by Provider or Provider's authorized representative.

3. For claim transactions, Provider agrees to maintain a patient signature file. Provider understands WPS may validate through file audits those claims submitted via electronic media which are included in any quality control or sampling method requested by WPS. Provider understands that if no signed authorization is on file, an authorization must be obtained by the Provider from the patient prior to electronic submission to WPS.

4. Provider acknowledges that WPS shall have no obligation with respect to the content of the information in claims to verify, check or otherwise inspect the information supplied by Provider. Provider further acknowledges that the Contractor is solely responsible for determining the completeness, accuracy and validity of the information and claims and that source documents for claims data are the responsibility of Provider.

5. WPS may apply edits as defined in the X12 ASC Implementation Guide or the WPS-TRICARE Companion Guide against any transaction. Provider understands that WPS will accept all valid transactions which meet such edit requirements and return errant transactions for correction.

6. This Agreement will terminate automatically at the termination of WPS' subcontract with the Contractor.

7. All notices under this Agreement and correspondence with WPS on technical systems matters shall be sent by Provider to:

Wisconsin Physicians Service
Electronic Data Services
P.O. Box 8128
Madison, Wisconsin 53708-8128

8. This Agreement may not be modified or changed orally. All modifications must be in writing signed by both parties and must be consistent with WPS' obligations under its subcontract with the Contractor and with applicable federal law.
9. This Agreement shall be binding upon the successors or assigns of the parties. However, it shall not be assigned by either party without the written consent of the other party; such approval shall not be withheld unreasonably.

10. It is agreed that the relationship of the parties is that of independent contractors. Neither party is acting as the agent, partner or employee of the other party.

11. By executing this Agreement below, the parties agree to all of the terms and conditions of the Agreement. Provider further agrees to begin to transmit claims electronically to WPS only after Provider has received a written notice from WPS stating permission to do so has been granted.
