NOTES AND INSTRUCTIONS

Please read these notes and instructions carefully before completing this form. Be sure to read every section and that the information you provide is accurate.

1 Application forms that are incomplete will be disregarded. Please ensure that you attach proof of academic results, current Matriculants do not need to provide preliminary results – final Grade 11 will suffice. The earlier you apply the better your chances.

2 Bursaries will only be allocated for next year.

3 You must supply all the information requested, or explain why you cannot provide it.

4 Applicants applying for bursaries with less than an achievement level of 6 in Mathematics and Science will not be considered for Engineering / Geology and Science degrees and a minimum achievement level of 6 for mathematics is required for accounting degrees. Mathematics literacy will not be accepted.

5 Do not send original documents, please attach copies.

6 Please note that as all our bursaries/scholarships are dependent on our client companies’ future manpower requirements, we do not always have bursaries for all disciplines. As this situation differs from year to year, we would advise you to re-apply the following year should you be regretted for this reason.

7 A passport size photograph of the applicant must be attached to the top right-hand of the front page.

8 Kindly fill in your name, postal address and postal code in the panel at the bottom of the front page.

9 Please fill in both your parents/guardians occupations so that we can evaluate your financial need level.

10 Please make sure you supply us with a currently operational email address in the necessary column so we can communicate to you.

11 It is your responsibility to apply for entrance to university and for other options for financial support. We recommend that you apply to at least two universities and for many funding options/bursaries.

FOR YOUR INFORMATION WE WISH TO ADVISE YOU THAT OUR SELECTION PROCESS ON ACCEPTANCE OF YOUR APPLICATION CONSISTS OF TWO INTERVIEWS.
