FROM: Mark A. Stankiewicz
      WIA Program Manager
SUBJECT: Change in CT DOL Notification of US DOL ETA Advisories

This Unit has had a practice of issuing CT DOL WIA Unit memoranda to you whenever the United States Department of Labor’s Employment and Training Administration (US DOL ETA) issues Advisories such as TEGLs (Training and Employment Guidance Letters) and TENs (Training and Employment Notices) on various topics and policies affecting the WIA Program.

Our new policy is:
1. We will only **forward** the ETA’s own Advisory emails, using the usual e-mail listserve we already utilize.
2. We will only **issue CT DOL Memoranda** (AP Administrative Policy) if the ETA issues a TEGL or TEN (or TEGL Change or TEN Change) which either:
   a. affects existing WIA policy or
   b. implements new WIA policy.

Please use the following resources to subscribe to the ETA’s automatic e-notification system as well as to access the ETA’s Library of Advisories.
