MISSION’S CONTEXT

Founded in 1882 at Healdsburg, California, Pacific Union College moved in 1909 to its current location in Angwin, a former health-resort town that overlooks the renowned Napa Valley, about 70 miles north of San Francisco. With 1,000 acres of forested and agricultural land and 30 miles of on-campus trails, this environment is both breath-taking and conducive to learning. There is unmistakable evidence that, for more than 100 years, this setting has successfully nurtured students. PUC students score very high in national test scores, and the admission rate into professional programs is also high. What’s more, PUC students benefit from one of the most culturally diverse campuses in the nation, according to U.S. News & World Report. The College’s motto, “Where Nature and Revelation Unite in Education,” captures these strengths.

The College offers over 50 associate and bachelor degrees and one graduate degree. Several off-campus adult programs demonstrate the College’s commitment to the educational needs of the broader community. Pacific Union College has chosen to keep the name “college” rather than to change to a “university,” because “college” signifies our primary focus on teaching in a learning community where the student is the only reason for the institution’s existence. Excellence is a goal in all academic offerings. The College is especially known for its strong pre-medical and pre-dental programs. An important ongoing objective is to prepare graduates for careers in the church and in the broader world of work as lay persons.

The core values driving this mission include a continuing search for truth, excellence, integrity in human relationships, and dedication to Christian witness, service, and community. While offering many professional programs, the College focuses on the importance of the broad range of liberal arts through a program of rigorous general education requirements that are part of a student’s preparation for life beyond a specific vocation. These programs center around a Christian world view by integrating faith and learning. They also teach critical analysis and create conversations in which the learning community may discern which understandings of the world are better, may practice the skills of appropriate persuasion, and may cultivate the disposition to do good. The College’s seal containing the phrase from John 6:45—"They shall be all taught of God"—summarizes a major purpose. The words of Ellen White, one of the College’s founders, from 120 years ago, enjoin us to produce “thinkers, not mere reflectors of other people’s thoughts”; and these words remain a constant ideal.

Adventist education focuses on the whole person, emphasizing the importance of helping students improve their mental, physical, social, and spiritual life as they serve their fellow human beings. Part of this effort includes an emphasis on art, music, and intramural/intercollegiate sports/recreation. The College concentrates on enabling students to explore and create personal value systems in an independent setting, surrounded by loving Christian adults and peers. The joy of Christian relationships is deliberately cultivated as an essential aspect of truly successful education. The result of this open exploration is committed church members and reflective spiritual individuals who continue to serve others as witnesses to Jesus Christ.
INSTITUTIONAL STUDENT LEARNING OUTCOMES

The Academic Program and General Education Outcomes, together with these Institutional Student Learning Outcomes, comprise a Christian liberal arts education at Pacific Union College.

“Joyful is the person who finds wisdom, the one who gains understanding” (Proverbs 3:13)

Wholeness: PUC graduates will make mature, independent choices integrating the needs of body, mind, and spirit.

Integrity: PUC graduates will live lives based on the highest ethical standards.

Service and Stewardship: PUC graduates will practice the Biblical imperatives to serve humanity, resist injustice, and care for the created world.

Diversity: PUC graduates will value and learn from diversity.

Our Adventist Heritage: PUC graduates will understand and value the major tenets of Seventh-day Adventist Christian thought, including the blessing and significance of the Sabbath.

Maintaining Lifelong Learning: PUC graduates will continue to practice the intellectual skills and curiosity necessary to learn and grow creatively through out life.

STUDENT LIFE AGREEMENT

Pacific Union College is a Christian liberal arts college sponsored by the Seventh-day Adventist Church. Students seeking an education in Pacific Union College’s environment have a responsibility to help preserve the essential qualities that make the College distinctive.

The College desires for its students to become experienced at making personal decisions based on Seventh-day Adventist principles of Christian living. By choosing to enroll at PUC, students are expressing a willingness to make decisions which are guided by the following principles:

1. To seek truth and to consider the Bible as life’s ultimate guidebook.
2. To participate actively in a lifestyle which includes personal devotions, group worship and service to others.
3. To deal honestly in all aspects of life.
4. To maintain high standards of taste and decency in conduct, expression and citizenship.
5. To respect the property, personal dignity, time, and right to privacy of others.
6. To treat others with graciousness, demonstrating tolerance for diversity.
7. To maintain a lifestyle of moral purity.
8. To value and pursue a healthful lifestyle, including good nutrition, regular exercise and adequate rest. (The use of alcohol, tobacco, illegal drugs or the misuse of prescription drugs is not acceptable.)
9. To dress modestly, appropriately and in good taste.
10. To develop an appreciation for great art, music and literature.
11. To help others fulfill their student life agreement.
12. To faithfully abide by PUC’s policies, understanding that failure to do so may result in withdrawal from PUC.

By enrolling in PUC, students understand that Pacific Union College is a unique, Christian institution. Students attend PUC of their own free will, and choose to live by its principles and support its doctrines both on and off campus.

**STUDENT ASSOCIATION PUBLICATION GUIDELINES**

Guidelines for Student Association-affiliated materials are provided so that students, in preparing any material for distribution and publication, can ensure that the contents of those materials will be consistent with the basic aims and endeavors of Pacific Union College. Students or student organizations preparing any material that fall under the umbrella of Student Association should be aware of and must conform to the following guidelines, which also apply to all statements, pictures, and illustrations in such material. In addition to the general publication guidelines, specific guidelines are available for each SA publication.

**GENERAL PUBLICATION GUIDELINES**

1. Pacific Union College is a Christian institution committed to academic excellence in an atmosphere of freedom. Student Association publications may responsibly discuss any issue so long as the basic principles of the Christian or Seventh-day Adventist faith are not denigrated or defamed.

2. Statements may responsibly discuss Pacific Union College policies, stating both supporting and contrary views, provided that criticism meets high journalistic standards and does not defame or attack any individual or attempt to incite defiance of or disobedience to any College policy or regulation.

3. Statements shall not be directed toward inciting defiance or disobedience of federal, state, or local laws or the promotion of civil disorder.

4. Statements, photographs, or illustrations shall not be profane, indecent, or pornographic.

5. The intellectual and/or aesthetic content of Pacific Union College Student Association publications shall be consistent with the standards that one would expect in a serious intellectual or academic environment.

6. No statements shall advertise the sale or use of alcohol, tobacco products, or illegal drugs.

**STUDENT LEADERSHIP**

Student leadership is valued at Pacific Union College. The College provides opportunities which facilitate student leadership learning experiences. Student leaders are encouraged to become club officers, Student Association officers, campus ministries directors, student senators, and more to not only become closely connected with their campus community, but also to develop an awareness of the leader's role and responsibilities to that community.
ACADEMIC PROGRAM

Pacific Union College is a Christian liberal arts institution of higher education offering studies and activities designed to promote the harmonious development of each student—spiritually, mentally, socially and physically.

Through religious services, classroom instruction, and a varied program of social and cultural activities, the College seeks to assist in the development of both character and intellect.

Character as a code of moral and spiritual values, and intellect as the tool of reason, are integrated in the learning experience in order to provide a firm base for effective, ongoing contributions to the church and society.

In essence, the College seeks to:

• Promote the development of values and a personal philosophy of life as an outgrowth of commitment to the Christian faith.
• Stimulate intellectual curiosity essential to the discovery of truth.
• Encourage creativity in thought and expression.
• Demonstrate that learning is both discipline and pleasure and that meaningful, lasting benefits accrue to those who throughout life continue to experience the satisfaction of learning.
• Introduce students to the great body of knowledge by which people understand and relate to their physical and social environments.
• Develop certain basic skills and abilities that contribute to satisfactory social and occupational relationships.

ACADEMIC INTEGRITY

Academic integrity is highly valued and is expected. Academic dishonesty is an extremely serious offense and is cause for disciplinary action. Students involved in cheating, plagiarizing, fabrication, multiple submissions, abuse of academic materials, deception, misrepresentation, electronic dishonesty, and other types of academic dishonesty, including production of materials for other students, are ordinarily subject to dismissal from the course with a failing grade.

Situations involving academic dishonesty are dealt with by the instructor of the course in consultation with the department chair. A record of any verified instance of dishonesty is forwarded to the academic dean and is kept in the student’s personal file. Whenever such filing occurs, the student involved is notified. Established appeal and grievance procedures provide the student with the opportunity to respond to the situation. A pattern of serious or habitual dishonesty is dealt with by the academic dean and may result in failing grades and/or dismissal from the College.

CODE OF ACADEMIC INTEGRITY

Integrity is expected of every student in all academic work. The guiding principle of academic integrity is that the work one presents as one’s own is one’s own.

Students shall not violate the Code of Academic Integrity and shall avoid situations likely to compromise academic integrity. Students shall observe the provisions of the Code of Academic Integrity whether or not faculty members establish special rules of integrity for particular courses. Failure of faculty to prevent academic dishonesty does not excuse students from compliance with the Code.

Those who engage in academic dishonesty diminish the quality and value of their education and bring discredit to the academic community.

See the General Catalog or view the web page www.puc.edu/catalog for further details on categories of academic dishonesty and procedures for addressing academic dishonesty.
ADVENTIST COLLEGES ABROAD

The Adventist Colleges Abroad (ACA) consortium provides opportunities to qualified undergraduate students for study in other countries while completing requirements of their programs at their home colleges. Students are immersed in the culture and life of another country while becoming conversant in its language. Through such experiences students also may gain an appreciation of and perhaps an inspiration for mission or other multicultural service.

The following countries have affiliates of ACA: Argentina, Austria, Brazil, France, Germany, Greece, Italy, Japan, Mexico, Spain, Thailand, and the Ukraine. For additional information about ACA Programs, see the General Catalog, call 965-6425 or 965-6510, or visit www.aca-noborders.org.

ADVISING

A student is assigned an academic advisor from the major field noted on his or her application. Students may learn who their advisor is by checking the listing on Lantern or by calling the Records Office at 965-6676. Advisors guide students through orientation, registration, the freshman year, and beyond. Students are to work actively with their advisor in planning academic programs and schedules. See the General Catalog.

If a student needs to change from one advisor to another, the Records Office will help assign a new advisor.

CHANGE OF MAJOR

Students are not locked into a major. For a change of major, obtain a “Change of Major” request form from the Records Office or download it from www.puc.edu/records-forms.

REMEMBER, THE ACADEMIC ADVISOR IS ONLY A GUIDE

Ultimately, students have to make the choices. Which courses should be taken? How many credit hours should be taken each quarter? Should physiology or golf be taken?

The academic advisor is committed to helping students chart a course (and keep to it) throughout their stay at PUC. However, responsibility to take the right courses at the right times rests on the student's shoulders.

It is the Advisor’s Responsibility to:

1. Give advice on the student's academic program and schedule.
2. Direct students to the appropriate campus services.
3. Be available during scheduled advising office hours, by e-mail, or phone mail.
4. Monitor the student's progress.

It is the Student’s Responsibility to:

1. Understand the General Catalog as it relates to them.
2. Build good class schedules.
3. Add or drop courses.
4. Maintain their academic program.
5. Schedule and keep appointments with their academic advisor, especially if the student is having difficulties.
6. Choose educational and career goals that correspond with their abilities and interests.
7. Make reasonable commitments of their time.
8. Stay on track toward their goals.

To help students plan their academic career, the PUC General Catalog and Class Schedule should be read thoroughly.
BOOKSTORE
Located in Angwin Plaza, 965-6271

The Bookstore accepts VISA, MasterCard, Discover, and personal checks (or a parent’s check if the student and parent have the same last name. Two ID’s are required when paying with a check of this kind.) No cash-back services are available.

The Bookstore recommends that students register for classes before purchasing textbooks. Popular classes fill up quickly, which means plans may change and different books will be needed.

STOLEN BOOKS
For missing books, submit a “Missing Book Report” at the College Bookstore with as much identifying information as possible. If the book shows up during the Textbook Buyback Week, it can be traced.

USED TEXTBOOK BUYBACK
Used Textbook Buyback takes place during final exam week. The Bookstore will pay 50% of the price paid for textbooks purchased at the Bookstore if they will be used the next quarter. Attention: RECEIPTS MUST BE SAVED! If the book is not listed for the next quarter, the buyer may offer a wholesale price. Books purchased from other sources or without receipts may also be sold at this time at wholesale price. PUC ID is required.

CAMPUS COLLOQUY
The entire College family including students, faculty and staff will gather at a required weekly Thursday Campus Colloquy in order to worship God and to create community and unity across a diverse group of individuals. This time together enables the College to promote essential core values through expressions of faith and scholarship, of praise, of serious application in addressing life’s challenges and choices, and of student leadership opportunities. In a society known for its focus on individualism, the weekly Campus Colloquy attempts to create a Christian community of student and adult scholars. In order for this goal to be accomplished, all campus offices are closed during this time.

All full-time undergraduate students are automatically registered for the course GNRL 100 Campus Colloquy, worth 0.1 units each quarter. Attending at least six meetings each quarter earns a grade of S; failure to attend six meetings results in an F grade, which lowers the grade point average. These grades appear on the College transcript. Additionally, Campus Colloquy attendance accumulates into your weekly participation expectation after six Colloquy attendances have been recorded.
Proration of Campus Colloquy will be considered on the basis of class or work schedule conflicts. Students requesting proration on the basis of work conflicts must submit a letter from their employer listing the student's weekly work hours to Student Services. Proration forms may be obtained online at www.puc.edu/participation or at Student Services.

**GENERAL CATALOG**

The General Catalog describes the academic programs at the College and defines the requirements students must meet to achieve their academic goals. Though students will have the assistance of an academic advisor in working out their course of study, students have the ultimate responsibility for meeting the requirements of the program they have chosen.

The General Catalog also gives an overview of College policies and regulations. Every student is responsible for knowing the information presented in the General Catalog. Copies are available in the Records Office, or visit online at www.puc.edu/catalog.

**HONORS PROGRAM**

The Honors Program offers academically motivated students an alternative General Education curriculum and is built around the study of the great works of world culture. Honors students explore central themes in the sciences and liberal arts through discussion of works ranging from Homer's Odyssey to Mozart's Requiem, from the Analects of Confucius to Emily Dickinson's poetry, from the Bible to the Dialogues of Galileo. All honors courses are interdisciplinary, discussion-oriented seminars in which students and teachers engage in collaborative learning.

**LIBRARY**

The W. E. Nelson Memorial Library provides both print and nonprint educational materials and electronic databases for the use of students and faculty. Library holdings include 369,763 items and a current subscription list of 578 periodicals. The Library has close to 70 electronic databases with 30,000 full text sources. The 40,715 item media collection includes slides, tapes, filmstrips, motion-picture films, videotapes, transparencies, recordings, musical scores, and other media. TEACHING AND LEARNING CENTER
Located in the building just north of the Dining Commons, 965-7688

The Teaching and Learning Center (TLC) is dedicated to helping PUC students develop their abilities for a successful college experience. TLC services include free group tutoring, academic advising for undeclared students, academic mentoring, and courses designed to help students develop effective learning strategies. For more information, visit www.puc.edu/tlc.

TUTORING
Group tutoring is available to all PUC students and can often significantly improve academic performance. Students may receive free group tutoring each week in almost any lower division general education course. The TLC hires and trains peer tutors each quarter to provide this service. The TLC also organizes and staffs the writing lab for assistance with all college writing assignments.

Students with learning disabilities (LD) have access to special equipment and programs, as well as private and extensive tutoring. (LD students need to have diagnostic documentation on file with the Learning Disabilities Services Coordinator.)

STUDENT SEMINAR I (GNST 104), STUDENT SEMINAR II (GNST 105)
The Student Seminar courses assist students in developing learning strategies that will foster greater success in the classroom. Some of the issues addressed in the class are improving memory, taking good notes, managing time, developing effective test-taking strategies and thinking critically. The goal is to help students get the most out of their college education.

These courses are open to all PUC students, but those struggling with their academic experience are especially encouraged to enroll. Some students may be required to take one or both courses. After taking the Student Seminar courses, students should be better able to actively embrace their education.

RESIDENCE LIFE
RESIDENCE LIFE

Half the fun of college is experiencing life in a residence hall: lots of people, great activities, hall worships, and a room with a view. Pacific Union College is primarily a residential college; the majority of our students live in seven gender-exclusive residence halls with nearly 600 rooms combined. Andre, Graf, McReynolds and Winning are women’s residence halls. Grainger, Newton, and Nichol are men’s residence halls.

Persons of the opposite gender are not permitted in residence hall areas (i.e. hallways, laundry rooms, student rooms) or other restricted areas without direct permission from the residence hall dean. Students who choose not to comply with this policy will be subject to immediate discipline, which may include suspension.

For more information on residence hall life, contact the associate dean of students at 965-6315, or visit the web page at www.puc.edu/residencehalls.

AIR CONDITIONERS/HEATERS

McReynolds Hall and Nichol Hall have individual-room air conditioners and heaters. Do not tamper with the unit’s internal service controls: Doing so will subject the resident to a charge. Operation should be limited to the controls on the outside panel. All other residence halls have steam-radiant type heaters. Personal room air conditioners and space heaters are not permitted in College residences.

ANTENNAS

Radio, television, antennas, or other fixtures are not to project out or through the dorm room window screen and are not allowed on the roofs of College residences.

APPLIANCES

The College is required to follow a fire code (see Fire Code); therefore, students may not use certain electrical cooking appliances in residence hall rooms or kitchenettes. Items the California State Fire Code or the insurance carrier speaks to, but are not limited to, include: candles, frying pans, hot plates and pots, incense, open flame cookers, popcorn poppers, toasters and toaster ovens, woks, Halogen lamps, and electric skillets. All extension cords must have attached circuit breakers. Extension cords that do not have a circuit breaker are not allowed.

Students may have coffee makers, irons, rice cookers, blenders, microwave ovens, hot pots with enclosed heating elements, and micro-refrigerators. Due to electrical overload concerns, refrigerators and microwaves are limited to one of each per room.

AUTOMOTIVE REPAIRS

Automotive parts, flammable liquids such as gas, kerosene, and other types of cleaning fluids are prohibited in the residence halls. Residence hall rooms are not approved automotive shops.

BICYCLE STORAGE

Bicycles may be stored in student rooms, as most residence halls do not have adequately secured bicycle storage. Bicycle hooks should not be placed in ceilings.
BLINDS/CURTAINS OR TRAVERSE RODS
These items are to be installed only by the maintenance department and become permanent fixtures of the room. Request forms are available at the lobby front desk for repairs or installation. In rooms where window coverings are provided, the coverings may not be removed.

CHECK OUT
Students vacating their room and leaving the residence hall for some other place of residence must follow published check-out procedures. The room shall be in good order, clean and free of damages, normal wear and tear expected. Charges will be assessed for repairs of any damage or cleaning. This charge will be billed directly to the student. Failure to follow formal check-out procedures shall result in forfeiture of the room reservation fee.

DEANS’ OFFICE HOURS
Office hours for each residence hall dean are posted in the residence halls. For assistance, contact the lobby front desk and the desk receptionist will contact the dean on duty.

ENTERTAINMENT EQUIPMENT
Computers, TVs, iPods, sound systems, DVD players, amplifiers, video games and other entertainment equipment must conform to the 24-hours-a-day courtesy policy. Sound should not exceed the confines of a student’s room. Failure to control sound may result in the confiscation of entertainment equipment.

FIRE CODE
To provide and ensure a safe living environment, the College is required to abide by California fire codes. Students shall not bring or keep highly flammable materials, air-powered guns, dart boards, fireworks, explosives, firearms, or other flying projectiles into College residences. Open flames, candles, torches, incense, and oil lamps are prohibited in College residences. Disciplinary action, a minimum fine of $100, plus court costs and attorneys’ fees (if prosecution is necessary) will be assessed for possession and/or use of any of these items and for failure to vacate the residence hall during a fire drill, tampering with fire equipment or appliances, or negligence which might endanger others.

Cooking is allowed only in the kitchens. Halls must be free at all times from obstructions which include boxes, trash, shoes, etc. Hall doors within the building are not to be propped open.

FIRE DRILLS
Fire drills will be conducted by the Fire Department each quarter. Fire drill procedures and evacuation plans are posted in each residence hall room. When the fire alarm is sounded, residents are to vacate their rooms immediately in accordance with the posted evacuation procedures. Failure to vacate the residence hall during a fire drill will result in serious consequences (see Fire Code).

FIRE HAZARDS
Electrical appliances such as frying pans, popcorn poppers, hot plates, and woks or anything with an open heating coil, candles, kerosene lamps, incense, and other flammables are not to be used in student rooms. Also, halogen lamps have been shown to cause fire due to extreme heat and are
not permitted in the residence halls. All extension cords must have attached circuit breakers. Extension cords that do not have a circuit breaker are not allowed.

Violation of fire regulations will result in serious consequences (see Fire Code). Fire regulation violators are also liable for any damage that occurs as a result of violation.

**FITNESS CENTER**

Women’s fitness centers are located in the rec room of McReynolds and Andre Halls. Men’s exercise equipment is available in the Newton Hall rec room and Grainger Hall basement/laundry room.

**FURNITURE/FIXTURES**

Residence hall rooms are equipped with the basic furniture items students need so do not bring beds or additional furniture from home without approval from a residence hall dean. Each room contains two chairs, two desks, two beds, two dressers, two closets, and a sink. Rooms vary in size, depending on the residence hall. Grainger and Newton Halls have some rooms with a three-person bunk.

Rooms are not to be painted by residents, and wallpaper or contact paper are not to be used on walls or furniture. No College furniture, including dresser drawers, is to be moved into, out of, or between rooms in College residences without written approval from a residence hall dean. Beds must remain assembled and mattresses in the frames. Tampering with, disassembling, or moving furniture without the permission of a residence hall dean will result in a minimum $50 fine. Removing any furnishings including, but not limited to, the screens and the door may result in College disciplinary action. Any damage will be charged to the student.

**GUESTS**

Arrangements for overnight guests should be made in advance (no less than 24 hours) with the residence hall dean. A request for an overnight guest may be denied at the discretion of the residence hall dean. Guest requests are to be temporary and infrequent. Guests will be denied for more than occasional visitations.

By securing prior approval, a student may have a guest for up to four nights per quarter without charge. Students shall be charged a per guest per night fee for use of the housing facilities in excess of four days per quarter. The guest fee applies if the guest stays overnight anywhere in the residence halls, uses the shower facilities or temporarily stores belongings in a student’s room or any combination of the above.

Overnight guests should be limited to three consecutive nights. Exceptions to this policy must be approved in advance by the residence hall dean.

The host student is responsible for the guest fee and for the guest’s behavior including any damage done by the guest. A guest may use residence facilities only when accompanied by the host student.

When there are guests in the guest rooms of the opposite sex, students are not allowed to visit in the guest room.

**KEYS**

Each residence hall student is issued a room key or door code when checking in to the residence hall and is expected to keep his or her room locked at all times. The College assumes no responsibility for any property of the student which is lost, stolen, damaged, or destroyed in the College residence
at any time including, but not limited to, periods when the student is not in
occupancy. Keys are not to be loaned or duplicated and maverick keys will be
destroyed. A $20 fine will be levied for lost or broken keys. Private locks on
residence hall doors are prohibited.

The misuse of keys or obtaining keys under false pretenses will result in
serious disciplinary consequences which may include a minimum $200 fine,
probationary status, suspension, or dismissal from the College.

Students bringing furniture, stereos, bicycles, computers, and other expen-
sive items into the College residences are cautioned to arrange for insurance
on these items, as the College carries only limited fire insurance and no theft
insurance on personal possessions. Each student agrees to share in the
responsibility for maintenance of residence security.

**KITCHENETTES**

Kitchen privileges are provided in each residence hall. In accordance with
the standards of the Seventh-day Adventist Church, students are not to pre-
pare meat in College residences. Check with the lobby front desk for reserva-
tions and additional regulations.

**LAUNDRY ROOMS**

Coin-operated washers and dryers are available in each residence hall. Do
not leave laundry unattended. Machines are not available during the Sabbath
hours. The residence hall is not responsible for items lost or damaged in
washers or dryers.

**LEAVE POLICY**

**OFF-CAMPUS LEAVES—POLICIES AND PROCEDURES**

**FRESHMEN LEAVE POLICY**

Freshmen are to be in the residence hall by 12 midnight, Sunday-Friday,
and by 1 am on Saturday.

**REGULAR LEAVE POLICY FOR NON-FRESHMEN UNDER 21**

All non-freshmen students on regular student status are to be in the resi-
dence hall by 1 am every night.

**SPECIAL LEAVE PRIVILEGES AVAILABLE FOR STUDENTS 21 YEARS OLD OR OLDER**

Students who are 21 years or older may apply for special leave privileges.
These privileges will be granted to the following students:
• 21 years of age or older
• Good citizenship standing
• Religious service attendance minimum of 80% per quarter
• Acceptable residence life program

Students who are granted special leave privileges must be in the residence
hall by 1 am, or they should notify the lobby front desk of their return time.
Students may notify the lobby front desk of a late arrival by phone or by filling
out a leave slip. This communication needs to occur no later than 1 am. If
students have not notified the residence hall desk by 1 am, they will lose this
special leave privilege and return to regular student status for a minimum of
four weeks. Maintaining a secondary off-campus residence is not allowed and
will invalidate special leave privileges.
EXTENDED LEAVES

Extended leaves—till 2 am for students under the age of 21—are for special events and must be arranged and approved 24 hours in advance of the event being requested.

Extended leaves allow students to be out no later than 2 am unless a later time is granted by the residence hall dean. If a student returns to the residence hall after his or her required return time, three pink slips or “pinks” will be given automatically, possibly accompanied by further discipline, such as restriction or suspension.

OVERNIGHT, WEEKEND, AND VACATION LEAVES

A leave is granted for the purpose and destination stated on the leave. Any change in plans must be reported to a residence hall dean. If a student is on campus anytime during his or her stated leave, that leave becomes void. Those wishing to return to campus earlier than stated on the leave must be in the residence hall by the return time of that day. Coming in later will result in “pinks” and/or further discipline.

If leaving for overnight with a school-sponsored group, i.e., band, choir, sports team, clubs, etc., students are expected to have an approved leave signed by a residence hall dean.

LEAVES TO HOME

Home leaves are approved unless the student is on restriction. Home leaves will be granted for a student to visit his or her parent, legal guardian, or someone who plays the parental role.

LEAVES TO PLACES OTHER THAN HOME

Students under the age of 21 requesting an overnight/weekend leave to a place other than home must have an adult the approximate age of their parents in attendance.

LEAVES TO ANOTHER FAMILY

Freshmen under the age of 21 must have an invitation if they are going somewhere other than home.

LEAVES TO PLACES OTHER THAN FAMILY

If a student does not meet the requirement for off campus housing, he or she may not have a leave approved to a location which is not a family situation (house-sitting, camping, etc.).

LEAVES FOR MIXED GROUPS

All leaves for mixed groups must have an adult sponsor. To qualify as an adult sponsor, the person must be a PUC faculty or staff member or someone who is the approximate age of a college student’s parent.

LEAVES FOR THE LOCAL COMMUNITY

Leaves to the local community (Calistoga to Napa) are not generally approved. Exceptions to this policy may be granted by a residence hall dean, at his or her discretion, if the following stipulations are followed:

1. An invitation is received from the parents in the home the student requests to visit. Invitations are needed for students under the age of 21. (This must happen for each leave requested.)
2. Leaves may be permitted to faculty and staff homes, but may also require communication between the faculty/staff member and the residence hall dean.
LEAVE SLIPS
Leave slips are available at the lobby front desk. Leaves should be filled out completely and submitted to the lobby front desk at least 24 hours before departure. Please turn in weekend leaves by 11 pm on Thursday. Leaves will not be approved during the Sabbath hours except as emergencies occur.

LATE RETURNS (COMMONLY REFERRED TO AS “PINKS”)  
In the event that a student finds him/herself out of the residence hall after the return time without having made prior arrangements with the residence hall dean, the following will be used to determine the number of absences that will be incurred: Up to 30 minutes late = 1 absence or “pink”; 31 to 60 minutes late = 2 absences or “pinks”; 61 to 90 minutes late = 3 absences or “pinks.” Thirteen (13) “pinks” are allowed per quarter.

Students entering the residence hall more than 90 minutes after their return time will receive three “pinks” and are subject to further discipline, such as restriction and/or suspension. This policy includes being absent all night without an approved leave.

“PINKS” ARE GIVEN WHEN A STUDENT:
1. Returns to the residence hall after the specified return time
2. Returns to the residence hall after the return time on the overnight leave
3. Calls in for an extended return time, after the return time
4. Is absent overnight and fails to fill out an overnight leave form
5. Fails to be checked in or is unaccounted for at room check

Accumulation of 13 or more pinks will result in restriction (2 to 4 weeks) and/or suspension.

“PINKS” RESTRICTION

There are desk receptionists available during these hours to provide information, forms, mail and message delivery, and access to the dean on duty. Desk receptionists are responsible for lobby and parlor decorum as well as night check-in/check-out procedures. Desk receptionist offices are for dean’s staff members only.
NOISE
Since residence halls house many people in a relatively small amount of space, students need to take extra precautions to protect the rights of others. The residence halls maintain a 24-hour courtesy noise policy. Headphones or earbuds should be used as often as possible with entertainment equipment. If stereo speakers are used, students are expected to control the noise level in their rooms. Sound levels should be confined to their living space. Failure to control sound may result in the confiscation of entertainment equipment.

PETS
The only pets allowed in residence hall rooms are fish. Anyone with a pet other than a fish will be assessed a minimum $25 fine. In some cases, a student found with a pet in the room may be given a one-week warning prior to removal of the pet by a member of the residence hall staff.

Residence hall pianos may be played only between the hours of 10 am and 8 pm.

REFRIGERATORS
Refrigerators must not exceed four cubic feet. It is understood that the residence hall dean has the right to inspect all refrigerators at any time.

Door closing times: Sunday to Friday, 11 pm; Saturday, 12 midnight.
Some residence halls have exit doors that close at sundown. This information is posted at the exits.
Room check begins at 11 pm, Sunday-Friday, and midnight on Saturday. Residents and guests will be asked to check in and out at the lobby front desk after door closing.
Mixed gender visitation is available in residence hall lobbies and lobby parlors beginning at 6 am and ending at midnight every day.

RESIDENT ASSISTANTS
Resident assistants (RA) are students hired specifically to work as residence hall staff and are extensions of the residence hall dean. When on duty, RAs are available to counsel, answer questions, and assist students with their residence hall program.

RESTRICION
Restriction is a disciplinary consequence. The duration of the restriction will be determined by the residence hall dean and/or Student Conduct Committee. Students placed on restriction will need to meet the following:
1. Be in the residence hall at door closing time and remain in the residence hall throughout the night.
2. Receive no overnight leaves.
3. Receive no late or extended leaves. Failure to abide by restriction will result in further disciplinary action which may include suspension or dismissal.
RIGHT OF ENTRY

The residence halls and College housing are College-owned and maintained. The College reserves the right for the residence hall dean or housing coordinator, his or her representative or a College security officer to enter and inspect a student's room at any time, with or without notice to the student, and with or without the student being present for purposes of management, health, safety, maintenance, and to investigate and assess the student's compliance with College rules and regulations. Students acknowledge that said acts by the College do not violate the student's reasonable expectation of privacy. The College reserves the right to seize and remove any items from the student's room (or anywhere else on College property) that do not comply with school policy. The student, by accepting a room in one of the College residences, acknowledges and allows the right of the College administration as specified in this handbook.

ROOFS AND WINDOWS

Windows, fire escapes, or other unorthodox means to leave or enter a building are not to be used. Such activity will result in a $50 fine. Tampering with or removal of a screen, screen seal, windows, or doors will result in a $50 fine. Any damage or loss will be charged to the student.

ROOM CHECK

Room check is taken by the RAs at 11 pm, Sunday through Friday, and at 12 midnight on Saturday night. After residence hall closing times, students are expected to use the front entrance only and to sign in and out at the lobby front desk. It is the student's responsibility to be checked in. Failure to be checked in will be considered an unexcused all-night absence from the residence hall, and disciplinary action, which may include suspension, will follow accordingly.

ROOM DÉCOR

Student rooms are to be decorated in accordance with College standards (see Student Life Agreement). Items such as alcoholic beverage containers, posters or pictures including advertisements for products that do not reflect a Christian lifestyle or nude or scantily clad persons are not to be displayed. Pictures, posters, and wall hangings are not to be nailed, tacked, stapled, screwed or taped to the walls or woodwork. Posters and pictures must be put up with poster putty (available at the College Bookstore) only. Charges will be assessed based upon maintenance evaluation of damage incurred during the student's occupancy of room.

Students must keep their rooms neat, clean, and habitable. Students are responsible for the condition of their rooms when they leave. Students will be charged for damages and cleaning.

The hall side of the student's room door is not to be used as a bulletin board, message station, or billboard.

Rooms are assigned for the entire academic year (or the remaining portion of the academic year, if applicable), however, the College may change room assignments at any time during the year for reasons of health, student welfare, or as a result of disciplinary action.
When space is available, students may request single occupancy, but that student will be charged a single-room rate if that student rooms alone. The College may require a student who is renting at a multiple room rate, but living alone, to move to a room with a roommate or be assigned a roommate. It is the responsibility of the student to find another roommate, or make arrangements to be moved to another room to avoid single-occupancy charges. In the case of larger three-occupant rooms, if there are only two occupants in the room, they may be reassigned to a standard two-occupant room if they are unable to find a third roommate. When three students live in a triple-occupancy room, those students will receive a discount in the room charge.

Students are encouraged to make necessary room changes within the first two weeks of each quarter. A $25 charge will be assessed if a student moves without notifying and receiving permission from the residence hall dean.

**ROOM OCCUPANCY TERMINATION**

The College may revoke the residential license agreement and evict the student for one or more of the following disciplinary causes:

Students who have been admitted to the College for the current year may request a specific room for the next school year. Choice of a roommate should be received by the residence hall dean no later than July 31. Final room assignments are made at the discretion of the residence hall dean. Students who move from one room to another during the school year must make arrangements with the residence hall dean prior to their move.

STORAGE ROOMS
The College will not be responsible for items left in storage at any time. Storage is limited to one academic year and only during such times as the student is matriculating at the College (except for certain previously authorized exceptions by the residence hall dean). The College reserves the right to dispose of any articles left longer than one academic year (or such earlier time that student is no longer matriculating at the College). Storage is limited to luggage and approved storage cartons which are properly tagged stating student's name, date of storage, and forwarding address. Items left in storage longer than one academic year (or student's termination of student status) may be disposed of by the College.

TELEPHONES
Each residence hall room is equipped with a single phone jack. Students need to provide their own phones. Students are responsible for setting up their own long distance account with the College, available on a pre-paid basis (similar to a calling card). On-campus calls can be made without a long-distance service. Detailed information is available at Information Technology, 965-7000.

A minimum charge of $500 will be assessed for any of the following misuses of the College telephone system including, but not limited to, accepting collect calls, using an authorization code other than the assigned code from the Telecommunications Department, using any 900 dialing service including 976 and roll-overs, using any College phone number to sign up for services or accounts, and/or tampering with any College telephone wiring.

Leaving sexually suggestive messages on PhoneMail will result in a loss of service.

Trash is to be emptied in the dumpsters or trash chutes located at the rear or side of each residence hall. A fine of $25 will be charged for each bag of trash that is left or dumped elsewhere.

VENDING MACHINES/CHANGE
Vending machines are available in each residence hall. Change machines are available in the lobbies of McReynolds, Winning, Grainger, Nichol, and Newton Halls. Malfunctions should be reported to the desk receptionist. Any damage resulting from the abuse of any machine will be charged to the student or may cause the discontinuation of service.

VISITATION DAYS
College Days, music festivals, and other such occasions offer students the opportunity of sharing the residence hall experience with a guest. Enrollment Services also provides a small payment for housing guests. Students will be given an opportunity to sign up for participation in this program and will be notified when groups will be coming to visit.
WINDOWS/SCREENS

Windows are not to be used to enter or exit a residence hall except in an emergency. Screens on all windows are sealed and are not to be removed, nor are items to be pushed through or around the frame of the screen. There is a $50 charge for noncompliance. Any damage or loss will be charged to the student.
GENERAL POLICIES
STUDENT CONDUCT

Students attending Pacific Union College are expected to embrace and live according to the Student Life Agreement (see p. 3). By enrolling at Pacific Union College, students agree to live by the policies and regulations described in the General Catalog and the Student Handbook. Students are expected to respect and support the lifestyle and values of the Seventh-day Adventist Church. Remembering these basic guidelines can make the years at PUC safe, fun and memorable.

Pacific Union College views the Bible as the ultimate guidebook on human ethics and behavior. As a person being cultivated in this environment, students have responsibilities to their fellow students, school administration, government, and to God.

DISCIPLINE

Membership in this collegiate community precludes dishonesty, including stealing or possessing stolen goods; lying; gambling; using, possessing, or furnishing to others alcoholic beverages, tobacco products, and other non-prescribed or illegal drugs; possessing pornographic material; attending entertainments which are morally destructive; engaging in pre- and extramarital sex; and violating federal laws or California civil, vehicle, and criminal codes. The College also does not allow single community students to live in coed groups.

Students who become involved in any of these activities may be counseled, disciplined, or separated from the College for a definite time. Illegal activities may be reported to local authorities. Action may be taken by the Student Conduct Committee and the incident may become part of the student’s permanent record at the College. The Student Conduct Committee investigates all violations of the Student Life Agreement and makes decisions regarding the disciplinary consequences of student misconduct.

All confidentiality of records and communications is guaranteed to the full extent of the law. However, the College reserves the right to notify a student’s parents or legal guardians in the event of medical emergency or major disciplinary action.

The guidelines listed below are followed by employees of the College when dealing with serious student discipline matters:

1. Students who face serious disciplinary action which could result in suspension or dismissal are entitled to a written statement of the charges and will be asked to meet with the Student Conduct Committee.
2. Students who pose an immediate threat to themselves or others may be subject to an interim suspension prior to the disciplinary hearing.
3. Students entitled to a hearing will be informed of the hearing date, time, and location. A hearing may be held in the absence of a student who fails to appear after campus officials have made a reasonable effort to provide adequate advance notice of the hearing time.
4. The College does not need to delay disciplinary decisions because of pending criminal charges.
5. The accused student shall be offered the opportunity to invite a College faculty member, staff member, or administrator (not a parent) to assist him or her and to meet with the Student Conduct Committee (student advocate).
6. A student’s guilt may be established by “clear and convincing evidence.” Students may appeal disciplinary actions which they feel have been made in an unfair manner (see Appeal Process).
7. Students found guilty may request and receive a written statement of reasons for the decision concerning the case.
8. Decisions to impose differing punishments in similar cases will be upheld if “reasonably and fairly made.”

APPEAL PROCESS
Students have the right to appeal in writing a Student Conduct Committee decision within 24 hours of the decision; however, a student may not appeal based only upon his or her dissatisfaction with a decision. The written appeal should be given to the vice president for Student Services, who will make arrangements for it to be heard by the appropriate committee. In any disciplinary situation (academic or nonacademic), a student has the right to a faculty/staff (not a parent) advocate of his or her own choosing. The appeal level decision is the final decision making body for student conduct/discipline issues. The following should be the basis for an appeal:
• The information presented at the committee was inaccurate.
• New information is available that was not available earlier and is relevant to the decision.
• Failure to adhere to proper procedures as outlined in the handbook or other established guidelines.

ALCOHOL AND SUBSTANCE ABUSE
Pacific Union College is a drug-free campus which advocates a healthy lifestyle. The College actively seeks to provide a drug-free environment that is in harmony with state and federal laws as well as the philosophy of the Seventh-day Adventist Church. The use and/or possession of alcohol, tobacco, and/or drugs on and off campus are strictly prohibited. This policy applies to all students and their guests of the College. Students who choose to disregard the College's Alcohol and Substance Abuse policy will be subject to disciplinary consequences as described below. Students who realize they have a problem and seek help should immediately talk to Health Services or the Counseling Center (see Safe Zone).

The College reserves the right to require an appropriate drug and alcohol test as well as the right to search a student's vehicle, residence hall room, College housing, locker, or other personal property, if a reasonable cause exists. The College reserves the right to seize and remove any items from the student's room (or anywhere else on College property) that do not comply with school policy. The student is responsible for the costs of AlcoholEdu course; evaluations by substance abuse counselors; and random alcohol, drug, and tobacco testing.

Student misconduct which would cause the Student Conduct Committee to meet may include, but is not limited to, the following (This is not a progressive list; consequences are determined by the infraction):
• Participation in any activity where alcohol and/or drugs are being used
• Consuming and/or providing alcohol, illegal substances and/or non-medically prescribed substances

**DISABILITY SUPPORT SERVICES**

**POLICY FOR STUDENTS WITH DISABILITIES**

Pacific Union College complies with Section 504 of the 1973 Rehabilitation Act, the Americans with Disabilities Act of 1990, and the applicable state and local regulations regarding students with disabilities. The College is committed to promoting and achieving equitable learning opportunities and participation for students with documented disabilities. For more information, see the General Catalog or visit the web page www.puc.edu/tlc.

**DRESS CODE**

The College’s dress policy guidelines follow biblical goals of modesty and simplicity. Students are encouraged to wear clothing appropriate to the occasion.

Shoes or sandals should be worn outside residence halls and in residence hall chapels and lobbies. Logos, pictures and wording on clothes should be in harmony with Seventh-day Adventist principles.

The College encourages students to respect the Adventist tradition of dressing “jewelry free” as a sign of respecting the Adventist subculture. Dressing “jewelry free” at PUC is not a matter of morality, but rather a part of the Adventist heritage of simplicity.

Furthermore, modesty should be one’s guide in determining appropriate attire. Tight-fitting garments and revealing clothes are not considered appropriate for on-campus attire. Swimming and sports are all encouraged at PUC, but again, let modesty be your guide when choosing something to wear to the field or the pool.

Shorts (near the top of the knee) are fine in any location on campus except in the church sanctuary and the Dining Commons during Sabbath hours.

**FIRE EQUIPMENT**

Using illegally or tampering with fire-protection equipment such as fire alarms, fire escapes, fire exit signs, exposed sprinkler system pipes, and fire hoses is a violation of campus, county, and state fire ordinances. Serious consequences may result (see Fire Code). Hanging items on the sprinkler system pipes will result in a minimum fine of $50.

**FIREARMS AND WEAPONS**

Any student who possesses, uses, or threatens others with any weapon including, but not limited to, firearms, BB guns, paint guns, air rifles or pellet guns on campus will be subject to College disciplinary procedures. It is a felony in California to bring a gun onto a college campus.

**FIREWORKS**

Selling, possessing, or using firecrackers or similar combustibles is a violation of campus, county, and state fire ordinances. Possessing or using an M-80 is a violation of federal law. Students found in possession of any of these items are subject to disciplinary action, including fines (see Fire Code).

**GRIEVANCE POLICIES AND PROCEDURES**

Persons or groups who believe they have been or are being treated in an unjust or unethical, manner, or who believe they have been discriminated against because of disability, sex, race, color, ethnic or national origin are encouraged to follow the procedures outlined below.
The director of Human Resources, or an appointed designee in the office of Human Resources, is the College’s Coordinator for Section 504 of the Rehabilitation Act of 1973 and Title IX of the Education Amendments of 1972. The director is responsible for receiving any disability, sex or race discrimination complaints. The director of Human Resources may be reached at (707) 965-6231.

**DEFINITION OF GRIEVANCE**

A grievance is defined as (1) any real or perceived injustice, unfair treatment or wrong, that is personal or professional in nature; or (2) any action that is believed to be discriminatory based on disability, sex, race, color, ethnic or national origin.

There are informal and formal means for resolving grievances. Grievances, when possible, should be settled at the lowest possible level in the College organization. An informal effort to resolve a grievance is recommended before a formal process begins. If this has already been attempted, or the student feels uncomfortable approaching a faculty member/work supervisor or feels it will be ineffective, the student can move to the next step in the grievance process.

Any form of retaliation against persons utilizing or participating in the grievance process is prohibited.

**INFORMAL GRIEVANCE PROCESS**

The student should try to resolve the problem with the individual believed to be responsible for the problem. If the student is not satisfied with the outcome of the first level of informal resolution, he or she may, but is not required to, pursue further efforts at informal resolution in one of the following sequences, up to the vice-presidential level. If the student decides to pursue further efforts at informal resolution, the grievance should be submitted in writing.

**STUDENT ACADEMIC ISSUES:**

Student>Teacher>Department chair>Academic V.P.

**STUDENT WORK/MISCELLANEOUS:**

Worker>Supervisor>Department manager>Appropriate V.P.

**DORM/STUDENT LIFE:**

Student>Residence hall/Head dean>Student Services V.P.

Any individual to whom a grievance is submitted may choose not to resolve the grievance for any reason. In that event, the individual should forward the grievance to the next administrative level for resolution, with notification to the complainant.

The individual to whom an informal grievance is presented should respond in writing within six work days from the time the grievance is submitted. If the informal grievance is a complaint of discrimination, the individual to whom the informal grievance is presented must notify the director of Human Resources of the initiation of the grievance and the outcome of the informal process.

Appeals involving grades must be resolved within the academic structure, by the academic dean, and do not go to the Grievance Committee.

**FORMAL GRIEVANCE PROCESSES**

**I. DISCRIMINATION COMPLAINTS**

If the student believes that he or she has been subject to discrimination by the College, based on race, sex or disability, the student should file a written complaint with the director of Human Resources.

a. In cases involving the denial of a request for disability accommodations, the ADA/504 Compliance Officer will make an interim decision within five
b. In all grievances alleging discrimination, an investigation will be conducted by the director of Human Resources, leading to a final resolution within 60 working days. The final resolution will be a written determination to the complainant stating whether or not the College found that discrimination occurred and the reasons for the determination. If discrimination is found then the written determination will set forth what remedial actions will be taken.

c. If the student disagrees with the compliance officer’s decision, the decision may be appealed through the Grievance Committee process described herein.

II. NON-DISCRIMINATION OR OTHER COMPLAINTS

The following Grievance Committee process will be implemented for student grievances concerning matters other than discrimination, and for student grievances concerning discrimination if the student disagrees with the outcome reached after an investigation by the director of Human Resources as described in section I.

• Appeals concerning course grades must be made through the academic dean.

• Grievance policy, initiation, resolution and release forms must be obtained by the grievant from Human Resources or the Chair of the Grievance Committee.

• Grievant submits the formal petition to the Grievance Committee. At this time the committee will notify the party against whom the grievance has been filed. Copies of any previous documentation from all parties to the grievance must be forwarded at this time on hard copy to the Chair of the Grievance Committee.

• The Grievance Committee will conduct hearings and make a definitive recommendation to resolve the grievance that will discuss the evidence considered and the basis for the recommendation. During Grievance Committee formal hearings, parties to the grievance have the right to be present, to submit evidence, and to present and/or question witnesses. The Grievance Committee reserves the right to set reasonable limits on the amount of time the parties may have during hearings or the number of witnesses parties may present.

• The Grievance Committee submits its findings whether for or against the grievant to the president. The president will review the findings of the Grievance Committee, with the right to override the findings of the Grievance Committee, and respond to the grievant normally within 14 days with the decision. The president or an appointee by the president would ensure that any actions required by the decision are carried out. The decision of the president is final.

• If the grievance/complaint is against the president, the Grievance Committee would report their findings to the Chair of the board. The Chair of the board will review the findings of the Grievance Committee, with the right to override the findings of the Grievance Committee, and respond to the grievant normally within 14 days with the decision. The decision of the Chair of the board is final.

The findings and recommendations resulting from each stage of the formal grievance process will be communicated to the complainant in writing. In cases involving discrimination, the document will specifically indicate whether or not it has been determined that discrimination took place, and the reasons for the determination. If it is found that discrimination occurred, the document will set forth what remedial actions will be taken.
FORMAL GRIEVANCE FILING DEADLINE

The formal grievance process must be initiated within six months of the date when the alleged grievance occurred, or within six months of the date when the grievant should have become aware of the grievance, but in no case should it be longer than one year.

PETITION FORMAT

At each step in the formal grievance process, a petition is submitted which conforms to each of the following:

• The petition must be presented in legible hard copy.
• The petition must state the nature of the grievance.
• The person, persons, and/or office against whom the grievance is directed must be specified.
• The time when the grievance occurred and when there was an awareness of it must be stated.
• Circumstances surrounding a delay between when the grievance occurred and an awareness of the grievance must be explained.
• The specific remedy or action desired must be stated.
• The attempts that have been taken to resolve the grievance and the results obtained must be described.

FORMAL GRIEVANCE RESPONSE DEADLINES

The Grievance Committee has six work weeks to conduct its activities and reach a recommendation once a formal grievance petition is submitted to the Committee. This time may be extended where all parties to the grievance mutually agree.

RECORD-KEEPING AND CONFIDENTIALITY

All records on hard copy, from the initiation of the formal grievance procedure up through and including an action by the president must be forwarded to the Chair of the Grievance Committee to be kept in files in Human Resources. Access to these files may be obtained only if all parties to the grievance agree to their release by signing the Grievance Release Form, or the action becomes a subject of litigation.

PROBLEM-SOLVING PROCEDURE (GRIEVANCE PROCEDURE)

Misunderstandings frequently occur in the workplace; differences in personality and viewpoint, communication problems, and work pressure are only a few of them. The College encourages all misunderstandings to be handled at the department level, with assistance from the College Human Resources director, if needed.

The College has established a procedure that allows employees an opportunity to voice any concerns that they might have such as identifying and resolving differences concerning wages, hours, or working conditions. This procedure was created by choice, in order to have an effective means of communication. Still, this does not mean that the College intends to create or grant any procedural rights to employees.

This procedure does not cover terminations. It is re-emphasized that employment is at the mutual consent of the employee and the College. Accordingly, either the employee or the College can terminate the relationship at will, with or without notice at any time.

Employees are encouraged to use the Problem-Solving Procedure and will not, under any circumstances, be penalized for doing so. Information concerning an employee’s problem is always kept confidential.

The following steps should be used by employees:
1. Employees should raise any problems first with their supervisor. If the problem is not resolved, the employee should verbally consult with his or her department head.

2. If the problem remains unsolved, an employee may file a written complaint at Human Resources within 10 working days. The Human Resources director may review the problem and provide the employee with a response. Unless it is determined that additional time is required, the response should come within seven working days.

3. If the employee is still dissatisfied after a response is received, the Human Resources director may be requested to submit the problem to the Grievance Committee for review. The written complaint and the response to the Committee should occur within three working days of the employee’s request. The Committee will then decide what actions are to be taken, if any are necessary, to resolve the problem. The decision shall be final and will be communicated in writing to the employee and the department head.

4. Final decisions on problems will not be precedent-setting or binding on future problems unless they are officially stated as College policy. When appropriate, the decisions will be retroactive to the date of the employee’s original complaint.

5. Information concerning an employee problem is to be held in strict confidence. Those investigating the problem will follow strict rules of confidentiality, only discussing the matter with those directly involved or with those who may supply necessary information.

6. Time spent by employees in problem-solving discussions with management will be considered normal working hours.

**HARASSMENT**

Pacific Union College seeks to maintain an environment free from harassment for students and employees. Employees, volunteers, or other individuals providing services to the College, as well as students, are prohibited from engaging in unwelcome verbal, visual, or physical conduct that could create a hostile, intimidating, or offensive work/educational environment. Such harassment is not acceptable and will result in appropriate discipline or dismissal. Anyone who feels that they are being harassed should request without delay that the offending behavior be stopped. If the action perceived as offensive was indeed unintentional or innocent, simply drawing the offender’s attention to it should resolve the problem. If the offending behavior persists, however, or if the person feeling harassed is uncomfortable in confronting the offender, the following complaint procedure should be followed:

1. For situations involving College employees, the student should report the incident to the human resources director of the College or to the residence hall dean, who will consult with the appropriate administrator to determine a method by which the investigation will be conducted.

2. For situations that involve a peer, the student should report the incident to the residence hall dean, who will consult with the dean of students to determine a method by which the investigation will be conducted.

3. The investigation will be for the purpose of seeking to establish whether there is a reasonable basis to accept the allegations as fact.

4. The accused will be fully informed of the nature of the allegations and will be given reasonable opportunity to respond to the charges.

5. College employees involved in the investigation will seek to ensure every student’s right to confidentiality.

6. If it is determined that the complaint is valid, immediate and appropriate disciplinary action will be taken. Depending on the severity of the act,
the discipline may range from a written warning placed in the offending individual’s file, to relocation, suspension or dismissal.

7. If it is determined that the complaint is unfounded, steps will be taken to restore the reputation of the accused. If it is determined that the accuser was intentionally dishonest, he or she will be subject to discipline.

8. If requested, both parties will be informed of the conclusions reached from the College’s investigation.

9. It should be noted that the College has both a grievance and an appeal system.

All employees of Pacific Union College who are aware of incidents of harassment within the College are responsible for reporting such incidents to the personnel director, supervisor, department head or another official for investigation.

**SEXUAL HARASSMENT**

A work environment may be made uncomfortable and, in extreme cases, intolerable by sexual harassment. Employees, volunteers, and others providing services to Pacific Union College are prohibited from making unwelcome sexual advances, requesting sexual favors, or otherwise engaging in verbal, visual, or physical conduct with sexual implications. Such behavior can create an environment that reasonable people find intimidating, hostile, or offensive. Sexual harassment is not tolerated at the College. It is illegal, and it will result in appropriate discipline, up to and including dismissal.

Conduct that may constitute sexual harassment may include, but is not limited to, sexually suggestive verbal (oral or written) or visual harassment or abuse (for example, degrading sexual comments, unwelcome propositions, and offensive sexually oriented jokes and materials), unwelcome requests for sexual favors or activity; and inappropriate touching of a sexual or abusive nature (for example, pinching, hugging, patting, or repeated brushing against another's body). Other examples may include any suggestion, threat, or action that makes the affected individual's employment, work-related opportunities, or benefits subject to submission to sexual demands, harassment, or sexually offensive conduct.

Such behaviors constitute harassment in violation of this policy when (1) submission to such conduct is made, either explicitly or implicitly, a term or condition of employment; (2) submission to or rejection of such conduct is used as the basis for an employment decision; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance, or of creating an intimidating, hostile, or offensive working environment.

**PROHIBITION AGAINST RETALIATION AND PROTECTION OF PRIVACY**

Intimidation of employees reporting harassment, or retaliation against them, is prohibited. The College is sensitive to privacy issues and will not unnecessarily divulge to third parties any information relating to harassment complaints, investigations, and corrective actions.

**INITIAL ACTION FOR PERCEIVED HARASSMENT**

Anyone who feels that another person is harassing him or her should request without delay that the offending behavior be stopped. If the action perceived as offensive was indeed unintentional or innocent, simply drawing the offender's attention to it should resolve the problem. If the offending behavior persists, however, or if the person feeling harassed is uncomfortable in confronting the offender, he or she should follow the complaint procedure.
REPORTING AND RESOLVING INCIDENTS OF HARASSMENT

COMPLAINT PROCEDURE

Employees who believe that they have been harassed by supervisors, fellow employees, clients, or non-employees should immediately follow the complaint procedure outlined here.

1. To facilitate prompt follow-up and any necessary investigation, the victim of an incident of harassment should report the offense immediately (within 24 hours, if possible).

2. The complainant should report to the department director, to the Human Resources director, or the immediate supervisor of the individual who the complainant feels has engaged in prohibited harassment activities.

3. The complaint may be oral or written. (Oral complaints must be written and signed by the complainant before a formal investigation is begun.)

INVESTIGATION PROCESS

College officers will take the following steps to investigate an incident of alleged harassment:

1. The Human Resources director will confer with all involved persons to seek to determine with appropriate objectivity, if an act of harassment did occur.

2. If the Human Resources director judges the facts presented justify further investigation or action by a team of investigators, a three-member team of persons, appropriate to the type of alleged harassment, will be appointed. Written statements will be obtained during the investigation. The investigating team will seek to define and remedy the reported problem.

3. If it is determined the complaint of harassment is valid, immediate and appropriate disciplinary action will be taken. Depending on the severity of the offense, the discipline may range from a written warning given to the offending individual (with a copy placed in his or her personnel file) up to relocation, suspension, or termination. The offending individual may respond in writing to any written warning and discipline. A copy of the written response will be placed in the offending individual's personnel file.

4. The Human Resources director (or designee) will then notify the complainant that corrective action has been taken.

5. During the sequence of complaint, investigation, and (if necessary) disciplinary action, personnel responsible for investigating an alleged incident of harassment will do their work confidentially; do it as expeditiously as care and thoroughness will allow; and do it as objectively as possible. Because of the sensitive nature of allegations of harassment, both interviewed and those serving on the investigating team, will be instructed to respect the rights of privacy of all participants by refraining from divulging information to third parties. They will also be asked and expected to refrain from any retaliatory behavior.

SUPERVISOR REPORTING RESPONSIBILITIES

All supervising employees of Pacific Union College who are aware of incidents of harassment in the workplace are responsible for reporting such incidents to the Human Resources director (or designee), president, vice president, supervisor, department chair or director, or another official for investigation.

FALSE ALLEGATIONS

Unfounded allegations of sexual or other harassment can irreparably damage one's reputation and can limit an employee's ability to perform his
or her duties. Therefore, though the College encourages individuals to report incidents of harassment, or offensive behavior that they sincerely perceive to be such, any employee who maliciously brings false allegations of harassment will be subject to disciplinary action. This may range from a written warning, a copy of which is placed in the employee's personnel file to relocation, suspension, or termination of employment.

**NON-SEXUAL HARASSMENT**

Actions or words involving slurs and other verbal or physical conduct relating to an individual's race, color, religion, gender (excluding harassment that is sexual in nature), national origin, age, or disability can constitute harassment when such conduct:

1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment
2. Has the purpose or effect of unreasonably interfering with an individual's work performance
3. Otherwise adversely affects an individual's employment opportunities

Employees, volunteers, and others providing services to the College are prohibited from engaging in such actions. These actions are intolerable and illegal, and they will result in appropriate discipline, up to and including dismissal. If such action persists or if the person feeling harassed is uncomfortable in confronting the offender, the complaint procedure (above) should be followed.

**HARM TO SELF**

Students who express suicidal ideation will be immediately referred to a therapist for evaluation. Students who choose to purposely harm themselves may be requested to take a leave of absence for a full quarter. Re-admittance will depend on recommendation of a licensed therapist.

**HAZING, INJURING, OR DEGRADING OTHERS**

A student who conspires to engage in hazing or commits any act that injures, degrades, disgraces, threatens, intimidates, or intends to injure, degrade, or disgrace a fellow student or campus guest can expect serious disciplinary action, if not dismissal (see California Education Code 32050-32051). A student who throws anything at persons, buildings, or vehicles can expect serious disciplinary action. This includes, but is not limited to, throwing or attempting to throw people into the fountain.

**HOUSING**

PUC affirms the values gained from being primarily a residential college. By accepting admission, a student 22 years of age or younger agrees to live in a residence hall unless the student applies and is granted an exception. Requests for campus or off-campus housing may be granted according to the following criteria for students in good standing: 23 or older; 22 and turning 23 during the academic year; fifth-year seniors (student missionary and task-force years may count as one year); holder of an earned bachelor’s degree; living with parents or immediate relatives—grandparents, aunts, uncles, or siblings who are at least 25 years old and in their primary residence; part-time students taking six hours or less; 22 or younger with significant financial need and offered room and board at substantial savings with a family (must live in the family’s home); married, divorced, widowed; single parents.

All housing must be registered in Student Services. Residence halls are only available for those students who are enrolled at PUC and who meet the eligibility requirements. Students 24 and older may live in the residence halls.
on a “space available” basis upon application. This policy also applies for all students taking summer school or working full- or part-time on campus during summers.

Off campus housing requests are approved on an annual basis. Thus, approval must be obtained from Student Services prior to signing a lease.

Single community students are not allowed to live in coed groups.

STUDENT FAMILY HOUSING

PUC offers housing designed especially with the needs of married students and single parents enrolled in traditional on-campus programs in mind. To be eligible to live in Brookside Park or Court Place, students must successfully complete at least 12 hours of class per quarter, except during the summer. Students must also agree to abide by all College policies.

Family housing assignments are made on a first-come, first-served basis from a waiting list. To be placed on the waiting list, complete the Housing Request and return it to Student Services with a non-refundable deposit. Older students are eligible to reside in Student Family Housing upon availability and priority determined by Student Services. For more information, call Student Services at 965-7362.

MARRIAGE, AN AFFIRMATION OF

Pacific Union College supports "An Affirmation of Marriage," the official statement of the Seventh-day Adventist Church. [Visit www.adventist.org/beliefs/statements for the full official statement.] Marriage was divinely established in Eden and affirmed by Jesus Christ to be both monogamous and heterosexual, a lifelong union of loving companionship between a man and a woman.

NON-DISCRIMINATION

Pacific Union College abides, in practice, by the following policies:
The College is committed to providing equal opportunity for qualified persons regardless of gender, race, ethnicity, disability, or age. It extends to them all the rights, privileges, programs and activities generally accorded or made available to members of the College community. Administration of all educational and admissions policies, financial affairs, employment programs, student life and services, or any other College-administered program is covered by this commitment to equality of opportunity.

The College reserves the right to discriminate on the basis of religion to the extent constitutionally permitted and set forth in 42 U.S.C. section 2000.

NON-FRATERNIZATION

The faculty of Pacific Union College assist the College in meeting its mission of providing a quality higher education in a Christian environment for its students. Students should be assured that the relationships they develop with faculty members will always be built upon the highest ethical precepts of the educational profession.

To promote professionalism and the efficient and fair operation of the College and to avoid misunderstandings, complaints of favoritism, problems with supervision, security, or morale, questions regarding academic achievement, and possible claims of sexual harassment, faculty are strictly prohibited from unethical or inappropriate fraternizing with students, including but not limited to, dating, pursuing to date, and pursuing or having romantic or sexual relationships with students.
PERFORMANCE AGREEMENT (FOR MUSIC, DRAMA, VIDEO)

It is very important for the administration of PUC that students are supported in their endeavors to express their talents and creative arts in ways that create personal memories and measurable successes. We acknowledge that content determines whether performances are spiritually appropriate, and that contemporary culture is not the determining factor of sacred vs. profane. We will do our best to support student performance and we ask that students in turn will support the needs of PUC in the following ways:

1. Avoid content that promotes behavior that is inconsistent with the Christian lifestyle and standards.
2. Avoid content that promotes sexual behavior or contains sexual innuendo.
3. Avoid content that promotes drinking alcohol or partaking of drugs and other illegal substances.
4. Avoid content that contains profane language, offensive language and/or material, or racially offensive material.
5. Performer(s) are responsible for crowd control personnel if the performance has the potential to cause, but not limited to, the following: moshing, aggressive dance, sexual dance, pit dancing, etc.

If any of these requests are ignored and/or violated, the performer acknowledges that they will not be allowed to perform in any future performance, with the exception of officially planned programs such as choir, etc. at PUC because of the breach of trust.

PERSONAL PROPERTY
The College cannot accept responsibility for stolen items or money, or for damage to personal property. Students’ rooms, cars, bikes and/or motorcycles should be kept locked. Various plans of personal property insurance are available. Contact the residence hall dean for more information.

POSTERS/SURVEYS/PETITIONS/QUESTIONNAIRES
The vice president for Student Services is to approve all nonacademic material (including political, religious and business leaflets, petitions, and surveys to be signed by students, faculty, staff and administrators) prior to distribution on campus. All materials to be posted on campus must be approved and stamped by Student Services. The vice president for Academic Administration approves all academic material (class project questionnaires, etc.) prior to distribution.

PUBLIC DISPLAY OF AFFECTION
The College’s philosophy is that students are to act appropriately for the occasion; this includes limiting public display of affection to modest, appropriate, and self-respecting behavior. The residence hall lobbies, halls, stairwells, porches or sidewalks are public areas to be enjoyed by all in a casual, tasteful manner.

SEXUAL HARASSMENT AND ASSAULT INFORMATION AND PREVENTION
Pacific Union College, as a Christian community, recognizes that every person is created in the image of God and should be treated with dignity and respect. Sexual misconduct in all forms violates the sanctity of the human body and spirit and will not be tolerated. The College seeks to establish a safe atmosphere free from any and all forms of harassment, assault, and intimidation.

The College defines sexual harassment as unwelcome sexual advances,
requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- It is made a condition of instruction, employment, or participation in College activity.
- It is used as a basis for evaluation in making academic or personnel decisions affecting an individual.
- It has the effect of unreasonably interfering with an individual's work, academic performance, or living conditions by creating an intimidating, hostile, or offensive environment.
- Advances continue after the victim has explicitly declined.
- Inappropriate use of denigrating language that targets sexual orientation.

Sexual harassment makes victims feel uncomfortable, hindering their ability to function in school, at work, or in social settings. Both men and women can be targets of sexual harassment, and it can occur between individuals of the same gender. Sexual harassment comes in many forms – it may be intentional or accidental, subtle or obvious. The context of alleged harassment must be fully examined.

If sexual harassment occurs, directly and firmly tell the harasser to stop. Keep a record of events, including the date, time, place, witnesses, and a description of what was said and done. Report the incident to Human Resources, the Career and Counseling Center, Public Safety, and/or a trusted faculty/staff member.

The College has an institutional and legal responsibility to respond to reports of sexual harassment. The College’s response system is designed to afford a complainant (the person who is bringing a charge) and a respondent (the person who is answering a charge), a fair, prompt, and appropriate resolution process. A formal sexual harassment complaint is handled by Human Resources and the appropriate College judicial system.

Incidents of sexual harassment reported to the Career and Counseling Center are confidential, while incidents reported to other College entities will be reported to Human Resources.

**SEXUAL ASSAULT**

Sexual assault refers to nonconsensual sexual contact of which both men and women may be victims. Sexual assault is defined as actual or attempted non-consensual sexual activity such as unwanted touching, fondling, kissing, groping, attempted disrobing or coerced physical contact and threats designed to force sexual activity.

Sexual assault includes all forms of rape, attempted rape, and nonconsensual sexual physical contact. Rape is defined as sexual penetration resulting from force or threat of force if one of the involved parties does not freely consent to sexual activity. Penetration is understood to include any orifice or body opening. Threats, force or threat of force includes physical force as well as any type of coercion.

Sexual activity without consent is a crime. Consent requires actual words indicating a freely given agreement to have sexual intercourse or participate in sexual activity. Silence does not constitute consent, nor do previous sexual experiences or current relationships. Further, consent can be withdrawn at any time, regardless of how far sexual activity has progressed. Legal consent CANNOT be given by persons:

- Under the influence of alcohol or other drugs. Even if an inebriated person requests sexual activity, this does not constitute consent and sexual activity under those circumstances could be considered rape.
- Younger than 18 years of age
- Asleep
- With reduced intellectual or emotional capacity
  If sexual assault or attempted sexual assault occurs and requires emergency intervention, call 911 for assistance and/or ambulance transport. It is imperative that sexual assault victims receive immediate care at the nearest hospital emergency room. Do not change clothing, shower, bathe, douche, eat, drink, or anything else that may jeopardize evidence of the rapist’s DNA on the victim’s body.
  Sexual assault victims should go to a safe place and talk with a trusted individual. Talking about the incident and expressing emotions are major steps toward recovery.

  Sexual assaults may be reported to:
  - St. Helena Hospital Emergency Room (707-963-6425)
  - PUC Public Safety (707-965-7111)
  - Napa County Sheriff’s Office (707-253-4451)
  - Napa Valley Rape Crisis Center 24-Hour Hotline (707-258-8000)
  - PUC Health Services (707-965-6339)
  - PUC Career and Counseling Center (707-965-7080)

  If sexual assault is reported to College personnel, the College will take the appropriate steps to investigate the incident. If circumstances warrant, the Napa County Sheriff’s Office will be notified. The resolution of a sexual assault complaint will be handled by the appropriate College committee and law enforcement agencies.

  Pacific Union College complies with the federal Student Right-to-Know and Campus Security Act of 1990. This Act states that if a crime constitutes an ongoing threat, the College will notify the campus community of the incident without using the name of the victim.

  Reducing the risk of sexual assault include, but is not limited to: staying sober, looking out for friends—especially if alcohol is involved, avoiding secluded environments with strangers, refusing to tolerate rape jokes, awareness of personal sexual desires/limits and communicating them clearly, and awareness of pressure or expectation of sexual activity.

  Federal laws make it a serious criminal offense to possess or distribute date-rape drugs. Visit http://www.womenshealth.gov/faq/date-rape-drugs.cfm for more information.

SKATEBOARDING

Skateboarding on the PUC campus is allowed only for transportation purposes. Skateboarding is not allowed on benches, railings, stairs, steps, curbs, ramps, or in buildings. Violators may be restricted from the campus proper, and the replacement cost of any damage. All skateboarders skate at their own risk.

STEALING

Stealing is considered to be a serious offense and will be subject to discipline and possible suspension. Students should take precautions to protect their personal belongings. Please note: The College is not responsible for items taken.

STUDENT RIGHTS

RIGHT OF ADMISSION

Membership in student organizations, education programs, and activities of the College are to be open to all students without respect to race, ethnicity, age, gender (except residence-hall clubs), sexual orientation, socioeconomic class, religious belief, or disability (see Disability Support Services).
RIGHT OF ASSOCIATION
Students are free to organize and join associations to promote their common interests consistent with the purposes and policies of the College. Each organization will present to the vice president for Student Services a nominee for faculty advisor of the organization’s own choosing.

RIGHT OF PRIVACY
Pacific Union College complies with the Family Educational Rights and Privacy Act of 1974 in maintaining student records. Confidentiality of records and communications is guaranteed to the full extent of this law. Except as noted in the General Catalog, including, but not limited to, notifying a student’s parents or legal guardians in the event of medical emergency or major disciplinary action, no student information will be given without the consent of the student.

RIGHT OF PUBLICATION
Student communications media such as the Campus Chronicle, the Diogenes Lantern and the Video Yearbook are aids in establishing and maintaining an atmosphere of responsible discussion and intellectual exploration on the PUC campus. These media communicate the activities and interests of the PUC students as well as help form student opinion.

The College, through the Student Association, delegates editorial responsibility to the editors under the guidance of faculty advisors and the Publication Board (see Publication Guidelines).

RIGHT OF DISCUSSION, COMMUNICATION, AND PETITION
As members of the PUC academic community, students are free, individually or collectively, to express their views on issues of College policy and procedures and on matters of general interest to the students, in keeping both with orderly proceedings and consistent with the functions and objectives of the College. Student organizations are free to examine and to discuss questions germane to the objectives of the College and to express opinion in publicly called sessions.

Interchange of views is encouraged between students and faculty, person to person, in discussion groups or meetings, or by written documents. The conduct of such discussions is to be in accord with the courteous Christian spirit espoused by the College.

CLASSROOM RIGHTS AND APPEALS
Students shall be evaluated academically on the basis of scholastic performance, not on opinions or conduct in matters unrelated to the academic standards of the course.

If a student feels that his or her academic rights have been violated, the student should speak personally with that teacher. If unable to resolve the problems, the student may appeal to the department chair.

If satisfactory resolution does not follow, the student may appeal to the academic dean.

RIGHT TO FAIR PLAY
The academic, administrative, and disciplinary processes at PUC are meant to guarantee fundamental fair play. Students under discipline have the right to be clearly informed of the nature and the consequence(s) of any alleged infraction(s) and to review carefully the facts of the problem with the faculty, staff, residence hall dean, or administrator immediately involved.
RIGHT TO APPEAL

Students have the right to appeal (within 24 hours of the decision) in writing a Student Conduct Committee decision; however, a student may not appeal based only upon his or her dissatisfaction with a decision (see Appeal Process).

SUMMER ROOM & BOARD

There is a special 50% off the full room rate during the summer for students who are either employed on campus and taking PUC classes, taking classes full time, or living in the residence halls.

There is a minimum board fee for Dining Commons use during summer school for students living in the residence halls.

The College reserves the right to adjust rates, rents and fees during the summer to accommodate economic fluctuations.

TRANSPORTATION

Minimal transportation options are available to students to assist them in making connections to area airports.

Enrollment Services will facilitate transportation from PUC to Evans Airport Service in Napa. Reservations must be made at least 48 hours in advance and are subject to availability of vehicles and drivers. You must cancel 24 hours before departure. For reservations, call 965-6425.

Taxi services are available in the Napa Valley: Check online for contact information. Warning: Taxi service in the Napa Valley can be very expensive.

The VINE, Napa Valley’s fixed-route bus system, provides safe, affordable and accessible transportation up and down the valley, with pick-up/drop-off in St. Helena.

PUBLIC TRANSPORTATION BETWEEN NAPA AND SFO/OAKLAND

Evans Airport Service offers transportation to and from the San Francisco International Airport and the Oakland International Airport seven days a week for $29 each way, cash payment only. To make reservations (not required), call (707) 255-1559. Points of departure at the airports are outside the baggage-claim areas.

VANDALISM

Any damage incurred to any campus property carries with it restitution of damages, fines, and possible criminal prosecution. Vandalism may result in a dismissal from school.

VEHICLE

Parking on campus is a privilege, and allowed by permit only. Every vehicle must be registered with Public Safety prior to or immediately upon arriving to campus. There are permit fees that apply. Contact Public Safety for current information regarding permits, fees, rules, regulations and restrictions. Public Safety can be contacted by calling (707) 965-6551, visiting their office at 180 College Avenue between the hours of 8 am-4 pm Monday through Friday, or by accessing their web page at www.puc.edu/publicsafety 24 hours a day.

Vehicle registration requires the vehicle's proper state registration, proof of insurance, and the student's driver's license. Failure to register vehicles will result in disciplinary action. Such action includes, but is not limited to, citations, impound, and towing. According to the California Vehicle Code, all citations must be paid or appealed within 21 calendar days of the citation date. Citations older than 21 calendar days will incur penalties and cannot be appealed.
Vehicles need to have current state registration, and carry the minimum liability insurance coverage required by the State of California Vehicle Code. Public Safety designates different parking areas across the campus for faculty, staff, and visitors. Students need to park in areas allowed by their specific parking permit to avoid a parking violation citation.

Motorcycles, scooters, and electric vehicles brought onto campus must be street-legal. Off-road motorcycles, ATVs, and "pocket" bikes are not allowed on campus. Motorcycles, scooters, and electric vehicles must only be operated on roadways, not sidewalks or in any other inappropriate manner, and must park only in designated areas, or be subject to parking citations. Undeveloped campus property is off limits to all motorized vehicles without proper authorization.

WHEN MOUNTAIN LIONS MEET PEOPLE

Generally, mountain lions are calm, quiet and elusive. They are most commonly found in areas with plentiful prey and adequate cover. Such conditions exist in mountain subdivisions, urban fringes, and open spaces. Consequently, the number of mountain lion/human interactions has increased. This increase likely is due to a variety of reasons: more people moving into mountain lion habitat, an increase in prey populations, an increase in mountain lion numbers and expanded range, more people using hiking and running trails in mountain lion habitat, and a greater awareness of the presence of mountain lions.

Even so, the potential for being killed or injured by a mountain lion is quite low compared to many other natural hazards. There is a far greater risk, for example, of being struck by lightning than of being attacked by a mountain lion.

IF YOU ENCOUNTER A MOUNTAIN LION

The following suggestions are based on studies of mountain lion behavior and analysis of attacks by mountain lions, tigers, and leopards:

- **Do not hike alone.** Go in groups, with adults supervising children.
- **Keep children close to you.** Observations of captured mountain lions reveal that the animals seem especially drawn to children. Keep children within your sight at all times.
• **Do not approach a lion.**
Most mountain lions will try to avoid a confrontation. Give them a way to escape.

• **Do not run from a lion.**
Running may stimulate a mountain lion’s instinct to chase. Instead, stand and face the animal. Make eye contact. If you have small children with you, pick them up if possible so that they do not panic and run. Although it may be awkward, pick them up without bending over or turning away from the lion.

• **Do not crouch or bend over.**
A person squatting or bending over looks a lot like a four legged prey animal.

• **Do all you can to appear larger.** Raise your arms. Open your jacket if you are wearing one. Throw stones, branches, or whatever you can reach without crouching or turning your back. Wave your arms slowly and speak firmly in a loud voice.

• **Fight back if attacked.**
Some hikers have fought back successfully with sticks, caps, jackets, garden tools, and their bare hands. Since a mountain lion usually tries to bite the head or neck, try to remain standing and face the attacking animal.

For more information about mountain lions, please contact the Department of Fish and Game, 1416 Ninth Street, Sacramento, CA 95814. In case of emergency call the DFG at (916) 445-0411 (24 hours a day).

**BE SNAKE WISE: RATTLESNAKE TIPS**
Rattlesnakes are not typically aggressive toward humans. They will only strike when they feel threatened or provoked. However, they are common in this area (and throughout California), so it’s important for hikers and bikers to be “snake wise.”

• When hiking, stick to well-used trails. Wear over-the-ankle boots and loose fitting long pants.
• Don’t step or put your hands where you can’t see, and don’t wander around in the dark.
• Step ON logs and rocks, not over them.
• Be extra careful where you put your hands when climbing rocks or gathering wood.
• Avoid walking through dense brush or thickets.

If someone has been bitten by a rattlesnake, remember these important first aid steps:
• Take the victim to the hospital as soon as possible (even if the bite doesn’t appear serious).
• Have the victim lie flat, with the bite site kept BELOW the heart.
• Do NOT elevate the wound.
• Apply a restrictive band three inches above the bite. You should be able to fit one finger between the band and the skin.
• Keep the victim calm and quiet.
• If a snakebite suction cup is available, follow the instructions for poison removal carefully.
• Do NOT administer any drugs or alcohol.

EARTHQUAKE
Indoor: Get under sturdy desk or table. Hold on to it and be prepared to move with it. Stay there until safe to move. Stay clear of windows and heavy objects. Don’t rush outside. In a crowded public place, do not rush the exits. Stay calm and encourage others to do so.
Outdoor: Get into the open, away from buildings and power lines. In a mountainous area, be alert of falling rock and other debris that could be loosened by the quake.

FIRE
Please note the posted fire escape routes and fire safety precautions. In the event of a fire, follow the posted procedures quickly. Activate the closest fire alarm. Exit the building.
