Thank you. The Elders

Thank you so much to those who have returned their pledge forms. We are grateful to God that we are over a third of the way to our total. As we have recently highlighted, it’s important that our regular giving increases by a further £35,000 a year. Have you had the opportunity of considering what you might be able to pledge? **COUNTIES**

For more than 100 years, “Counties” has been sharing the good news of Jesus Christ across the country. Evangelists work in counties across England and Wales in a variety of activities and our very own Victor Jack has been associated with Counties for over 50 years.

Counties also have some excellent resources for schools work, including state-of-the-art mobile units. As with most charities funds are stretched, so your gift will be especially greatly appreciated, and will help to enable the good news of Jesus to continue to be preached to a wide variety of people. For more information please visit [www.countiesuk.org](http://www.countiesuk.org).

**BARNABAS FUND**

The focus of The Barnabas Fund is the persecuted Church. Currently their major project is to provide a safe haven for Syrian Christians, largely in Australia and Sweden, but also in some welcoming Middle East countries. For more information, please visit [www.barnabasfund.org](http://www.barnabasfund.org).
