Dear Students and Parents,

Welcome to San Joaquin Memorial High School for the 2016-2017 school year. On behalf of the administration, faculty and staff, we are pleased to present you with the 2016-2017 Student-Parent Handbook for your reference.

The partnership and the communication among students, parents and our school are enormously important. Memorial publishes its Handbook to establish school rules, policies, guidelines and information in order to insure the highest possible standards for academic excellence in a safe, secure, and respectful school community. This year’s iteration has additional updates, changes, and revisions. Here are some of the major changes and updates to this year’s Handbook:

- added WASC and WCEA accreditation information.
- added Catholic School Parents Memorandum of Understanding
- added dance dress code requirements
- updated contact list
- updated code of Christian Conduct
- updated dress code policy
- revised absence limit policy
- updated CIF divisional play-off policies and school play-off criteria.
- updated financial information.
- updated student government officers
- updated faculty, staff, and school board information.

Memorial’s tradition of academic achievement and spiritual development in the Catholic tradition has been built upon the high expectations of our students, administration, and faculty to perform to the best of their abilities as scholars and educators. We ask the Memorial community to willingly embrace the challenge to aspire to our high educational expectations. Of equal importance is the expectation that students will exhibit spiritual development through participation in the school’s retreat and service programs and as expressed in their attitudes and their treatment and respect for others.

Please read the Handbook carefully and thoroughly. It is presumed that all students and parents accept the rules and policies established herein as a contract/enrollment agreement. Please consult this Handbook when any questions or issues arise so that you may direct your inquiries to the appropriate school personnel.

May God give His blessings to our entire school community as we look forward to a successful and rewarding 2016-2017 school year.

VISION STATEMENT

SAN JOAQUIN MEMORIAL HIGH SCHOOL VISION STATEMENT  
(Approved by the Board of Directors January, 2011)

San Joaquin Memorial High School is the school of choice for students and families seeking a rigorous college preparatory education within a Catholic, culturally diverse and enriching environment. Hallmarks of a San Joaquin Memorial High School education include the integration of state-of-the-art technology within the teaching/learning process, comprehensive community service learning programs, and a wide array of co-curricular and extra-curricular activities designed to ensure that the gifts and talents of each student are recognized and maximized.

MISSION/PHILOSOPHY

SAN JOAQUIN MEMORIAL HIGH SCHOOL MISSION STATEMENT  
(Approved by the Board of Directors January, 2011)

San Joaquin Memorial is a Catholic, college preparatory high school dedicated to developing future citizens and leaders in Christ’s mission. We maintain a safe, nurturing environment that honors the dignity and fosters the potential of students from diverse backgrounds. In collaboration with parents, we promote a standard of excellence through academic and faith based programs designed to meet the needs of all students and provide extra-curricular opportunities that enrich the learning experience. Our mission calls us to inspire each student to be conscientious and compassionate leaders. We seek to graduate accomplished young men and women dedicated and equipped to serve humanity through a variety of professions.

SAN JOAQUIN MEMORIAL HIGH SCHOOL PHILOSOPHY OF EDUCATION  
(Approved by the Board of Directors April, 2012)

We Believe:

San Joaquin Memorial High School is a ministry of the Catholic Church administered by the Diocese of Fresno. Our foundation is the Gospel message that inspires worship, promotes service, and builds community. In partnership with parents, who are the primary educators, our faculty and staff serve as teachers and mentors in a student-centered environment. We are an inclusive community that challenges students to embrace diversity while recognizing the dignity of each individual. Our goal is to graduate exemplary citizens who will influence society through their faith, learning, service and leadership.

Faith:

We believe in inspiring each student to adopt a personal faith journey by offering opportunities for worship, reflection and prayer. We provide an atmosphere that calls each person to find God in all things. Participation in Memorial’s retreat program, religious studies curriculum and Campus Ministry activities provide a deeper awareness of God in students’ daily lives.

Learning:

We believe Memorial’s rigorous, college-preparatory curriculum develops the students’ academic and creative strengths. We believe in developing 21st century skills, promoting intellectual curiosity, encouraging critical thinking and instilling a love for learning.
Service:

We believe in inspiring students to follow the model of Jesus Christ and answer the call to serve the school and the greater community. We believe that each student will achieve a greater awareness and understanding of the “least of these” by becoming involved with those in need.

EXPECTED SCHOOLWIDE LEARNING RESULTS (ESLRs)
(Approved by the Board of Directors April, 2012)

A San Joaquin Memorial student will:

Put Faith into action by

- Understanding the traditions of the Catholic faith and employing the Gospel values to make moral, ethical decisions.
- Participating in the spiritual life of the school community through liturgies, prayer, and retreats.
- Respecting the dignity and diversity of all people and sanctity of human life.

Put Learning into action by

- Demonstrating effective written, oral, and digital communication skills throughout the curriculum.
- Utilizing 21st century learning skill sets: problem-solving, critical thinking, collaboration, creativity, and imagination.
- Exhibiting academic knowledge and skills to succeed in college and futures careers.

Put Service into action by

- Demonstrating an understanding of the cultural, political, environmental and economic challenges of the 21st century to promote meaningful change.
- Using personal gifts and Gospel values to respond to and serve the needs of others, especially the poor and marginalized.
- Participating in extra-curricular activities, including the arts, athletics, clubs, leadership opportunities, and campus ministry to serve the school and greater community.
CATHOLIC SCHOOL PARENTS MEMORANDUM OF UNDERSTANDING

San Joaquin Memorial (SJM) is privileged to be a partner with parents in the religious and moral formation of their child(ren). Mutual cooperation, trust, and support are essential for the fulfillment of this responsibility. By enrolling your child(ren) at San Joaquin Memorial, you agree to support its policies. We ask you, therefore, to become familiar with the school’s philosophy, regulations, and procedures. Parents/guardians are required to state that they have read the Student/Parent Handbook, that they accept SJM’s Catholic philosophy, policies and procedures, and that they will comply with them.

As a parent of a student in a Catholic school, I understand and affirm, and support the following:

1. The primary purpose of a Catholic school education is to form students in the values of Jesus Christ and the teaching of the Catholic Church.

2. Catholic Schools are distinctive religious education institutions operated as programs of the Catholic Church; they are not private schools but are administered and supported by the sponsoring parish(es) and the Diocese of Fresno.

3. Attending a Catholic school is a privilege, not a right.

4. While academic excellence and involvement in extracurricular activity (i.e., sports, clubs, etc.) are important, fidelity to the Catholic identity of the school is the fundamental priority.

5. The school and its Administration have the responsibility to ensure that Catholic values and moral integrity permeate every facet of the school’s life and activity.

6. In all questions involving faith, morals, faith teaching, and the Church law, the final determination rests with the Diocesan Bishop.

As a parent desiring to enroll my child in a Catholic school, I accept this Memorandum of Understanding. I pledge support for the Catholic identity and mission of this school and by enrolling my child I commit myself to uphold all principles and policies that govern a Catholic school. I have read the entire contents of the 2016 – 2017 Parent Student Handbook and accept the policies, regulations, directives, and procedures contained in the Handbook and agree to abide by them.

San Joaquin Memorial High School reserves the right to respond to any unforeseen inappropriate behavior.

CONFIDENTIALITY AND RIGHTS

CONFIDENTIALITY OF DOCUMENTS AND OTHER INFORMATION

In order to protect the dignity, character, and future of all students, San Joaquin Memorial High School holds all school communications about students and/or school, civic, or home life confidential and for the information of proper members of the staff only. This information will not be released to any other individual. Exceptions may be made when a release is requested by the student and/or parents if ordered to do so by court order.

Academic information, which includes grades, will be released as an official transcript when the school receives a signed request form from the student and/or parents. Demographic information for students, such as name, address, phone number, occupation of parents, etc. will be used by faculty and staff at the prudent discretion of the Principal. Information including academic standing and test scores may be released to approved educational and financial institutions at the discretion of the Administration. Parents wishing to restrict the release of such information should contact the Director of Guidance and Counseling.

The school also protects the confidentiality of counselor-student discussions whether the counselor is one formally appointed by the school or is a staff member chosen by the student. The school recognizes the staff member, so chosen as a counselor and requires him/her to act as such, professionally and within the guidelines of the school. The school does not recognize the right, morally, of any outside person to inquire or demand to know the content or nature of such counselor-student conferences.

While a student is at school, he or she may be photographed or videotaped by members of the school staff, by parents, and by others for usage in school publications. Parents who would like to limit the photographing and videotaping of their student should contact the school Registrar for the “Request to Limit Photography and Videotaping” form.

STUDENT PROGRAMS AND RIGHTS

Guidance and Counseling

The Guidance and Counseling Department is structured to provide individualized counseling services including: academic, college, career, personal, peer, assessment and referral, college financial aid, and counseling for students with disabilities. For each grade level, counselors implement developmentally appropriate curriculum with a focus on college preparedness, career awareness and planning for higher education. Counselors strive to establish a counseling relationship conducive to the exploration of self, the development of problem solving and relationship skills, the acceptance of personal responsibility and the development of effective educational and vocational planning. Parents are encouraged to contact counselors when assistance is needed. Counselors may advocate for student needs, schedule meetings between parents and faculty, and make referrals for outside services. Students are assigned to counselors by grade level and last name designations.

Naviance Family Connection

San Joaquin Memorial is pleased to offer Naviance Family Connection, a web-based program designed specifically for Memorial students and families. Naviance is a comprehensive website that students and their parents can use to help in making plans about courses, colleges, and careers. It is a service that we use to track and analyze data about college and career plans, providing up-to-date information that’s specific to SJM. It is also an integral part of student life through which students access our Service Learning Program – x2Vol - and all school election and survey materials.

Naviance allows students to:
- Get involved in the planning and advising process – Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers.
- Research colleges – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past.
- Research careers – Research hundreds of careers and career clusters, and take career assessments like the “Do What You Are” test.
- Create plans for the future – Build course plans, create goals and to-dos, and complete tasks assigned to you by the school to better prepare yourself for your future college and career goals.
• Prepare for the SAT & ACT – Method Test Prep
• Access information about upcoming meetings and events, local scholarship opportunities, and other resources for college and career information.
• Complete surveys and vote in all elections.

SJM’s Naviance Family Connection site is: connection.naviance.com/sjmhs. Students are assigned Naviance accounts during the first week of school. Parents/Guardians are given access to their student’s account by the Counseling Department. Parent registration letters are distributed at the grade-level Parent Meeting in the fall.

California Child Abuse Reporting Law
Consistent with the laws of the State of California, all members of the school faculty and staff are required to report child abuse cases. This means that if the school employee has a reasonable suspicion that abuse, as defined by law, is occurring or has occurred, they must and will report it to the proper officials. This is to protect all persons concerned. Child abuse, as defined by law, is any act of omission or commission that endangers or impairs a child’s physical or emotional health and development. This includes:

• Physical abuse or corporal punishment resulting in a traumatic condition.
• Emotional abuse.
• Emotional deprivation.
• Physical neglect and/or inadequate supervision.
• Sexual abuse and/or exploitation.

RELIGIOUS EDUCATION

RELIGIOUS EDUCATION PROGRAM
The Catholic Church affirms that a Catholic school is to teach the message of Jesus Christ, provide a model of Christian community, and prepare and encourage students to be of service to the Church and to the community at large.

The Religious Education Program encompasses all aspects of school life in a Roman Catholic environment. It is based on the belief that whatever is done for the advancement of human civilization and culture is part of the building of the Body of Christ. It is also designed to work with the families of the school, supporting the development of the Christian and human family. Every service San Joaquin Memorial offers, not just the Campus Ministry Program and the Religious Studies Department, is judged in light of this criteria.

We remind ourselves of these commitments through:

School Liturgies
The San Joaquin Memorial community periodically gathers bi-monthly for Mass and other forms of prayer. Students are required to attend these religious services and are expected to participate actively and behave appropriately. Occasionally, class liturgies, adoration, and reconciliation opportunities are provided to the students.

Seniors are required to attend Baccalaureate Mass and Graduation exercises unless they are specifically excused by the Head of School.

Chapel
Religion classes visit the chapel in Holy Cross Hall for prayer and reflection time as part of their religious studies program.

Daily Prayer
At the beginning and end of each day, the entire school community offers to God prayers of praise, thanks, and petition. Students start every class in group prayer. Students, parents, and faculty have the opportunity to participate in student-led prayers at the SJM fountain once per week. Asking a Saint to “pray for us” ends prayer. During this important time, students are to behave appropriately. In addition, teachers and prayer leaders remind students that they are “in the holy presence of God.”

Sacrament of Reconciliation
During Advent and Lent, students are provided opportunities to receive the Sacrament of Reconciliation during the school day. Individual Reconciliation opportunities are provided several times during the year.
Campus Ministry

The Campus Ministry Program offers students several opportunities to reach out to the larger community. They sponsor and help organize drives to help the less fortunate as well as provide opportunities for students to go out into the community to put faith into action. Campus Ministry provides overnight retreat experiences for all students and helps students in discerning one’s call in life; be it as a lay person or as a religious priest, sister, or brother. Participation requires submission of an application and essay, teacher and citizenship evaluation, permission of the instructor, and participation in mandatory leadership training program and possible service projects.

Religious Studies Courses

SJM requires that all students enroll in a religious studies course every year of attendance. Course descriptions are found in the Course Catalog on the SJM website.

RETREATS

Memorial’s retreat program seeks to bring about awareness of God in daily life, to foster a community united by common faith and practice, and to manifest the relevance of faith in all aspects of our existence. The program’s welcoming atmosphere is conducive to spiritual development, giving students the freedom and confidence to question life’s meaning and grow into that meaning by experiencing God’s grace. Retreat activities include community faith sharing and individual reflection designed to deepen the bond of Christian love between individuals, and strengthen the individual’s faith in God.

Retreats: Themes

Freshman Day Retreat: “Come Follow Me”

This mandatory one-day retreat is hosted in September at Scout Island Outdoor Education Center in North Fresno. Students are encouraged to strengthen their bonds with God and make new friends. Retreatants meet in small groups for discussions, prayer, personal sharing, and participate in an all-class prayer service with our rector. This retreat is a fun day for freshmen to get acquainted with one another and SJM’s retreat culture. Transportation and lunch are provided; parent carpools are accepted but must be cleared through the Campus Ministry Office in advance.

Freshman Overnight Retreat: “My Faith Journey—Where am I?”

This is a two-day, one night retreat hosted during the spring semester of freshman year. This voluntary retreat is limited on space as the purpose is to offer freshmen a more reflective and intimate retreat environment. This retreat is lead by students and faculty working together to facilitate prayer, activities, reflections, and small group discussions. This retreat focuses on what it means to be on a faith journey and encourages students to consider the ways God is already present in his/her life and ways God can continue to be present throughout their lives and faith journeys.

Sophomore Retreat: “It’s Not Just About Me”

This is a two-day, one night retreat led by Memorial faculty members and assisted by students of the Campus Ministry team. This retreat focuses on other centeredness necessary to understand oneself in relationship to themselves, God, and others. Students participate in prayerful reflections, small group discussions, and activities focused on building community rapport and spiritual connectedness. Sophomores are often at a crossroads in friendships, faith and school; our hope is to encourage each retreatant to include God in the choices that accompany this potentially challenging season of life.
Junior Retreat: “Who Am I in Relationship to God?”

This is a two-day, one night retreat. This is a reflective, relaxing, and interactive retreat that helps to challenge our students to answer the question, “Who Am I in Relationship to God?” It gives them a forum to explore their faith and their relationship to God outside of the classroom. The aim is to provide a safe environment for each student to grow more fully into his/her faith, potential, and community. It is strongly suggested that students attend the junior retreat before signing up for a Kairos retreat.

KAIROS Retreat: “In God’s Time”

KAIROS “In God's Time” is a four-day, three-night retreat held twice a year. The week brings our seniors (and some juniors) together to examine their lives and their goals, and to uncover or to discover their passion for living as God has gifted them to do. Lives are changed, goals are set, and each individual attending this retreat reassesses life. The retreat offers music and prayer, talks and discussion groups. It is a time to prepare for the future of moving out and moving on as the person God has willed for them to be.

Immersion Retreats

Memorial has initiated immersion Service Learning retreats. The focus of immersion programs is to deepen a student’s intellectual and spiritual identification with the poor and marginalized by living an extended amount of time in their neighborhoods and working beside these various communities to be both an additional pair of hands and to witness, by their presence, the value of solidarity. Memorial will offer as many of these opportunities possible for the 2016-2017 school year, this is a growing and developing program.

Retreat Attendance

All freshmen are required to attend the all day retreat for their retreat orientation. Sophomores, juniors, and seniors are not required to attend a retreat. However, being that retreats are an essential piece of the spiritual and communal growth of our student body, they are highly encouraged to get involved in this invaluable experience.

As the current retreat program evolves there will be changes made to facilitate more of what Memorial hopes to offer for future Panthers. Please stay connected to see how we are growing. For more specific information regarding retreats please see our website: www.sjmhs.org or contact Clarissa Myers at cmyers@sjmhs.org or by phone, 268-9251 ext.143.

SERVICE LEARNING REQUIREMENTS

Community service is an integral part of San Joaquin Memorial’s Catholic identity. Therefore, all students are required to complete 20 hours of service each year for graduation. Of the 20 hours required per year, a minimum of 10 hours must be directly and Personally Serving the Marginalized (PSM) for a total of 40 hours of PSM. PSM hours are a direct, face-to-face interaction with a marginalized population. Please refer to the school website for more detailed information.

Memorial’s Service Program Goal: to enrich the lives of our students through personal interaction with the marginalized/disenfranchised.

Memorial’s Service Learning Program ONLY ACCEPTS:

- **Service that has been completed with a non-profit agency or charitable organization** For example, convalescent hospitals, soup kitchens/food distributions, outreach to at-risk youth, etc. Though all types of community service are valuable and needed, our program is geared toward our goal stated above. To help accomplish this goal, the Service Learning Program will recognize a maximum of five (5) “SJM” hours (volunteerism on campus or for Memorial organizations).

- **Student Service submissions with agency supervisor information** including the name, phone number and email of the supervisor present at the time of service. Parent contact information on behalf of student service will not be accepted and/or processed. Submissions with parent contact information will not be approved.

- **Accurate and complete documentation.** All submissions must be accurate and complete. Inaccuracies will result in a delay in processing and could also have punitive results in cases of dishonesty and/or embellishments. San Joaquin Memorial’s Service Learning office has the right to reject inaccurate submissions, no questions asked.

8

Revised 8/05/16
• **Pre-approved independent projects.** Some service is qualified as an independent project, which is anything that is done outside the normal functioning of a non-profit agency. An example would be a for-profit businesses serving the larger community. Student-generated non-profits, though doing good work, oftentimes do not meet the vision of Memorial’s Service Learning Program – therefore, these require pre-approval. Independent projects that do not receive pre-approval prior to submission will not be accepted.

**Eligibility and ‘F’ on Report Card:**

Students are to submit service hours by May 1, 2017, in order to not receive an ‘F’ on their report card for Service Learning. Students receiving an ‘F’ in Service Learning at the conclusion of the school year may submit the remainder of his/her service hours (in accordance with Memorial’s guidelines & requirements) during summer break to change the ‘F’ to a ‘P’ (Pass). To change an ‘F’ to a ‘P’ without penalty, all hours owed must be submitted by Monday, August 1st, 2017. Students who do not meet this deadline will automatically become ineligible at the start of the school year in accordance to Memorial’s 9-week ineligibility policy. Ineligible students may not become eligible until the 9-week term has concluded AND all hours have been submitted and approved. See ineligibility restrictions under Extra-Curricular Eligibility. Service Learning grades are EXCLUDED from the overall grade point average.

**Submitting Service Hours through x2VOL:**

In partnership with Naviance Family Connection, San Joaquin Memorial has subscribed to the x2VOL online service hour tracking and reporting system. All students must submit hours through this program **within two weeks of doing the service.** As part of submissions, students must complete the reflection questions and agree to the honesty disclosure noted. Students who do not adhere to the honesty disclosure may be removed from x2VOL and will be subject to consequences, which may include but are not limited to the rejection of hours, after school detention, and/or Saturday School.

**For Seniors Only:**

All Service Learning hours and requirements are due at the end of the first grading period of the Spring semester of senior year. Any senior who has failed to meet his/her Service Learning requirement will be ineligible. If the Service Learning requirement is not fulfilled the student will be ineligible for all subsequent senior activities until the requirement is fulfilled (this includes the prom and the Senior Fashion Show.) The yearbook, cap and gown, and/or diploma will be held until the Service Learning requirement is met.

Please refer to the school’s website for a complete listing of the Service Learning requirements and guidelines. The Service Learning Coordinator will uphold and enforce the rules and regulations stated on the school website. Student Service submissions that fail to follow the requirements and guidelines will not be processed. To view the website, copy and paste this link into your web browser [http://sjmhs.org/faith-and-service/service-learning](http://sjmhs.org/faith-and-service/service-learning).

Please refer to the school’s website for more details on Memorial’s academic program.
*Transfer students must provide official transcripts documenting a minimum of 60 credits per academic year, which are earned prior to enrollment at SJM. Transfer students may have additional 10 credits requirement waived.

**CREDIT RECOVERY/INCOMPLETE GRADES**

All semester “F” grades must be made up by participation in an accredited academic program immediately following the receipt of the F grade. Special consideration must be formally requested of and agreed to by the Vice Principal. Specific regulations follow:

- enrollment in a summer school course, which gives credit for the spring semester only can be counted toward the elimination of a fall semester failure.
- two semester “F” grades in the same subject matter count as two failing marks.
- any freshman, sophomore or junior who receives three (3) semester failures for the academic year may be removed from the school at once no matter what courses the failures are in, since such a student record would seem to indicate a genuine lack of application. The dismissal will be effected with the approval of the Head of School.
- a graduating senior must be within 10 credits (2 semester courses) of his/her class and must have an active Credit Recovery Plan in place to participate in graduation ceremonies (participation in senior privilege activities will be determined by administration). Graduate will receive diploma after credit recovery plan is successfully completed, documented, and posted on high school transcript.

**REVIEWED COURSE GRADES**

An original grade achieved in a class is never changed on the transcript. When a grade is made up (retaken) the lower of the grades is awarded 0 (zero) units; the higher grade receives units. For grade point average calculation, only the grade with the units attached is used.

**NOTE:** Since a ‘D’ is not an acceptable grade for entrance into college, students with a grade of ‘D’ are strongly encouraged to attend summer school to repeat the subject and raise the grade. Normally, students are not allowed to repeat a course during the regular school year, as it would result in a credit deficit. “Incomplete” given at semester grading periods demand an immediate written contract, determined by the instructor and signed by the instructor, student and Vice Principal, that sets forth the work to be completed and the deadline for completion. If this contract is not fulfilled by the student, the “Incomplete” becomes an ‘F’ and follows rules concerning ‘F’ grades. A student will be considered academically ineligible until all “Incomplete”s are completed, and the teacher has submitted a grade change. No student with an unresolved “Incomplete” may receive a diploma.

All summer school courses, whether taken at Memorial or at another school, must be approved in advance by the Vice Principal in order for credit to be granted. ‘F’ grades must be made up during the summer immediately following the school year in which the ‘F’ was received.

**MODIFICATION OF ACADEMIC REQUIREMENT (previously called Non P status)**

In very rare and exceptional circumstances, a modification to core requirements can be made for a student who has documentation of a learning disability that, based on a thorough assessment conducted by a psychologist, psychiatrist, school psychologist or similar professional, includes a recommendation for academic modifications. A counselor can initiate modification after review of the documentation and academic plan by submitting a written request to the Vice Principal.

**Procedure:**

- The family will provide the counselor with current documentation that verifies a thorough assessment was conducted by an approved professional and which clearly states a diagnosis and recommended modifications.
- The counselor and/or Vice Principal will consult with the parent and acknowledge that the student will not be pursuing a college preparatory course of studies.
- A contract will be drawn up by the Counselor, indicating which courses will be modified and have the “P” (college prep designation) removed from the course title.
- All vested parties (student, teachers, parent, counselor) must sign the contract; final approval to be determined by the Vice Principal. A copy of the signed contract will be given to the parent, teacher(s), counselor and registrar.
- A new course will be created for the student. Example: English 10P will become English 10.
• The teacher will use the following alternate grading scale or they will make significant modifications to all assignments and assessments.

\[
\begin{align*}
A &= 85\% - 100\% \\
B &= 70\% - 84\% \\
C &= 60\% - 69\% \\
\text{Pass} &= 45\% - 59\% \\
\text{Fail} &= 44\% \text{ or less}
\end{align*}
\]

**GRADING PERIODS**

The grading periods at SJM consist of a nine (9) week. Therefore, students will be determined eligible/ineligible at the end of nine-week grading period and at the end of each semester. Progress reports will be available upon request at five (5) weeks (between each grading period), but will not determine eligibility. Therefore, if a student is deemed ineligible at the end of the first nine-week grading period, they will remain ineligible until the end of the semester (and visa-versa).

***Note: In the spring semester, the first grading period will end after the first nine (9) weeks. The second grading period may be longer due to the increase in school days in the spring semester.***

**Fall 2016 Grading Periods**
- August 11 – October 14
- October 17 – December 21

**Spring 2017 Grading Periods**
- January 12 – March 17
- March 20 – May 26

**GRADING POLICY**

**Criteria For Subject Achievement Marks:**

A  EXCELLENT ACHIEVEMENT: The student has a thorough mastery of all required work as measured by the criteria established by the instructor. The student understands the principles and concepts of the subject. The student develops insights that are applicable in new and similar situations, demonstrating originality.

B  OUTSTANDING ACHIEVEMENT: The student has a firm grasp of the objectives of all required work as measured by the criteria established by the instructor. The student can apply these basic insights in similar and some new situations.

C  SATISFACTORY ACHIEVEMENT: The student understands most of the fundamentals of the subject as measured by the criteria established by the instructor. The student attempts most of the required work. The student can apply basic principles to situations similar to those experienced in class work.

D  MINIMUM ACHIEVEMENT: The student grasps fundamentals sporadically. The student attempts requirements inconsistently. The student infrequently applies basic principles to situations similar to those in class work.

F  FAILURE TO PASS MINIMUM ACHIEVEMENT: The student understands few or none of the fundamentals as measured by the criteria, especially by the instructor. The student attempts to do little or none of the required work. The student cannot apply basic principles to situations similar to those in class work.

A student’s effort in a given subject is NOT considered part of the subject achievement mark or grade in that subject.

Semester report card grades are permanent grades recorded on transcripts. The mid-term report card grades are interim progress grades and are not included on the student’s permanent transcript.

Calculating the Grade Point Average (GPA) - GPA is calculated on a 4.0 scale.

\[
\begin{align*}
A &= 4 \\
B &= 3 \\
C &= 2 \\
D &= 1 \\
F &= 0
\end{align*}
\]

Each semester, grade points are totaled and then divided by the number of courses taken. Cumulative GPA is based on all grades earned starting with the fall semester of 9th grade. For all AP courses and some honor courses, one additional point per grade is
awarded for a grade of C or better. No extra grade points are awarded for D and F grades. “P” grades are excluded from the average.

Additional grade points are awarded to the following courses only:

- AP Biology
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP Computer Science A
- AP European History
- AP Language and Composition
- AP Literature and Composition
- AP Microeconomics & AP Macroeconomics
- AP Psychology
- AP Physics
- AP Spanish Language
- AP Statistics
- AP Studio Art: 2D Design
- AP U.S. Government and Politics
- AP U.S. History
- Honors Chemistry
- Trigonometry/Calculus HP

The University of California (UC) and the California State University (CSU) systems do not award an extra point for honors courses generally taken in the freshman and sophomore years. Therefore Memorial will not augment the following honors courses in a student’s grade point average.

- Honors Algebra I or II
- Honors English 10
- Honors Geometry
- Honors English 9
- Honors Biology

It should be noted that honors courses are strongly recommended for students who want to enroll in Advanced Placement courses or upper division honors courses. Honors-level grades transferred from another high school will be awarded augmented grade points when Memorial offers a comparable course.

**RANKING, VALEDICTORIAN & ACADEMIC AWARDS**

**Academic Ranking**

Because Memorial serves a selective student body and offers a rigorous college preparatory program, a cumulative ranking system based on raw or weighted grades may not fairly represent a student's relative achievement. Therefore, San Joaquin Memorial does not rank. For college admissions purposes, deciles (10th percent designation) are provided to assist in determining a student’s relative position in his/her class.

**Valedictorian Rank**

The valedictorians of a class will be those students who have the highest grade point average (GPA) possible, while taking the most rigorous course of studies available to him or her. This could include students who transfer into Memorial even though his/her GPA may not be the same. A “most rigorous” course of studies taken during 10th, 11th and 12th grade must include a minimum of 4 honors & AP classes.

Students who elect to enroll in more than the minimum honors/AP required would have the opportunity to earn a higher GPA (and make a more favorable impression on selective university admissions) and/or earn a “B” and still maintain the minimum GPA required for the top rank. However, a higher GPA earned in this manner will not be used to replace others in the #1 Rank.

**Senior of Distinction Award.**

Given to any senior transfer student who earns straight A’s in their course of studies. Students who transfer after fall semester of their junior year are ineligible to receive Valedictorian Ranking.

**Salutatorian**

Salutatorians are defined as those students whose GPAs are in the top 10% of the class, have enrolled in the most rigorous coursework available to them, and are not valedictorians.
Academic Awards

In late spring of each school year, Memorial holds an awards ceremony at which several recognitions are given. Students receiving an award will receive a written invitation to Academic Awards Night. The following awards may be given:

- **Excellence, Honors and Commendation Awards by Subject:** Faculty members from each department select students for these awards. Each department can give up to 12 awards. Based on academic achievement, Excellence is given to the one top student in a subject, Honors goes to the 2nd place student and Commendation is awarded to the 3rd. Most departments only award Excellence and Honors in the AP or Honors levels of a course.

- **President’s Education Award:** Given to seniors with GPA’s of 3.5 or higher and an 85th national percentile or higher in math or English on a standardized test such as the PSAT, ASPIRE, SAT, ACT, etc. If a student has the 3.5 GPA requirement but not the test score, a teacher and a coach or moderator must declare the student to be outstanding in his/her effort and achievements in their class and sport or club activities.

- **Holy Cross Scholar Award:** Awarded to students with a cumulative GPA of 4.0 or higher.

- **Department Standout Awards:** Each academic department defines the exact criteria for this award. It may include outstanding academic accomplishment, outstanding citizenship, or outstanding contributions to the class discussion.

- **John Saccheri Memorial Drama Award:** Awarded by the drama teacher to the outstanding senior in terms of work on the school productions.

- **LaSallian Scholars Award:** Three awards given to the most outstanding students in Fine Arts (determined by the visual/performing arts department), Math and Science (determined by the math and science departments), and Liberal Arts (determined by the English, social science and World Languages departments).

- **National Merit Scholar, National Hispanic Recognition Program, and National Achievement Program:** These recognitions, based on high achievement on the PSAT/NMSQT (taken in 11th grade), are designated by College Board.

- **AP Scholar Awards:** College Board recognition of students who have successfully passed several Advanced Placement Tests.

- **Student/Senior of Distinction Award:** Given to any Junior or Senior transfer student who earns straight A’s in their course of studies.

- **Principal’s Academic Excellence Award (formerly the General Academic Excellence Award):** Awarded to juniors and seniors who have earned all “A’s” while undertaking the most rigorous course of studies available to him/her.

**ADVANCED PLACEMENT (AP©) PROGRAM**

In 1955, the College Board initiated the Advanced Placement© Program, a program for motivated high school students, which allowed them to undertake college level courses in high school. Currently the College Board offers 34 courses in 22 disciplines; each course has an exam in May. If a student passes the exam with a score of 3, 4 or 5, they may receive college credit. More than 90 percent of four-year colleges in the United States and colleges in more than 60 other countries give students credit, advanced placement or both on the basis of AP Exam scores. By entering college with AP credits, students may move into upper level courses, meet GE requirements, pursue a double major or study abroad.

Memorial offers seventeen (17) Advanced Placement courses to qualified students in the sophomore, junior and senior years. The courses, which culminate in Advanced Placement exams in May, are as follows:

- AP Biology
- AP Calculus AB & BC
- AP Chemistry
- AP Computer Science A
- AP English Language and Composition
- AP English Literature and Composition
- AP European History
- AP Psychology
- AP Physics
- AP Spanish Language
- AP Statistics
- AP Studio Art: 2D Design
- AP U.S. Government & Politics
- AP U. S. History
AP Microeconomics & AP Macroeconomics

Students enrolled in an AP course are required to take the exam in May. Failure to do so will result in the AP designation being dropped from the course title on the transcript; the student will receive credit for an equivalent P course. For example, if a student enrolled in AP U.S. History does not take the AP exam in May, the student will receive credit for U.S. History P on the transcript.

COLLEGE ADMISSIONS

As a college preparatory high school, Memorial’s core academic requirements meet or exceed minimum requirements for admission to most universities (UC/CSU A-G). Students planning to attend selective four-year colleges or universities must also thoughtfully select additional electives courses in Mathematics, World Languages, Science, Social Science and the Visual & Performing Arts.

University of California (UC)

There are nine (9) UC campuses that admit freshman-level college students:

- Berkeley
- Davis
- Irvine
- Los Angeles
- Merced
- Riverside
- Santa Barbara
- Santa Cruz
- San Diego
- San Diego

NOTE: UC San Francisco does not offer admission to freshmen.

UCs offer four-year programs in a wide variety of fields, as well as, graduate and doctoral degrees. The system is designed to serve the top 12.5% of California's high school graduates. Information about University of California admission requirements can be found online at www.universityofcalifornia.edu.

California State University (CSU) System

Campuses:

- Bakersfield
- Channel Islands
- Chico
- Dominguez Hills
- Fresno
- Fullerton
- Hayward (East Bay)
- Humboldt
- Long Beach
- Los Angeles
- Monterey Bay
- Northridge
- Pomona (Cal Poly)
- Sacramento
- San Bernardino
- San Diego
- San Luis Obispo (Cal Poly)
- San Jose
- San Marcos
- Sonoma
- Stanislaus
- Vallejo (Cal Maritime Academy)

CSUs offer four-year programs in a wide variety of fields, as well as graduate level degrees, credential programs in various educational fields and a limited number of doctoral programs. CSU is committed to serving the top 33% of high school graduates. Information about California State University admission requirements can be found online at www.csumentor.edu.

College Admissions Requirements

UCs and CSUs accept high school subject-area courses designated "P," "HP," or "AP" to meet the fifteen (15) core classes required for admission known as the A-G course requirements. Most universities have a similar admission requirement, but students are advised to carefully research specific individual universities.

The purposes of the A-G subject area requirements are to ensure that entering students:

- can participate fully in the first year program at the University in a broad variety of fields of study;
- have attained the necessary preparation for courses, majors and programs offered at the University;
- have attained a body of knowledge that will provide breadth and perspective to new, more advanced studies; and
- have attained essential critical thinking and study skills.

The following general criteria must be satisfied for courses to meet the requirement:
• be academically challenging.
• involve substantial reading and writing.
• include problems and laboratory work, as appropriate.
• show serious attention to analytical thinking as well as factual content.
• develop students' oral and listening skills.

A - G Requirements
The University of California sets the high school course requirements for applying to the University of California’s nine campuses. They are called the A-G course requirements. These requirements are also mandated by the California State University System (CSU) and meet the course guidelines for all private schools in California. The A-G course requirements are listed below:

A--History/Social Science: Two years required (of the courses listed below); three years recommended:
• World History or Regional History
• US History
• American Government

B--English: Four years of college preparatory English.

C--Mathematics: Three years of college preparatory mathematics; four years recommended.

D--Laboratory Science: Two years of laboratory science in two of the following fields; three years recommended:
• Biological sciences (usually Biology as required by law)
• Chemistry
• Physics

E--Foreign Language: Two years of the same foreign language; three years recommended.

F--Visual & Performing Arts: One year of either drama/theater, music, and/or visual art; additional years recommended.

G--College Preparatory Elective: In addition to those courses required in A-F above, one year (two semesters) of college preparatory electives are required, chosen from visual and performing arts, history, social science, English, advanced mathematics, laboratory science, and language other than English.

Note: All classes must be completed with a "C" or higher. An unreported "D" or "F" will disqualify a student from admissions to UC or CSU. Because of the intense competition for admittance to the UC system and some CSU campuses, the minimum fifteen (15) A-G course requirements are insufficient for admissions. A student with a greater number of A-G courses, including a significant number of AP courses, will receive preference for admissions.

NCAA ELIGIBILITY REQUIREMENTS

Core Course Requirements
In order for a student-athlete to be eligible to participate in college athletics under the auspices of the National Collegiate Athletic Association (NCAA), Division I and Division II programs, he/she must meet certain eligibility requirements as a high school student. More information can be found online at www.eligibilitycenter.org.

For Division I Athletic Programs – Full Qualifier, the NCAA requires that a minimum GPA in sixteen (16) core courses in the following academic disciplines be completed upon graduation with a minimum qualifying SAT or ACT summed score. For example, a 2.50 core-course GPA requires 1000 SAT or 85 sum ACT.

Test Scores and Grade Point Averages

Regarding Division I test scores (SAT or ACT) for student athletes, the NCAA uses a sliding scale to match test scores and core grade point averages (GPAs). For more information, student-athletes or their parents should consult the following website: www.eligibilitycenter.org. Division II minimum test scores are 820 for the SAT and 68 for the ACT. For the SAT, only the critical and mathematics scores are used to tabulate a test score. For the ACT, the sum of the four sections (English, math, reading, and science) are used to tabulate a test score.

Currently, NCAA requires a minimum GPA of 2.0 in core courses (with a qualifying test score). Student-Athletes who enroll in a Division I program in August 2016 or later will be required to have a higher minimum GPA (2.30) in core courses and ten (10) courses must be completed prior to the start of their senior year. Of the ten courses, seven (7) must be in English, mathematics or natural/physical science. These ten courses become locked in at the seventh semester and cannot be re-taken for grade improvement.

CLASS CHANGE POLICY

No class changes will be made because of teacher preference unless agreed upon by the Vice Principal. A change in classes may be requested during the first two weeks, except for the reasons already stated above, if all parties involved (students, parents, teachers, counselors and the Vice Principal) agree to the change. After two weeks, a fee of $20 will be charged for any class change, unless the student has been improperly placed in a class and needs the class change for academic reasons, or if all parties involved believe it is in the best interest of the student to change classes/teachers. If a student-initiated change is made at that time, the class will stay on the transcript with a ‘W’ for withdraw and a fee of $20 will be charged to the family tuition account. Since electronic books can only be loaded once, students will have to purchase the new course’s text(s) and will not be refunded for the books purchased of the dropped class.

GRADE PETITION

A student who questions a grade he or she has earned in an academic class may petition to request a change of that grade. Grade petitions must be initiated no later than 10 days after report cards are postmarked. It is the student’s responsibility to observe the following procedure.

• The student is to meet privately with the teacher and attempt to reconcile the disputed grade (parents may be present, if necessary).
• The student should then consult the chairperson of the academic department if he or she feels that the meeting with the teacher is non-productive.
• If both of these steps are non-productive, the student has the right to petition the Vice Principal. The student is to present his or her reasons for the petition in written form to the Vice Principal. Should the Vice Principal determine that the student’s situation merits further consideration, the Vice Principal will consult with the teacher and Department Chairperson.
• Should it become necessary, there may be a meeting with the student, the teacher, the department chairperson and the Vice Principal to resolve the matter.
• Ultimately, final grade determination rests with the teacher as confirmed by the Vice Principal. All decisions at this point are final.

INDEPENDENT STUDY

Participation in Independent Study is available exclusively to those students recommended by the Counseling Department and Academic Department Chair. Independent Study will be utilized as a credit recovery option or for original credit when either the class is not offered as part of the regular course offerings for the school year or when an unavoidable schedule conflicts occurs in a student’s schedule. The Independent Study option will be subject to fees commensurate with those established by Memorial
Summer School. Those meeting the requirements necessary for approval of Independent Study will have an individualized program of study designed with clearly defined curricula, completion dates, and grading policy. Enrollment in Independent Study may preclude participation in other extra-curricular activities. The Vice Principal and/or Principal will grant final approval for an Independent Study Program.

POWERSCHOOL

Memorial uses Pearson Education’s PowerSchool School Information System (SIS) to record, manage and store a multitude of confidential school information. PowerTeacher, a component of PowerSchool, allows teachers to record and store student grades. Parent(s)/guardian(s) have access in real time from any computer to their child’s grades, historical records, and attendance. This access to PowerSchool is password protected; Karen Baker, Memorial’s PowerSchool system’s manager, will provide the temporary username and password for any parent/guardian who has misplaced them. For incoming freshmen and new students, temporary username and password for PowerSchool are released during the first week of school. Students receive a separate username and password to PowerSchool. Consequently, Memorial does not mail progress reports to parents.

It is school policy that teachers update PowerSchool on a weekly basis.

ALERT SOLUTIONS

Alert Solutions is a web-based service contracted by San Joaquin Memorial that sends outbound messages in the form of recorded voice, email or short text messages. Alert Solutions is used for announcing Foggy Day schedules, absentee notifications, and emergency information. Parents should notify the school of a reliable and non-intrusive contact number or email to be used with this system. Please email Eric Mendoza at emendoza@sjmhs.org.

8TH PERIOD COLLABOARTION

The 8th period collaboration block, which occurs on RED days, is embedded study time for students. The first 45 minutes (1:45 – 2:30 p.m.) of collaboration will be mandatory for freshmen, sophomores, and juniors and optional for seniors. Students seeking to meet with teachers will need a pass to leave their 8th period block and students being summoned by a teacher will be given a pass the day of collaboration. The second 30 minutes (2:30 – 3:00 p.m.) will be optional for students to visit with teachers and receive extra support. Students at any grade level in danger of failing, missing three or more assignments, or in need of making-up exams may be required to stay for one or both of the collaboration blocks. Failure to meet with a teacher who summoned a student will result in Academic Saturday School. While teachers should always be available to assist students before and after school on any school day, the 8th period collaboration block builds extra time with the school schedule whereby teachers will be available to assist students in the following ways:

- conducting one-on-one tutoring
- supervising peer tutoring
- allowing students to make-up missed quizzes and tests
- reviewing for exams
- conducting study sessions, study halls, or additional class sessions (i.e., labs, etc.)
- assisting students with assignments due to absences
- Academic/Spiritual Enrichment Opportunities

FRAMEWORK

1. **Student Expectations:** To utilize this time for study, completing assignments, making-up tests, and/or seeking added support from teachers or peer tutors.

   A. Freshmen, Sophomore and Juniors
   
   - First 45 Minutes:
     1. First block will be used in mandatory sustained silent study completing assignments within their 8th period class.
     2. Attendance will be taken in 8th Period.
3. Should a student need assistance from a teacher, he/she will ask for a green pass from that teacher before 8th period. Students have only the first five minutes of 8th period to get to the teacher they wish to see.

4. Students in need of completing an assessment will receive a pink pass prior to 8th period and must report to the teacher’s class or the Media Center (Testing Center) within the first five minutes.

5. Students may be summoned for the second 45 minutes of collaboration and pink passes supersede any other collaboration pass.

6. Any student being summoned who has an early-out must fulfill summons the following day or will be issued an Academic Saturday School.

   • Second 30 Minutes:
     1. Second block will be used to visit with teachers and/or receive peer tutoring from NHS students. Students are allowed to stay in their 8th period class if they desire as long as they are not disruptive and are completing assignments.
     2. Academic/Spiritual Enrichment Opportunities will be available for students. A limited number of purple passes will be available and students must obtain these from the teacher administering the activity.
     3. Clubs and Extra-Curricular organizations are not permitted to meet during any block of collaboration.
     4. Students out of class without the required pass or students who are summoned and who fail to meet with their teacher will receive an Academic Saturday School.

B. Seniors
   • Collaboration period is optional.
   • Students can use this time to visit with teachers using the same protocols listed above.
   • Senior students who are summoned and who fail to meet with their teacher will receive an Academic Saturday School.
   • Seniors can obtain purple passes and participate in enrichment opportunities.

C. Students Academically Ineligible
   • Any student who becomes academically ineligible must participate in scheduled teacher and/or peer tutor sessions during both blocks of collaboration.

2. Parent/Guardian Expectations: To support their child’s learning by ensuring students are properly using the 8th Period collaboration.

A. Tracking Student Performance
   1. Through frequent review of PowerSchool and teachers’ Google Classroom, parents/guardians should keep their child accountable for completing assignments.
   2. Maintain open lines of communication with teachers to track student performance.

B. Referring Student to Teachers
   1. By contacting the Vice Principal, parents/guardians can request students to visit with specific teachers for additional support.
   2. Students can be paired up with a NHS peer-tutor at the request of parents or the Vice Principal.
   3. Students will be given passes to meet with teachers and failure to show up will result in Academic Saturday School.

C. Keeping Students on Campus
   1. The 8th period collaboration block is part of the instructional time of the normal school day.
2. Students need to be encouraged to take advantage of completing work in their 8th period class or request a pass to visit with teachers to receive additional support.

3. Students will be tracked and monitored to ensure their safety and that they are utilizing the time for learning purposes.

4. Parents should refrain from pulling students out of school during collaboration; this time is integral for students to complete assignments, receive enrichment opportunities and/or receive additional support from teachers.

ACADEMIC SATURDAY SCHOOL

Students who fail to attend a teacher’s summons for 8th period collaboration or who are excessively tardy and/or absent will be required to attend Academic Saturday School. Academic Saturday School takes place every other Saturday or as needed. The Academic Saturday School payment policy is concurrent with regular or disciplinary Saturday School. Students who attend Academic Saturday School will need to adhere to the following:

- Academic Saturday School runs from **8:00 am - 12:00 pm**. Students need to arrive by 7:45 am to ensure they are not late. Late students will be sent home immediately without credit.
- Students should be well rested and prepared to work that day. Students must make sure to bring all necessary materials to complete schoolwork and study to Saturday School. **Any student that does not bring the materials they need will be sent home immediately without credit.**
- Students will be given two breaks, but they will not be allowed to leave campus until noon, so they should bring snacks. **Any student that leaves campus prior to the conclusion of Saturday school will be sent home immediately without credit.**
- Parents will be billed $20 for each Academic Saturday School.

EXTRA-CURRICULAR ELIGIBILITY

PHILOSOPHY

San Joaquin Memorial maintains that, as a Catholic academic institution, the spiritual and academic dimensions of the school take the highest priority. Each student is held accountable for his/her performance in the classroom and classroom performance is a prerequisite to the privilege of participating in extra-curricular activities at Memorial. In order to insure that students are held accountable for their academic success at Memorial, as well as to maintain the integrity of the academic program of the school, Memorial holds that in order to be eligible for extra-curricular activities, a student must maintain all of the following standards:

- Meet the minimum GPA/grade requirements (see below)
- Be current in the school’s Service Education requirements (as defined in an aforementioned section)
- Maintain a satisfactory citizenship (including citizenship grades) and attendance record

INELIGIBILITY

A student becomes ineligible in one of the following ways:

- A student earns below 2.00 GPA and/or earns two or more F’s at the end of a grading period or semester during the academic year.
- Fails to meet his/her service education requirement as defined in an aforementioned section.
- Deemed ineligible through the Campus Security Manager for behavioral/attendance issues.

A student deemed ineligible is prohibited from participating in extra-curricular activities. An ineligible student cannot participate in extra-curricular activities during the subsequent grading period, which includes, but is not limited to, participation in the following activities:

- Athletic team sports (games and practices),
- Drama productions (and rehearsals) or forensics,
• Class or student body offices,
• Pep and cheer practices or game performances,
• Attendance at all school dances, games, etc.,
• In club trips or activities,
• Any extra-curricular school activity which requires regular duties which might limit the student’s available study time.

Students placed on Academic Ineligibility will have to adhere to the following process, at minimum:

• The parent(s)/guardian(s) will be informed in writing by the Vice Principal that their son/daughter has been placed on academic ineligibility. Information will include the outline of all procedures related to academic ineligibility.
• The student and parent(s)/guardian(s) will meet with the appropriate teachers and Vice Principal to establish a written plan of action. This plan will outline what actions the student will take to improve his/her grades. Possible considerations will include, but are not limited to, closed 8th period tutorial, on-site tutoring, completion of weekly progress reports by teachers as requested by the student, review of participation in activities, athletics, and off-campus employment, and review of currently scheduled courses and study habits.
• Students and parent(s)/guardian(s) will receive an unofficial report card after five (5) weeks. The Vice Principal may request further meetings with the appropriate teachers, and the student and parent(s)/guardian(s) if academic progress has not been made.
• Closed 8th period tutorial (every Red Day) will be assigned to the student, and will be required through the duration of the subsequent grading period. Study Hall after school (3:00 pm – 3:30 pm, daily) may be required, and National Honor Society students may be assigned as tutors to students who are academically ineligible.

REGAINING ELIGIBILITY

An ineligible student who improves his/her GPA to at least a 2.0 with no more than one “F” at the subsequent grading period will regain eligibility. Ineligibility and regaining eligibility is determined after the publication of the “Eligibility List” by the Vice Principal following the regular grading periods (which end on the preceding Friday). In some cases, exceptions can be made for students who regain eligibility and are seeking immediate eligibility before the list is posted the following week.

ACADEMIC DISHONESTY POLICY

San Joaquin Memorial High School expects students to be honest in their academic work at all times. Academic dishonesty is viewed as a serious ethical issue and a school violation of the academic values of honesty, integrity, and responsibility. Cheating, copying (another student’s work or allowing others to copy one’s own work) and plagiarism are forms of academic dishonesty that will not be tolerated.

Cheating

Any attempt by a student to influence/improve his or her academic standing by deceitful or dishonest means, or any such attempt to knowingly assist any other student is considered cheating (unless the work is designed to be completed collaboratively as specified by the instructor).

Plagiarism

Plagiarism is copying the work, words, ideas and/or effort of another person and submitting them as your own. San Joaquin Memorial uses www.turnitin.com for authentication of essays, papers, or homework, etc.

When a student is involved in an act of academic dishonesty, there will be consequences in all cases. A teacher who observes the academic dishonesty with his/her students shall follow all four steps outlined below. If the students involved are not his/her students, the teacher will confiscate the cheating/plagiarized materials from each student involved and shall give the assignment to the appropriate teacher who shall follow all four steps:

• The teacher will confer with the student and explain why their work was deemed as cheating/plagiarized.
• The student will receive a zero (no credit) for all, or a portion of, the test, quiz, assignment or project, and will be required to redo any work for no credit (points may be awarded at the teacher’s discretion).
• The teacher of the student will notify the parent/guardian and any other appropriate person(s).
• The teacher will refer the student to the Vice Principal for a disciplinary response.
Response by the Vice Principal may include, but is not limited to, any or all of the following consequences: detention, Academic Saturday School, disciplinary probation, disciplinary non-privilege, parent conference, on or off-campus suspension and/or loss of credit for the class.

All offenses of cheating or plagiarism are cumulative throughout the student’s enrollment at San Joaquin Memorial High School. Repeat offenses and behaviors not included above will be assessed on an individual basis by the administration and personnel involved. Cheating, copying or plagiarism of any kind may result in the student losing the privilege to hold an office, to attend or represent the school in any co-curricular activity, and/or loss of academic honors, such as removal from CSF or NHS (see bylaws for each group).

In very serious or repeated cases of academic dishonesty, the administration reserves the right to move for the immediate dismissal/expulsion of the student or students on the first offense or to drop the student or students from the course with a grade of ‘F’.

ADDRESSING CLASSROOM CONCERNS & DISPUTE RESOLUTION

The policy and procedure for handling student concerns or disputes is to direct the student and parent(s)/guardian(s) to the source of any concern. It is the student’s and parent(s)/guardian(s) responsibility to observe the following procedure.

- The student is to meet privately with the teacher and attempt to reconcile the dispute (parents may be present, if necessary). **No meetings will take place with parents without the student present.**
- If there is no resolution, the student may then consult the chairperson of the academic department, and request a meeting with the teacher and department chairperson.
- If there is no resolution at this point, the student has the right to consult the Vice Principal. The student is to present his or her reasons for meeting in written form to the Vice Principal. Should the Vice Principal determine that the student’s situation merits further consideration, the Vice Principal will consult with the teacher and Department Chairperson and set up a meeting with all parties involved.
- Should it become necessary (and only in the rarest instances), there may be a meeting with the student, the parent(s)/guardian(s), the teacher, the department chairperson, the Vice Principal and Head of School to resolve the matter. In some cases, the Head of School may consult with the Rector and Superintendent of Schools regarding the appeal and seek an appropriate Diocesan response or decision.
- Ultimately, final determination to resolve the dispute rests with the teacher as confirmed by the Vice Principal. All decisions at this point are final.

BEHAVIORAL POLICIES

MEMORIAL CODE OF CHRISTIAN CONDUCT

The faculty, staff and administration of Memorial welcome the opportunity to engage in a partnership with parents and students to establish and maintain a Catholic environment that promotes faith, learning, respect, and individual responsibility. The Memorial code of conduct is based on the premise that student regulations are necessary to protect students, to assist them in their spiritual and intellectual growth, and to create a positive school climate. This policy also applies to any student whose conduct at any time or in any place off campus, interferes with or obstructs the mission or operations of the school or the safety or welfare of the student, other students or employees.

STUDENT CHARACTER & CITIZENSHIP GRADES

The purpose of a citizenship grading system is to:

- establish student accountability for character and behavior in the classroom and on campus.
- address Memorial’s responsibility to educate not only in the cognitive area, but also in the affective area.
- reinforce behaviors that will lead to higher academic achievement in the classroom and successful extra-curricular experiences.
- affirm students who consistently enhance their own learning environment.

Citizenship Grades
The following grades will be given to each student as appropriate. The explanation for each grade serves as an aid to better distinguish the difference of each level.

- **Outstanding (O):** Student is sensitive to the procedures necessary to maintain a positive learning environment. This student demonstrates the value of outstanding conduct and is self-motivated.
- **Satisfactory & Above (S):** Student is reliable, hardworking, respectful, participates in class and is achieving consistent patterns of development.
- **Needs Improvement (N):** Student is sometimes insensitive to the procedures necessary to maintain a positive learning environment. The student who needs improvement often impedes the learning process and interferes with the rights of others. Student must quickly develop more consistent concern for others.
- **Unsatisfactory (U):** Student consistently impedes the process of learning and infringes on the rights of others. Typical behaviors include: excessive talking, acting in a rude, discourteous or disruptive manner; and/or being inadequately prepared for class.

**Disciplinary Probation/Ineligibility**

Students who receive one or more ‘U’ marks and/or two or more ‘N’ citizenship marks on a grade report will be placed on Disciplinary Probation for a two-week period following a meeting with the Director of Safety and Discipline. During the two-week probationary period the student is expected to raise his/her citizenship to ‘S’ or above in all classes. Students who do not raise their citizenship marks will be placed on Disciplinary Non-Privilege suspension. Students may review their status every two weeks by circulating a Citizenship Progress Report. When a student has raised his/her citizenship marks to an ‘S’ or above in all classes, he/she will be removed from Disciplinary Non-Privilege suspension. However, if a student’s citizenship falls below all ‘S’ marks during that same grading period, he/she will be subject to reinstatement of the Disciplinary Non-Privilege process. Numerous or continued unsatisfactory marks in conduct will result in further disciplinary action or dismissal from school as determined by the Principal with recommendations by the Director of Safety and Discipline and the Disciplinary Review Board.

**STUDENT HARASSMENT POLICY**

The Memorial community is committed to adhering to the San Joaquin Memorial High School policy of non-discrimination based on race, gender, color, religious affiliation, sexual orientation, ethnicity/national origin, age, socio-economic status, or handicap/disability, in accordance with state and/or federal laws. These policies specifically prohibit harassment based upon each of these protected classifications. In addition, the Memorial community recognizes that bullying or intimidation on any basis has a negative effect on school climate. Students who are intimidated and fearful cannot give their education the single-minded attention they need for success. Thus, bullying and intimidation for any reason is prohibited at San Joaquin Memorial High School.

Behaviors are considered harassment when they create a pattern that:

- has the purpose or effect of creating an intimidating, hostile, or offensive school or work environment.
- otherwise adversely affects an individual’s educational opportunities.

Harassment and bullying may include any form of a behavior pattern that interferes with another person’s sense of safety, dignity, comfort or productivity in the school environment.

- physical intimidation or assault.
- name calling (verbal/written), teasing, mimicking, slurs, or other derogatory remarks.
- displaying offensive graffiti, symbols, posters, pictures, cartoons/caricatures, notes, book covers, or designs on clothing.
- phone calls, e-mails, text messaging or other forms of electronic messaging.
- touching of a person or person’s clothing.
- words, pranks or actions that provoke feelings or embarrassment, hurt, or intimidation.
- stalking.
- threats, threatening gestures or actions.
- false accusations or rumors.
- unwanted romantic or sexual advances.
- social isolation.
- use of social media (Facebook, Twitter, Instagram, Snapchat, etc.) to convey any of the foregoing.
Creating a school culture free of harassment and bullying demands that all individuals recognize such behaviors and take action to stop them. Every student at San Joaquin Memorial High School has the potential and the responsibility to affect the school culture and is strongly urged to act in concert with the Director of Safety and Discipline:

- to treat others with courtesy, consideration and respect;
- to substantially or unreasonably interfere with an individual’s academic or work performance;
- to tell individuals behaving in a disrespectful manner toward someone else that you want them to stop; and
- to report the behavior if it does not stop.

If a student is uncomfortable taking the actions suggested above or if a student has tried to stop the behaviors and does not feel the issues are satisfactorily resolved, it is important that he or she ask for help by filing a complaint.

Complaint Procedures
The Vice Principal at San Joaquin Memorial High School is designated as “Complaint Manager” for the purposes of receiving complaints. A student who wishes to file a complaint of harassment should meet with the Vice Principal as soon as possible to complete a complaint form. The Vice Principal will interview the student and assist him/her in completing the form. If the student does not feel comfortable speaking to the Vice Principal, he/she may contact the student's designated counselor.

The Vice Principal will conduct an investigation. The Vice Principal will meet with the grievant to review the information gathered and, if appropriate, discuss a resolution to the complaint. Corrective action may include, but is not limited to, directions to stop the offensive behavior, mediation, counseling, education, and/or disciplinary action up to and including expulsion, subject to the requirements of applicable law and diocesan policies.

Respondents may appeal the disciplinary action against them, to the extent provided in this Handbook.

Retaliation
It is a violation of this policy for any person to retaliate, coerce, intimidate, harass or interfere with a member of the school community, or any other individual, because the individual has filed a report regarding harassment or has assisted with an investigation. This includes any person who reports an alleged violation of this policy or any person who assists or participates in an investigation, or who testifies, assists or participates in a proceeding or hearing relating to such harassment. Such retaliation may result in disciplinary action, up to and including expulsion, subject to applicable procedural requirements.

San Joaquin Memorial High School is committed to providing a learning environment that is free from harassment. A charge of harassment/bullying shall not, in and of itself, create the presumption of wrongdoing. However, any substantiated acts of harassment/bullying will result in disciplinary action, up to and including expulsion. Students found to have filed false or frivolous charges will also be subject to disciplinary action, up to and including expulsion by the Principal. Memorial observes and enforces the Harassment Policy of the Diocese of Fresno.

GUIDELINES FOR GOOD ORDER

Assembly Behavior
Students are expected to demonstrate courtesy and respect for all speakers and guests. Please make sure that you give all speakers the respect they deserve by providing them with your undivided attention. Students found to be misbehaving during an assembly will be removed from the event and subject to disciplinary action.

Campus Care
Students are responsible for maintaining a clean campus. The campus is your second home throughout the school year. Any student found to be littering on campus will be subject to disciplinary action.

Care of Personal Property
Students are responsible for the care of their personal or school-issued belongings. It is important that these items be marked clearly with the student’s first and last names. Backpacks and other personal belongings should never be left unattended. The school is not responsible for any loss, theft or damage to student property.
Closed Campus
San Joaquin Memorial High School is a closed campus. A closed campus assists in creating a safe educational setting. Students may not go into the parking lot during the school day without permission and must be accompanied by a faculty or staff member.

Classroom/Campus
Students are to behave respectfully and safely and in a manner conducive to learning. Students are also to properly dispose of all drinks/food before entering any building except for the cafeteria. Deliveries to Students
Students are not allowed to receive deliveries from outside vendors during school hours. All outside food vendors and deliveries to SJMHS, during school hours, will be turned away at the front gate. THE ATTENDANCE OFFICE WILL NOT ACCEPT DELIVERIES for students. Food deliveries for room parties or special occasions must be pre-approved by the Director of Discipline, Mr. Marcus Rodriguez.

Earthquake, Fire and Lockdown Drills
During drills students are to listen carefully to the alarm and bell sounds to determine the type of drill being conducted. At all times, students are to follow the directives given by teachers or administrators. Students are also asked to silently follow evacuation route signs, instructions or procedures posted in each classroom or area.

Fees and Fines
In addition to, or as part of disciplinary sanctions, fines and fees may be imposed for failure to follow school policies:

- Damage to school property (cost of repair)

Items Not Permitted On Campus
Due to safety and liability concerns, students are not allowed to use roller blades, skateboards, scooters or bicycles on campus. Parents are not to call or text students on cell phones during class time. Parents should contact the Attendance Office in cases of emergency. Reasons for restrictions include, but are not limited to the following: cheating, loss of instructional time, and dissemination of inappropriate language and images.

Consequences include, but are not limited to:

1st violation- item confiscated; returned to parent after school; detention assigned.
2nd violation- item confiscated for one week; parent contact required; Saturday school assigned.
3rd violation- item confiscated permanently; parent conference required; possible suspension.

Lost and Found
All articles found on campus or in the classroom are to be turned in to the Attendance Office (South Admin. office). Unclaimed clothing and personal items will be donated to charitable organizations.

Expressions of friendship or affection should be modest and with proper decorum. To encourage the use of good judgment, only holding hands is permitted.

Restricted Areas
Students are restricted from the following campus areas: the copy room, International Boarding School and Holy Cross Halls, faculty room, faculty dining room in the cafeteria, faculty or staff restrooms, classroom arcades during class time or the lunch hour.

Searches
Memorial reserves the right to conduct a search of a student in loco parentis, the physical plant and grounds of the school (including student lockers, autos, cell phones and all other personal belongings), whenever the administration determines that there is a justifiable need for a search, according to the precedence established by the U. S. Supreme Court decision in \textit{TLO vs. New Jersey (1985)}, which states in part, "...a school official may search a student if that official has a ‘reasonable suspicion’ that a crime has been or is in the process of being committed, or reasonable cause to believe that the search is necessary to maintain school discipline or enforce school policies."

Use of Gymnasium, Locker Rooms, Playing Fields
Students may be in the gymnasium, weight room, locker room or playing fields only when supervised by designated school personnel. Students are not allowed in these areas without supervision by school personnel. Any student found to be in restricted areas, without the proper supervision present, will be subject to disciplinary action.

• the use of Twitter, Facebook or any other social networking website for communication between school employees and students is strictly prohibited without prior administrative approval.
• causing or attempting to cause damage or destruction to the property of the school.
• extortion (force or fear) or threats (written or verbal) made upon a student, staff member, or campus visitor.
• possession, use, sale or distribution of alcohol, drugs, or any other legally controlled mood-altering substance.
• possession or use of firecrackers or explosives.
• pulling of fire alarm without just cause, arson, or bomb threat.
• theft or attempted theft of school property or from a student, staff member, campus visitor or food service vender.

Consequences for the aforementioned violations will include one or up to all of the following:

• Parent contact.
• Incident report to appropriate law enforcement agencies.
• Immediate suspension.
• Review by the Disciplinary Review Committee (at the discretion of Director of Safety and Discipline or Vice Principal).
• Expulsion by the Principal.

DISCIPLINARY SANCTIONS

The following are the disciplinary sanctions, which may be invoked by the administration. The Campus Security Manager and Vice Principal are responsible for assigning major disciplinary sanctions. In more serious cases, the student may be asked to appear before the Disciplinary Review Committee, which makes appropriate recommendations to the Campus Security Manager and/or Vice Principal.

Detention

Students who violate school rules and regulations will be assigned detention. Detention is held for a determined length of time either before school, during lunch period, after school, or on non-school days. Detention assigned for a class tardy will last 30 minutes; all other detentions vary in length and can last up to 60 minutes. Students assigned to detention are detained on their own time and may be required to perform physical labor. During detention, students are under the direct supervision of the Director of Safety and Discipline or a designated authority. Detention takes priority over all other school activities. Students who do not serve their assigned detention are subject to additional penalties.
Saturday School

Students who violate school rules and regulations will be required to attend a Saturday School session at the discretion of the Campus Security Manager. Saturday School is held from 8 a.m. to 12 p.m. and will require the student to participate in a campus clean up work program. Students are to report to the football field ticket booth dressed in clothing suitable for maintenance work. Students must be on time and ready to participate. Failure to participate will result in “no credit served” for the session, and the student will be subject to further disciplinary action at the discretion of the Director of Safety and Discipline. Parents will be billed $20 for each Saturday School.

Disciplinary Probation

A student may be placed on Disciplinary Probation for serious misconduct and violations of school rules or for repeated minor incidents. Probation is given for a specific period of time during which a student will demonstrate a positive change in behavior and attitude.

Disciplinary Non-Privilege Suspension

A student placed on Disciplinary Non-Privilege suspension may not participate in or be in attendance at any school function including but not limited to games, dances, rallies, field trips, clubs or club events, senior off-campus lunch, student government, and any interscholastic sports program, including practices.

Suspension

A student will be suspended for repeated or major behavioral violations, whether on or off the campus. Absences due to suspension are considered unexcused and will be counted toward the 11-day absence limit. Suspension may be held on or off campus.

Recommended Transfer

A recommended transfer is the school’s decision to permanently remove a student from the school as an alternative to issuing a formal expulsion that appears on a student’s official record.

Reasons for Recommended Transfer:

- The student will not benefit from continued enrollment.
- The student’s continued attendance will make demands upon the school that the school cannot meet.
- The student’s parent(s) or guardian(s) have failed to meet financial obligations to the school that they accepted upon enrolling their child.
- The student’s parent(s) or guardian(s) have failed to cooperate with the school staff and have not complied with the school’s policies, practices, or programs.

Voluntary Withdrawal

Voluntary withdrawal is an alternative to expulsion. Following recommendation by the Disciplinary Review Board and/or the Director of Safety and Discipline for expulsion, the Principal may give the student/parents the option of withdrawing from school.

Expulsion

Upon the recommendation by the Campus Security Manager and/or Vice Principal, permanent removal from the school is decided by the Principal.

DISCIPLINARY REVIEW BOARD

At the discretion of the Campus Security Manager, he/she may convene the Disciplinary Review Board for serious disciplinary infractions that may result in dismissal. The Disciplinary Review Board is comprised of a pool of 10 faculty/staff members. The Campus Security Manager may select 3 faculty/staff members from the pool, and ask them to review the evidence at hand. The Disciplinary Review Board shall convene within three (3) days of the infraction. When the Disciplinary Review Board meets, the Campus Security manager shall provide the board with the school’s findings and the student and/or his family at their discretion may appear before the board to present additional facts and other relevant information. The Board shall present in writing its
recommendation to the Campus Security Manager, Vice Principal and Principal. The Principal has the final authority in all disciplinary actions.

**DRUG AND ALCOHOL POLICY**

Substance abuse remains a significant problem in our society. Possession, sale and ingestion of illegal drugs and alcohol are prohibited. Memorial, in partnership with parents, who are the primary educators, is committed to a strong preventative drug and alcohol policy. To support parental efforts and to maintain a safe school environment, Memorial offers a regular and consistent anti-drug and alcohol message. Memorial also employs the services of Interquest; Interquest dogs are trained to detect alcohol, drugs and firearms. Memorial also reserves the right to conduct searches, to use an alcohol breathalyzer, and to implement the use of an oral drug screen at school or at any school-sponsored activity. All activities held on school property, at any school-related event off school property, and information from police reports and other reliable reports regarding off-campus activity are covered by this policy.

*Interquest Detection Canines*

At all times, the foremost concern of the school is the students’ safety. When Interquest dogs show an interest in a student’s backpack or belongings, this does not indicate guilt. It is standard procedure, however, for the student to be escorted to the office in order to speak to the student and to conduct a search of the student’s belongings. A school administrator or counselor will communicate with the parent regarding the incident. Mandatory drug testing at an agency specified by the school, at parental expense, may also be assigned by the Director of Safety and Discipline or Principal in cases where drug use is suspected.

**Distribution and Sale of Drugs or Alcohol**

Distribution or sale of any illegal or legal mood-altering substance on or near the campus, at school-sponsored or related activities or a time or place involving the school is considered to be a very serious offense and the school will take a zero-tolerance stance and the student will be expelled.

**Drug/Alcohol Testing**

San Joaquin Memorial High School reserves the right to request a drug screening by way of urinalysis, hair sample, or blood sample, of any student that reasonably appears to be under the influence of drugs or alcohol either on campus or at a school sponsored event. Any student refusing to comply with a drug/alcohol screening will be deemed having a positive test result. Fresno County Drug Testing Center will provide all drug/alcohol screening services for San Joaquin Memorial High School. The Campus Security Manager will arrange and request all drug/alcohol screenings, and all screening fees are the responsibility of the student’s parent(s)/guardian(s).

**Possession, Ingestion or Use of Drugs or Alcohol**

Possession, ingestion or use of drugs, alcohol or any legally-controlled mood altering substance on or near the campus, during school, prior to school or at school-sponsored or related activities or at a time or place involving the school is considered to be a serious offense. Should a student violate these rules, the following would apply:

- contact parent(s)/guardian(s).
- immediate suspension from school, up to a maximum of five (5) days.
- drug and alcohol testing is mandatory at the school’s specified agency. All test results will be delivered to the appropriate school official. Any drug or alcohol testing fees are the responsibility of the student’s parents.
- referral to the school’s counseling department for assessment.
- student must enroll in a Drug/Alcohol treatment facility, and disclose all information to the Campus Security Manager and counseling offices for approval.
- placement on Disciplinary Probation and Disciplinary Non-Privilege suspension.
- incidents are reported to the police, if deemed appropriate.
- the Disciplinary Review Board may consider penalties up to, and including, dismissal and may, as a condition of continued attendance at Memorial, require the student to participate in a drug/alcohol rehab program.
- a repeat offense may result in expulsion. Drug and alcohol offenses are cumulative throughout the student’s enrollment at Memorial.

**Family Refusal**
Should the parent(s)/guardian(s) refuse the required drug or alcohol sanctions, the school may suspend a student indefinitely and/or move for expulsion.

**Possession/Use of Authorized Medication**

When a student is taking prescribed or non-prescribed medication at school, parent(s)/guardian(s) are to notify the Campus Security Manager in writing. The student’s medication must be stored in the attendance office along with the written instructions for usage. The student may carry inhalers only with written verification from a physician. All medication must be picked-up at the end of the year or else it will be discarded.

**PREGNANCY/ABORTION POLICY**

A primary purpose of Catholic education is to guide student growth in Christian values and moral conduct. Memorial stresses that the body is the temple of the Holy Spirit and that the sanctity of family life is enhanced through a fulfillment of God’s plan as expressed by a loving and permanent commitment. Premarital sexual activity is contrary to these values. However, when a pregnancy occurs outside of marriage, the total school community seeks to offer support to the student mother and/or father, so that the pregnancy can be brought to term. The reality of the situation, in all its dimensions, is to be treated in a Christian and humane manner. Students involved with a pregnancy have changed their status and will be advised of new responsibilities and the moral priorities for bringing a new human life into the world. Such responsibility requires a change in status, especially in terms of activities and priorities in the school life of the student. The pregnant girl cares for herself as a mother-to-be and the father-to-be responds with care and support for the mother and child. If the mother or father-to-be is a student at San Joaquin Memorial High School, the Principal or his/her designate must meet with the student and advise complete disclosure to the parents. Also, she/he will be referred to the counseling department for advice, counseling and assistance. Catholic doctrine views abortion as an immoral act that disregards the sanctity of human life. Memorial will recommend an existing network of prenatal programs and pregnancy counseling available in the Diocese of Fresno.

ATTENDANCE POLICIES

ATTENDANCE OFFICE

DIRECT PHONE LINE: 268-1284

In all instances, the school administration reserves the right to determine and regulate what is appropriate student attendance and to determine the validity of parent/guardian notes authorizing absences and tardies.

The Administration, faculty and staff believe that in order for a student to benefit from a well-rounded education at Memorial, it is necessary for the student to participate in classroom and co-curricular activities. Successful participation in these activities requires regular and punctual attendance. It is the responsibility of the parent(s)/guardian(s) to make sure their student is in school and to notify the attendance office when an appropriate reason exists to justify an absence or tardy.

It is the responsibility of the student and parent(s)/guardian(s) to know and follow these rules and procedures and to keep an attendance office administrator informed of any special problems that may exist. Communication is clearly the key to avoiding unnecessary disputes and attendance office sanctions.
San Joaquin Memorial follows all California State Education Code regarding the tracking and reporting of student attendance.

**REPORTING/REQUESTING ABSENCES**

**Reporting Absences**
A parent/guardian must contact the attendance office as soon as possible prior to or following the absence. On the day the student returns to school after an absence, a signed parent/guardian note must be presented to the attendance office stating the reason and date(s) of the student’s absence. Any doctor excused absence must be accompanied with a physician’s note. Medical conditions, which exempt a student from attending school, must have physician documentation and must be filed with the attendance office. Physicians’ notes for medical conditions must be updated on an annual basis.

**Requesting Absences**
Should a student need to be absent (e.g., appointments, funerals), a written request (or Absence Request Form) must be given to the attendance office in advance of the absence.

**School Excused Absence**
The following are considered school excused:
- medical and legal appointments that cannot be scheduled outside of school time with written verification by a doctor or other medical health professional.
- illness or therapy verified by a doctor’s note.
- bereavement (death in the family.)
- funerals, if arrangements are made in advance.
- authorized religious holidays.
- school sponsored activities such as sports, club outings, retreats, club field trips, etc.
- a student is in conference with a counselor/teacher or administrator.

**Parent Excused Absence**
Parent excused absences are absences other than school excused absences accompanied by a written note from a parent and/or guardian. All parent excused absences must be cleared within 24 hours of the absence in order to be excused. Some examples include, but are not limited, to the following:
- Vacation
- Participation in non school related athletics
- General dentist or hygienist appointments
- Minor or short-term illnesses

The Campus Security Manager and/or the Vice Principal reserve the right to make determinations regarding absences on a case-by-case basis in special situations.

**Truancy**
Truancy is an unauthorized absence by a student. This applies to an unauthorized absence for more than 25 minutes from a class.

**Absence**
A student is considered absent when he/she misses more than 25 minutes of class. For participation purposes in extra-curricular activities, including games, practices, dances, etc., a student may not miss more than 110 minutes of class due to parent excused or truancy absence.

**Absence Limits and Consequences**
The following are absence limits and consequences for parent-excused absences.
- When a student has reached four (4) parent excused absences per class per semester, one (1) Academic Saturday School will be assigned.
• When a student reaches seven (8) parent excused absences per class per semester, two (2) Academic Saturday Schools will be assigned and the student will become ineligible to participate in extra-curricular activities, sports and school dances until both Academic Saturday Schools are served.

• When a student reaches more than (8+) parent excused absences per class per semester, the student will have to make-up instructional hours through absence recovery in Academic Saturday School. One Academic Saturday School will be served for each day over seven absences. The student will also become ineligible to participate in extra-curricular activities, sports and school dances until the absence recovery is complete. Should the student not make-up attendance through absence recovery, he/she will have to challenge the class. A class challenge means that a student must pass the final exam with a C or better. Failure to do so will result in an F grade for the class for the semester in question.

TEMPORARY GUARDIANSHIP OF MINORS

If parents or guardians are going to be unavailable (e.g., out-of-town, surgery, etc.) for more than two school days, please notify the Attendance Office in writing. The Attendance Office will need the name(s) of the temporary guardian(s) of the student in case the student is absent, tardy or injured. There are forms available from the Attendance Office.

EXTRA-CURRICULAR PARTICIPATION

A student may not be permitted to attend or participate in any extra-curricular activity if any of the following has occurred on the day of the aforementioned activity or practice:

• a student misses more than one class period;
• a student misses class due to behavioral referral to the Campus Security Manager or Vice Principal;
• a student leaves school before the end of the day due to illness or an unexcused absence.

NOTE: The Administration reserves the right to review cases involving extraordinary circumstances.

MISSED CLASS OR ASSIGNMENTS

The student is responsible to contact the teacher in order to arrange for missed assignments and course work during excused absences. In the case of absences of three (3) or more days, course assignments may be requested through the Attendance Office by the parent/guardian. Students with unexcused absences or tardies may be allowed to make up the missed class work at the teacher’s discretion.

Habitual absences on test days or when major projects are due will result in a 10% penalty on such subsequent tests and/or major projects.

TARDIES

A tardy is defined as a student being late to late to class less than 25 minutes. A school-excused tardy is considered an excused tardy. (A parent excused tardy is defined in the same manner as a parent-excused absence.) All parent excused tardies must be cleared within 24 hours of the tardy to be excused.

Consequences

• The third unexcused tardy (and thereafter) will result in 30 min. automatic detention.
• The fifth unexcused tardy (and thereafter) will result in Saturday School and a meeting with the Campus Security Manager and/or Vice-Principal.
• Students are permitted four (4) parent excused tardies per semester; thereafter all tardies are unexcused, except school-excused tardies.

Students may receive a school excused tardy in the following situations at the discretion of the Campus Security Manager: traffic accidents, dense fog conditions, and other circumstances beyond the control of student and/or parent. Transportation arrangements should be made so that students arrive at school 15 minutes before class begins.

Tardy Procedures

Parents should phone the Attendance Office (268-1284) to notify the school that their student will be late reporting to school and provide the school with an estimated time of arrival. A student who arrives on campus late for school, for any reason, must report to the Attendance Office for an admit slip before being admitted to class.
OFF-CAMPUS

When a student is required to leave campus before the school day ends, an Off-Campus Permit must be issued to the student. Every effort should be made to schedule appointments outside of the regular school hours. Regardless of circumstances, the following procedures must be followed before a student leaves campus:

- A written parent/guardian note must be presented to the Attendance Office. In certain emergency situations, a telephone call will be accepted in lieu of the parent note.
- A student who becomes ill or is injured at school must report to the Attendance Office. If needed, the parent will be contacted and arrangements will be made for transportation to the family home.
- It is the student’s responsibility to contact each teacher to make up missed schoolwork.
- Any student who leaves campus without the approval of Attendance Office shall be considered truant and the resulting absences will be considered unexcused.

FOGGY DAY ATTENDANCE

Memorial’s announced Foggy Days are reported on local TV channels for ABC, NBC and/or CBS, radio station KMJ 580 AM, posted on the school’s website, and through the Alert Solutions Parent Contact System.

Students traveling on Memorial school buses will follow procedures and schedules as set by the Memorial Finance Office. On foggy days, parents and students are responsible for obtaining the correct scheduling information and reporting to school at the proper time. A student who is habitually tardy to school due to the fog may receive unexcused tardies/absences. When Memorial calls a Foggy Day Schedule classes begin at 9:15 a.m. Students traveling from out of town or from other outlying areas will be given special consideration if the parent/guardian telephones the Attendance Office indicating the time the student left home and the expected time of arrival. In order for the tardy or absence to be excused, a phone call or an authorized note must be presented to the Attendance Office no later than morning break the following day.

A report of absences/tardies will be available to parent(s)/guardian(s) at the end of each semester on the student’s report card. The purpose of this report is to keep parent(s)/guardian(s) informed regarding the attendance status of their child. Parent(s)/guardian(s) are encouraged to contact the Attendance Office should they have any questions or concerns regarding this attendance report or other concerns they have regarding their child’s attendance.

ATHLETICS

PHILOSOPHY

In accord with the San Joaquin Memorial High School educational philosophy, SJM regards athletics as an educational activity that consciously develops and contributes to the student-athlete’s growth as a Christian person. The coach accepts the student-athlete as a unique individual and assists the student-athlete in developing the skills of teamwork, sportsmanship, desire to win tempered with the ability to deal with defeat, and the Christian values associated with living and working with others. The coach exemplifies, by personal example and modeling appropriate behavior for the student-athlete, the Christian values it is hoped the student-athlete will develop. The success of the athletic program at San Joaquin Memorial should be evaluated in terms of the student-athlete’s Christian growth as a team member.

RESPONSIBILITIES

Competition is an integral part of the American way of life. Unfortunately, all too frequently the current sports environment often does not reflect Christian values in competition. Thus there is a need for an “ethics” code to provide guidance to the coaches and administration responsible for the oversight of the SJM athletic program. Interscholastic athletic activity should assist participants in developing:

- An ability to keep sports competition and associated activities in the proper Christian perspective.
- A desire to develop and properly utilize God-given physical and mental abilities.
- A willingness to accept responsibility both as an individual competitor and as a contributing team member.
- An ability to properly control emotions during periods of stress.
- An appreciation of the efforts of others, whether they are teammates, opponents, coaches, officials, or spectators (good sportsmanship).
MEMORIAL PURSUING VICTORY WITH HONOR PROGRAM

San Joaquin Memorial High School prides itself on the following principals and endorses 100% of them!

1. The essential elements of character building and ethics in CIF sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring and good citizenship. The highest potential of sports is achieved when competition reflects these “six pillars of character.”

2. It’s the duty of School Boards, superintendents, school administrators, parents and school sports leadership— including coaches, athletic administrators, program directors and game officials—to promote sportsmanship and foster good character by teaching, enforcing, advocating and modeling these “six pillars of character.”

3. To promote sportsmanship and foster the development of good character, school sports programs must be conducted in a manner that enhances the academic, emotional, social, physical and ethical development of student-athletes and teaches them positive life skills that will help them become personally successful and socially responsible.

4. Participation in school sports programs is a privilege, not a right. To earn that privilege, student-athletes must abide by the rules and they must conduct themselves, on and off the field, as positive role models who exemplify good character.

5. School Boards, superintendents, school administrators, parents and school sports leadership shall establish standards for participation by adopting and enforcing codes of conduct for coaches, athletes, parents and spectators.

6. All Participants in high school sports must consistently demonstrate and demand scrupulous integrity and observe and enforce the spirit as well as the letter of the rules.

7. The importance of character, ethics and sportsmanship should be emphasized in all communications directed to student-athletes and their parents.

8. School Boards, superintendents, school administrators, parents and school sports leadership must ensure that the first priority of their student-athletes is a serious commitment to getting an education and developing the academic skills and character to succeed.

9. School Boards, superintendents, school administrators, and everyone involved at any level of governance in the CIF must maintain ultimate responsibility for the quality and integrity of CIF programs. Such individuals must assure that education and character development responsibilities are not compromised to achieve sports performance goals and that the academic social, emotional, physical, and well being of student-athletes is always placed above desires and pressures to win.

10. All employees of member schools must be directly involved and committed to the academic success of student-athletes and the character-building goals of the school.

11. Everyone involved in competition including parents spectators, associated student body leaders, and all auxiliary groups have a duty to honor the traditions of the sport and to treat other participants with respect. Coaches have a special responsibility to model respectful behavior and the duty to demand that their student-athletes refrain from disrespectful conduct including verbal abuse of opponents and officials, profane, or belligerent trash-talking, taunting and inappropriate celebrations.

12. School Boards, superintendents, and school administrators of CIF member schools must ensure that coaches, whether paid or voluntary, are competent to coach. Training or experience may determine minimal competence. These competencies include basic knowledge of: 1) the character building aspects of sports, including techniques and methods of teaching and reinforcing the core values comprising sportsmanship and good character. 2) The physical capabilities and limitations of the age group coached as well as the first aid. 3) Coaching principles and the rules and strategies of the sport.

13. Because of the powerful potential of sports as a vehicle for positive personal growth, a broad spectrum of school sports experiences should be made available to all of our students.

14. To safeguard the health of athletes and the integrity of the sport, school sports programs must actively prohibit the use of alcohol, tobacco, drugs and performance enhancing substances, as well as demand compliance with all laws and regulations, including those related to gambling and the use of drugs/alcohol both on and off campus.

15. Schools that offer athletic programs must safeguard the integrity of their programs. Commercial relationships should be continually monitored to ensure against inappropriate exploitation of the school’s name or reputation. There should be no undue influence of commercial interests. In addition, sports programs must be prudent, avoiding undue dependency on particular companies or sponsors.

16. The profession of coaching is a profession of teaching. In addition to teaching the mental and physical dimensions of their sport, coaches, through words and example, must also strive to build the character of their athletes by teaching them to be trustworthy, respectful, responsible, fair, caring, and good citizens.

ATHLETIC POLICIES

Revised
8/05/16
In accord with the San Joaquin Memorial High School mission statement, Memorial regards athletics as an educational activity that consciously develops and contributes to the student-athlete’s growth as a Christian person. The coach accepts the student-athlete as a unique individual and assists the student-athlete in developing the skills of teamwork, sportsmanship, the desire to win tempered with the ability to deal with defeat, and the Christian values associated with living and working with others. The coach exemplifies, by personal example and modeling appropriate behavior for the student-athlete, the Christian values it is hoped the student-athlete will develop. The success of the athletic program at San Joaquin Memorial should be evaluated in terms of the student-athlete’s Christian growth as a team member.

PARTICIPATION IN SPORTS

All students participating in the Memorial athletic program must be registered Memorial students (the exception is summer camp participation). All students trying out for teams must have passed a physical examination within one year prior to their tryout. The physical form and Athletic Packet must be turned into the Athletic Director. Students desiring to become a member of an athletic team must accept and comply with all school rules and the team rules as clearly explained to the student athletes. All athletes should be permitted to try out for as many sports as they wish. Coaches should always encourage athletes to try out for more than one sport.

Any student-athlete wishing to try out late for a sport may do so if the sport’s program permits it and the student is able to present a legitimate reason for trying out late (e.g., injury, participation in another sport, transfer student, no prior notification of start date). An athlete dropped from one sport for disciplinary reasons or who quits a sport will not be permitted to participate in a second sport while the first sport is in season. Athletes absent (see absence policies) from one class period may not be allowed to practice or play in a game after school on that day. The student-athlete must follow school requirements for tardies outlined in the school attendance polices. Student-athletes are expected to be in attendance the full school day following any game or event.

The California Interscholastic Federation is the governing body for all high school sports in the state. San Joaquin Memorial is a member of its Central section. The CIF establishes and enforces standards, rules and regulations for high school athletics. In addition, the CIF conducts section and state playoffs. The placements below are as of May 2015 and are subject to change. For further information regarding the CIF, please use the following websites: www.cifcs.org and/or www.cifstate.org

ATHLETIC RULES AND GUIDELINES

Self-control is part of the learning process of the athlete. Profanity or conduct unbecoming a Christian will not be tolerated. Students are also financially responsible for all items that are issued by the school. Students will be charged at the replacement cost for all items that are lost. Students trying out for athletic teams must provide particular items such as undergarments, socks, shoes, gloves, etc. The school provides uniforms and certain protective equipment. Some teams may offer spirit packs (T-shirts, practice shorts, practice shirts, shoes, etc.) at an additional cost to the student. Student insurance, provided by the school, covers injuries incurred in all sports, with the exception of football. Football players must purchase football insurance at an additional fee. Insured athletes must obtain an insurance form from their parent/guardian indicating that they are adequately covered. Injured athletes must obtain an insurance form from the school Finance Office as soon as possible. Any athlete and/or parent, with a grievance must first discuss the concern with the coach. If a resolution is not reached, then the athlete and/or parent are free to discuss the matter with the Athletic Director. All student-athletes and parents are required to read and sign the Athletic Code of Conduct prior to participation in any sport. This document is available through the Athletic Director’s office.

Club Sports
Athletes are reminded that the CIF prohibits participation on club teams during that sport’s high school season (for example, no club/league soccer, volleyball during high school season). Violations may result in suspension or removal from the team and the forfeiture of games. Athletes are free to compete in club sports at any time during the off-season. Those who choose to play club sports should discuss potential conflicts with Memorial coaches that may be affected by the absence of the student-athlete. Coaches reserve the right to make individual team policies regarding the student-athlete missing practice/workouts due to club participation.

Practice Schedules
A practice schedule should be available from the coach, including provisions for adverse weather if necessary. A coach must supervise all practices. Athletes must attend all practices unless absent from school or given permission by the coach. Schedule changes will be announced as soon as possible, particularly if on campus facilities are used. The CIF prohibits any contact between coaches and athletes on Sundays and Christmas Day.

Parent Meetings
Parent meetings for each sport will occur at the beginning of the season. The coach will present information at that time concerning practice schedules, team rules, travel arrangements, school policies, etc.

Grievance Policy
When an athlete/parent has a grievance with the coach regarding areas of policy, procedure or philosophy, he/she should first attempt to communicate with that particular coach. In the event that a compromise cannot be reached, all grievances must follow the chain of command from the head coach to the Athletic Director to the Principal, if necessary. All grievances will be referred back to the appropriate individual unless written or oral communication indicates that the proper procedures have been followed without sufficient resolution. To avoid grievances, it is best to have clear communication and understanding between coaches and athletes, especially in regard to playing time expectations.

Steps for Communication and Chain of Command for issue resolution:
1. All immediate concerns should first be discussed with the lower level head coach or the program head coach. The student or parent should call the individual to discuss the situation. The coach should not be approached during practice and/or on game days. A meeting may be arranged if the situation needs more attention than just a phone call. Most issues should be solved with proper resolutions at this level.
2. If there is no resolution to Step (1) above, the student or parent should contact the school program head coach’s immediate supervisor (Athletic Director) and arrange a meeting. Keep in mind that the coach involved, the program head coach, the parent(s) and the student-athlete may all be required to attend this meeting at the discretion of the Athletic Director. The express purpose of the meeting is to bring about an appropriate solution to the situation.
3. If an appropriate solution is not reached with Step (2) above, the student or parent may contact the Principal and arrange a meeting. As before, keep in mind that the coach involved, he program head coach, the Athletic Director, the parent(s) and the student-athlete may be required to attend this meeting at the discretion of the Principal. The express purpose of the meeting is to bring about an appropriate solution to the situation.
**Keep in mind that playing time, level placement, positioning, team strategy, choice of awards, choice of starters and roster cuts are all examples of NON-credible issues and will not be discussed. These are all coaching decisions and will be fully supported by the School’s Administration. Also keep in mind that if you have a credible issue, please be direct and work this out behind closed doors by using the proper chain of command. Making public comments and opinions may embarrass your son or daughter and undermine the entire team. Anonymous letters or emails will not be given any attention. Please come forward and communicate so we can work together for solutions.**

**Spirit Packs**

Some teams require the purchase of spirit packs. This usually includes practice or game wear (swimsuits, practice jerseys, shorts, shoes, game socks, and etc.). Other teams may offer optional team clothing. The Athletic Director and Principal must approve spirit pack items prior to the start of the season. Spirit pack clothing must follow school dress guidelines for students to wear them during school hours. Coaches must ensure that all spirit packs are reasonable and affordable. **(Contact Director of Safety and Discipline for further dress code regulations)**

**Uniforms and Equipment**

All issued items are the athlete’s responsibility and are to be returned in original condition immediately after the season concludes. Athletes will not be permitted to participate in another sport until all items have been returned or paid for at full replacement price.

**Ejections**

If ejected, the CIF requires an athlete or coach to sit out the next scheduled contest. In addition, the Athletic Director and or Principal may also issue punishment to the athlete and/or coach. A second ejection requires a two game suspension. A third offense will result in a ban from all CIF sports for one year. Athletes are reminded that leaving the bench during an incident will result in immediate ejection.

**Lettering Requirements**

All varsity athletes who finish the season in good standing are eligible to be considered for a letter. Lower level athletes will receive a certificate of participation. Coaches, with the Athletic Director’s approval, will develop the requirements for lettering in their sport and fully explain them to athletes and parents at the beginning of the season. The school awards Block M to all first year letter winners and the appropriate patch to designate subsequent letters earned. Memorial does not award or sell letter-jackets.

**Managers and Scorekeepers**

Most teams need managers and scorekeepers. Students who participate in these roles will receive an athletic letter and will travel with the team. Those interested should see the team’s coach.

**Awards**

Memorial provides 4-6 individual awards per team, depending on the level of the team. In sports that pick an All-CMAC team, the school provides an All-League letter-jacket patch. In addition, varsity CMAC champions also receive patches. Sports receiving medals do not receive all-league patches.

**Award Banquets/Ceremonies**

Each sports program is responsible for its own awards ceremony, which should include all levels. The coach and team parents should jointly organize the event, including meal reservations and money collection if food is served. On or off campus the price should be reasonable (approx. $10-15 per person). Lower level teams (JV and Frosh) cannot hold banquets outside of the team banquets organized by the respective Varsity Head Coach. Approval from the Varsity Head Coach must be given for lower level teams to partake in their own awards banquet.

**OPEN ENROLLMENT POLICY**

This Open Enrollment Policy is enacted pursuant to California Interscholastic Federation (“CIF”) State Bylaw, Article 2 Section 223 effective September 1, 1994 (as revised by the May 2007 Federated Council), to govern the transfer of students to San Joaquin Memorial High School.
Enrollment in Memorial is open to all students who meet the academic, attendance and admission standards set forth in the Handbook and who make the financial commitment to pay tuition and fees as set forth in the Student/Parent Handbook. This policy in no way prohibits Memorial from giving enrollment preference to Catholic students.

Any student transferring from another school to Memorial will have immediate residential eligibility to participate in CIF affiliated athletic activities at Memorial subject to the following limitations:

- The transfer to San Joaquin Memorial High School must be completed during the first 15 days of the new school academic year.
- The transfer must not be as a result of disciplinary action.
- No consideration is given to the athletic performance of the student in accepting a transfer to Memorial.
- Any transfer student, who wishes to participate in CIF sports, must first meet with the Athletic Director, prior to starting any sport at Memorial.
- Any transfer student, who wishes to participate in CIF sports, must complete the CIF Transfer Eligibility form and be approved by CIF before they are eligible for competition.

**Varsity Eligibility Applications (Non-Hardship Sit Out Period)**

Any student who transfers for the first time since their initial enrollment in the 9th grade in any school, and whose circumstances causing the transfer do not meet any of the Hardship Exceptions outlined in c. (vii) below, may become eligible for varsity competition for the sport(s) in which they competed in the last twelve months at the former school or any other school, upon submission, review and approval by their respective CIF Section under the following provisions:

i. This is the student’s first transfer since they first enrolled anywhere in the 9th grade; AND

ii. The student was academically eligible at the time of transfer from the former school; AND

iii. The principal of the former school attests in writing that the move was not made in violation of Bylaw 510; AND

iv. The student is not transferring either voluntarily or because their former school has determined they must withdraw, because of a disciplinary infraction at the former school as defined in Bylaw 209.C. (1); AND

v. The student is not found by the CIF Section to have transferred to a school where their former high school coach has relocated or where a club coach with whom they have been associated is coaching, per Bylaw 207.C. (3) or (4); AND

vi. No student shall be eligible to participate in the same sport at two different schools in the same school year; AND

vii. The student has not competed at the new school at the sub-varsity level in that sport following the transfer during the current school year; AND

viii. The student shall remain out of any competition at any level in each sport in which they competed in the last 12 months at the former school or any other school in accordance with the following Sit Out Periods (SOP) as delineated by the National Federation of High School Associations (NFHS):

   - **Fall Sports:** The Monday of the NFHS week 14, 2015: October 3, 2106
   - **Winter Sports:** The Monday of the NFHS week 27, 2016: January 2, 2017
   - **Spring Sports:** The Monday of the NFHS week 40, 2016: April 3, 2017

The student who transfers to a school after school B’s first game will have a SOP equivalent in calendar days to the SOP of all other students who transferred before the season started. The respective CIF Section Office will provide the actual date once the proper forms are received, reviewed and approved.

**CIF CENTRAL SECTION DIVISIONAL PLAYOFF PLACEMENT**

**Divisions**

In the CIF Central Section, Division Placement is determined using the competitive equity theory. Therefore, San Joaquin Memorial has programs that are paced in different divisions. Our programs compete in Division I-V. Therefore, in some cases the county Metro Athletic Conference (CMAC), which is a Division I/II/III/IV conference, can negatively impact a Division V programs overall record because they play up according to their Division placement. Programs that compete in Division I or II do not get a fair assessment by their conference schedule and therefore accurate information for playoff placement can be difficult. The playoff criteria for entering the playoffs for all San Joaquin Memorial athletic teams is outlined below.

**Playoff Criteria**

- .500 record in league or overall play will receive automatic approval. If teams do not qualify under the .500 policy they will default to the 25-point rule for playoff qualification.
• **25-point rule (Volleyball, Basketball, Soccer, Water Polo, Baseball, Softball, and Tennis)**  
  (Note: Because the CIF Central Section only has three divisions in Water Polo, SJM is classified as Division 1, therefore SJM will recognize any Division 1 team played in Water Polo as competing in a higher Division. Ultimately, this will not penalize their program based on other sports having six divisions and Water Polo only having three.)

• A team will accrue points on the following basis:
  1. 2 points for each win
  2. 1 point for losing to a Division 1 team or a team in a higher Division. (Out of Section teams will be counted as higher Division teams)
  3. 1 point for a tie (in the case of boys’ and girls’ soccer)

• **Football:** Because football only plays 10 games compared to the 25-30 games the other teams play, they would adhere to the .500 policy but would default to a **10-point rule.**

• Individually based sports such as Track, Cross Country, Swimming, and Golf are excluded from the aforementioned criteria.

Appeals: Teams that fail to meet the .500 policy and the 25-point rule may appeal. The **Head Coach may be allowed to appeal to the Athletic Director and Principal in writing only if his/her team falls between the 20-24 point range on the 25-point rule scale.**

**Football Appeals:** The **Head Coach will be allowed to appeal if their point total falls between 7-9 point range on the 10-point rule scale.**

Students with skates or skateboards must keep them stored during school hours and bicycles, skates and skateboards, and hover craft (boards) may not be ridden on campus.

The Administration reserves the right to search a student’s vehicle if there is reasonable suspicion to do so.

**STUDENT BODY CARDS**
**Each student must wear a student body card at all times while on campus or at extra-curricular activities.** Students who lose their student body cards must fill out a “Replacement I.D. Card Form” to request a replacement card. Forms can be found in the North Administration receptionist area and turned in to the Activities Director’s box in the North Administration Office. A student that does not have a student body card will have to pay full adult costs at any school function.

iPad Acceptable Use Policy

A. iPad Distribution and Care

1. Students are issued iPads at the beginning of the school year. The iPads are the property of Apple Computer and are rented to SJM. Students are expected to use the iPads in conformity with the school's Acceptable Use Policy. Students are responsible for the general care of the iPad they have been issued by the school. iPads that
are broken or fail to work properly must be taken to the IT Department for an evaluation of the equipment. The walk up window is in the library.

2. Students/parents are solely responsible for the care and safekeeping of student iPads. Any loss or damage to iPads (outside of reasonable wear and tear), regardless of the cause, will be the strict financial responsibility of the students/parents. Students must immediately report damage or loss, including theft, to SJM administration. Students/parents are not permitted to repair, alter, modify or replace iPads without express authorization from SJM. Under no circumstance will SJM replace or repair a student iPad without the required payment from the student/parent.

3. San Joaquin Memorial strongly encourages families to consider purchasing insurance. Families are responsible for any damage or loss of the iPad. The replacement cost of an iPad is approximately $650. A cracked screen is over $300. We encourage families to check their homeowner’s insurance policy to see if the device is covered or to consider purchasing a separate policy for the device. There are several firms that provide insurance protection for your iPad. While we do not endorse any one firm, here are two that come with good recommendations. **Worth Avenue Group** will cover accidental damage and loss due to theft. Cost for two years is a little over $120. **Square Trade** will cover accidental damage only. A two-year policy costs less than $90. Their web site is: [http://www.squaretrade.com/ipad-landing](http://www.squaretrade.com/ipad-landing)

6. Cords and cables must be inserted carefully into the iPad to prevent damage.
7. iPad cases must have the student's name on the cover.
8. iPads must never be left in an unlocked locker, unlocked car, or any unsupervised area. Never leave your iPad in a car on a hot day.

C. Sound, Music, Games, Pictures, or Programs

1. Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
2. During the school day, 8:00 AM to 3:00 PM, earphones may only be used in the library. Permission may be given for use of earphones by a teacher in a classroom, the science lab, or the mathematics lab. During the school day students may not use earphones in other areas on campus.
3. Internet games and game apps are not allowed on the iPads.
4. The software/apps originally installed by SJM must remain on the iPad in usable condition and be easily accessible at all times. From time to time the school may add software applications for use in a particular course.
5. Students are not allowed to load extra software/apps on their iPads.
6. Students may store their own photographs and music on their iPads.

E. General Rules for iPad Use
1. Students that fail to charge the battery on their iPad, forget to bring the iPad to school, or need assistance with iPad related software or hardware on the device must be in class on time. Students late to class due to iPad or technology related issues will not be excused due to lack of iPad equipment or charging.
2. iPads are to be considered classroom required material and disciplinary action for not having classroom materials readily available will apply.
3. Students may use the iPad only for academic purposes on campus between 8:00 AM and 3:00 PM.
4. Students may not use other student iPads nor have them in their possession.
5. In consideration for receiving the iPad from SJM, each student and his or her parent or legal guardian agrees not to sue and hereby releases, waives, discharges, holds harmless, indemnifies, and defends San Joaquin Memorial High School and the Catholic Diocese of Fresno, as well as their respective employees, personnel, staff, volunteers, agents, directors, affiliates, and representatives, from any and all liability, losses, damages, claims, actions, and causes of action of every nature for any and all known or unknown, foreseen or unforeseen, bodily or personal injuries, property damage, or other loss, whether claimed by the student, parent, legal representative, or any third party, relating in any way to the use of the iPad furnished by SJM to the student.
6. This iPad Acceptable Use Policy applies to SJM students at all times, whether or not the students are on campus, as SJM students are school representatives at all times.
7. Individual school iPads and accessories must be returned to the SJM at the request of the school when a student graduates or ceases to be a registered student at SJM.

STUDENT INSURANCE

San Joaquin Memorial High School participates in the student insurance program of the Diocese of Fresno. Students are covered by this insurance at all school-sponsored and supervised activities subject to specific exclusions and limitations. The cost of this insurance program is included in tuition.

Insurance for interscholastic football and summer sports is available through a separate program. This insurance applies only to those students officially listed as members of the school football teams and summer sports programs. Parents must pay for this additional coverage, as this is not included in tuition. Insurance is not in force until the student application and payment have been received at Memorial and accepted by the insurance carrier. A student may not participate in any sport until this coverage is in place.

TUITION AND TUITION ASSISTANCE

2016-2017 Tuition & Fees: $11,400 Domestic $18,250 International Home-Stay Program $53,450 Antonio and Juliet Campos International Academy Boarding Program

All parents and/or guardians must have signed a tuition agreement with the school. If you have any questions or concerns regarding tuition and fee payments, please contact Mrs. Lisa Jones in the Finance Office via e-mail at ljones@sjmhs.org or by calling 268.9251 ext. 118.

Tuition Assistance
Tuition assistance is intended to help qualified students attend Memorial who may not otherwise be able to do so because of limited financial resources. Tuition assistance is awarded in the form of tuition reduction grants. The amount of each award is based upon the demonstrated financial need of the student’s family in relation to all other families applying. Applications for financial aid must be completed annually. A student may be denied or may lose an award if he or she fails to maintain a satisfactory grade point average (usually considered to be a 2.0) or if his or her disciplinary record is unsatisfactory, or if the family is no longer in similar financial need. Students/Parents receiving financial aid must provide service hours in addition to the service hours required of all parents. Applications must be submitted through the FAIR program in order to receive consideration.

Grants

Tuition grants usually range between $500 and $1500. Grant applications are due by March 20 of the previous school year. Grant requirements vary depending on the instructions of donors. A student-composed essay and an application form are required in most cases. Information is available in February 2017 for grants to be awarded for the 2017-2018 school year. All students meeting the individual grant qualifications are encouraged to apply. Financial need is usually, but not always, a requirement for grant awards.

Payment of Tuition

Tuition may be paid in any of the following ways: (refer to website for more detail)

1. Annually by July 1
2. Semiannually by July 1 and January 1 (August 1 and December 1 for international students)
3. In eleven monthly payments beginning in July and ending the following May
   a. By automatic withdrawal from the family bank account
   b. By cash or check payment

FINANCIAL CONDITIONS

A student is subject to suspension or Recommended Transfer at any time if his or her financial account is delinquent or if any payment is deferred without the approval of the Principal. A student may be barred from school and from taking semester examinations if his or her financial account is not current. The student may receive an ‘I’ (incomplete) mark on his or her report card if these examinations are not taken. Seniors will not receive a diploma or participate in graduation activities or ceremonies if their financial account and all other obligations are not paid. Parents with accounts which experience more than one returned check will be required to make all payments of any kind in cash or by money order or cashier’s check. A student cannot register for the school year if the entire account from the prior school year has not been paid in full. Delinquent tuition accounts will be administered by an outside agency for collection. Yearbooks and graduation tickets will be withheld from students who do not have current financial accounts.

NORTH/SOUTH/EAST VALLEY TRANSPORTATION

A schedule is available from the receptionist. The bus will run morning and afternoon on every school day, but is not allowed to travel through a district that has a declared fog delay until that delay is lifted.

Passes are purchased from the receptionist. The monthly cost of $275 per family is due and payable no later than the first Friday of that month. The price is the same whether students ride one way or round trip. Families may also purchase a one-way monthly pass for $140 per month.
The bus driver will carry a roster and clear each student upon entry on the bus. If Memorial has not received payment by the Friday due date, your student will be allowed to ride the bus to school on the following Monday, but will need to purchase a One Day Pass (at $15.00) for the ride home. Each student (family) may purchase no more than four (4) One Day passes per month.

WITHDRAWAL/ADJUSTMENT OF TUITION

Students are accepted at San Joaquin Memorial High School with the understanding that they will remain for the entire semester unless they withdraw, or are suspended/dismissed. The school’s operating budget is based upon projected enrollment, and the school’s financial obligations do not change when students leave. The tuition adjustment policy is based upon the principle that a student who does not complete the semester, regardless of the reason, nonetheless bears a share of the financial obligations incurred by the school on behalf of all its students.

A percentage of the semester tuition is charged for each month that the student was enrolled from the beginning of the semester through the month in which enrollment was terminated, according to the following schedule:

• The Date of Termination will be the Friday of the week during which the Registrar receives written notification from the parents or guardians that the student is terminating his or her enrollment. An entire month’s tuition is due according to the above schedule regardless of when a student withdraws in that month.
• Fees for registration, extracurricular activities or other charges are non-refundable. Tuition only is refundable according to the above schedule.
• Requests for refunds must be made in writing by the parent or guardian and any refund allowable will be mailed to the parent or guardian at the address indicated on the written request.

All student withdrawal requests must be signed by the Principal before final Memorial transcripts are released. The Principal may require a personal meeting with the student and parent(s) before signing the withdrawal request. Tuition charged does not cover the full cost of a Memorial education.

PARENT SERVICE OPPORTUNITIES

Memorial offers parents a multitude of opportunities to participate in the life of the school through our parent service program. Parent service and participation is considered a crucial part of the school’s success. Parent organizations, such as the Memorial Parent Guild or Boosters Club, offer parents an opportunity to work for the good of the school along with other committed parents. The parent Guild offers support to the school in a wide variety of ways including participating in fundraising and special events.

Other opportunities for service exist based on the desires, talents and availability of parents. Parents are encouraged to complete parent service information requests identifying unique skills or experiences, which can be shared with the school community (i.e. professional experience, musical, artistic, or athletic ability). Parent volunteer assistance may be needed in administrative areas such as office work or campus supervision. Assistance is needed within the athletic department (score-keeping, announcing, ticket takers, concessions). Caring for your child’s school and getting involved is a great example for our students and a great way to enjoy the Memorial experience with them. Call or write Memorial to volunteer.

(Note: Fingerprinting is required of all volunteers and Safe Environment Training must be completed according to the policies of the Diocese of Fresno. Please see Mrs. Martha Qualls in North Administration for inquiries).

MANDATORY PARENT SERVICE HOURS
For the 2016-2017 school years all parents are required to provide ten (10) hours to the school. To complete this requirement, a parent may volunteer your time in a number of ways or you may donate cash and/or gift-in-kind items at the exchange rate of $20 per hour. Any hours not completed before the end of the school year will be charged at a rate of $20 per hour.

For families receiving financial aid, parents must contribute additional service hours to the school. These service hours are in addition to the 10 service hours required for all families. Service hours can be received for work done by the student at the request of a teacher, counselor or parent volunteer.

Parents may receive service hours for service performed for the school, attending Back to School Night, College Nights, and assisting at any of the fundraising events put on by the school.

**SCRIP PROGRAM**

Scrip is fundraising while you shop by generating revenue through everyday household purchases for birthdays, Easter, graduation, Mother’s Day, Father’s Day, or just for the summer. Scrip gift cards can be purchased from various participating stores directly from Memorial. Each scrip gift card purchased earns 1% to 7% in tuition credit for your child’s tuition as well as Memorial. For example, if you purchase an Amazon Scrip card for $25.00, a 4% rebate total will be offered; 2% will be credited to your child’s tuition and 2% will be donated to Memorial. For more information or questions, please contact the scrip office at 268-9251 extension 120 or e-mail scrip@sjmhs.org, or log onto our website at www.sjmhs.org, click on “Parents” and on the drop down menu click “scrip.”
HANDBOOK AGREEMENT

NOTICE OF IMPLIED AGREEMENT

The registration of a student at San Joaquin Memorial High School is deemed to be an agreement on his/her part, and on the part of his/her parents or guardians, to fully comply with all policies, rules and regulations of the school, as outlined in this Handbook. While the Handbook contains many, but not all, of the policies, rules and practices of San Joaquin Memorial High School, many of them are provided in summary form. If you have a question concerning a school policy, rule or practice, contact the appropriate administrator.

San Joaquin Memorial High School reserves the right to change its policies, rules and practices during the school year in order to better enforce the preceding guidelines, policies, and/or student conduct. The Handbook posted on the school website is always the most current and updated version.

The Administration of San Joaquin Memorial High School reserves the right to refuse registration or re-registration where it is evident that parents/guardians or student(s) do not support aforementioned school policies; the administration reserves the right to terminate the student’s enrollment.

HANDBOOK AS CONTRACT

Each academic department has a Handbook that outlines established policies and procedures for their respective governance. Specific or detailed questions regarding these areas should be addressed to the Department Chairperson or the appropriate administrator.

As an independent, private school of the Diocese of Fresno that follows the traditions of the Roman Catholic Church, it should not be presumed that Memorial follows the conventions adhered to by other schools.

It is presumed that the Parent/Guardian accepts all of the conditions as set forth in the current Student/Parent Handbook, and agrees to comply with all school regulations. The parent(s) or guardian(s) and the student(s) are responsible for all regulations promulgated by the school. In cases of doubt, they are to contact the officials of the school.

Parents are expected to assist the school in its work towards educating mature Christian persons. Parents assist by displaying their own respectful conduct, home rules, and modeling of mature adult communication with school officials, and cooperation with the rules of the school. Failure on the part of parents to assist in their children’s education in this respect can be judged by the Principal as a violation of the Handbook contract and may result in the dismissal of the student. Public mistreatment of school personnel, whether verbal or non-verbal, is actionable under state law.
