the card. If your card is lost or stolen, please call Coventry Customer Service at 1-800-441-5501 right away so that you can get another card.

How To Change Your Child’s Doctor

If you want or need to change your child’s doctor, follow these steps:

• Look through the Coventry Provider Directory and pick a doctor who is seeing new patients.
• Call Coventry’s Customer Service Department at 1-800-441-5501 Monday through Friday from 8:00 a.m. to 7:00 p.m. If you are hearing or speech impaired and use a telephone device for the deaf, please call 7-1-1 Relay.
• If you call on or before the 15th of the month, your doctor will be changed right away. If you call after the 15th of the month, your doctor will be changed on the 1st day of the following month.

Coventry will then send you a new ID card showing the name and telephone number of your child’s new doctor.

Scheduling Your Child’s First Appointment

As soon as your child becomes a member, call your child’s doctor to schedule a first visit. When you go for an appointment, your child’s doctor will ask about your child’s past health. He/she will start a medical record on your child. It is important for you to ask your child’s past doctor (or doctors) to send all medical records to the new doctor’s office.

What to Expect at the Doctor’s Office

Regular well-child care can prevent problems with your child’s long-term health. Your child should receive regular check-ups. Your child’s doctor is the best person to help recommend the shots and preventive care your child needs.

These charts show the check-up schedule recommended by the American Academy of Pediatrics.

In its efforts to improve member awareness of nationally established screening guidelines for common disease states, Coventry supports the preventive care screening guidelines for children and adolescents recommended by the American Academy of Pediatrics. Members and providers may access the American Academy of Pediatrics website at http://www.aap.org. Members are encouraged to familiarize themselves with these guidelines and to discuss them with their providers. As with all guidelines, they are intended to assist in the prevention of disease and in
the identification and treatment of asymptomatic patients with pre-clinical disease. This
guideline is referenced with the understanding that a physician’s screening and treatment plan for
any particular patient will be individualized. It is important to note that alternative screening
guidelines exist, and physicians and members are encouraged to refer to other authoritative
sources as their individual clinical situation may require. Coventry does not intent to exercise
any control or direction over a treating provider’s medical judgment or clinical decisions, or to
interfere with the physician/patient relationship.

Please note that not all health insurance and group health plans cover all recommended services.
Please check your benefit documents to determine whether your health insurance or group health
plan covers these services.

**FOOTNOTES**

1. Tdap vaccine is recommended at age 11 or 12 to protect against tetanus, diphtheria and pertussis. If your child has not received any or all of the DTP vaccine series, or if you don’t know if your child has received these shots, your child needs a single dose of Tdap when they are 7-18 years old. Talk to your child’s health care provider to find out if they need additional catch-up vaccines.

2. All 11 or 12 year olds—both girls and boys—should receive 3 doses of HPV vaccine to protect against HPV-related disease. The full HPV vaccine series should be given as recommended for best protection.

3. Haemophilus, Influenzae, Pertussis (Hib) vaccine (IPV) is recommended at ages 11 or 12. A booster dose is recommended at age 16. Teens who received IPV for the first time at age 11 through 13 years still need a one-time booster dose between the ages of 16 and 18 years. If your teen is already getting the vaccine, talk to your teen’s health care provider about getting it now, especially if your teen is at an increased risk for disease.

4. Informed consent is not required for Tdap vaccination. The Advisory Committee on Immunization Practices (ACIP) recommends routine influenza vaccination for all children aged 5 years and older, and annual influenza vaccination of all children aged 5 years and older who are at high risk for complications from influenza.

5. Haemophilus, Influenzae, Pertussis (Hib) vaccine (IPV) and Pneumococcal Polio Vaccine (PPV) are recommended for children at high risk for severe illness and complications from these diseases.

6. Haemophilus, Influenzae, Pertussis (Hib) vaccine (IPV) is recommended for children with certain medical conditions that place them at high risk. Haemophilus, Influenzae, Pertussis (Hib) vaccine is licensed, safe, and effective for all children of all ages. Even if your child is not at high risk, you may decide to vaccinate your child against Haemophilus, Influenzae, Pertussis (Hib) vaccine if you consult with your health care provider about it and understand the benefits and risks.

Getting a Referral from Your Child’s Doctor

The referral process is one of the ways Coventry helps your child get the care and services that he/she needs. Your child’s doctor is trained to treat most of your child’s medical needs.

Your doctor will give you a referral if your child needs the care of a specialist.

Here are the steps involved in getting care from a Coventry specialist:

1. Call your child’s doctor for an appointment.
2. After seeing your child, if the doctor feels it is necessary, the doctor will give you a written referral for your child to see a specialist.
3. Call the specialist to schedule an appointment.

*Please note that referrals can be used for 60 days after the date on the referral. After that, you will need to get another referral.

4. Take the referral form to the appointment with the Specialist.

Seeing a Specialist without a Referral

If you have any questions about your child’s vaccines, talk to your healthcare provider.
If your child goes to a specialist without a referral, you may have to pay for the services your child receives, even if that specialist is a Coventry doctor.

In some cases, you don’t need a referral from your child’s doctor to see a specialist. Coventry specialists that your child can see without a referral include:

- Chiropractors
- Podiatrists
- Behavioral Health/Substance Abuse Outpatient Care - Call PsychCare at 1-800-221-5487 (Please note that inpatient behavioral health services do need a referral).
- Dermatologists (first five visits each contract year).
- OB/GYN doctors for an annual well-woman visit and any follow-up care because of the well woman visit
- Optometrists for an annual eye examination if your child is a diabetic. (Children who are not diabetics need referrals).
- OB/GYN doctors if your child is pregnant

Please Note: Sometimes your child’s doctor may need to send your child to a non-Coventry provider. This must be approved by Coventry before your child sees the specialist. Your child’s doctor must work with Coventry directly to arrange this referral.

Second Opinions

Sometimes families wish to see another doctor of the same type that they have already seen for a child’s medical problem. This is known as a “second opinion”. As a Coventry member, your child can get a second opinion by a doctor of your choice inside the service area if:

- Your child is not getting better on the current treatment
- You don’t agree that your child needs or should get surgery (an operation)
- You don’t agree with the treatment your child’s doctor has recommended

The doctor who provides a second opinion must:

- Examine your child
- Not be part of the same practice as the doctor who first recommended surgery or treatment
- Not perform any surgery or treatment to correct the problem for which the second opinion was done

To get a second opinion, speak with your child’s doctor. A referral is needed.

If your child gets a second opinion from a Coventry provider, you will need to pay your regular co-payment for a doctor visit. If Coventry does not have a doctor inside the service area to meet your child’s medical needs, Coventry will help arrange care from a doctor outside the service area, and your co-payment will not go up. However, if there is a doctor in your service area and you choose to go outside the service area anyway, Coventry will only pay 60% of the costs. You have to pay the 40% difference. Second opinions from non-Coventry doctors are limited to three (3) per calendar year.
Emergencies
An emergency is a medical problem that is serious or painful and could be dangerous to your child’s health or to the health of your child’s unborn baby (if your child is pregnant). Examples of emergencies include injuries, high fevers, bleeding, or bad stomach pain.

Getting Help in an Emergency
Call 911 to get immediate help in an emergency. You do not need to get Coventry’s permission for emergency care, even if you are on vacation or out of Coventry’s service area.

If your child receives care in an emergency department that is not in the Coventry service area, be sure that you call your child’s doctor within 48 hours or as soon as possible after your child has received care. Remember that your child’s doctor is available to you 24 hours a day to help arrange care with other providers if needed.

If your child is admitted to a hospital for treatment, the doctor often calls Coventry to let us know that your child is in the hospital. We also ask that you or someone on your behalf contact Coventry at 1-800-441-5501 to be sure that we are notified.

If your child is admitted to a hospital outside Coventry’s service area, you or someone on your behalf must contact Coventry at 1-800-441-5501 within 48 hours, or as soon as possible. Letting us know is important since it allows Coventry and your child’s doctor to help make arrangements for your child’s medical care. Coventry may arrange to transfer your child to a participating hospital within Coventry’s service area as soon as a move is safe for your child.

The 24-Hour Nurse Line (1-888-607-8180) is also available for your medical questions when you cannot reach your doctor.

Scheduling Appointments
Here is a quick guide to scheduling appointments:

- **Urgent Appointment** - for a medical problem that is not an emergency but does need to be treated soon. Examples might include an earache or a “cold” that is getting worse. An urgent appointment should be scheduled within 24 hours from the time you call your doctor’s office.

- **Routine Appointment** - for a health problem that is not urgent or emergent, including follow-up care. A routine appointment should be scheduled within seven days of your call.

- **Well Care Appointment (Routine)** - for check-ups, an appointment should be scheduled within four weeks of your call.

When Your Child Gets Sick Away From Home
Call 911 to get immediate help in an emergency. You do not need to get Coventry’s permission for emergency care, even if you are on vacation or out of Coventry’s service area.

Sometimes, your child gets sick or hurt away from home, but it is not a true emergency. In this case, call your child’s Coventry doctor to help you arrange care for your child. Your child’s doctor may tell you to take your child to a doctor near where you are. In this case, Coventry will
work with your family to arrange payment for needed care. Coventry does not cover routine care and check-ups outside the Coventry service area.

Sometimes providers will contact Coventry and arrange payment directly with us. Other providers will ask you to pay for the care “up front.” In this case, you will need to call Coventry Customer Service at 1-800-441-5501 after your child is seen. Customer Service will help you with the forms and information you may need so that Coventry can pay you back for medically necessary care.

Grievances and Appeals
At Coventry, we are committed to member satisfaction. We will try to resolve any problems you may encounter experience over the telephone, but sometimes, additional steps are necessary. In these cases, we have a Grievance and Appeals Procedure available to you that provides channels for you to voice your concerns and have them reviewed and addressed at several different levels within the health plan.

**HOW TO FILE A GRIEVANCE**

Coventry’s grievance and appeals process is designed to provide prompt, meaningful and confidential resolution of your concerns regarding quality of care, doctor behavior, office waiting times, claims payment, and other similar matters.

What if you have a complaint about a doctor or your benefits?
You can file a grievance if you are unhappy with your doctor. You can file an appeal if you want us to review the denial or limited authorization of a benefit. You can file a complaint verbally or in writing.

You can file a grievance over the telephone by calling 1-800-441-5501 Monday through Friday from 8:00am to 7:00pm. If you want to file a complaint in writing, send it to:

Coventry Health Care of Florida, Inc.
Attention: Appeals and Grievance
1340 Concord Terrace
Sunrise, FL 33323

With your permission, a doctor can file a complaint for you. Coventry will make sure that no action is taken against a doctor who files a complaint on your behalf.

A grievance can be filed up to one year after the date of the incident. Upon request, Coventry employees can assist you with the filing of a grievance or appeal. All grievances will be addressed within 30 business days.
APPEALS

What if I disagree with a denial for a service request or payment of a claim?
You can file an appeal within 30 days from the date Coventry issued the notice of action, or denial of a request for service or payment for services.

You can file an appeal over the telephone by calling 1-800-441-5501 Monday through Friday from 8:00am to 7:00pm. If you file a verbal appeal, a written request must be filed within ten (10) business days after the health plan’s receipt of the oral filing. If a written request is not received within 10 business days after the verbal appeal is filed, the appeal will be considered withdrawn. If the appeal is sent to the health plan through the U.S. Mail, it must be received by the health plan within 15 days from the date on the notice of action.

If you want to file an appeal in writing, send it to:

Coventry Health Care of Florida, Inc.
Attention: Appeals and Grievance
1340 Concord Terrace
Sunrise, FL 33323

With your permission, a doctor can file an appeal for you. Coventry will make sure that no action is taken against a doctor who files an appeal on your behalf.

Once your appeal has been reviewed, you will receive a written notice of the outcome within 60 days of Coventry’s receipt of the original appeal. Extensions can only be granted when you request an extension, or when information regarding the Appeal must be collected from a non-participating provider or from outside the service area.

If the original denial is overturned or decided in your favor you will be notified. If Coventry did not change its original decision, you will receive a letter that will explain the process for requesting another review. If you disagree with Coventry’s decision, within 30 working days from the date you received the notice, you can request a review by the Grievance Review Panel and you have the right to appear in person to present your argument.

If Coventry’s original denial is upheld by the Grievance Review Panel, you may be liable for cost of continued benefits.

What if your life, health or ability to regain maximum function is at risk?
In these cases you can file an expedited appeal that will require Coventry to review your appeal within 72-hours.

Eligibility
The Florida Healthy Kids Corporation determines if your child can receive insurance benefits through the Florida Healthy Kids program.

Children must be age 5 through 18 in order to be covered.

Note: If a child turns 19 on the first day of a month (e.g., January 1), coverage ends on the last day of the prior month (December 31). If a child turns 19 on any day other than the first day of the month (e.g., January 2), coverage ends on the last day of the current month (January 31).

It is important to make your monthly premium payment on time each month. Your premiums are due on the first of each month for next month’s coverage, so your payment for October coverage is due on September 1st. If your child’s coverage is canceled for non-payment of this premium, your child’s coverage will be cancelled for at least 30 days. You can make your payments online at www.healthykids.org, over the phone at 1-800-821-KIDS (5437) or by mail to: P.O. Box 31105, Tampa, Florida 33631-3105.

Once a year, Healthy Kids will also ask you to renew your child’s coverage. To make sure that you keep your child’s coverage, please remember to complete this process as quickly as possible.

If you have questions, please contact Florida Healthy Kids at 1-800-821-5437.

Policy Changes
It is important for you to call Florida Healthy Kids if you change your address or are planning to
move. Florida Healthy Kids will notify Coventry of any changes so we can make sure you receive important information regarding your child’s coverage at the correct address.

To report any change in your family status, contact the Florida Healthy Kids Corporation at 1-800-821-5437.

**Canceling Your Child’s Coverage**
If you wish to stop your child’s Healthy Kids coverage, you must contact the Florida Healthy Kids Corporation at 1-800-821-5437. Healthy Kids will notify Coventry of your termination.

**Medical Bills/Claims**
With your child’s Healthy Kids benefits, you rarely need to file claims. However, if you ever have to pay a claim “up front,” you may need to file a claim so that Coventry can pay you back. This might occur, for example, if your child receives emergency care outside Coventry’s service area.

To submit a claim, call Coventry Customer Service at 1-800-441-5501 for a Coventry claim form. You will need a paid itemized bill for the services your child received along with the completed claim form. You can send this paperwork to the address on the back of your child’s Coventry ID Card.

The hospitals listed below are available for inpatient services. Not all hospitals on this list may be available to you for routine outpatient services and procedures. Coventry Health Care may utilize other network facilities for certain outpatient services.

Your Primary Care Physician will coordinate and arrange all of your hospital, specialty and home health care when medically necessary in the most appropriate setting for your medical and surgical needs. Consult your Primary Care Physicians or the Customer Service Department if you have any questions about the availability of services.

Los siguientes son los hospitales que proporcionan servicios para pacientes ingresados. No todos los hospitales incluidos en esta lista proporcionan procedimientos y servicios de rutina para pacientes externos. Coventry Health Care puede utilizar otros centros de la red para ciertos servicios a pacientes externos.

Siempre que sea médicamente necesario, su médico de cabecera coordinará con los centros más apropiados para sus necesidades médicas y quirúrgicas toda la atención hospitalaria, especializada y a domicilio que usted reciba. Comuníquese con su médico de cabecera o con el Departamento de Servicios al Cliente para cualquier pregunta sobre los servicios que están disponibles.
