General Information

Who is Eligible for PASSHE Health Program Coverage (Active Employees)

1. **Eligible Person** is defined as:
   
   a. Employees
      
      To be eligible for coverage under this plan, employee must be a permanent, full-time employee (including temporary, full-time faculty with at least an academic year contract) or a permanent, part-time employee (including temporary, part-time faculty with at least an academic year contract) who is scheduled to work every pay period for at least 50 percent of full-time.
      
   b. The Group may not discriminate in enrollment or contribution based on the health status, as defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), of an Eligible Person. If the Group does discriminate in enrollment or contribution based on health status, the Group shall be solely liable for any claims or expenses, including medical claims or expenses, incurred by the Eligible Person against whom the discrimination has occurred.

2. **Eligible Dependent** is defined as:

   The following Dependents are eligible to be enrolled:
   
   a. Legal Spouse or Same-sex Domestic Partner (see other eligibility requirements on page 4)
   
   b. Children under 26 years of age and who meet one of the following requirements:
      
      ✴ A natural child of your own;
      
      ✴ A legally adopted child (including a child living with the employee during the probation period);
      
      ✴ A stepchild;
      
      ✴ A minor child for whom the employee is the court or agency appointed legal guardian, as evidenced by the court or agency order establishing guardianship;

      ✴ A newborn child of an employee from the moment of birth to a maximum of 31 days from date of birth. To be covered as a Dependent beyond the 31-day period, the newborn child must be added as a Dependent through the System university office within 60 days from date of birth. In the event that a newborn child is not eligible for continuing coverage as a Dependent under this Contract, the parent may convert such child’s coverage to individual coverage with your health care provider, provided an application for conversion is made within thirty-one (31) days of the child’s birth and the appropriate premium is received within such period.
      
   c. Unmarried Dependent child 26 years of age or older who is incapable of self-support because of a physical or mental disability that commenced before the age of 26. Periodic certification of continued disability will be required to maintain eligibility.
d. Unless otherwise set forth in this Section, a child Member’s coverage automatically terminates and all benefits hereunder cease, whether or not notice to terminate is received by the Plan on the day following the date in which such Member ceases to be eligible.

e. The child of a Domestic Partner.

**Dependent Eligibility Verification**

The Pennsylvania State System of Higher Education (PASSHE) requires verification of health care program eligibility both for dependents of newly hired employees and for dependents newly added to current employees’ and annuitants’ coverage as a result of a life event change (i.e., marriage, birth or adoption of a child, etc.) or during open enrollment. This is to ensure that dependents covered under the PASSHE Active Health Care Programs meet the eligibility requirements for coverage.

- All new employees will have 60 days from their date of hire to provide satisfactory documentation to verify dependent eligibility.
- All current employees will have 60 days from the date they add a new dependent as a result of a life event change to provide satisfactory documentation to verify dependent eligibility.
- All current employees will have until the end of open enrollment for dependents added during the annual open enrollment, (unless specified differently in the open enrollment communication) to provide satisfactory documentation to verify dependent eligibility.
- All documentation must be provided to the university human resources office.

For same-sex domestic partnership eligibility, please refer to the PASSHE website at: [http://www.passhe.edu/inside/hr/syshr/Medical_docs/PASSHE%20Domestic%20Partner%20Information%20Sheetrevised%204-08.pdf](http://www.passhe.edu/inside/hr/syshr/Medical_docs/PASSHE%20Domestic%20Partner%20Information%20Sheetrevised%204-08.pdf)

The following chart has been prepared to provide you with types of documentation that are acceptable for dependent verification and possible resources for documentation. You must provide an original document to your university human resources office when verifying your dependent(s). The university human resources office will review the documentation provided to determine dependent eligibility. You will retain the original documents and copies will not be maintained in the human resources office.

If satisfactory documentation for enrolled dependent(s) is not provided to your university human resources office within 60 days of your date of hire or within 60 days of adding a dependent as a result of a life event change, the dependent’s health plan coverage will be terminated retroactively to the date on which the dependent was enrolled. If claims were paid for ineligible dependents, restitution will be required and you will be billed for any ineligible claims.

Questions concerning this dependent verification process should be referred to your university human resources office.

Other Coverage Information

If your spouse or domestic partner is also a PASSHE employee or annuitant eligible to participate in either the active coverage or the Annuitant Health Care Program (AHCP), he or she may enroll as a single subscriber under his/her own plan, or as a dependent under the active employee’s coverage, but not both. Likewise, dependents may only be covered under one PASSHE active group plan or PASSHE-AHCP plan.

If your spouse or domestic partner is covered under the Pennsylvania Employees Benefit Trust Fund (PEBTF), through another Commonwealth agency (not PASSHE), the employee and dependents may be enrolled on each other’s policies for the purpose of coordination of benefits.

If your spouse or domestic partner is eligible for employer coverage through his/her employer, the following rules apply based on your date of employment:

<table>
<thead>
<tr>
<th>For Employees Hired PRIOR to July 1, 2013</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spouses and same-sex domestic partners* added to coverage after July 1, 2001 who are eligible for fully-paid employer coverage (e.g., no employee contribution for coverage) through his/her employer must be enrolled in their employer’s coverage and PASSHE health coverage will provide benefits as secondary payer only.</td>
</tr>
</tbody>

Health Program Coverage Effective Dates

Coverage for you and your Dependents begins on your date of employment or on the date you become eligible. You have 30 days from the date your employment begins or the date you become eligible for benefits to complete the enrollment for benefits.

If you enroll during an open enrollment period, coverage will begin the following July 1. In the case of employees who have declined coverage due to enrollment in another health care program, coverage may be made effective as of the date the other coverage ceases upon timely submission (within 60 days) of evidence that the other coverage has ended. Otherwise, you may only enroll during the next open enrollment.

If you marry, your spouse will have coverage as of the date of marriage; however, you must complete an enrollment form to add your spouse within 60 days of the marriage date before claims will be paid. A newborn child will be covered under the plan for 31 days following birth. Coverage will not continue beyond 31 days unless an enrollment form is completed within 60 days.

Changes in your marital or family status must be reported to your human resources office as soon as possible. If eligible Dependents are not added to your contract within 60 days of acquisition or within 60 days from the date that eligibility under other coverage ended, those Dependents may not enroll until the next open enrollment period for an effective date of July.
Health Program Coverage Ending Dates

Eligibility ends when:

- You terminate employment or are retrenched;
- You go on a long-term unpaid absence (except sick, parental, family care, military, or cyclical leave without pay with benefits);
- You regularly work less than 50 percent of full-time;
- You retire, or
- You die.

Your coverage ends on the date your eligibility ends.

The coverage for a Dependent spouse will end on the day prior to the effective date in which the spouse is divorced from the employee.

When a Dependent child reaches age 26, coverage will end on the last day of that month.

Coverage also ends if you fail to make any required premium contribution.

**ON THE DAY YOUR COVERAGE ENDS, IT IS ILLEGAL TO USE YOUR IDENTIFICATION CARDS. PLEASE DESTROY THEM IMMEDIATELY. YOU WILL BE CHARGED FOR ANY CLAIM COSTS AFTER YOUR COVERAGE ENDS.**

COBRA Continuation of Coverage (for Active Employees and Annuitants)

Introduction

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse’s plan), even if that plan generally does not accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.
This continuation coverage is available for employees, annuitants, and dependents covered under the following programs:

1. State System of Higher Education Group Health Program (medical/hospital/prescription drug/hearing);
2. State System of Higher Education Annuitant Health Care Program (medical/hospital/prescription drug);
3. State System of Higher Education Supplemental Benefits Program (dental and vision); or

If you are a covered employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

1. Your hours of employment are reduced, or
2. Your employment ends for any reason other than your gross misconduct.

If you are the spouse of a covered employee or annuitant, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

1. Your spouse dies;
2. Your spouse's hours of employment are reduced;
3. Your spouse's employment ends for any reason other than his or her gross misconduct;
4. Your spouse becomes entitled to Medicare Benefits (under Part A, Part B, or both); or
5. You become divorced (or legally separated from your spouse in anticipation of divorce).*

Dependent children of covered employees and annuitants will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

1. The parent-employee dies;
2. The parent-employee's hours of employment are reduced;
3. The parent-employee’s employment ends for any reason other than his or her gross misconduct;
4. The parent-employee becomes entitled to Medicare Benefits (Under Part A, Part B or both);
5. The parents become divorced or legally separated*; or
6. The child stops being eligible for coverage under the plan as a “dependent child.”

Employees enrolled in the State System of Higher Education's Medical Reimbursement Account through the Flexible Spending Account Plan may continue after-tax contributions through the end of the calendar year in which eligibility was lost, so long as there was a positive account balance at that time.

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the COBRA Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment or death of the employee, or the employee is becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the COBRA Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

The State System of Higher Education has the responsibility to notify the COBRA Administrator of the employee’s or annuitant’s death, termination of employment or reduction in hours. For the other qualifying events (divorce or legal separation* of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), the employee, annuitant, or family member must notify the State System of Higher Education within 60 days after the qualifying event occurs. You must provide this notice to your university’s human resources office (see address below). If notice is not given within the 60 days required by law, the individual losing their group coverage forfeits all rights to COBRA continuation coverage.
When the COBRA Administrator is notified that one of these events has happened, it will in turn notify you that you have the right to choose continuation coverage. Under the law, you have at least 60 days from the date the COBRA Administrator mails you a notice or, if later, the date you would lose coverage to inform the administrator that you want continuation coverage. Your first payment is due within 45 days of your election. A separate election may be made by each person.

How is COBRA Coverage Provided?

Once the COBRA Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee’s becoming entitled to Medicare Benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the COBRA Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving COBRA continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated*, or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.
If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to your university human resources office at the address or phone number listed below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. The information for Regional Office for Pennsylvania is Philadelphia Regional Office, 170 S. Independence Mall West, Suite 870 West, Philadelphia, PA 19106-3317, (215) 861-5300. For more information about the Marketplace, visit www.healthcare.gov.

Keep Your Plan Informed of Address Changes

In order to protect your family’s rights, you should keep your university human resources office informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to your university human resources office. Any notification, which is your responsibility under law, will not be considered adequate unless it is made to the human resources office.

Conversion of Coverage

If you do not wish to continue coverage through the State System of Higher Education’s program, you will be able to enroll in a direct payment program for your medical coverage. Also, conversion is available to anyone who has elected continued coverage through COBRA and the term of that coverage has expired. If your coverage through the State System is discontinued for any reason, except as specified below, you may convert to a direct payment program. The conversion opportunity is not available if either of the following applies:

- You are eligible for another group health care benefits program through your place of employment; or
- When your employer's program is terminated and replaced by another health care benefits program.

*Under Federal law a “legal separation” is a qualifying event if it causes loss of coverage. For Pennsylvania residents, there is no “legal separation” recognized in the law. Therefore, separation would not be a qualifying event entitling the spouse and children to COBRA coverage. The “qualifying event” is the date of the divorce since separation is not recognized in Pennsylvania.

---

The Pennsylvania State System of Higher Education (PASSHE) Health Care Management Program, Healthy U, is a Wellness Program designed to help you improve your well-being and become more engaged in every aspect of your health. Healthy U was developed by PASSHE for management, faculty, non-faculty coaches, policy and security personnel and nurses. If you are enrolled in the State System of Higher Education Group Health Program’s PPO health care plan, you and your covered spouse or same-sex domestic partner are strongly encouraged to participate in Healthy U.

Participation in the Wellness Program carries with it many rewards in addition to the financial incentives of paying substantially lower health care contribution rates. In the long run, the payback in terms of your improved well-being will likely be far more significant than the contributions you saved since good health is the single most important quality in our lives and the basis for enjoying all other aspects of life.

Just as our universities are the source of educational inspiration for thousands of students every year, PASSHE hopes that Healthy U will inspire you and your family to become more educated about your own health and to take advantage of the information, resources and programs for a healthier you!

**Why Should I Participate In Healthy U?**

Participation in Healthy U will entitle you to pay the lowest health plan contribution rates. This is an obviously considerable financial incentive for you and your covered spouse or same-sex domestic partner to participate in Healthy U. However, both management and union are hopeful that employees will be interested in participation in order to become more involved in improving their own health or maintaining their current good health into the future.
How Do I Ensure I Will Pay the Lowest Health Plan Contribution Rate?
Participation in Healthy U by both you and your covered spouse or same-sex domestic partner will entitle you to pay the lowest health plan contribution rates. If either you or your spouse or same-sex domestic partner do not meet the participation requirements, you will not be eligible for the lowest health plan contribution rates.

How Do I Participate in Healthy U?
Please refer to the Pennsylvania State System of Higher Education website at http://www.passhe.edu/inside/hr/syshr/Pages/healthy-u.aspx for more information on participation and requirements of the program.

As a New Employee, When Can I Participate in Healthy U?
As a new employee, when you enroll in healthcare benefits initially you will pay the lowest health plan contribution rates. In order to continue paying the lowest premium rates in the following plan year, you and your covered spouse/same-sex domestic partner will need to complete the Healthy U participation requirements prior to the end of the wellness plan year (generally May 31)

What Preventive Services are Covered Under My Benefits Plan?
As a State System Faculty member, your plan includes a full routine preventive schedule of benefits for adults. This schedule includes coverage for the routine physical exam itself, as well as various other tests and screenings that may be included with the exam. Please be aware that your physician may recommend tests and screenings that are not covered as part of your preventive schedule of benefits. You are responsible for verifying that tests and screenings will be covered (by contacting Highmark Member Services at 1-888-745-3212) and if they are not, you are responsible for paying for any services not covered.

Will the Personal Information that I Supply to Highmark Be Kept Confidential and Will the State System View the Health Information I Submit?
Highmark and their wellness partner fully comply with all Health Insurance Portability and Accountability Act (HIPAA) regulations. Protected health information (PHI) is kept completely confidential and all web transactions occur on a secure site and secure link.

The information you enter is kept completely confidential and will not be shared with the State System. All personal health information is protected by HIPAA and may not be divulged without your permission. All reports provided to the State System contain aggregate data only, and contain no individual PHI.

**Retirement**

Employees can choose from a Defined Benefit Plan or a Defined Contribution Plan.

**Defined Benefit Plan – State Employees’ Retirement System (SERS)**
Retirement income is based on a fixed formula that considers your years of service, age, and final average salary. The retirement benefit amount for vested participants is guaranteed and not affected by the investment earnings of the plan. Participants are 100% vested after 10 years of service (5 years if enrolled prior to January 1st, 2011). Visit the SERS website for more information.

**Defined Contribution Plan – Alternative Retirement Plan (ARP)**
Retirement income from the ARP plan is determined by your account balance at the time of retirement, which is comprised of your employee contributions (5% of salary), the State System contributions (9.29% of salary) and any investment earnings based on the performance of the investments you choose. Participants are 100% vested from date of enrollment. Employees may enroll in any of the three available vendors, Fidelity, TIAA-CREF or VALIC.

*The Public School Employees’ Retirement System (PSERS) is a defined benefit plan for Pennsylvania’s public school employees. If you are a current member of PSERS, the State System is able to continue your enrollment in PSERS or you may elect SERS and opt for multiple service which combines service in both SERS and PSERS to receive a single retirement benefit, or you may enroll in the ARP plan.

• Contribution rates and benefits vary by plan, view the Retirement Comparison Chart by visiting the State System’s website at [http://www.passhe.edu/inside/hr/sysshr/Retirement_Docs/Retirement_Plan_Comparison.pdf](http://www.passhe.edu/inside/hr/sysshr/Retirement_Docs/Retirement_Plan_Comparison.pdf)

• Employees have 30 days from the first date of eligibility to select enrollment in either the Defined Benefit Plan or the Defined Contribution Plan. Failure to select a plan within 30 days will result in automatic enrollment in SERS, the Defined Benefit Plan for Pennsylvania public employees.

• Regardless of the plan you choose, you are required to contribute a percentage of your salary to the retirement plan. Employee contributions are tax deferred. Once you have elected a plan, your election is final and binding and you cannot change retirement plans.
**Tax Sheltered Annuity (TSA) Plans**

- A supplemental retirement savings program authorized under Section 403(b) of the Internal Revenue Code
- All Pennsylvania State System of Higher Education employees are eligible to participate
- Eligible employees can enroll at any time
- Employee contributes a portion of salary for retirement on a pre-tax basis
- Participation is voluntary
- Employee makes entire contribution and there is no employer match
- Account with approved TSA vendor must be established and proof of account provided prior to completing the PASSHE Tax Sheltered Annuity Salary Reduction Agreement for bi-weekly payroll deductions
- For a comparison of the TSA and Deferred Compensation Plans, please refer to the Pennsylvania State System of Higher Education website at: [http://www.passhe.edu/inside/hr/syshr/Retirement_Docs/403b-457PlanComparison.pdf](http://www.passhe.edu/inside/hr/syshr/Retirement_Docs/403b-457PlanComparison.pdf)

**Deferred Compensation Plan**

A governmental 457(b) plan. The Program was established by the State Employees’ Retirement System (SERS), which contracts with Empower Retirement, the retirement business of Great West Financial, to serve as the administrator. All State System employees are eligible to participate and can enroll at any time.

Employees have the flexibility to choose traditional or Roth contributions. Traditional 457 contributions are made on a before-tax basis, and you pay income taxes only when you take a distribution. All Roth contributions are made with after-tax dollars. Employees make the entire contribution, there is no employer match. Meet with an Empower Retirement Plan Counselor to get started by enrolling in 457 plan.

Comparison of the TSA 403(b) and Deferred Compensation Plans, can be found at: [http://www.passhe.edu/inside/hr/syshr/Retirement_Docs/403b-457PlanComparison.pdf](http://www.passhe.edu/inside/hr/syshr/Retirement_Docs/403b-457PlanComparison.pdf)

**State Employee Assistance Program**

The State Employee Assistance Program (SEAP) is a confidential assistance program that provides a wide range of confidential, no-cost services to treat a broad range of problems. Examples of the type of counseling services are listed below. The SEAP is administered by the Commonwealth’s Office of Administration, who has contracted with United Behavioral Health (UBH) to provide SEAP services.

To obtain a brochure describing the services provided by the SEAP, you may contact your human resources office or refer to the Pennsylvania State System of Higher Education website at: [http://www.passhe.edu/inside/hr/syshr/Pages/seap.aspx](http://www.passhe.edu/inside/hr/syshr/Pages/seap.aspx). Each university has a designated SEAP coordinator in the human resources office who can also answer questions about the program. Services provided by the SEAP are strictly confidential – the State System will not be notified if you use the services unless you give written consent.

SEAP services are also available to annuitants and their family members. Individual family members, at their own initiative, may call the SEAP directly.

General Information

Who is Eligible for PASSHE Annuitant Health Care Program (AHCP) Coverage

1. **Eligible Person** is defined as:

   a. Annuitants

   State System annuitants and eligible Dependents may enroll in the State System of Higher Education Annuitant Health Care Program ("SSHEAHCP") if they meet eligibility requirements on the last day actively at work. Employees must retire and begin drawing a qualifying annuity from one of the State System’s retirement plans in order to receive SSHEAHCP benefits. **Verification of an annuity must occur prior to enrollment in the AHCP.** If vesting retirement, enrollment in the SSHEAHCP can be postponed until the monthly annuity begins. Annuitants who continue coverage under the State System’s active or annuitant health care programs as a Dependent under a spouse’s contract or who have documented other coverage, will be permitted to delay enrollment in the SSHEAHCP until the spouse’s contract or other coverage ceases. Please note employees retiring must begin drawing an annuity in order to qualify for a sick leave payout. If the spouse of the annuitant is also a State System of Higher Education employee eligible to participate in the State System of Higher Education Group Health Program (SSHEGHP) or State System of Higher Education Annuitant Health Care Program (SSHEAHCP), he or she may enroll as a single Member or as a Dependent under the Member’s coverage, but not both. Likewise, Dependents may only be covered under one SSHEGHP or SSHEAHCP Plan.

   b. The Group may not discriminate in enrollment or contribution based on the health status, as defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), of an Eligible Person. If the Group does discriminate in enrollment or contribution based on health status, the Group shall be solely liable for any claims or expenses, including medical claims or expenses, incurred by the Eligible Person against whom the discrimination has occurred.

2. **Eligible Dependent** is defined as:

   The following Dependents are eligible to be enrolled:

   a. Legal Spouse

   (See other coverage requirements on page 4. This only applies to spouses added to health coverage for employees hired after July 1, 2001.)

   b. Same-sex Domestic Partner *(FOR FACULTY WHO RETIRED ON OR AFTER JULY 1, 2007)*

   c. Children under 19 years of age who meets one of the following requirements:

    A natural child of your own;

    A legally adopted child (including a child living with the annuitant during the probation period);

    A stepchild living with you;

    A minor child for whom the annuitant is the court or agency appointed legal guardian, as evidenced by the court or agency order establishing guardianship;

    A child over the age of 18 for whom the annuitant was the child’s court or agency appointed legal guardian prior to the child’s 18th birthday; or
A newborn child of an employee from the moment of birth to a maximum of 31 days from date of birth. To be covered as a Dependent beyond the 31-day period, the newborn child must be added as a Dependent through the Central Benefits Office within 60 days from date of birth. In the event that a newborn child is not eligible for continuing coverage as a Dependent under this Contract, the parent may convert such child’s coverage to individual coverage with the health care provider, provided an application for conversion is made within thirty-one (31) days of the child’s birth and the appropriate premium is received within such period.

d. The child of a Domestic Partner

e. Unmarried Dependent child 19 to 25 years of age who meets all of the following requirements:
   * Enrolled in and attending as a full-time student at a recognized course of study or training;
   * Not employed on a regular full-time basis; and
   * Not covered under any group insurance plan or prepayment plan through the student’s employer.

f. Unmarried Dependent child 19 years of age or older who is incapable of self-support because of a physical or mental disability that commenced before the age of 19. Periodic certification of continued disability will be required to maintain eligibility.

g. Unless otherwise set forth in this Section, a child Member’s coverage automatically terminates and all benefits hereunder cease, whether or not notice to terminate is received by the Plan on the day following the date in which such Member ceases to be eligible.

**Dependent Eligibility Verification**

The Pennsylvania State System of Higher Education (PASSHE) requires verification of health care program eligibility for dependents newly added to current annuitants’ coverage as a result of a life event change (i.e., marriage, birth or adoption of a child, etc.) This is to ensure that dependents covered under the PASSHE Annuitant Health Care Programs meet the eligibility requirements for coverage. All annuitants will have 60 days from the date they add a new dependent as a result of a life event change to provide satisfactory documentation to verify dependent eligibility. All documentation must be provided to the System Central Benefits office.

For same-sex domestic partnership eligibility, please refer to the PASSHE website at: [http://www.passhe.edu/inside/hr/syshr/Medical_docs/PASSHE%20Domestic%20Partner%20Information%20Sheetrevised%204-08.pdf](http://www.passhe.edu/inside/hr/syshr/Medical_docs/PASSHE%20Domestic%20Partner%20Information%20Sheetrevised%204-08.pdf)

The following chart has been prepared to provide you with types of documentation that are acceptable for dependent verification and possible resources for documentation. You must provide a copy of the original document to the System Central Benefits office when verifying your dependent(s). The System Central Benefits office will review the documentation provided to determine dependent eligibility. You will retain the original documents and copies will not be maintained in the System Central Benefits office.

If satisfactory documentation for enrolled dependent(s) is not provided to the System Central Benefits office within 60 days of adding a dependent as a result of a life event change, the dependent’s health plan coverage will be terminated retroactively to the date on which the dependent was enrolled. If claims were paid for ineligible dependents, restitution will be required and you will be billed for any ineligible claims.

Questions concerning this dependent verification process should be referred to the System Central Benefits office at (717) 720-4153.

**Other Coverage Information**

If your spouse or same-sex domestic partner is also a PASSHE employee or annuitant eligible to participate in either the active coverage or the Annuitant Health Care Program (AHCP), he or she may enroll as a single subscriber under his/her own plan, or as a dependent under the active employee’s coverage, but not both. Likewise, dependents may only be covered under one PASSHE active group plan or PASSHE-AHCP plan.

If your spouse or same-sex domestic partner is covered under the Pennsylvania Employees Benefit Trust Fund (PEBTF) through another Commonwealth agency (not PASSHE) the employee and dependents may be enrolled on each other’s policies for the purpose of coordination of benefits.

Spouses or same-sex domestic partners eligible for fully-paid employer coverage through his/her employer must be enrolled in their employer’s coverage and State System health coverage will provide benefits as secondary payer only. (This only applies to spouses added to health coverage after July 1, 2001 or same-sex domestic partners added to health coverage after July 1, 2007.)

**Health Program Coverage Effective Dates**

Coverage for you and your Dependents begins on the date of retirement or on the date you become eligible. If you enroll during an open enrollment period, coverage will begin the following July 1. In the case of annuitants who have declined coverage due to enrollment in another health care program, coverage may be made effective as of the date the other coverage ceases upon timely submission (within 60 days) of evidence that the other coverage has ended. Otherwise, you may only enroll during the next open enrollment.

If you marry, your spouse will have coverage as of the date of marriage; however, you must complete an enrollment form to add your spouse within 60 days of the marriage date before claims will be paid. A newborn child will be covered under the plan for 31 days following birth. Coverage will not continue beyond 31 days unless an enrollment form is completed within 60 days.
Changes in your marital or family status must be reported to the System Central Benefits office as soon as possible. If eligible Dependents are not added to your contract within 60 days of acquisition or within 60 days from the date that eligibility under other coverage ended, those Dependents may not enroll until the next open enrollment period for an effective date of July 1.

**Health Program Coverage Ending Dates**

Eligibility ends when:
- You voluntarily terminate coverage;
- You fail to make premium contribution payments (if applicable); or
- You die.

Your coverage ends on the date your eligibility ends.

The coverage for a Dependent spouse will end on the day prior to the effective date in which the spouse is divorced from the employee.

If a Dependent child reaches age 19, takes a full-time job, or marries, coverage will end on the last day of that month. If a full-time student reaches age 25, takes a full-time job, marries, or ceases to be a full-time student, coverage will end on the last day of the month. If a medical condition causes a full-time student Dependent to become less than full-time, coverage may be extended, upon certification, for up to one year from the date that the Dependent is unable to attend school full-time.

Coverage also ends if you fail to make any required premium contribution.

**ON THE DAY YOUR COVERAGE ENDS, IT IS ILLEGAL TO USE YOUR IDENTIFICATION CARDS. PLEASE DESTROY THEM IMMEDIATELY.**

**YOU WILL BE CHARGED FOR CLAIM COSTS AFTER YOUR COVERAGE ENDS.**

- Throughout the annuitant’s lifetime while enrolled in the AHCP, the dollar amount paid by the annuitant will be adjusted whenever the percentage of contribution paid by active employees for the same type of contract and choice of plan is adjusted.
- The new percentage will be applied to the dollar amount for the type of contract and choice of plan that was in effect on the day of the annuitant’s retirement to determine the new annuitant contribution.
- Annuitant benefits continue to include coverage for dependents
- The Wellness Program and non-participant contribution increases do not apply to annuitants
