The Navarre Raider games will take place on Friday, April 1. This annual event takes place at NHS for special education students at our south end schools. Our own students in Mr. Little’s class participate in this exciting event. In an effort to support these students, our class will be collecting supplies to make 20 small goodie bags to help cheer them on during the day of the games! Bags will be themed “Go for the Gold”. If you would like to contribute to this activity, please let me know which of the following items you would like to provide and please send it in by Monday, March 28:

- 20 Water Bottles
- 20 Capri Suns
- 20 Twix miniatures
- 20 Rolo candies

The third graders will begin FSA (Florida State Assessment) testing on March 29. The testing schedule is as follows:

- March 29: FSA ELA Reading, Session 1
- March 30: FSA ELA Reading, Session 2
- March 31: FSA Math, Session 1
- April 1: FSA Math, Session 2

To help your child prepare, you can:

* Be sure that your child is reading daily as part of his/her homework.
* Practice math skills by logging onto www.thinkcentral.com and using the Florida Online Intervention.
