Rockland County Board of Elections
LOUIS C. BABCOCK
KRISTEN ZEBROWSKI STAVISKY
COMMISSIONERS OF ELECTIONS

WWW.VOTEROCKLAND.COM

Dear Voter,

As your County Election Commissioners, we encourage you to exercise your right to vote. Throughout the world, individuals fight for the right to cast a ballot. The political process relies on an active and engaged electorate. Voting is a sacred right – visit the Board of Elections today to register and ensure your voice will be heard.

The DS200 Optical Scanner is a paper based tabulation system, which counts votes cast on paper ballots. Voters fill in ovals to indicate their choices and insert the paper ballot through the scanner into a sealed ballot bin. The DS200 is not a computerized voting system. Once your ballot has been marked, scanned, and deposited in the ballot bin, the Board of Elections will retain it in the event a recount is necessary. The Federal Help America Vote Act, also known as HAVA, requires that the voting system and poll sites shall be accessible to all individuals with disabilities. In addition to the DS200, every poll site will have at least one Ballot Marking Device (BMD) providing equal opportunity for access and participation for all voters. The BMD can be used by voters who would otherwise need assistance completing a paper ballot and ensures all voters the opportunity to vote privately and independently.

For more information about voting in Rockland, please visit our office or website today!

Sincerely,

The Genealogical Society was organized in October, 1985 by members of the Historians Roundtable of the Historical Society of Rockland County. It is a non-profit organization, sponsored by the New City Library.

Its Aims and Goals are:

To encourage and promote accurate and thorough research of every region through educational programs and workshops.

To discover, collect, preserve, record, and catalog Rockland County genealogical and historical data and to make these records available for study.

To prepare and distribute to the membership a quarterly publication to include genealogical inquiries from members nationwide and worldwide, plus genealogical articles and hitherto unpublished records such as family Bible records, parish records, census records, and collections of newspapers and the like.

To further these aims:
Our monthly meetings take place on the fourth Tuesday of the month - January thru May, and September thru November, at 7:00 PM in the auditorium of the New City Library. We also co-sponsor joint meetings / speakers with other societies and the New City Library.
Society projects include the copying, computerizing, and publication of Rockland County church, funeral home, state census, and cemetery records. Since our first volume, That All May Be Remembered, written by Peter Krell was published by the Rockland County Bicentennial Commission in 1976; we have continued to publish other compilations.
