THE TWELVE STEPS OF N.A.

1. We admitted we were powerless over addiction, that our lives had become unmanageable.

2. We came to believe that a Power greater than ourselves could restore us to sanity.

3. We made a decision to turn our will and our lives over to the care of God as we understood Him.

4. We made a searching and fearless moral inventory of ourselves.

5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.

6. An N.A. Group ought never endorse, finance, or lend the N.A. name to an organization or individual not in harmony with these principles, except when to do so would injure them or others.

7. Every N.A. Group ought to be fully self-supporting, declining outside contributions.

8. Our public relations policy is based on attraction rather than promotion.

9. Our only public statement concerns our service, our relation to S.O.L.O., and the analogy of the 12 traditions.

10. Our primary purpose is to spread the message and carry the message to anyone who would benefit.

11. Our public relations policy is based on attraction rather than promotion.

12. Our services are free and we intend to be wholly unselfish in service.

THE TWELVE TRADITIONS OF N.A.

1. Our members must always come first; primary recovery depends on it.

2. For our group purposes there is but one ultimate authority—a God as we understood Him.

3. The only requirement for membership is a desire to stop using.

4. An N.A. Group must be fully self-supporting, declining outside contributions.

5. Each group has but one primary purpose— to carry the message and carry it to anyone who would benefit.

6. An N.A. Group ought never endorse, finance, or lend the N.A. name to an organization or individual not in harmony with these principles, except when to do so would injure them or others.

7. Every N.A. Group ought to be fully self-supporting, declining outside contributions.

8. Narcotics Anonymous should remain forever unchartered, but our service centers may employ special workers.

9. Narcotics Anonymous has no opinion on outside issues, hence the N.A. name must never be used to influence the voting of legislative issues.

10. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and TV.

11. Anonymity is the spiritual foundation of our tradition, ever reminding us to place principles before personalities.
