From the Campus Principal  Mr Phil Lewis

Welcome Back
Welcome back to the 2016 Academic Year to all members of the Nazareth Catholic Community. A very special welcome to students, staff and families joining our community for the first time. I hope that all members of our community had a very Merry Christmas and a wonderful start to the New Year. We look forward to working in collaboration with our students and families this year as we know this partnership is important for the success of our young people.

SACE Results
For the sixth consecutive year Nazareth has achieved a 100% SACE pass rate for Year 12 students. This ongoing and outstanding success was also complemented by some fantastic individual results by our Year 12 students of 2015. Once again, the amazing results were a true credit to the hard working and committed staff of Nazareth as well as the dedication of the students and the tremendous support from their families.

The other praiseworthy news we received recently was that 76% of our 2015 Year 12 students have been offered their first preference for University or TAFE studies. This data is a reflection of not only outstanding results but also the effective counselling processes in our senior year levels.

It will once again be an absolute pleasure to catch up with the high achieving students at the Awards Ceremony at Government House and at the Academic and Merit Ceremony in the next few weeks.

2016 Theme: Called to Care for God’s Creation
In 2016, the Nazareth Catholic Community will be embracing the Laudato Si encyclical from Pope Francis. Our community’s theme this year will be “Called to Care for God’s Creation”. Pope Francis has challenged world leaders to heed the warnings about the damage which has already been inflicted on our earth and find solutions for a future sustainable world, which cares for God’s creation and the people afflicted by global warming. As a Catholic community, we will continue to pray, act and care for our environment and all God’s people.

Throughout 2016 we will promote a focus on this important challenge from Pope Francis to care for God’s Creation, God’s People and our fragile earth.

I wish God’s blessings upon our students, staff and families for 2016. May it be a year full of happiness and joy for all members of our community.

Catholic Culture

Welcome to 2016! This year Catholic Culture news articles will be prepared by Joe Hicks who is the newly appointed Assistant Principal for Religious Identity and Mission at the Flinders Park Campus, and Christine Farrugia, the Religious Education Coordinator at the Findon Campus. Both of us are looking forward to using this space as a means of sharing a strong faith message as well as important information about Nazareth’s Catholic Identity.

Nazareth’s 2016 Theme is “Called to Care for God’s Creation” and the Catholic Culture team, along with the rest of the school, will be focusing a lot of our action and education on Ecology. We have been deeply inspired by Pope Francis and his encyclical letter “Laudato Si”. In our input we will be making reference to this text and reflections from it. This week, we would like to share with you quote 211:

“Education in environmental responsibility can encourage ways of acting which directly and significantly affect the world around us, such as avoiding the use of plastic and paper, reducing water consumption, separating refuse, cooking only what can reasonably be consumed, showing care for other living beings, using public transport or car-pooling, planting trees, turning off unnecessary lights, or any number of other practices.” (211)

The Catholic Culture team would like to encourage all members of the Nazareth Community to reflect on this quote and think of areas where we can make a small change in our life. “I alone cannot change the world, but I can cast a stone across the waters to create many ripples.” – Mother Teresa

Nazareth Community Confirmation/Eucharist Programme 2016
Families enrolled in the Confirmation/Eucharist Programme in 2016 are reminded that there is an Information Evening this Thursday 4 February at 7pm in the OLM Church. Please read the email, sent out to families on Thursday 28 January, featuring important information regarding the requirements for the night.

Mater Christi Parish Sacramental Programme
Whilst Nazareth Community does offer programmes within the Findon Parish, we always advise parents that children should complete their initiation into the Catholic Church in the Parish where they were baptized, regularly attend Mass or where they have a regular affiliation. For families connected to the Mater Christi Parish at Seaton, please be advised that enrolments for Sacramental preparation are now open. Please visit this link to obtain an enrolment form - http://www.nazareth-catholic.org.au/?ContentID=193. For more information, please contact Mrs Elena Moffa. Her details are 8356 4036 – 0414993429 or - alenamoffa@bigpond.com

Young Adults’ Mass
Our first Young Adults’ Mass for 2016 will be held this Sunday, February 7 at 5:30pm in the Flinders Park Campus Chapel. All members of the community are invited to this celebration.

Year 12 Welcoming Mass
On Thursday February 11, our Year 12 Class of 2016 will be officially inducted into their final year of schooling. The Mass will take place in the Gym on the Flinders Park Campus at 7pm. However, we would ask that all students and their families be seated by 6:40pm. This is a formal occasion and all students will be required to wear their summer uniform. The class of 2016 will be presented with their Year 12 ties as part of the liturgy. There will be a light supper and refreshments afterwards.

Beginning of the Year Masses
The Beginning of the Year Mass on the Findon Campus will be held this Friday, 5 February, at 9:30am. The Beginning of the Year Mass on the Flinders Park Campus will be held on Thursday 6 March (WEEK 6) at 11:40am. All families are warmly invited to attend and participate.

Christine Farrugia - Religious Education Coordinator (Findon Campus)
Joe Hicks - Assistant to the Principal Religious Identity and Mission (Flinders Park Campus)
Primary News

We would like to take this opportunity to welcome existing and new families to another exciting school year. Many parents and students were keen to share their holiday experiences and at the same time, looking forward to greeting new teachers in different learning spaces. Staff have been industriously preparing their class areas to ensure a welcoming and smooth transition for students in the first week of the school year. The excited laughter and connection between children and families on Monday morning, highlighted the welcoming culture of our Nazareth community.

Parent Information Evening - CHANGE OF DATE
The Parent Information Evening will be held on Tuesday 16 February, commencing at 6:30pm in your child's class area. At 7:30pm this will be followed by a social catch up in the form of a Wine and Cheese gathering in the Catherine Community Centre. This is an excellent opportunity to network with new and existing families.

Year Level Parent Representatives
Our Nazareth school community is large and diverse, comprising 26 classes/8 neighbourhoods. To encourage parent engagement across all year levels, we invite parents/caregivers in each of the year levels, to volunteer to be a neighbourhood representative. This may be a group of willing friends or individuals who are keen to become part of the cohort. You will have received a hard copy letter with additional information and allocated events per year level. Teachers will encourage your involvement on the Parent Information Evening. We appreciate your generosity and support.

Assembly
All families are invited to the Reception – Year 7 assembly being held on Friday 19 February in the Multi-Purpose Hall. The children are proud to celebrate and share their new learning. We hope to see you there.
We look forward to another prosperous year.

Carnevale Day 2016
PLEASE NOTE
Our annual Carnevale celebrations will be held very early in the new school year on Tuesday 9 February 2016 (Week 2).
For this special event the students may dress in one of the following ways:

- Fancy dress costume
- Traditional Italian folk costume
- An Italian soccer team guernsey
- Casual clothes in the colours of the Italian flag (green, white and red)

The day will begin with a masked parade at 9:15am and this will be followed by Ferrari races on the oval. Parents, caregivers and friends are invited to attend.

The cost will be a gold coin donation.

Please note: There will be no pre-ordering of gelato. Donation money for gelato must be brought to school on Carnevale day.
Secondary News

Results for the ‘Class of 2015’
We have been very pleased and proud to share the outstanding results of the Nazareth ‘Class of 2015’. These achievements will be celebrated at the Merit and Awards Assembly, which will be held at the Flinders Park Campus, on Friday 19 February.

For the sixth consecutive year, 100% of Year 12 students completed their SACE with all Stage 2 results being C- or better (a first for the College).

The graph above compares results of Nazareth students with those achieved across the state and shows that Nazareth students outperformed the state averages across the ‘A+’ to ‘C+’ grade levels.

Our congratulations to the 33 students who achieved 48 ‘A+ with Merit’, the highest possible result for a SACE Stage 2 subject.

We also congratulate Ellie Constantine, whose ATAR of 99.55 is the College DUX for 2015. Ellie’s commitment and dedication to her studies throughout the year was realised with results of –

- A+ with Merit for Religion Studies
- A+ with Merit for Research Project B
- A+ for Physics
- A for Chemistry
- A for Mathematical Studies
- A- for Specialist Mathematics

42 students from the ‘Class of 2015’ (approximately 22% of the cohort) achieved an ATAR over 90.00 points (ranking them in the top 10% of ATAR scores for 2015).

Initial data from SATAC (South Australian Tertiary Admissions Centre) indicates that of the 196 applications received for university and/or TAFE, 174 offers have been made to Nazareth students, with 76% of these offers being for the student’s highest preferred course of study. Analysis of the tertiary pathways of the ‘Class of 2015’ will be conducted following the final offers from SATAC.
Key Dates and Upcoming Events
Year 12 Parent Information Evening - 9 February, Performing Arts Studio, 7:00pm
Families of our Year 12 students are invited to join us for an information session regarding Stage 2 of SACE. Year 12 students are welcome, but not expected, to attend this session. The evening will conclude at approximately 8:00pm.

Year 8 and New Parent Information Evening - 9 February, 7:00pm.
Parents of students in Year 8 and students new to the College are invited to join us at this event, which provides parents with the opportunity to meet with their child’s Mentor Teacher and be introduced to College structures, routines, policies and expectations. This is also an ideal way to meet other parents. As this is a parent evening, while students are welcome, they are not expected to attend. Light refreshments will be offered at the conclusion of the evening at approximately 8:00pm.

Year 12 Opening Mass - 11 February, Gymnasium, 7:00pm
The College will mark the beginning of the final year of secondary schooling for the ‘Class of 2016’ with Mass. It is an expectation that Year 12 students will attend, together with their family.

School Photos and ID Photos - 11 February
Students must be dressed in full summer uniform for this day. Students wearing PE uniform, and those not meeting expectations with regard to hair, jewellery etc, will not be photographed. Students who have a PE practical lesson scheduled for this day will need to bring their PE uniform and get changed at the beginning of the lesson.

Aquatics Carnival - 12 February
The Aquatics Carnival will be held at the Adelaide Aquatic Centre. The College will bus students to the centre; hence all students must arrive by 8:45am. Please note that the College car park will be closed to families dropping their children at school on this morning. Students will then return to the College by bus, with student dismissal from the College occurring at 3:25pm.

Lighthouse Books “Follow Up” Session - 17 February, 8:00 to 10:00am
Representatives from Lighthouse Books will be at the College on Thursday 17 February, between 8:00 and 10:00am, for any students or families who have issues regarding booklists/stationery packs etc, that require following up.

Athletics Carnival - 26 February
The Athletics Carnival will be held at SANTOS Stadium, with students transported by bus both to and from the venue. As with the Aquatics Carnival, the College car park will be closed to students and families, facilitating safe access to buses. Further details will follow in due course. Student dismissal will be from the College at 3:25pm.

Get Healthy is a telephone coaching service to help South Australian adults make changes to improve diet, be more active, manage weight and enhance overall wellbeing. Enjoying a healthy lifestyle decreases the risk of developing serious long-term illness such as type 2 diabetes and heart disease and also increases the opportunities for people to be active participants in their community.

All participants can receive up to 10 telephone sessions with their personal qualified health coach. You may also consider adding a link to Get Healthy on your organisation website!

Collection of Franked Stamps
Mary MacKillop International, which supports projects run by the Sisters of St Joseph in Peru and East Timor, wishes to thank all those who continue to collect and supply FRANKED (used) stamps. During 2015 alone, approximately $34,500 was raised. This has far surpassed the amount raised in 2014 and Sr Helen Saunders (the Sister who coordinates this project with her many volunteers) wants to thank everyone on behalf of the Sisters of St Joseph. Amazingly, the total raised since 2001 is $125,000. So . . . please do continue to collect and bring in your used stamps for this wonderful Josephite work. Please be sure to leave a large amount of paper around each stamp. Even the whole envelope can be brought in! Thank you again for your generosity.

Nazareth Homework Club Volunteers
Are you passionate about supporting young people's education? Can you spare an hour and a half on a Thursday afternoon to provide encouragement and guidance to a senior school student?

Would you like to join a team of dedicated volunteers who are committed to supporting students to achieve their potential?

We are calling for volunteer tutors to support senior students on Thursday afternoons between 3:30 and 5:00pm.

Homework Club is an opportunity for students to receive focussed support to work on homework and assignments. Tutors may provide generalised support for students with research, formation and editing of work or more specialised support with advanced mathematics, language, technology or science. We require a range of tutors with a mix of strengths and skills to assist the variety of students across all subjects from Year 8 to Year 12.

You will be provided with the necessary information and guidance to commence this rewarding and fulfilling opportunity. All volunteers are required to hold a current Catholic Police Check. We can assist you to complete an application (at no cost to you) and once your clearance is obtained, you can commence supporting students.

If you, or someone you know, has the time and passion to commit to regular weekly support please contact Sharon Ferdinands on 8406 5050 or sharon.ferdinands@nazareth.org.au for more information.
Welcome

Nutrition and Dietetic students begin a Community placement at Nazareth this week. Their first project is within the Early Childhood Centre and will focus on developing some practical information for parents about what to feed their children and how to be confident that they are meeting their nutritional needs.

They will be on the spot greeting parents as they drop their children off and be available with information, resources and some “taste-testers”. Emilie and Heather will be with us for the next seven weeks, after which another group will follow developing similar resources for parents in the primary school. The third and final group will then work at the Flinders Park Campus.

For term 1, introducing Heather Mason and Emilie Evans.

“My name is Heather Mason and I am a student dietitian at Flinders University. In my spare time, I love spending time with my three boys playing backyard cricket. I look forward to being involved with the children and families at the Nazareth Early Childhood Centre and want to thank Nazareth for providing me with this opportunity.”

“My name is Emily Evans and I too am a student dietitian at Flinders. I enjoy cooking and in my spare time, I love making cakes and pastries. I look forward to spending the next 7 weeks in the Nazareth community and especially in the ECC, where we will be developing resources and information about healthy eating.”

The Nutrition and Dietetic Community placement is a partnership project between Nazareth and Flinders University and is overseen by Heidi Jak (Flinders University) and Jan Bate (Nazareth).

Student Wellbeing with Bianca Tattoli – Clinical Psychologist

Welcome back! Hello to all new and returning Nazareth families, I hope you have had a restful and enjoyable break, energised and enthusiastic for what the New Year will bring. First I would like to re-introduce myself; I currently work on Monday at Findon as part of the wellbeing team and closely with the school counsellors (Clare Denny, Findon Campus and Tineke Searle, Flinders Park Campus).

I would like to draw parents’ and caregivers’ attention to a wonderful website full of useful information and tips. The Raising Children Network provides information sheets and guides, videos and podcasts and a forum which all aim to support adults in making parenting decisions. Topics covered include health and development, behaviour, social issues, learning and sleep across the infant to young adult life span. If you have any questions related to any of these issues with regards to your child/ren, I encourage you to access this site as a first port of call. I hope everyone has a brilliant Term 1!

MUSIC INFORMATION MEETING

Dear Music Families,

Welcome to the 2016 Music and Instrumental Program at Nazareth Catholic Community. This year is going to be dynamic and exciting with many new initiatives planned. I am very much looking forward to working with the staff and students of both Primary and Secondary campuses in order to further develop our Music program.

In the Nazareth Music faculty, we pride ourselves on pursuing excellence and we look forward to continuing to provide opportunities for our students to excel in all areas of their Music studies.

In order to clearly communicate our vision and expectations, I would like to formerly invite you to a Music information meeting. During this meeting some important information will be distributed, as well as an opportunity for you to ask any questions and make any suggestions.

Date: Thursday 4th February (week 1, term 1)
Location: Secondary Campus Dance Space
Time: 7.00 – 8.00pm

The following are items that will be addressed at this meeting:
• Instrumental Music Program
• Extra Curricular Ensembles
• 2016 Events – Music Intensive Rehearsals, Music Camp, Melbourne Exchange, Generations in Jazz, Catholic Schools Music Festival
• 2017 International Trip - USA
• Rehearsal / Ensemble Expectations
• Parents and Friends of Music Committee / Fundraising
• Instrumental Hire
• Year 5 Band Program
• Primary Music Program

Please also consider the possibility of coming on board our very important Parents and Friends of Music group. This group supports all of our major fundraising, our events and concerts and is a fantastic way to meet new families and faces of our Community. In 2015 we will hold one meeting per term at the Secondary Campus, and we would love you to be involved!! There will be an opportunity to sign up for this on the evening and we would welcome any support you can offer.

Kind Regards,

Ms Jessica Joyce
Director of Music
Nazareth Catholic College

Volunteer Coaches Induction Evening
If you are interested in coaching in 2016, you are required to attend the Volunteer Coaches Induction Session on Monday 15 February at 7:00pm at the Findon Campus. All coaches are also required to have a Police Clearance prior to coaching. Please contact Mrs Sue Porter for further information regarding the Volunteer Induction Evening and Police Clearances for primary sport coaches.

Sports Display Cabinet
Please check the sports display cabinet for notices from various Sporting Associations regarding school holiday clinics, trails and out of school activities.

Sue Porter, ESO Sport R-7
Secondary Sports
Welcome back to all students, parents and families for 2016! This year we are looking forward to building on what was a very successful year in co-curricular sport for Nazareth Catholic College in 2015.

The Term 1 Summer Sport Season for both boys and girls will commence trainings in Week 2 and then competitions will commence in Week 3 (Saturday 20 February).

Sport Fixtures and Communications
Sport fixtures and training details for all secondary school teams (both girls and boys) can be easily accessed online on the College’s Internet website (www.nazareth.org.au). Under the College tab located at the bottom of the home page is a link for ‘Sport fixtures,’ where parents and students can easily access each team’s season programme.

• www.nazareth.org.au > COLLEGE > SPORTS FIXTURES > BOYS / GIRLS SPORT
• On this website you’ll also find a list of school codes and their addresses.
• Alternatively students can go to the sports noticeboard for up-to-date match fixtures and information.

An important and friendly reminder for the following:
• All students participating in co-curricular sport are expected to attend all training sessions and matches
• If unable to attend training and/or a match, students are to provide advance notice in the form of a written note from a parent or caregiver and present this to their coach or email the girls’ sports coordinator Mrs Kahli Harmer (kahli.harmer@nazareth.catholic.edu.au) or the boys’ sports coordinator Mr Martin at chris.martin@nazareth.catholic.edu.au
• Students should be checking their emails everyday to ensure they receive updated information.
• It is the student’s responsibility to ensure they know their playing venues (maps) and times each week by checking their programme and the sports noticeboard or the Naz Sports Facebook page. The noticeboard should be checked weekly by all students.
• Uniforms for cricket, girls’ basketball and volleyball must be purchased from the uniform shop prior to the first match.
• Sports programmes will be available on the college website as soon as they are finalised by the associations but the website will not have venue maps. To access maps you must go to the sports noticeboard.

Sports Nominations
By this time all students should have re-confirmed or amended their sports nominations for 2016 for the final time. There was an email sent out to all secondary students on Monday afternoon advising them of their sporting choices and asking them to confirm and submit this. It is imperative this is completed immediately so Mrs Harmer and I can successfully nominate teams into competitions. Any specific concerns or issues please make contact with me, Chris Martin asap at chris.martin@nazareth.catholic.edu.au

WELCOME MRS KAHLI HARMER!
It is my great pleasure to introduce to you the new Girls’ Sports Coordinator at Nazareth, Mrs Kahli Harmer! Mrs Harmer has just commenced work at Nazareth, coming to our community from Trinity College. Mrs Harmer teaches PE, Science and Maths and has a long history of sporting involvement, both as a coach at Trinity and as a player, most notably as an ABA level Basketballer at Woodville Warriors. Mrs Harmer is really looking forward to the sporting year ahead and to being an important part of our community. Please make yourself known to Mrs Harmer by introducing yourself out at trainings or matches.

The Naz Parents Sports Committee (NSPC)
Another exciting initiative within the Naz sports programme is the Nazareth Parents Sports Committee. The Committee is now in its second year and we meet semi-regularly (twice a term) to discuss our Naz Sports policy, current outcome reviews, strategic future planning, resource management, communications and weekly logistical management. I thank those parents already involved and I look forward to the Naz Sports Programme benefitting from the passion, skills, experience and ideas the Parent Committee will bring to the fold. Should any new or existing parents wish to get involved please contact Chris Martin at chris.martin@nazareth.catholic.edu.au

Individual Student Sporting Achievements
I ask that all parents and students actively communicate notable individual sporting achievements with Mrs Harmer or myself so that we can appropriately recognise this in the weekly newsletter and for points allocation in the House Cup Award that has begun this year. An email is the easiest way to make contact:
Mrs Kahli Harmer – Girls’ Sports Coordinator – kahli.harmer@nazareth.catholic.edu.au
Mr Chris Martin – Boys’ Sports Coordinator – chris.martin@nazareth.catholic.edu.au
Term 1, Week 1, 2016

I ask that all families involved in the Naz Secondary Sports Programme please cut out and keep the important information below for the Term 1 Summer Sports Programme and pin it up on the fridge or the family pin-up board!
