This image contains a map of the Black Hills Trails System, which is a network of snowmobile trails in South Dakota. The map includes various areas marked with different symbols, such as "Winter Wildlife Range" and "Black Hills Off-Road Rentals." There are also legends indicating different types of areas, such as closures and "No Snowmobiling." The map provides information on trail conditions, including grooming status and trail lengths. There are several attractions and services listed, such as trailhead lodges, recreation areas, and snowbear snowmobile rentals.

For SNOWMOBILE USE ONLY
