Kumbrabow State Forest is located along the western edge of the Allegheny Highlands atop Rich Mountain in Randolph County, West Virginia. The 9,474 acres of forest range from 3,000 to 3,930 feet above sea level, making Kumbrabow the state’s highest forest. Acquired in 1934, the forest derives its unusual name from three prominent families instrumental in the land purchase, KUMp-BRAdy-BOWers.
