Summer 2014 Student Opportunities in the Intelligence Community

Most agencies in the Intelligence Community offer summer internships for college students and several offer cooperative education programs. Below is a quick summary of some of these opportunities. We encourage students to apply for these internships as described on each organization’s website. The security clearance process for interns is the same as for a regular permanent employee and requires that the applicant be a U.S. citizen.

**Organization:** National Geospatial-Intelligence Agency (NGA), Springfield, VA; Washington, DC; St Louis, MO

**Majors:** Engineering, Mathematics, Cartography, Counterterrorism, Counter-proliferation, Cultural Area Studies, Foreign Language, Geodesy, Geographic Information Systems, Geography, Geology, Hydrography, International Affairs/Studies, Meteorology, Physics, Political Science, Quantitative Sciences, Remote Sensing, and Surveying

**Deadline:** Applications are accepted September 3 - October 11
