PRESIDENT’S LETTER

By Jennifer V. Hanson

On Friday, September 23rd, the VLP will be hosting the 4th Annual Champions of Justice Breakfast. This year, the Breakfast will be held in the Grand Ballroom at the Hemmingson Center at Gonzaga and The Honorable Debra Stephens will be the keynote speaker. Justice Stephens is a Spokane native as well as the first judge from the Division Three Court of Appeals to sit on the Washington State Supreme Court. Those who know her and those fortunate enough to have been taught by her at GU know that she is a wonderful and knowledgeable speaker. The Breakfast is a great opportunity to make a donation to the VLP (a minimum $50.00 per person donation is suggested), hear how those dollars are spent, and see how lives are impacted by the work done by the volunteers. We have almost 30 sitting and retired judges, commissioners, and other Spokane County officials planning to attend, in addition to many local attorneys, friends, and family. It sounds like we will have a great turn-out, but there are still a few more seats to be filled. Contact Kelly at the VLP at 509-413-2415 or Kelly@spokanebar.org to make your reservation. If you cannot attend the Breakfast, the VLP is still happy to take your donation. Hope to see you there!

We make a living by what we get, we make a life by what we give - Winston Churchill

Summer is over and everyone has gone back to school, college, or law school. Some of you were married- congratulations! Some of you had short staycations or actually took a real vacation. Whatever you were able to do probably made some great memories and fun times I am sure. No matter the summer’s events, we always had volunteers helping weekly at legal advice appointments or at court. We have some of most faithful and helpful volunteers ever. We are always thankful that we have coverage no matter who is away and rightly so.

Now that everyone has gotten back to the business of work day in and day out with summer ending, take a moment to think about what the quote said. What we give is a perpetual experience that keeps on giving. Mentoring is a great way to make sure that the next generation is able to carry on the work while you are providing pro bono volunteer legal assistance. The VLP has great mentors that are able to pass along their years of wisdom and their experiences into those learning the practice of law. We have several retired or emeritus attorneys that love to do this very thing. They are finished with the grind of daily practice but not ready to sit at home and grow old. Some of our best volunteers are in their 70’s or 80’s and love to volunteer. I make sure to give them a big hug when I see them. It inspires me to keep at it myself and keep busy.

So while you may be thinking you are done as you retire, please consider becoming a mentor through the VLP. Your skills and knowledge will be absorbed by law students or newly licensed attorneys eager to get their practices up and going. It will be said of you that you gave wise, sage advice that made a difference to someone else’s career or practice- what a legacy! Please contact us to become a mentor or to help in this much needed area. Mentoring is a great way to volunteer at the VLP.

Many thanks to those who volunteered for the month of August!

WASHINGTON STATE ASSOCIATION FOR JUSTICE PROVIDES FREE LEGAL ASSISTANCE TO WILDFIRE VICTIMS

Over the past several years, WSAJ has volunteered legal help when emergencies arise, including during the Oso mudslide and the Taylor Bridge Fire. The effort each time occurred as a direct response to the disaster, gathering volunteers to help. In 2015, the WSAJ Public Affairs Committee completed guidelines for volunteer attorneys to implement a standing list of those who are able to help their communities in case of disaster.

In response to the wildfires in Eastern Washington, we are again sending out notice of this resource. Our list of volunteer attorneys grows regularly and is kept updated on our website. Victims can consult with the attorneys, without charge, about insurance claims, property losses, government benefits, or other matters arising from the recent wildfires.

A list of volunteer attorneys and resource packets for victims in English and Spanish are available at [www.washingtonjustice.org/index.cfm?pg=wildfire](http://www.washingtonjustice.org/index.cfm?pg=wildfire).
