behalf of the Board of Directors and the staff, I would like to welcome you to the 2015 California Mid-State Fair.

Since our debut in 1946, the California Mid-State Fair has been a place where our community has come together to show our long standing western heritage and community pride, and this year is no different.

In keeping with our theme this year, which emphasizes the important value of family and friends coming together for fun times, we hope that everyone comes out and starts “Puttin’ on the Gritz” at the California Mid-State Fair.

As always, it is the hard work of the dedicated staff, volunteers, and sponsors who enable us to be the “Biggest Little Fair Anywhere”.

So in closing, we look forward to everyone coming out and enjoying our beautiful grounds and taking part in all the events that we have to offer.

Thanks
– Rob Boneso

MIDWAY SPECTACULAR PARADE - For the first-time in the history of the California Mid-State Fair we’re pleased to present a daily parade! The CMSF Parade will feature a band, dancers, floats, mascots and the 2015 Queen and her Court. It’s the “Biggest Little Parade Anywhere!” The parade will take place every day at 4:30 p.m., starting from the Albertsons/Coca-Cola Headliner stage and going down the Midway to the Fort Frontier Stage.

BOBBY KERR IS BACK! - The California Mid-State Fair is pleased to have Bobby Kerr and his American Mustang Act back at the Country Rodeo Finals. The incredible relationship forged between Bobby and these formerly wild mustangs is truly remarkable. As he puts his four-legged partners through their repertoire of skills, fans will be awed by the bond that exists between man and animal.

The Country Rodeo Finals take place at 7 p.m. Saturday, August 1. Tickets are available now for $17/$22 or at the door for $25.

PRWCA AWARDS - The Paso Robles Wine Country Alliance and San Luis Obispo County wine industry annually come together to honor members of the local wine community. The awards recognize passion, dedication, stewardship, innovation, and vision demonstrated by the leaders of the San Luis Obispo County wine region. Stop by Mission Square Friday, July 24 at 5 p.m. to congratulate the winners.

STUDIOS ON THE PARK WITH KID SMART - Studios on the Park, the nonprofit open studios art center in downtown Paso Robles, brings its hands-on Kids Art Smart program to the Fair! Artists of all ages are invited to join the Studios team and experience the joy of art with free daily printmaking sessions. Get ready to learn a new technique and create a masterpiece of your own. Pop-Up Studios is your destination for art education at the California Mid-State Fair! Stop by the Frontier Pavilion daily from 4 p.m. - 5 p.m. for all the fun!

NEW HEADLINER AREA - Check out our Southern Backyard over by the Albertsons/Coca-Cola Headliner Stage! Attractions include: Zoo to You, Big Al: The World’s Largest Alligator, Bobble Lagoon and the Shooting Gallery.
Experience a once in a lifetime bond with your unborn baby on our 155” ultrasound theater.

QUEEN LETTER

My platform, entitled “FFA? Get Agucated!” was designed to pair up local FFA chapters with their local Farmers Markets to showcase the FFA chapter and what it offers to its members and the community. I am pleased to say that there were two booths in Templeton and Paso Robles. Both were completed in February and in March. My final booth will be Monday on “Kids Day” by the main entrance. Come out and see what some of our local FFA chapters have been up to this year and learn more about the FFA program!

Treasure Hunt...

Try to figure out where the clues are leading you. When you think you have gotten the location in the clue, look for a small stamp hanging on the wall or a hook. The clue will be directed toward a specific thing in that location. Use it to make a mark next to the written clue.

Note: You will get a chance to win a prize if you finish the hunt and turn in your map, full of stamps, at the last location.

I “reckon” this booth has all the answers to your questions

“Well butter my biscuit” and jam too

What in “tarnation” the town of Harmony has more cows than people.

That wooley creature is “fixen” to buck you off.

“Woopsey Daisy”

Howdy...Mr. Alligator!

Dadgummit, you couldn’t shoot the broad side of a barn.

Frankly my dear...a picture is worth a thousand words

Heavens to Betsy that boy does know how to weld.

I do declare...Where did you get that darlin’ sweatshirt.
