IGNOU – AT A GLANCE

The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, provides seamless education to the people of India transcending the barriers of place, age, caste, pace, creed, and religion. The objectives of the University are:

- Democratizing higher education by taking it to the doorsteps of the learners;
- Providing access to high quality education to all irrespective of age, region, religion, and gender;
- Offering need-based academic programmes having professional and vocational orientation;
- Promotion and development of open and distance learning system; and
- Setting and maintaining standards in distance education in the country.

The special features of IGNOU can be listed thus:

- International jurisdiction;
- Flexible admission rules;
- Continuous upgrade of information and communication technologies;
- Nationwide student support services network;
- Cost-effective programmes;
- Modular approach to programmes; and
- Resource sharing, collaboration and networking with Conventional Universities, Open Universities and Educational Institutions/Organizations.

Some notable facts about IGNOU are as under:

- Emergence of IGNOU as the largest Open University system in the world;
- Student enrolment touching 3 million mark;
- Pan-India network of learner support centres;
- Statutory declaration of Term-End-Exam results within 45 days;
- Academic programmes approaching 500;
- Recognition as a Centre of Excellence in Distance Education by the Commonwealth of Learning (1993);
- Award of Excellence for Distance Education Materials by the Commonwealth of Learning (1999);
- IGNOU working as the nodal agency for round-the-clock Educational Channels. (*These channels and regular transmissions are done from the studio at Electronic Media Production Centre, IGNOU*); and
- UNESCO declaring IGNOU as the largest institution of higher learning in the world in 2010.
RESEARCH POLICY

Research is an academic institution’s most lasting contribution to society. Research activities are normally composed of two main aspects – the production of theoretical knowledge and an integral experiential encounter with subjects constituting the society. Indeed, the body of published material built up by hundreds of researcher-writers and creation of a massive data base from which to retrieve information regularly and which is constantly augmented, corrected and revised is a natural corollary of research activities. This body of published material and the data base constitute the research canon that is central to the functioning of a reputed academic institution like IGNOU and that forms a material expression of its scholarship.

In about twenty years, since its inception, IGNOU’s Research Programme has shifted gear from the initial focus on distance education and its methodologies and practices to vital contributions to both theoretical and empirical research in various academic disciplines and interdisciplinary areas. This shift has been smooth without any major impediment and has yielded the desired objective of the creation of a viable ‘research canon’. The core of our research endeavour is harnessed to the creation and continual expansion of this research canon.

A principal objective of IGNOU’s Research Programme has been to maintain a strong focus on the flow of theoretical ideas and to connect it with the empirical works of subject oriented researches in sciences, social sciences, humanities, management, technology and other disciplines offered by the University as areas of probe and investigation from time to time. There has to be a conjunctive mix of theoretical ideas and extended probes into concrete social situations. It is now commonly agreed that the object of the subject/discipline oriented research is to delineate a methodology of investigation that guarantees the discovery of ‘truth’ and to prescribe that methodology as canonical imperatives which practicing researchers are obliged to follow. Our research programme has indeed had great practical import; studying the philosophy of research and training into research methods have become important ingredients of our research programme.

RESEARCH DEGREE PROGRAMMES

General Eligibility Criteria and Selection Procedure

A candidate is eligible for Admission and Registration for the MPhil/PhD programme provided he/she has qualified:

(a) For the award of Master’s Degree of any recognized University/other qualification recognized as equivalent thereto in such fields of study as are notified for the purpose from time to time by the University. The minimum qualifying marks are **55% at Post Graduation level (50% in case of reserved categories)**, and

(b) **In the Entrance Examination** conducted by the University at the national level on the pattern of UGC/CSIR.
However, candidates holding MPhil degree or those candidates who have cleared JEST of DAE or UGC-NET or GATE of IIT or those having at least five years of related Teaching/Practical/Industry/Professional experience as validated by the respective Disciplines may be exempted from appearing in the Entrance Examination.

**N. B.: Additional eligibility conditions have been prescribed by individual Disciplines. Candidates are advised to refer these details in the Table given at the end of the Prospectus and ensure that they meet the desired condition/s.**

Candidates who are employees of IGNOU shall have completed at least two year service in the University on the date they submit the Application for admission.

**Programme Fee**

The PhD Programme Fee is Rs. 7,000/- per annum for 2 years. MPhil candidates are to pay one-time fee of Rs. 10,500/- which is inclusive of the Course Fee. Individual Disciplines may assign course work for PhD candidates for which additional fee may be charged (*The fee as stated above is subject to revision as decided by the University from time-to-time*).

**Duration**

The maximum durations of the PhD Programme and the MPhil programme are 5 years and 4 years respectively.

**Reservation**

IGNOU follows the provisions of the Government of India Policy on Reservation for admission to its Research Degree Programmes.

**FORTY STEPS TO RESEARCH DEGREE**

In this section, the important steps which doctoral students are expected to follow are listed. We assure that if you proceed along these steps you should be able to complete your doctoral work in a smooth and effective way. You are advised to keep checking on these steps as you pursue your research.

**Steps before Admission into Research Programmes**

1. When you first aspire to do your PhD or MPhil through IGNOU you should log on to the IGNOU website at [www.ignou.ac.in](http://www.ignou.ac.in). The Home Page opens and you get the link **Research Degree Programmes** there. You will here find detailed information on the Research Degree Programmes of IGNOU viz., MPhil and PhD You would do well to carefully read and even download this information and choose your area of research based on this information.

2. Now look for Admission Advertisement on the Website. **The University advertises for research programmes twice a year, once for the January cycle and second time for the July cycle.** The advertisement is placed, almost four months in advance of the impending cycle, on the University website indicating the Disciplines which are offering Research Programmes for particular cycle. Please note that all the Disciplines may not offer Research Programme in both cycles.
3. The Application Form is also placed on the Website. You may download the Application Form and fill in the details. Remember you should respond to each and every item contained in the Application Form. If there is inadequate or wrong information, your Application Form is likely to be rejected.

4. You must ensure that the Application Fee, as indicated in the Advertisement, in the form of Demand Draft drawn in favour of IGNOU payable at New Delhi is made ready before the last date indicated in the Advertisement and is attached with your Application Form.

5. You must ensure that copies of all documents testifying the information submitted by you in the Application are attached along with your Application Form.

6. If you are required to attach a research proposal with your Application Form, you must study the Guidelines : Research Proposal given below and prepare a Research Proposal accordingly. Please note that if you intend to have a supervisor who is not an IGNOU faculty, you will have to attach a CV of the supervisor and a letter of consent from the proposed Supervisor.

7. Kindly note that every Discipline specifies its own criteria for admitting students. Therefore, you are advised to carefully read and understand the requirements of the Discipline you are applying for as given in the Table attached at the end of the Prospectus.

8. Upon the receipt of your Application Form at the Research Unit, IGNOU, an initial scrutiny will be made to examine if all the essential conditions of eligibility are met and relevant documents are attached with the Application Fee.

9. Thereafter, all information contained in your Application Form is recorded in the Master Data Base of the Research Unit. The Application Form is then sent to the concerned Discipline through the related School of Study for further consideration.

10. There is a Doctoral Committee in each Discipline which is vested with the power to decide and manage admissions in the Research Programmes (see Comprehensive Guidelines). The Doctoral Committee will examine the Application Form and may get in touch with you to advise you to revise and resubmit your Research Proposal for which reasonable time will be given to you. The Doctoral Committee will thus shortlist candidates who are found to be suitable for making their presentations before the Doctoral Committee.

11. At the same time, Application Forms of candidates who are supposed to take the Entrance Examination before facing the Interview will be screened and checked for eligibility. The Discipline-wise list of eligible candidates who will appear in the Entrance Examination will be displayed on the Website. Hall Tickets enabling the candidates to take the Entrance Examination will be dispatched by the Research Unit and also displayed on our Website. In case, you do not receive the Hall Ticket dispatched by post, you are advised to download the same from the Website and appear in the Examination. You are advised to regularly check our Website for Research related information and notifications.
12. The Research Unit, in cooperation with Teaching Faculty of the University, will conduct the Entrance Examination on the date fixed for the purpose and announced in advance to help you make your travel arrangements. Generally the Entrance Examinations are organized in the last week of April and September for respective cycles of admission beginning July and January every year.

13. Candidates who are successful in the Entrance Examination will be duly informed and called for Interview/Viva/Presentation of Research Proposal before the Doctoral Committee of the Discipline.

14. Those candidates who are exempted from appearing in the Entrance Examination will also be called to make their presentations before the Doctoral Committee. Here again, the Doctoral Committee may give guidance on your Research proposal. It is at the discretion of the Doctoral Committee to conduct Interview/Viva/Presentations according to the convenience of the Experts.

15. The details of candidates who are finally selected by the Doctoral Committee along with the allotted Supervisor/s in each case will be sent to the School Board for consideration. In the case of MPhil, the Topic of Dissertation will also be decided at the time of Interview/Viva and will be recommended to School Board for consideration.

16. The admission of the candidates recommended by the School Board will be placed for final approval to the Research Council/Research Council Standing Committee after which an Offer Letter for provisional Admission/Registration will be sent by the Research Unit to the candidates. The Offer Letter will inform the candidate about his selection and advise her/him to deposit the required fee for the MPhil/PhD Programme within a stipulated time.

17. **It is only when you deposit the fee that you are admitted to the Research Programme technically. You will then be assigned an enrolment number by the Research Unit. Please note that failure to deposit the fee within the stipulated time will result in the cancellation of your admission.**

18. If your topic of research and the Research Proposal are not finalised at the time of Interview you may be given a maximum of six month time to work on your research topic to finalize the title, methodology, research approach, and such aspects of your work as are advised by the Doctoral Committee. You will be guided by your Supervisor/s in this matter. You should finalize your topic and Research Proposal within six months of your provisional Admission/Registration. In case you fail to do so, your admission will be cancelled and no refund of fees will be made. Please understand that it is your responsibility to finalize the Research Topic and Research Proposal within the six month period.

19. After the finalization of your Research Proposal and its approval by the Research Council/Research Council Standing Committee you will be issued a Confirmation Letter. With this your admission into the University’s Research Programme is formalised.
Steps after Admission into Research Programmes

Course Work

20. At the time of approving your Research Proposal the Doctoral Committee may also assign Course Work related to the thrust areas of research and research methodology. The details of Course Work, evaluation methodology and the teaching schedule will be given by the Research Programme Coordinator.

21. Generally, Course Work is assigned to those candidates who are seeking admission to MPhil programme and to the PhD candidates who have not done MPhil However, Course Work can also be assigned by the Doctoral Committee to PhD candidates who have done MPhil.

22. The Course Work will have to be completed in a maximum period of one year. A candidate shall be deemed to have completed the Course Work successfully on obtaining at least C Grade (measured on a five point scale) or 50% of the maximum score in the Course Work.

Progress through Research

23. Research is a senior level study. You should take responsibility for the progress of your research which will be monitored by your Supervisor/s. You are supposed to submit Six Monthly Progress Reports of your research work on the prescribed format given in the Prospectus. You are advised to submit your Progress Report to the Supervisor for his considerations and placement before the Doctoral Committee on a regular basis and within the stipulated time.

24. As a Research Student you will have to give Two Seminar Presentations during your tenure as a Research Scholar and submit a Certificate to this effect in the prescribed format to the Research Unit. (MPhil candidates are exempted).

25. You are also required to publish at least One Research Paper (Published/Accepted for publication) in a peer reviewed/refereed Journal and submit a Certificate to this effect in the prescribed format to the Research Unit before submitting the PhD Thesis. (MPhil candidates are exempted).

26. Before the submission of the thesis, a Pre-submission Seminar will be organized by your Supervisor. The seminar will be open to all. The report of this seminar, incorporating suggestions for improvement, if any, will be sent to Research Unit for records. The Supervisor will ensure that the suggestions given at the Pre-submission Seminar are incorporated by you in the Thesis and a Certificate to this effect in the prescribed format is submitted to the Research Unit. (MPhil candidates are exempted).

Dissertation/Thesis Submission

27. On the completion of your study, you shall submit a Summary of the Thesis in electronic form and 5 hard copies of the same (3000-5000 words), duly approved by the Supervisor/s at least 45 days before the submission of Thesis. (MPhil candidates are exempted).
28. Thereafter, four hard bound copies of the Thesis along with one in the electronic form on a CD shall be submitted by you to the Research Unit through your Supervisor/s and the Director of the School. The Thesis shall include a Certificate signed by the Supervisor/s about the originality of your research work in the prescribed format. In case of MPhil candidates, two hard bound copies of the dissertation along with one in the electronic form on a CD shall be submitted to the Research Unit through the Director concerned. The dissertation shall include a certificate signed by the Supervisor about the originality of the work.

29. The thesis will be examined by three External Experts nominated by the Vice Chancellor from a list of seven experts submitted by the Supervisor/s through the School Board concerned. In case of MPhil, the dissertation will be examined by one external examiner nominated by the Vice Chancellor from a list of at least 5 experts submitted by the supervisor through the School Board concerned. The report of the Examiner/s in each case will be submitted on the prescribed format.

30. In case any examiner suggests certain modifications and re-submission of the Thesis, the same will be communicated to you and you will be asked to re-submit the Thesis incorporating all the modifications within six months. The Supervisor/s will ensure that the suggestions of the examiner are adequately addressed. The modified Thesis shall be referred again to the examiner concerned for re-evaluation.

31. If one of the examiners does not recommend the Thesis for the award of a PhD degree, the Thesis shall be referred to another examiner for independent evaluation. However, if this examiner also rejects the Thesis, the Thesis shall be rejected by the University.

Viva-Voce Examination

32. The reports received from Examiners of the thesis will be shown to you beforehand so as to enable you to address the issues raised therein while preparing to defend the Thesis during the viva-voce examination.

33. An open defence of the Thesis in the viva-voce shall be conducted at IGNOU by a panel comprising one of the external examiners nominated by the Vice Chancellor and the principal supervisor of the candidate. The Director concerned shall be the Chairperson of the panel. The supervisor shall be the convener of the panel. The date for open defence, venue, and topic of the thesis with a brief abstract shall be communicated to the Research Unit by the Supervisor. This will also be given wide publicity to facilitate larger participation in the session. In case of MPhil, after evaluation of the dissertation by the examiner, the viva-voce shall be conducted by a panel comprising the external examiner, the supervisor of the candidate, as Convener of the panel, and the Director concerned as the Chairperson of the panel. The evaluated marks will be given on prescribed format.

34. Successful completion of the MPhil Programme will require the candidate to secure minimum 50% marks in each course, 50% in the dissertation work and 50% in viva-voce.
35. In case the candidate does not obtain the qualifying marks in the dissertation, the evaluation report shall be sent to the Supervisor who can guide the research student in improving the dissertation for re-submission. This provision can be invoked only once.

36. A joint report of the viva-voce examination of the PhD candidate will be submitted to the Research Unit by the Director of the School concerned on the prescribed format.

Award of the Degree

37. All evaluation reports and the joint report giving the final recommendation shall be placed before the Vice Chancellor for approval. The Vice Chancellor’s decision will be placed before the Academic Council through the Research Council.

38. After approval by the Academic Council/Research Council, notification about the award of Doctoral Degree shall be issued by the Student Evaluation Division (SED) of the University.

39. Pending the approval of the Academic Council, a Provisional Notification of the award of PhD will be issued by the Student Evaluation Division (SED).

40. Congratulations! You have meticulously worked through your research topic and deservedly earned your Doctorate.

CHECK LIST

Before submission of Dissertation for MPhil or Thesis for PhD you are advised to ensure that the requirements specified in this check list are fulfilled:

For MPhil Programme

(1) Completion of Course Work.
(2) Certification of Originality of Dissertation Work by your Supervisor(s).

For PhD Programme

(1) Registration for 2nd/3rd year through payment of fee for two/three years as applicable.
(2) Submission of all six monthly progress report for the period of research.
(3) Completion of Course Work, if applicable.
(4) Presentation of at least two Seminar/Conference Papers.
(6) Completion of Pre-submission Seminar.
(7) Certification of Originality of your research by the Supervisor(s).
GUIDELINES : RESEARCH PROPOSAL

Research Proposal is the statement of your scheme of research. You have decided the topic which you want to explore. Now is the time to put some questions to your own self. What is the purpose of your research? It is not supposed to be just a rehash of what other people have said on the subject. You would certainly like to contribute something original to the world of knowledge through the proposed research. It is therefore important to organize your proposed scheme in the form of a cogent and viable write-up. This write-up makes for your research proposal.

We give below the main components of a research proposal as is generally expected by our decision taking bodies, viz. Doctoral Committee, School Board and Research Council. It should contain the following:

1. **Title**
   Give proposed Research Title.
   
   ______________________________________________________

2. **Introduction**
   Give a broad description of proposed Research Work. Explain important concepts in the study (use more space if needed).
   
   ______________________________________________________

3. **Objectives**
   Establish the rationale for undertaking the study in the background of work done on that theme or the logic of the originality of your research work; identify gaps in the knowledge and justify the need for the present study (use more space if needed).
   
   ______________________________________________________

4. **Give broad aims of the study and also the specific objectives.**
   
   ______________________________________________________

5. **State the hypothesis, if any, which the research intends to examine. In case the study does not contain explicit hypothesis it may be mentioned so.**
   
   ______________________________________________________
(6) **Review of Literature**
Review some important and related Published Works and analyze them in the context of your study (use more space if needed).

(7) **Methodology**
Write a paragraph on the Research Methodology you propose to use (use more space if needed).

(8) **Bibliography**
Selected list of references used and proposed for the study should be mentioned (use more space if needed).

**Note**: The Research Proposal should be between 3000-5000 words.

### SCHOLARSHIPS AND FELLOWSHIPS

(a) Candidates who have qualified UGC-NET, GATE, JEST, etc. and have been awarded Fellowships by these and such other agencies are welcome to enrol for Doctoral Studies at IGNOU. The University will disburse the fellowships awarded to them as per the rules of the awarding agencies.

(b) The University also awards Fellowships (IGNOU-Research Fellowship) to full time PhD students of IGNOU. The objective of the IGNOU-RF scheme is to provide opportunities to full time research students who have no other financial support to undertake research leading to PhD degree in the disciplines offered by IGNOU. The tenure of IGNOU-RF is initially for a period of two years from the date of the award. If the research work is found satisfactory, fellowship for an additional year will be awarded to the candidate. **There is no provision for extension beyond three years.** The value of the award is Rs. 5000/- pm for all three years presently.

(c) The University has the Research and Teaching Assistantship Scheme (RTA) which provides opportunities to the researchers to undertake advanced studies and research and teaching in the field of Open and Distance Learning. **RTAs will have to work as full time students** in the University and will have to assist the Faculty in teaching related activities. The tenure of the
award is initially for a period of three years which is extendable by two years (on annual basis) based on satisfactory progress evaluated every year. **There is no provision for extension beyond five years.** The value of RTA award is Rs. 18,000/- per month with an annual contingent grant of Rs. 20,000/- for three years.

**SOME IMPORTANT RULES**

Some important rules governing the Research Programme are as follows:

1. All **registrations to MPhil/PhD Programmes shall be provisional** and the same shall be confirmed according to the procedures prescribed by the Research Council from time to time.

2. A candidate, who has been offered registration, shall deposit the prescribed registration fee **within a period of three months** from the date of registration, failing which his/her registration will be treated as cancelled. However, under special circumstances, extension up to six months may be given. The decision of the University in such matters will be final.

3. The **registration of a student may be cancelled** for any of the following reasons:
   - (i) Non-payment of fees.
   - (ii) Unsatisfactory progress.
   - (iii) Non-compliance with the provisions of the Ordinance and other Regulations of the University.
   - (iv) Failure to submit the Dissertation/Thesis within the time limit prescribed.

4. The Research **Council may consider requests for re-registration** from students whose registration is cancelled. An application for re-registration, if made within a period not exceeding six months from the cancellation of the registration, may be considered only on the recommendation of the supervisor(s) and the School Board as the case may be.

**RESEARCH RESOURCES**

**University Library**

The IGNOU library is the most resourceful information centre in the country in the field of Distance Education. The library has the largest collection of books, journals and other related materials in the field of Distance Education throughout the country. It was established in 1986 in tune with the objectives of IGNOU.

The primary mission of the library is to support the educational and research programmes of the University by providing physical and intellectual access to information. In accordance with the objectives of the University, the library aims to develop a comprehensive collection of documents useful to readers. The IGNOU library uses LIBSYS,
an integrated Library Management software package with all the modules for the library housekeeping operations. Using LIBSYS Web OPAC, users can search the Library online catalogue by Author, Title, Subject and Keywords. The library also provides the facility of accessing e-resources.

**Chairs of the University**

The University has identified certain areas in the knowledge domain for focused efforts aimed at knowledge advancement as also extension work wherever possible and has instituted several Chairs for this purpose. The **Chairs are Academic Resources** which provide opportunity to the researchers to enrich themselves in numerous ways. A brief mention of such Chairs is presented below:

(i) **Bahadur Shah Zafar Chair** established to commemorate the 150th Anniversary of the First War of Independence which is supported by the grants released by the Ministry of Culture, Govt. of India.

(ii) The **Chair for Sustainable Development** was established by the University to mark the decade of education for Sustainable Development by the United Nations. The main focus of the Chair is the promotion of research and education in the field of sustainability science.

(iii) Visualizing that satellite communications will play a critical role in the growth of the Open and Distance Learning System in the country, the University in collaboration with the ISRO has established the **ISRO Chair for Satellite Communication Education** in IGNOU. The Chair will undertake research and educational activities in the application of satellite communication to education.

(iv) **The Tagore Chair for Indian Literature** is located in the School of Humanities. The Chair is established to organize symposia, seminars and undertake researches in Indian Literature.

(v) The **Catholic Bishops Council of India** has established the CBCI-IGNOU Chair in the University to address the needs of the disadvantaged sections of the society through educational programmes, extension activities and research.

(vi) The **Chair for Technology enabled Education** is a University level located in the School of Education. The Chair will take up various academic activities for effective utilization of technology for development, planning and transaction of the curriculum.

(vii) The **Rajiv Gandhi Chair for Contemporary Studies** was established by MHRD to conduct research and studies on themes close to the heart of the former Prime Minister. The objective of the Chair is to create National Centres for academic deliberations and action oriented research in the frontier areas of contemporary relevance for improving the quality of life and life management systems.

(viii) The **UNESCO Chair in Teacher Education through Distance Mode** acts as a focal point for activities implemented in the field of teacher education through distance mode.

(ix) The **Dr. B. R. Ambedkar Chair on Social Change and Development** focuses on dissemination of the ideas and thoughts of Dr. Ambedkar. It also undertakes projects for documenting the history of the movements which tried to remove the caste system.
(x) The **Raman Chair for Mathematics and Science Education** is situated in the School of Sciences aims at mapping out policies for national initiatives for furthering the cause of education in the fields.

(xi) The **Visvesvarayya Chair for Work Education Linkages** is located in the School of Engineering and Technology. It aims at identifying technological gaps between the needs in the field and available technology. It also develops tailor made education and training programmes to cater to the customized needs of the industry.

**IGNOU Researchers Forum**

As outlined in the Research Policy, studying the philosophy of research and training into research methods are important ingredients. Modern research methods have impacted the structures of society and relations of power. They have also remained pervasive in cultural relations throughout the world. The research programmes of the University should therefore draw upon a variety of theoretical positions and their associated strategies and techniques. Moreover, the researchers should also seek to develop adequate and appropriate approaches to subjects that are diverse, hybrid and diasporic. It is felt that the research programmes of the University function in an atmosphere of intellectual exchange and cultural negotiation. Keeping this in mind, the IGNOU Researchers Forum has been formed to provide a platform for interaction among the researchers and to ensure that the essence of the Research Policy is realized. The Forum meets on a regular basis and encourages research scholars to make their presentations and participate in the discussions and debates. The Forum is open, for participation to all teachers, staff and students.

**International Collaborations**

From time-to-time the University works out schemes which provide an opportunity to enter into international collaborations. Under these schemes students and teachers of the University may visit universities and other institutions overseas for study and interaction.

**COMPREHENSIVE GUIDELINES: PhD**

*[Relevant Notifications and necessary alterations in conformity with the Ordinance on Research Degree Programmes and UGC (Minimum Standards and Procedure for Awards of MPhil/PhD Degree), Regulation 2009 incorporated.]*

1. Admission to PhD Program shall take place in two sessions, viz. January and July every year. The admission schedule will be announced through advertisement on the IGNOU website and/or in national newspapers for each session **indicating the Disciplines which are on offer in the session**. All applications in the prescribed format shall be received at the Research Unit of IGNOU by duly notified dates. The format of application may be downloaded from the website or purchased at the designated Regional Centres and/or Study Centres and IGNOU Headquarter at Maidan Garhi, New Delhi. The applications shall be submitted at the Research Unit as stated above.
2. The **eligibility** for admission in PhD program is *55% marks at the post-graduation level (50% for reserved category)*.

(i) Candidates who fulfil the eligibility criteria and have qualified UGC (NET), SLET, IIT (GATE), DAE (JEST), etc. will be selected after making the presentation of their research proposal before Doctoral Committee of the Discipline in an interview. Such candidates, after admission, will be prescribed course work by the Discipline concerned.

(ii) Candidates who fulfil the eligibility criteria and also have MPhil Degree and/or five years of Work/Professional experience as validated by the respective Disciplines may be exempted from appearing in Entrance Examination. Such candidates will be invited to make the presentation of their research proposals before Doctoral Committee of the Discipline in an interview. Selected candidates may be prescribed Course Work as deemed appropriate by the Discipline.

(iii) Candidates who fulfil the eligibility criteria and do not have MPhil/NET/or five years work experience will appear in the Entrance Examination. Those who qualify the Entrance Examination will appear in the interview conducted by the Discipline concerned. Such candidates, after admission, will undergo course work prescribed by the Discipline.

3. The Applications received at the Research Unit will be subjected to an initial scrutiny for the eligibility. Thereafter, the Applications of MPhil and SLET/NET/GATE/ JEST qualified candidates will be sent to respective Schools for conduct of interview and research proposal presentations before the Doctoral Committee/s of the Discipline/s.

4. Candidates short-listed with MPhil, NET/SLET/GATE/JEST or five year work experience, as validated by the Discipline, will be invited to present their research proposals before the Doctoral Committee of the Discipline. The recommendation of the Doctoral Committee shall be placed before the School Board for approval. The Director of the School shall forward the recommendation of the School Board to the Research Unit, in the prescribed format, for the consideration of the Research Council Standing Committee (RCSC)/Research Council (RC) for final approval. Subsequently, Research Unit shall send an offer letter to the candidate intimating the approval of provisional admission in the respective PhD Programme. A candidate who accepts the offer will remit the prescribed fee within the stipulated time to the Research Unit. The candidate whose research topic and synopsis are already approved by the Research Council on the recommendation of the Doctoral Committee shall be issued a letter by the Research Unit confirming registration as PhD student. In case the Doctoral Committee suggests modification(s), the candidate may finalise the Synopsis/Research topic in consultation with the Supervisor. Thereafter, the modified Synopsis/Research topic should be processed through the Doctoral Committee and the School Board before its consideration in the RC. The candidate will get **six month time** for finalizing the research topic and synopsis. Failure to finalize synopsis within six months, as above, will result in the cancellation of provisional Registration/Admission without any refund of fee.

5. **Applications** of candidates who have to appear in the **Entrance Examination** will be **processed by the Research Unit** and uploaded on IGNOU Website. Simultaneously, Hall Tickets will be issued to them. Candidates who qualify in the
Entrance Examination will appear in an interview conducted by the Discipline. Selected candidates will be enrolled provisionally and will undergo course work of one year duration prescribed by the Doctoral Committee of the Discipline. The candidate shall be deemed to have completed the course work successfully on obtaining at least C Grade (measured on a five point scale) or 50% of the maximum score in the course work. The candidate will get six months time to finalize research topic and synopsis since the completion of course work (of one year duration) and will attract the same provision of cancellation as in Sl. No. 4 above on failure to finalize synopsis within a period of six months since provisional Registration/Admission.

6. Students enrolled in PhD program may work on full-time basis or on part-time basis at the University (vide Clause 3.3 of the Ordinance on Research Degree Programmes). All those who have been awarded a fellowship either by IGNOU or any other funding agency will work as full-time research students. Change from part-time to full-time or vice versa will have to be approved by the Doctoral Committee and the School Board and placed before the RCSC/RC for approval within a reasonable time. The decision of the RCSC/RC in this matter will be final.

7. Minor change in the topic of PhD thesis can be made within 1½ years of provisional registration for PhD. This minor change in the topic will have to be approved by Doctoral Committee, School Board and thereafter placed before RCSC/RC for approval. No minor change of topic will be permitted after 1½ years of provisional registration.

8. In case there is a major change of topic as decided by the Doctoral Committee, the student will have to go through the process of fresh registration.

9. There will be a Doctoral Committee for each Discipline that will manage all aspects of research program pertaining to the Discipline. The Doctoral Committee of each Discipline will comprise the following:

   (i) Director of the School - Chairperson
   (ii) Faculty of the Discipline concerned - Members
   (iii) At least one External Expert from a Panel recommended by the School Board and approved by the Vice Chancellor - Member
   (iv) Programme Coordinator of PhD - Convener

10. The term of an External Expert on the Panel of the Doctoral Committee will be two years and the Expert will be eligible for re-nomination.

11. Doctoral Committee will perform the following functions:

   (i) Organize all such activities as are relevant to the research programme of the Discipline;
   (ii) Approve the topic of research, the synopsis, and the allocation of supervisor;
   (iii) Assess and approve the progress reports of PhD students;
   (iv) Prescribe course work;
   (v) Approve change of topic of dissertation/thesis, change of supervisor and status of researcher (full time to part time and vice-versa);
(vi) Recommend, or not, extension of tenure of fellowships, if applicable, beyond the initial period of the award;

(vii) Approve the finalized synopsis within six month period of provisional admission/registration of students;

(viii) Consider and recommend to the School Board for approval the CVs and names of supervisors in accordance with the Ordinance;

(ix) Ensure observance of the admission schedule in each cycle as announced by the Research Unit; and

(x) Ensure the observance of the Reservation Policy of the Government of India.

12. The courses will be designed and developed as per the laid down procedures of the University and the details along with the evaluation methodology will be provided by the Research Programme Coordinator as worked out by the Doctoral Committee for the approval of the School Board and RC/RCSC. The schedule of the course work, decided by the Doctoral Committee, will be announced by the Research Programme Coordinator.

13. Records related to admission, registration, payment of fees, and other learner records will be maintained by the Research Unit. The relevant information on the payment of fee by the research student will be regularly communicated by the Research Unit to the respective Disciplines enabling them to keep an update on the status of the research student.

14. All research Supervisors approved by IGNOU in accordance with the Ordinance on Research Degree Programmes can guide research students.

15. A Supervisor shall be deemed to have renewed her/his quota of enrolment on completion of three years of registration of a candidate under her/his supervision.

16. The progress of the research student shall be monitored by the supervisor(s). However, generating the six monthly progress reports on the prescribed format will be the responsibility of the research student. S/He shall submit her/his progress report to the Supervisor for placing the same before the Doctoral Committee. The recommendation of the Doctoral Committee will be placed before the School Board. The minutes of the Doctoral Committee and that of the School Board will be forwarded by the Director of the School for placing before the RCSC/RC. In case of unsatisfactory progress over a time period of one year and/or non-submission of timely report/fee, the University reserves the right to cancel the registration under Clause 3.6 of the Ordinance.

17. Each research student will give at least two seminars prior to the pre-submission seminar before the Doctoral Committee.

18. The maximum duration after registration for the PhD Program shall be five years. The maximum duration can be extended by a maximum of one year with the permission of the Vice Chancellor. The request for extension shall have to be moved by the research student through Supervisor and the Doctoral Committee. In such cases, a prescribed fee will have to be paid by the student for the period of extension.
19. When the research student is nearing the completion of his PhD work a **pre-submission seminar**, open to all, will be organized by the Supervisor. The report of the seminar, and suggestions for improvement, if any, will be sent by the Supervisor through the Director of the School to the Research Unit for records. The Supervisor will ensure that constructive suggestions made in the pre-submission seminar to improve the quality of research are incorporated in the thesis.

20. At least one research paper should be published/accepted for publication in a peer reviewed/refereed Journal (online or print) **before** the submission of thesis.

21. The research student shall submit a copy in electronic form on a CD and four hard copies of the summary of the thesis (3000-5000 words) to the Research Unit, duly approved by the Supervisor(s), at least 45 days before the submission of thesis.

22. Four hard bound copies of the thesis along with one in the electronic form on a CD shall be submitted to the Research Unit through the Director concerned. The thesis shall **include a certificate** in the prescribed format signed by the Supervisor(s) about the originality of the work.

23. The thesis shall be examined by three external experts nominated by the Vice Chancellor from a list of seven experts submitted by the Supervisor(s) through the School Board concerned. The report of the evaluation will be given on a prescribed format.

24. In case an examiner suggests certain modifications or re-submission of the thesis, the same should be communicated to the candidate, who will be asked to resubmit the thesis with all the modifications within six months. The research Supervisor(s) will ensure that the suggestions of the examiner are adequately addressed before resubmission of the thesis. The modified thesis shall be referred again to the examiner concerned for re-evaluation.

25. If one of the examiners does not recommend the thesis for the award of a PhD degree, the thesis shall be referred to another examiner for independent evaluation. If the fourth examiner recommends the thesis for the award, the viva-voce examination shall be organized by the Director of the School as prescribed at Sl. No. 25. However, if this examiner also rejects the thesis, the thesis shall be deemed to be rejected by the University.

26. The **examiners’ reports** will be communicated to the School concerned and the Supervisor to be **shared with the candidate** prior to the viva-voce examination to enable her/him to address the issues that arise in the reports while preparing to defend the thesis.

27. The **viva-voce examination** shall be conducted at IGNOU as an open defence of the thesis by a panel comprising one of the external examiners nominated by the Vice Chancellor and the Supervisor(s) of the candidate. The Director concerned shall be the Chairperson of the panel. The Supervisor from IGNOU shall be the Convener of the panel. The date for open defence, venue, and topic of the thesis with a brief abstract shall be communicated to the Research Unit by the Director of the School concerned. This should also be given wide publicity by the Research Unit so as to facilitate larger participation.
28. The report of the viva-voce examination prepared by the External Examiner and the Research Supervisor(s) in the prescribed format will be sent to the Research Unit through the Director of the School concerned. The report shall be placed before the Vice Chancellor for approval.

29. The Research Unit will communicate the approval of the Vice Chancellor along with other relevant matter to the Student Evaluation Division for issuing the notification.

30. The PhD degree will be awarded at the Convocation.

**COMPREHENSIVE GUIDELINES : MPhil**

[Relevant Notifications and necessary alterations in conformity with the Ordinance on Research Degree Programmes and UGC (Minimum Standards and Procedure for Awards of MPhil/PhD Degree), Regulation 2009 incorporated.]

1. Admission to MPhil Program shall take place in two sessions, viz. January and July every year. The admission schedule will be announced through advertisement on the IGNOU website and/or in national newspapers for each session indicating the Disciplines which are on offer in the session. All applications in the prescribed format shall be received at the Research Unit of IGNOU by duly notified dates. The format of application may be downloaded from the website or purchased at the designated Regional Centres and/or Study Centres and IGNOU Headquarter at Maidan Garhi, New Delhi. The applications shall be submitted at the Research Unit as stated above.

2. Candidates having post graduation with 55% marks (50% for reserved category) will be eligible for admission into MPhil Programme.

3. There will be a Doctoral Committee for each Discipline that will manage all aspects of research program pertaining to the Discipline.

The Doctoral Committee of each Discipline will comprise the following:

(i) Director of the School - Chairperson
(ii) Faculty of the Discipline concerned - Members
(iv) At least one External Expert from a panel recommended by the School Board and approved by the VC - Member
(iv) Programme Coordinator of PhD - Convener

4. Doctoral Committee will perform the following functions:

(i) Organize all such activities as are relevant to the research programme of the Discipline;

(ii) Approve the topic of research, the synopsis, and the allocation of supervisor;

(iii) Prescribe course work;

(iv) Approve change of topic of dissertation, change of supervisor and status of researcher (full time to part time and vice-versa);
(v) Recommend, or not, extension of tenure of fellowships, if applicable, beyond the initial period of the award;

(vi) Consider and recommend to the School Board for approval the CVs and names of supervisors in accordance with the Ordinance;

(vii) Ensure observance of the admission schedule in each cycle as announced by the Research Unit; and

(viii) Ensure the observance of the Reservation Policy of the Government of India.

5. **Applications of candidates who have to appear in the Entrance Examination will be processed by the Research Unit and uploaded on IGNOU Website.** Simultaneously, Hall Tickets will be issued to them. Candidates who qualify in the Entrance Examination will appear in an interview conducted by the Doctoral Committee. The Doctoral Committee will recommend the selected candidates and place their cases along with the topics of their dissertation before the School Board for approval. The approval of the School Board will be forwarded to the RC/RCSC for approval. After approval by RC/RCSC the Research Unit shall inform the student about his/her selection through an **Offer Letter.** A student who accepts the offer will remit the prescribed fee within the stipulated time to the Research Unit. Thereafter, her/his admission will be confirmed through a confirmation letter issued by Research Unit.

6. All the candidates so admitted shall undergo course work. The candidates may simultaneously undertake course work and dissertation work.

7. The maximum duration for completing MPhil Programme shall be 4 years.

8. Two hard bound copies of the dissertation along with one in the electronic form on a CD shall be submitted to the Research Unit through the Director concerned. The dissertation shall include on the prescribed format a certificate signed by the Supervisor(s) about the originality of the work.

9. The dissertation shall be examined by an external examiner nominated by the Vice Chancellor from a list of at least 5 experts submitted by the Supervisor through the School Board concerned. The report of the examiner will be submitted on the prescribed format.

10. After evaluation of the dissertation by the examiner, the viva-voce shall be conducted by a panel comprising the external examiner, the Supervisor of the candidate, as Convener of the panel, and the Director concerned as the Chairperson of the panel. The report of the evaluation will be given on the prescribed format.

11. Successful completion of the MPhil Programme will require the candidate to secure minimum 50% marks in each course, 50% in the dissertation work and 50% in viva-voce.

12. In case the candidate does not obtain the qualifying marks in the dissertation, the evaluation report shall be sent to the Supervisor who can guide the research student in revising the dissertation for re-submission. The revised dissertation will be examined by the same examiner and the re-evaluation report will be considered as final report. This provision can be invoked only once.
